Mumbai, January 03, 2019: The Public Issue of Secured Redeemable Non-Convertible Debentures by ECL Finance Ltd (ECLF), the NBFC arm of Edelweiss Group has turned out to be a big draw with investors with the issue being fully subscribed across categories. The issue successfully mobilized over INR 1000 cr making it one of the only in the last quarter to have even the green shoe option fully subscribed.

The issue has seen a keen interest from retail investors with the retail bucket being oversubscribed by 1.78 times with total collection of ~ INR 500Cr against bucket size of INR 300Cr. The issue received close to 32,000 applications from over 80 locations pan India. This is one of the highest in terms of volumes of applications received in recent times and the wide dispersion indicates the brand's reach and penetration.

Similarly, in the Individual HNI Category the issue was widely supported with a subscription of ~INR 230Cr with an average application size of around INR 44 lacs from around 550 investors.

Commenting on the success, **Mr. Himanshu Kaji, Executive Director and Group COO, Edelweiss**, said, "We are delighted with the success of the NCD issue. Despite the current market uncertainties, the tenure wise response has been great where we have managed to get 73% collection in the longer duration i.e. 5 to 10 years. This is a true reflection of the confidence and trust that our investors have in our brand to lock their savings with us for the long term."

"Post implementation of ASBA in Debt issues, ours is the first issue to get such response and get fully subscribed along with the green shoe option," Kaji added.

Despite an ongoing period of market volatility, the sturdy ECLF business model has raised ~ INR 3000Cr this year (INR 2000Cr in July and INR 1000Cr now) for the brand. The funds raised through this issue will be used for the purpose of onward lending, financing, and for repayment/prepayment of interest and principal of existing borrowings of the Company and for general corporate purpose.
