EDELWEISS - STRIKING THE PERFECT BALANCE

Edelweiss Group is one of India's leading financial services conglomerates. The Group, buttressed by total assets* of over ₹1.56 trillion, enjoys a diverse and robust platform spanning three scalable and profitable business segments; **Credit** (retail, corporate and distressed asset resolution), **Franchise** (wealth management, asset management and capital markets) and **Insurance**. This de-risked diversified business model reflects Edelweiss's experience in the growth of India across its multiple consuming facets, from industrial behemoths and large companies through to small businesses and the average Indian urban and rural household.

India today is witnessing a paradigm shift owing to a unique convergence of steadfast vision, inclusive growth and deep policy reforms, all intended to positively affect all Indians. The country's focus on infrastructure development, digital transformation, urbanisation and social upliftment backed by demonstration of good governance has been energising. Sustaining its GDP growth, even as there have been global headwinds, India strikes a fine balance between growth and fiscal prudence.

We have built our 22nd Annual Report around key words that we feel best describe the journey our country is taking – with us in lock-step. In the following pages the words – *Balance, Align, Stretch, Rise, Step-up, Strengthen, Pursue, Impact and Uphold* – effectively convey the dynamism and transformation that we are seeing around us. We stay inspired by the nation's sure-footed approach towards what is probably going to be India's game changing decade, balanced by bold and decisive moves to improve the here and now. For each and everyone.

*Total assets under management includes on Balance Sheet Assets, Distressed Assets Credit (ARC Assets), Wealth Management AuA, Asset Management funds under management and Assets under Custody

VISION

India has set its course for transformation, which is led by the New India vision - a prosperous, educated, healthy, secure, corruption-free, energy-abundant, digitally advanced and globally influential nation by 2031-32.

EDELWEISS GROUP GUIDING PRINCIPLES

The Edelweiss guiding principles ensure that each employee is guided by a common vision. Our 13 principles reflect all the values that define us, breathing life into our credo – *Ideas Create, Values Protect*. As our guiding light, they support our vision to be one of the leading and most respected financial services firms in the country. They have aided us in creating value for our stakeholders year after year, while steering our ambition so that we always stay true to our ideals.

Edelweiss Group: Guiding Principles

1. We will be a **Thinking Organisation**. We will constantly bring 'thought' to everything we do. Our clients' and our own success depend on our ability to use greater ideation and more imagination in our approach
2. We will be **Fair** to our clients, our employees and all stakeholders
3. We will take care of our **People**. Our policies - in spirit and in letter - will ensure transparency and equal opportunity for all. We will go beyond the normal goals of attracting, recruiting, retaining and rewarding fine talent. We will ensure that every individual in Edelweiss has an opportunity to achieve their fullest potential
4. We will operate as a **Partnership**, internally and externally. Though individuals are very often brilliant, we believe teamwork and collaboration will always ensure a better and more balanced organisation. We will also treat our clients as partners and show them the same respect and consideration that we would towards our internal team members
5. We will focus on the **Long-Term**. Though the world will change a lot in the coming years and our assumptions for the future may not hold up, we will reflect on the long-term implications of our actions. Even when making short-term decisions we will be aware of the long-term implications
6. We will focus on **Growth** for our clients, employees and shareholders
7. Our **Reputation and Image** is more important than any financial reward. Reputation is hard to build and even harder to rebuild. Reputation will be impacted by our ability to think for our clients, maintain confidentiality and by our adherence to our value system
8. We will **Obey and Comply** with the rules of the land. We will maintain the highest standard of integrity and honesty. When we are unclear we will seek clarifications
9. We will respect **Risk**. Our business is going to be a constant challenge of balancing risk and reward. Our ability to constantly keep one eye on risk will guide us through this fine balance
10. We will endeavour to grow, protect and use our **Financial Capital** wisely
11. We are defined by the **Experience** our customers have with us. We will strive to make it outstanding at all times
12. We will **Listen** to our customers. Listening is the start of the relationship wherein we understand their needs and fulfil these with the most appropriate products and solutions
13. We recognise that we need to satisfy the **Needs**, sometimes conflicting, of all stakeholders; shareholders who entrust us with their capital, employees who create the organisation, customers who are the reason we exist and society which has given us the resources and opportunity to create value

RISE

STEADILY

India is the fastest growing major economy in the world with GDP clocking in at a healthy 7.1%. Benign commodity cycles and rising levels of foreign investment along with a focus on financial discipline and institutional reforms augur well for sustained growth in the years ahead.

GROWTH AND PROFITABILITY

At Edelweiss, the focus has been on perfecting its bifocal vision to ensure it grows steadily year on year, while, continuing to invest in the diversified platform of scalable businesses. For 5 long years this platform has delivered an impressive PAT CAGR of 37% , without raising any capital at the listed entity level. The Group has also seen the newer businesses, especially Asset & Wealth management and Retail Credit bearing fruit, ensuring the future growth performance is consistent and sustainable.

Edelweiss Group: Growth Snapshot in FY17

- 25% growth in revenue at ₹66,336 million (₹53,157 million FY16)
- 47% growth in Profit After Tax (PAT) at ₹6,093 million (₹4,144 million FY16)
- 39% growth in PAT ex-insurance at ₹7,194 million (₹5,188 million FY16)
- 21% increase in Group Gross Net worth at ₹52.88 billion (₹43.72 billion FY16)
- 68% jump in Total Assets managed at ₹1.56 trillion (₹0.93 trillion FY16)
- 15.5% Consolidated Return on Equity (RoE) (12.9% FY16); 20.7% RoE ex-insurance (18.6% FY16)
- 1.7% Consolidated Return on Assets (RoA) (1.3% FY16); 2.4% RoA ex-insurance (1.8% FY16)
- 7.2% Net Interest Margin (NIM) for credit book (6.8% FY16)
- 79% increase in Fee & Commission income at ₹12,481 million (₹6,966 million FY16)

Business Facts: FY17

- 38% growth in Total Credit Book at ₹276 billion (₹200 billion FY16) across corporate, retail and distressed asset resolution
- 15% growth in Corporate Credit book at ₹138.75 billion (₹120.88 billion FY16)
- 48% growth in Retail Credit book, which now constitutes 33% of total credit book
- ~28% top line growth in Institutional Equities and Investment Banking
- 264% growth in Assets under Management (AuM) in the total Asset Management business at ₹182 billion (₹50 billion FY16)
- 104% growth in Assets under Advice (AuA) to ₹603 billion in Wealth Management (₹295 billion FY16)
- 42% growth in Gross Premium income at ₹4,413 million (₹3,101 million FY16) recorded by Edelweiss Tokio Life Insurance

STRETCH

HORIZONS

The government and Niti Aayog are focused on first understanding India's structural issues and only then evolving an addressable execution framework with a long-term vision to build scale. From addressing administrative bottlenecks, rationalising laws, simplifying processes, agri reforms and boosting small entrepreneurs, bold and innovative steps are being taken to widen the horizon for India and her people.

SCALABILITY

As a forward looking organisation, Edelweiss seeks to constantly expand its horizons. FY17 witnessed improved profitability and substantial growth, with each of its businesses increasing in size and scale. Its diverse and growing range of businesses, led by a fast expanding client base across a burgeoning geographical spread are testimony to the focus on building a scalable business model.

Edelweiss's continuous and single-minded focus on first understanding customers' needs and then honing the right financial solutions is driving expansion and scale. Being present in every financial life stage of a customer, helping them create, grow and protect their wealth are Edelweiss's key lines of business i.e. Credit, Franchise and Insurance.

- Edelweiss Tokio Life Insurance:
 - ~21,400 Personal Finance Advisors (PFAs) across 66 cities in India
 - Wide pan-India presence - 91 branches in 66 cities
 - Over 45,000 policies issued in FY17

*Awaiting final IRDAI approval

STEP-UP

PERFORMANCE

The government's crackdown on black money, the push towards a cashless economy and the promotion of ease of doing business are positive initiatives geared towards stepping up India's performance. Reforms such as the proposed introduction of Goods and Services Tax (GST), Bankruptcy Code and the JAM (Jan Dhan-Aadhaar-Mobile) Trinity for an integrated, convenient, straight through administrative mechanism are aimed towards making India future-ready.

PRODUCTIVITY AND EFFICIENCY

Edelweiss's differentiated approach to business, customer centric initiatives, and intelligent investments in people and technology have helped step-up its performance. The Group continues to leverage its balance sheet with an eye to future growth backed by stringent Asset Liability management and a calibrated approach to capital allocation. Ongoing investments in Technology are focused on stringent quality and delivery outcomes leading to greater automation, real time information and error free commitments across the Group.

Edelweiss Group FY17: 5 year perspective

- Highest Short Term Debt Rating of A1+ and Long-Term Debt Rating at AA by Crisil, CARE and ICRA and AA+ by Brickwork
- RoE ex-insurance increased to 20.7% up from 7% in FY12
- RoA ex-insurance increased to 2.4% up from 1.1% in FY12
- Cost to Income ratio (C/I) ex-insurance improved to 54% from 72% in FY12
- Revenue/employee increased by 77%, while PAT/employee increased by 112% over FY12
- Leveraged technology to enhance overall efficiency, automating decision-making, enabling Straight Through Processing (STP) and strengthening management reporting

Business Facts: FY17

- Credit business improved its NIM (including fees) to 7.2% from 6.8% in FY16
- C/I ratio for Credit business improved to 36% from 44% in FY16
- Retail Credit launched a cognitive automated email response engine powered by artificial intelligence
- Agri Services & Credit launched Warehousing ERP System to manage business growth and achieve operational efficiency
- Distressed Assets Resolution business:
 - Established multi-sector advisory board to help implement best practices in portfolio companies
 - Purchased Gross loans of ~ ₹800 billion since inception - ~8% of stressed assets in the Banking sector
- C/I ratio for Franchise businesses improved to 73% from 85% in FY16 as businesses scaled up
- C/I ratio for Wealth Management business improved to 76% from 88% in FY16
- Edelweiss Tokio Life Insurance:
 - Claim settlement ratio improved from 85.1% in FY16 to 93.29% in FY17
 - Over 95% of claims settled within turnaround time (TAT)
 - Persistency Ratio is one of the best in the industry at 72%

STRENGTHEN FOUNDATION

Despite volatility in global financial markets, India has shown resilience compared to other major emerging market economies. Prudent macroeconomic policies and continued progress with regulatory reforms over the last few years have strengthened the economy's foundation, thus preparing it for a sustainable uptrend in growth trajectory.

GOVERNANCE

While Edelweiss is present across multiple businesses, asset classes and geographies, its rigorous governance structure ensures continuous monitoring and updation of its risk and compliance practices to ensure a secure foundation, one that can quickly address ever-changing dynamic situations. With increasing complexities, different types of risks get intertwined. Understanding this, Edelweiss has established a risk forum with owners of financial and non-financial risk as an additional layer of oversight across the organisation.

Edelweiss Group: Governance Overview

- 12 member Edelweiss Board of Directors, majority of whom are independent directors and collectively provide Edelweiss Group with over 350 man years of experience
- The Board's deep involvement and diverse skill sets, spanning banking, financial markets, asset & wealth management, policy making, law, finance & accounts, provide invaluable guidance in policy design and strategy
- Major subsidiaries have external oversight through independent directors. Similarly key board committees like audit and remuneration consist almost entirely of independent directors
- Voted **The Best Corporate Governance, India 2016** by London based Capital Finance International Jury twice in three years
- Built a robust proprietary risk reporting and management system with a Risk Control Self Assessment (RCSA) process in place. This is stress tested regularly and undergoes rigorous monitoring via external audit firms
- Rapidly evolved from a four-tier risk framework to a comprehensive eight-tier system that includes business risk, financial risk, liquidity risk, operational risk, regulatory and compliance risk, reputational risk, fraud risk and technology risk
- Conferred the prestigious **Golden Peacock Award for Risk Management** in 2016

Edelweiss Group FY17

- Over 3900 employees participated in the bi-annual organisation-wide Risk Survey that monitors awareness levels, understanding of policies, processes and responsibilities around risk management
- Over 4700 employees completed 30 business-specific compliance learning and assessment modules across businesses under the ACE online training program
- Security Operations Center (SOC) implemented for IT infrastructure and cyber-security monitoring. Regular awareness and mitigation programs including cyber-attack simulations are run to ensure employees are ever-alert to new age cyber risks

PURSUE EXCELLENCE

There is visible intent, energy and optimism in announcing initiatives to fast-track clearances and address bottlenecks. The 'Indian Customs Single Window Project', liberalisation of FDI rules, the New Industrial Policy, removal of MRTP restrictions, promoting PSU efficiency, Skill India - all have contributed to bring steady improvement to India's rankings in ease of doing business, reflecting a relentless confidence in pursuing excellence in its quest to become an enviable country to be reckoned with.

LEADERSHIP

Edelweiss, in its continuous pursuit of excellence, has maintained leadership position across many of its business verticals including Asset Reconstruction and Capital Markets. This improved ranking is also seen in its younger businesses such as Wealth Management, Life Insurance and others. It is this track record that demonstrates the high level of commitment and determination that is the driving force which raises the bar for newer businesses verticals to follow.

Edelweiss Group FY17

- Maintained leadership position as India's largest Asset Reconstruction Company and a leading player in Private Debt and special opportunities
- Third largest wealth manager in India in terms of AuA at ₹603 billion*
- Edelweiss Tokio Life Insurance awarded Best Life Insurer by Outlook Money magazine
- Market leaders in Capital Markets with strong performance in both debt and equity

Equity

1. Lead arranger with a 40% market share in the three year period ended March 31, 2017 in the category of IPOs of ₹3.50 billion plus[#]
2. Retained leadership position in Equity IPO distribution in HNI and Retail categories with 27% market share[#]
3. Among the largest domestic institutional brokerage houses with ~4% market share and a research coverage of 233 stocks across 28 sectors

Debt

1. No. 1 position with 21% market share in both Commercial Paper issuances and public debt issues distribution[#]
2. Lead arranger to 96% of the mobilisation via public issue of bonds[#]

*Credit Suisse Report June 6, 2017

[#]Prime Database

IMPACT

LONG-TERM

India's liberalisation in the early 1990s, set the pace for positive economic reforms, allowing for a palpable impact over the long-term. Similarly, the recent bank reforms, demonetisation and digital India initiatives are aimed at positively impacting India with ample opportunities, rising productivity and a transparent citizen government interface over the long run. This will ensure that as India reaps the benefit of the demographic dividend with increased incomes and consumption, overall growth will remain long-lasting and far-reaching for all its citizens.

SUSTAINABILITY

Around 6-8 years ago, Edelweiss established several new businesses including retail finance, asset and wealth management, Agri Services & Credit and life insurance. The unwavering dedication towards nurturing all its businesses, until they mature and ultimately bear fruit, remains the hallmark of Edelweiss's long-term strategy and sustained business profitability.

Edelweiss Group FY17

- Diversified revenue and profit streams eliminating the impact of volatility in business cycles
- Matched Asset Liability Management (ALM) across durations
- Comfortable Capital Adequacy Ratio at 17.01% for the Group
- Comfortable Debt to Equity Ratio at 5.2x excluding Treasury Assets
- Liquidity cushion increased to 10.5% of total assets at the end of FY17 through investment in high-quality liquid assets
- Total provision cover for credit book NPLs at 87% including provision on standard assets
- Diversified liabilities mix to reduce dependence on short-term market borrowings
- Maintained strong asset quality with Gross Non-Performing Assets (NPA) at 1.59% and a high collateral cover

Business Facts: FY17

- Total Credit book grew at a CAGR of 42% since FY12
- Agri Credit business empanelled with 23 banks for Collateral Management Services
- Asset Management:
 - Partnered with Caisse de dépôt et placement du Québec (CDPQ) to jointly invest in private debt opportunities
 - CDPQ has acquired 20% equity stake in Edelweiss Asset Reconstruction Company (EARC)
- Asset management business focused on risk and capital preservation, without compromising on returns
- Edelweiss Tokio Life Insurance's individual Annualised Premium Equivalent grew (APE) at a CAGR of 48% since FY13 compared to 8% for peer set and 3% for industry*

*IRDAI NB report (CAGR Ratio Applied)

UPHOLD VALUES

India's rich cultural diversity with its myriad religions, languages and traditions has always had a unifying force binding it all together – the constitution. Setting aside its differences, India continues to uphold the values set by the constitution. Several social reform initiatives by the government such as a cash and corruption free India, Swachh Bharat and Beti Bachao are all aimed at building a progressive mindset among the citizens of India, moulding an inclusive and modern society.

PEOPLE, DIVERSITY AND CULTURE

Edelweiss's unrelenting focus on leadership development, employee engagement and cultural integration has helped create a workforce that is empowered and aligned to a unified vision, while upholding its core values.

Its employee base of nearly 7000 people consists of a mix of talent from a diverse pool of financial and non-financial experience and expertise. Edelweiss is also home to entrepreneurs, industry stalwarts and foreign executives. All this, coupled with our unique value-driven culture, helps fuel strategic initiatives and drive business growth.

Edelweiss Group: A people centric organisation

- Focused endeavour towards shaping next rung of leaders through significant time and resource investments - over 10% of employees engaged in leadership groups at various levels
- A well-defined Leadership Program ensures sharper focus on engagement and development of Edelweiss's high performing talent pool. Structured development interventions for the Managing Committee, Senior Leaders, Business Leaders and Emerging Leaders aid them in their leadership journey at Edelweiss
- Gender diversity is valued with women employees comprising 20% of the total employee pool. Special mentoring programs are conducted, with high-potential female employees being mentored by senior women leaders
- Continuous focus on our high-performing talent via Edelweiss Titans that recognises those employees who are torchbearers for risk management, collaboration, customer centricity, people development, reliability and technology
- Philanthropy continues to be encouraged across the organisation with employees volunteering with EdelGive's NGO partners. Employees, families and clients have dedicated over 22,000 hours to volunteering via EdelGive Foundation
- To commemorate 21 years of Edelweiss, over 3000 employees participated in raising ₹21 million towards causes supported by EdelGive Foundation
- 22% employees are actively engaged and have participated in various club activities organised under the aegis of the EdelHealth Club

LETTER FROM THE CHAIRMAN

A REFLECTION ON OUR JOURNEY

Phase	Year	PAT (₹million)	Revenue (₹million)	Net Worth (₹million)	Book Value Per Share (₹)
Start of Edelweiss	1996	0.03	0.2	7	0.1
End of Phase 1 Foundation	2000	39	85	104	0.4
Phase 2 Baby Steps	2004	78	281	342	0.9
Phase 3 Joyful Hypergrowth	2008	2,732	10,888	23,274	24.7
Phase 4 Painful Consolidation	2012	1,277	16,707	28,748	34.8
Phase 5 Mature & Balanced Growth	2016	4,144	53,157	43,717	45.1
Start of Phase 6 Gaining Scale	2017	6,093	66,336	52,879	52.0

Last year, we talked in detail about the last twenty years of Edelweiss since inception, enunciating on our successes, failures, struggles and learning in each of the 5 phases of our Edelweiss Journey. With FY17 drawing to a close, we have completed the first year of the 6th phase in our journey – a phase we like to call 'Gaining Scale'. In this phase, the focus is on scaling up our existing businesses to a size where we can be amongst the top 5 players in each business. The over-arching philosophy continues to be around building a leading, diversified financial services firm.

The last phase was a period of mature and balanced growth for Edelweiss. As we seeded and built businesses ground up, we focused on establishing strong foundations in these businesses through investments which could generate benefits for the long-term. In the preceding 6-8 years, we have started a variety of new businesses including retail finance, asset and wealth management, agri-credit and life insurance amongst others.

Some of these businesses were what are, in common parlance, called J-curves. While the gestation period in such businesses is long, the asymmetric pay-off that we earn once these

businesses mature provides a sufficiently high return to justify the initial negative returns. We have seen this in multiple businesses over the years, with our asset management business turning profitable in the current year and the wealth management business a few years back.

The defining feature of the current phase would be a disproportionate and exponential growth in scale, as the platform matures for each of these businesses.

“The greatest shortcoming of the human race is our inability to understand the exponential function.”

– Albert Allen Bartlett

This has been our usual approach for all new businesses, where we experiment for some time with various approaches and build up the platform in parallel. Once the strategy is refined enough and we are confident of our business model, we use the mature platform to target faster than market growth.

● Edelweiss business opportunity

OVERVIEW ON FY17

In the year gone by, we continued to be amazed by the incredible depth, resilience and determination showed by the Indian economy. Like the global economy, it was another VUCA year in India where volatility abounded, impacted by events like Brexit and election results across the globe as well domestic ones like Demonetisation, surgical strikes at the border and uncertainty around GST and other reforms. Despite all of this, the economy still grew at a healthy 7.1%, one of the fastest across the world and head and shoulders above peers of comparable size.

At Edelweiss, we had another growth year with strong performance despite the external challenges.

- Our Profit after Tax (PAT) was up 47% YoY to ₹6,093 million while our Ex-Insurance PAT for FY17 was ₹7,194 million, a growth of 39% YoY
- As a result of the strong PAT growth, our Ex-Insurance RoE has crossed 20% for the full year for the first time, standing at 20.7% in FY17

Non-linear growth through On and Off-balance sheet assets

The growth in profit was non-linear as the 47% growth in PAT was contrasted by only a 20% growth in on-balance sheet assets. The strong profit growth was driven by a much higher (93%) growth in off-balance sheet assets.

On-balance sheet assets provide us with stability, predictable linear growth and a sizable asset base. At the same time, off-balance sheet assets provide us with intellectual capital and drive the expansion in our profitability ratios. The scale up in these off-balance sheet assets has driven the growth in our franchise businesses, which have grown substantially in FY17.

While our off-balance sheet assets continued to grow, in parallel we focused on strengthening our balance sheet. This was achieved by a mixture of equity investment by Caisse de dépôt et placement du Québec (CDPQ) in Edelweiss Asset Reconstruction Company as well as improvement on the debt side, through a larger share of long-term debt, while reducing debt funding costs at the same time.

₹ billion	FY16	FY17	YoY Growth
On-Balance Sheet Assets	321	387	20%
Off-Balance Sheet Assets	609	1,179	93%
Assets Under Advice (Wealth Management)	295	603	104%
Funds Under Management (Asset Management)	50	182	264%
Distressed Credit (ARC Assets)	252	347	38%
Assets Under Custody	12	47	292%
Total Assets	930	1,566	68%

Balanced, Sustainable Long-Term growth

With another four quarters of strong growth, we have continued our upward PAT trajectory, which now translates to a CAGR of 37% over the last 20

quarters. This sustained and consistent trend has been driven by our diversified financial services model, which is similar to a Bank.

Diversification is the best form of Risk Management

Our diversified businesses give us the opportunity to leverage several parallel growth opportunities, while at the same time providing significant risk mitigation through reallocation of resources as per the prevailing environment. We have built this model over several years to reach a stage where we can call ourselves truly well-diversified. In FY17 our profit was well distributed across segments, with Corporate and Retail Credit together contributing 52% of our profit, distressed credit contributing 13%, wealth management and asset management together contributing 10%, capital markets

contributing 15% and the balance 10% being contributed by Balance Sheet Management Unit and other since discontinued businesses.

Going forward, we expect the relative contribution from our retail credit business to rise as we:

- Scale up our retail franchise
- See Incremental growth in wholesale and distressed credit move towards the fund structure

This movement, along with the organic growth in wealth and asset management should also drive an increase in the contribution of franchise businesses to the overall profit pool.

Business Segments	% PAT Contribution
Credit Business	
Structured Collateralised Credit	15%
Wholesale Mortgage	22%
Retail Mortgage	6%
LAS, SME, Agri and others	9%
Distressed Credit	13%
Franchise Business	
Wealth Management & Asset Management	10%
Capital Markets	15%
BMU, Corp and Others	10%
Total Ex-Insurance	100%

Making the Core stronger!

Qualitatively, it was a great year for Edelweiss. We strengthened our back-end, scaled up enterprise functions and improved on our systems and processes.

Risk Management

Our risk management function, which is amongst the best in financial services, was recognised by the industry with the Golden Peacock Award. Our risk management approach is contingent on answering two key questions – "Is it worth it?" and "Can we afford it?" Answers to these two questions, in effect, determine our entire risk management framework and have served us well over the years.

We have always maintained that we will at all times respect risk and going forward, we will be even more watchful, even more risk conscious and even more prudent in our approach.

Ideas Create, Values Protect

Our prudent risk management approach will be chaperoned by our focus on the key tenets and guiding principles which have helped us reach where we are today. We will abide by our motto of 'Ideas Create, Values Protect'. For us, ideas are like the accelerator which propels us forward. However, if unchecked, this acceleration can cause a serious accident. That is where our values come in. Values are like the brakes to our Ideas, helping moderate our movement so that we do not go too fast and get our fingers burnt. Our values are also what have helped us define our approach to being a good social citizen in addition to being a good corporate citizen.

EdelGive

Through EdelGive, we have established a platform to fund outstanding grassroots organisations across India as well as build their organisational capacity to grow and scale. Our employees contribute their time to delivering projects in strengthening functional areas in NGOs pro-bono and this along with their financial contribution saw 75% of our employees engaged with EdelGive during FY17. Our efforts in this direction have been appreciated with multiple awards across CNBC TV18 Financial Inclusion Award and the FICCI CSR Awards.

Culture

“ Culture eats strategy
for breakfast. ”

– Peter Drucker

At Edelweiss, we have always strongly believed in the veracity of Mr. Drucker's words. We were always clear that we wanted to build an organisational culture that revolved around ownership and collaboration. Today, we are proud to see the results of the journey we have traversed in building such a culture. By giving independence and ownership to our senior people, we have built a great track record of developing businesses and leaders. Most of our business heads have been with us for at least 10 years now, taking responsibility of multiple businesses through their careers and scaling them up to what we see of Edelweiss today.

BUSINESS PERSPECTIVE

Our businesses are broadly divided into Credit, Franchise and Insurance. Within each of these, we have a variety of business units which together comprise of a product suite that can fulfil the financial aspirations and demands of a vast spectrum of the Indian populace. These businesses have continued their strong performance this year, with robust growth in both credit and the franchise verticals. The insurance vertical continues to be a long-term value creator and is on track for our break-even target of FY22.

CREDIT

When I think about the origins of our credit business, I circle back to a quote that I heard just before we entered into the Credit business, a quote that resonates with me till date.

“ Capital Markets is a
weekday business but Credit
is a weekend business. ”

Effectively, you earn money in a credit business 24x7x365!

V/s

CREATING CREDIT NICHEs

Our philosophy around our credit business has been to identify niche areas which are not significantly attractive for banks owing to their size. We then work towards building credit books of around ₹80 - 100 billion in these segments.

Building 8-10 such niches could easily help us create a credit book of nearly ₹1,000 billion. Not only has this helped us scale up our credit book with strong underlying profitability; it has also given us the flexibility to quickly alter the mix of our credit book based on the credit cycle.

As on March'17	Book Size (₹ billion)	% Share
Corporate Credit	139	50%
Structured Collateralised Credit	68	24%
Wholesale Mortgage	71	26%
Retail Credit	89	33%
Retail Mortgage	36	13%
SME & Business Loans	21	8%
Loan against shares	29	8%
Agri and Rural Finance	9	3%
Distressed Credit	48	17%
Total Credit Book	276	

1. Corporate Credit

- Comprises of Structured Collateralised Credit and Wholesale Mortgage
- Outstanding book stands close to ₹140 billion
- PAT of ₹2,878 million in FY17; YoY growth of 26%
- RoE of 18.2% and RoA of 2.2% in FY17

Underwriting & Collateralisation

The key in a corporate credit business is to keep the credit cost to a minimum. Having seen a few credit cycles in the wholesale credit industry,

we have continuously evolved our underwriting mechanisms to ensure a robust credit-appraisal and monitoring system. In addition to our superior underwriting standards, our corporate credit book is well collateralised with a cover exceeding 2x.

Move towards fund structure

At the same time, we remain cognizant of the need to have books of manageable scale. Therefore, going forward, the wholesale book will see growth coming from the asset management model as the incremental growth moves towards the fund structure. This will also

help us do deals of much larger size as we free up capital on the credit side to build up the retail book.

2. Retail Credit

- Retail credit book of ~₹90 billion in March 2017
- PAT of ₹1,220 million; 68% YoY growth
- RoE of 16.0%
- Awarded the Best NBFC Award (runner-up) at the MSME Banking & NBFC Excellence Awards

Despite the presence of a significant number of players, retail credit continues to be under-penetrated in India, be it mortgages, SME, agri-credit or microfinance. This is set to change going forward driven by a variety of factors. The primary amongst these is the 'democratisation of credit'

Democratisation of Credit

- Credit, today, is concentrated with large borrowers – more than 50% of the outstanding credit is to the top 50 borrowers in the country
- However, increasingly, we are witnessing the democratisation of credit as it becomes easier and safer to extend credit to individual borrowers
- This democratisation is being driven by the improvement in credit underwriting mechanisms for such retail borrowers with a wealth of information now available to lenders, including information on payments, utility bills, online spends, etc.
- This data aggregation has been accentuated through additional information coming from agencies like CIBIL

● Availability of customer information

Overlaying all of this is the government's **Digitisation** push through the JAM trinity. By

creating a digital identity in the form of Aadhaar and linking bank accounts under Jan Dhan Yojana, the government has taken a major step not only towards financial inclusion but also towards creating a digital financial footprint for the entire population. This should further aid the democratisation of credit, creating truly efficient credit markets with a more equitable uptake of credit. Within Edelweiss, we are leveraging technology in our retail credit business to –

- Improve customer experience
- Reduce operating costs
- Enhance objectivity in decision making

SME opportunity

With the India growth story that will play over the next few years, incremental demand for credit, particularly from SMEs will rise significantly. The growth will be driven by tier-2 and tier-3 cities as the expanding economy provides more opportunities for potential entrepreneurs to set up new businesses in the smaller towns. Having established a steady business model around SME credit, particularly focused on these entrepreneurs, we have a robust expansion plan charted out, which will see our SME presence increase significantly over the next few years. Going forward, we expect SME credit to be a major part of our retail credit book.

3. Distressed Credit

- Largest player in distressed credit with Assets Under Management (AUM) touching nearly ₹400 billion
- PAT of ₹974 million in FY17, a YoY growth of 76%, with a healthy RoE of 22.5%
- Investment by CDPQ – leading and highly respected Canadian pension fund

LP-GP model

The beautiful part about an Asset Reconstruction Company (ARC) is that you have two different revenue streams – it is like the ARC is both a Limited Partner (LP) and General Partner (GP) rolled into one. For instance, in a 15:85 model, if you acquire an asset for ₹100 million, you put ₹15 million of your own money and issue Security Receipts (SRs) for the balance ₹85 million to the bank. Effectively, the ARC and the Bank are 15-85 LP partners in the asset.

But the ARC is also the GP in the asset since it manages the asset. On this GP part, the ARC receives the fee, economic interest and the carry incentive. The economics for the pure LP is around 8-10% while you make a further 10-12% on the GP part, accruing overall returns of around 20% on the capital deployed.

Edelweiss expertise

The distressed credit business focuses on buying operating assets which are financially broken. With our expertise in financial turnaround and the ability to provide capital through bridge loans, priority funding, etc., we aim to provide working capital to these companies and get them back on track. At the same time, we have focused on building our turnaround and resolution expertise, creating an expert advisory board of leaders from across sectors like steel, power and infrastructure to help us implement best practices in our portfolio companies.

FRANCHISE BUSINESSES

Our franchise business consists of our wealth management, asset management and capital markets business. Since these businesses are not capital intensive, the key in these businesses is to build a strong foundation based on meeting customer needs backed by a validated business model. The focus after that is on scaling up the business rapidly.

Amount in ₹million	Wealth Mgmt	Asset Mgmt	Capital Market	Total
Net Revenue	4,527	517	5,557	10,601
Profit After Tax	709	72	1,145	1,926
Cost to Income Ratio	76%	80%	69%	73%

Scale Benefits

The franchise businesses of asset and wealth management are strongly impacted by economies of scale. Our cost to income in these businesses is still on the higher side currently because we are investing in building scale in a large and constantly growing opportunity. On a long-term basis, we expect the Cost to Income ratio to come down to around 50%, at which point, these businesses will be highly profitable. With the absence of capital requirement, they

will provide a significant ROE kicker to the Edelweiss Group profitability.

1. Wealth Management

The growing opportunity in wealth management is driven by two key factors –

- Growing affluence and rising disposable income
- Shift from bank savings towards other financial instruments

Double boost to growth

The advantage with running a business like wealth management is that while we of course witness organic growth by acquiring new clients and enhanced investments from existing clients, the market-linked nature of the business ensures that Assets Under Advice (AuA) automatically increase with the rise in the market. We thus get a double growth booster on such businesses, resulting in a faster growth trajectory compared to other non-market linked businesses.

Gaining Scale

AuA for our wealth management business have seen strong growth this year doubling from ~₹300 billion in March 2016 to ~₹600 billion in March 2017. Our wealth management business is a prime example of the exponential growth we are starting to witness in Edelweiss. AuA has grown 7x over the last 3 years. As a result of this growth, we are now the third largest wealth managers in the country.

A major reason for this augmented growth is that we are constantly investing in hiring people. Over the next two years, we will continue to hire, open new branches and acquire more clients. With an increasing number of Indian retail investors getting comfortable with having advisors and wealth managers, we see the opportunity space expanding rapidly and will continue to invest in the business to gain market share.

2. Asset Management

- Added more than ₹130 billion to the AuM – AuM of ₹182 billion in March 2017
- Over the last three years alone, AUM has increased from ₹29 billion to ₹182 billion – a growth of more than 6x!
- Acquisition of onshore schemes of JP

Morgan Asset Management India as well as the Ambit Alpha Fund added ₹45 billion to the AUM

- Completed first close for three funds during the year which added a further ₹45 billion

Private Debt taking off in India

- The current allocation of global investors to India is less than 1%
- This is expected to increase significantly driven by a conducive macroeconomic environment
- At the same time, the requirement for non-bank, non capital market credit is rising as bank credit dries up and corporate bond market continues to be underpenetrated
- Foreign funds are entering the private debt market in India in recent times
- We are amongst the pioneers in private debt in India – which will help us become a significant intermediary and benefit from substantial investment flows over the next decade

At the same time, the market for mutual funds and alternatives is also expanding with the financialisation of assets. The mutual funds market space has immense scope for growth and we have built a robust platform which is ready to form the backbone to another phase of rapid growth. In the alternatives space, which is the fastest growing category in public markets, we are amongst the market leaders and will continue to differentiate ourselves with our investment expertise and strong coverage.

3. Capital Markets

- All-round growth across Institutional Equities (IE), Investment Banking (IB) & Fixed Income Advisory
- Scale-up in the newer businesses like Financial Products Distribution, Prime Broking and Forex
- Market leaders in public debt issues and Commercial Paper issuances
- Awarded the Best Equity Capital Markets House and the Best Broker Award at the Finance Asia Country Awards 2016

INSURANCE

Our focus on long-term value creation in our Life Insurance business has borne fruit. Edelweiss

Tokio Life Insurance (ETLI) continues to be one of the best performers among its peer set with efficiency parameters matching the best in industry. The focus in Life Insurance has been on an agency-led, multi-channel distribution approach with emphasis on enhanced productivity. At the same time, we are also focusing on building a direct capability through a digital approach to selling life insurance. This is at a nascent stage but we hope to provide a differentiated solution to customers which should add to our value proposition.

- Our Individual APE continues to grow rapidly and is among the fastest growing in its peer set
- We have also improved on our claims ratio to 93% in FY17, compared to 85% in FY16
- Awarded the Best Life Insurer Award at the Outlook Money Awards

RANDOM MUSINGS

In Edelweiss, we have tried to think through every aspect of our business in a way which is simple, yet comprehensive. Whether it is identifying and acting on business drivers, building a strong core in the form of enterprise functions or even our provisioning policies, we have discussed and deliberated extensively on these internally and in the process, arrived at certain ideas which have become native to us. This section on random musings is an avenue to discuss some of these ideas.

Loss Given Default v/s Gross NPA

There has been a lot of talk recently about the NPA situation and the high Gross NPA (GNPA) for banks in India. The hype around these numbers has spooked many investors with predictions of an extended overhang of the situation. This got us thinking on the appropriateness of GNPA as an indicator of asset quality. A high GNPA ratio is an indicator of the deficiencies in the loan approval and underwriting process of the financial institution. However, GNPA is not really the true assessment of the health of a bank and the strength of its balance sheet going forward. To truly estimate the potential financial hit the bank will take, Loss Given Default (LGD) is a more comprehensive and appropriate measure. LGD is the share of a loan that is lost when a borrower defaults. This will, of course, vary

depending on the kind of loan and the extent of collateralisation. For example, average LGD for a home loan is much lower compared to the average LGD for a corporate loan.

A provisioning policy based on LGD will alleviate investor concerns to a large extent. To be clear, an LGD-based provisioning policy will not make stressed assets go away. That is an occupational hazard for any lender and must be guarded against with stronger underwriting, detailed credit appraisal and adequate collateralisation. However, what such a policy will do is remove the uncertainty around the actual stressed assets situation and allow investors to analyse the future with a higher degree of comfort and confidence.

Building a business

Over the years, a key question we have often been asked by different people is what does it take to build a sustainable business. Having engaged in trying to build sustainable and quality businesses over the last 21 years, we have realised that building a business involves the management of 4 key vectors:

1. Cost

“If you buy things you do not need, soon you will have to sell things you need.”

– Warren Buffet

Managing costs is not about cutting costs. It is, in fact, about calibrating costs to ensure that necessary spending for the present is supported by investing for the future. At Edelweiss, we have always tried to invest 10-15% of our pre-tax profit on future businesses and opportunities. This has helped us build businesses like wealth and asset management to such scale today.

2. People

“Management is nothing more than motivating other people.”

– Lee Laccoca

If there is one resource that makes or breaks an organisation, it has to be its people. Everything

else is manageable, be it capital, risk, etc., but what really sets apart good companies from great companies are the human capital. At Edelweiss, we have been lucky to have worked with people who have not only proved to be valuable assets in driving our business and enterprise functions but equally adept at helping extend our core focus on people management to their own leadership teams.

3. Risk

“Never test the depth of river with both feet.”

– Warren Buffet

Like Mr Buffet, we truly believe in the importance of managing risk and treading carefully. Risk management has been core to Edelweiss since we began our journey. What we have constantly focused on in Edelweiss is not to build on risk as only a function but as a part of every individual's core guiding philosophy. By embedding risk management into the culture of the organisation, we have tried to ensure that the first line of defence starts from each individual.

4. Customers

“The goal as a company is to have customer service that is not just the best but legendary.”

– Sam Walton

While managing customers seems a very basic hygiene factor, it is surprising how many organisations give such little thought to it. However, organisations across the world are now realising the importance of 'customer obsession'. At Edelweiss, we have also increasingly enhanced our focus on customers with three new guiding principles added to our original list of ten, each of them focusing on customers.

In our view, as long as these four parameters are well-managed, building a quality business should come about naturally. There will of course be a variety of other variables but eventually, they assimilate into one of the above four factors.

LOOKING TO FY18

In FY18, while the global economic environment will continue to be challenging, India will be a bright spot with strong, sustained GDP growth. The reforms undertaken over the course of last year will have a far-reaching and long-lasting impact. Initiatives like demonetisation and the proposed rollout of GST are likely to transform the Indian economic landscape. While we may witness short-term volatility, the long-term trend continues to be upward – as I often say, *"India is a great movie to watch but might not be a good picture to see"*.

Within Edelweiss, we are well-gearred to take advantage of the opportunity. Our retail businesses are starting to gain traction and our franchise businesses have also built significant size and scale. The creation of a strong turnaround unit in the distressed credit business will add to our market leadership and differentiate us further. Both our wealth management and asset management businesses are expected to continue their strong performance next year. At the same time, our life insurance business will continue to grow faster than the industry and on-track for long-term value creation.

With the strong performance in FY17 and the internal targets we have set for FY18, we are well on our way to achieving the FY20 targets we have set for ourselves, focusing on a Consolidated RoE of 18% and an Ex-Insurance RoE of 22%. This will be driven by an annual PAT growth of 25-35% over the next three years and a reduction in Ex-Insurance Cost to Income Ratio to below 50%, along with a scale up in retail credit, which we are targeting to constitute at least 50% of our overall credit book by 2020.

LOOKING TO THE FUTURE

Despite the strong growth in the Indian economy, we continue to face intermittent challenges due to both Global and Indian factors. A lot of investors, domestic and especially foreign, often come and ask us about how India will handle all these challenges. We ask them to look back at India over the last 25 years – we faced a variety of ‘negative’ events, be it the Harshad Mehta scam, Kargil War, Parliament Attack, 2G spectrum allocation issue, Coalgate, and others. But it is also true that in those 25 years, the market index Sensex grew ~30x from 1,000 to

30,000 and rising and the economy ~8x from US\$275 billion to \$2,300 billion. It is, therefore, important to look at India from two concurrent perspectives – a bifocal vision, so to say.

Bifocal Vision

When I say **Bifocal Vision**, I refer to using two lenses while looking at India –

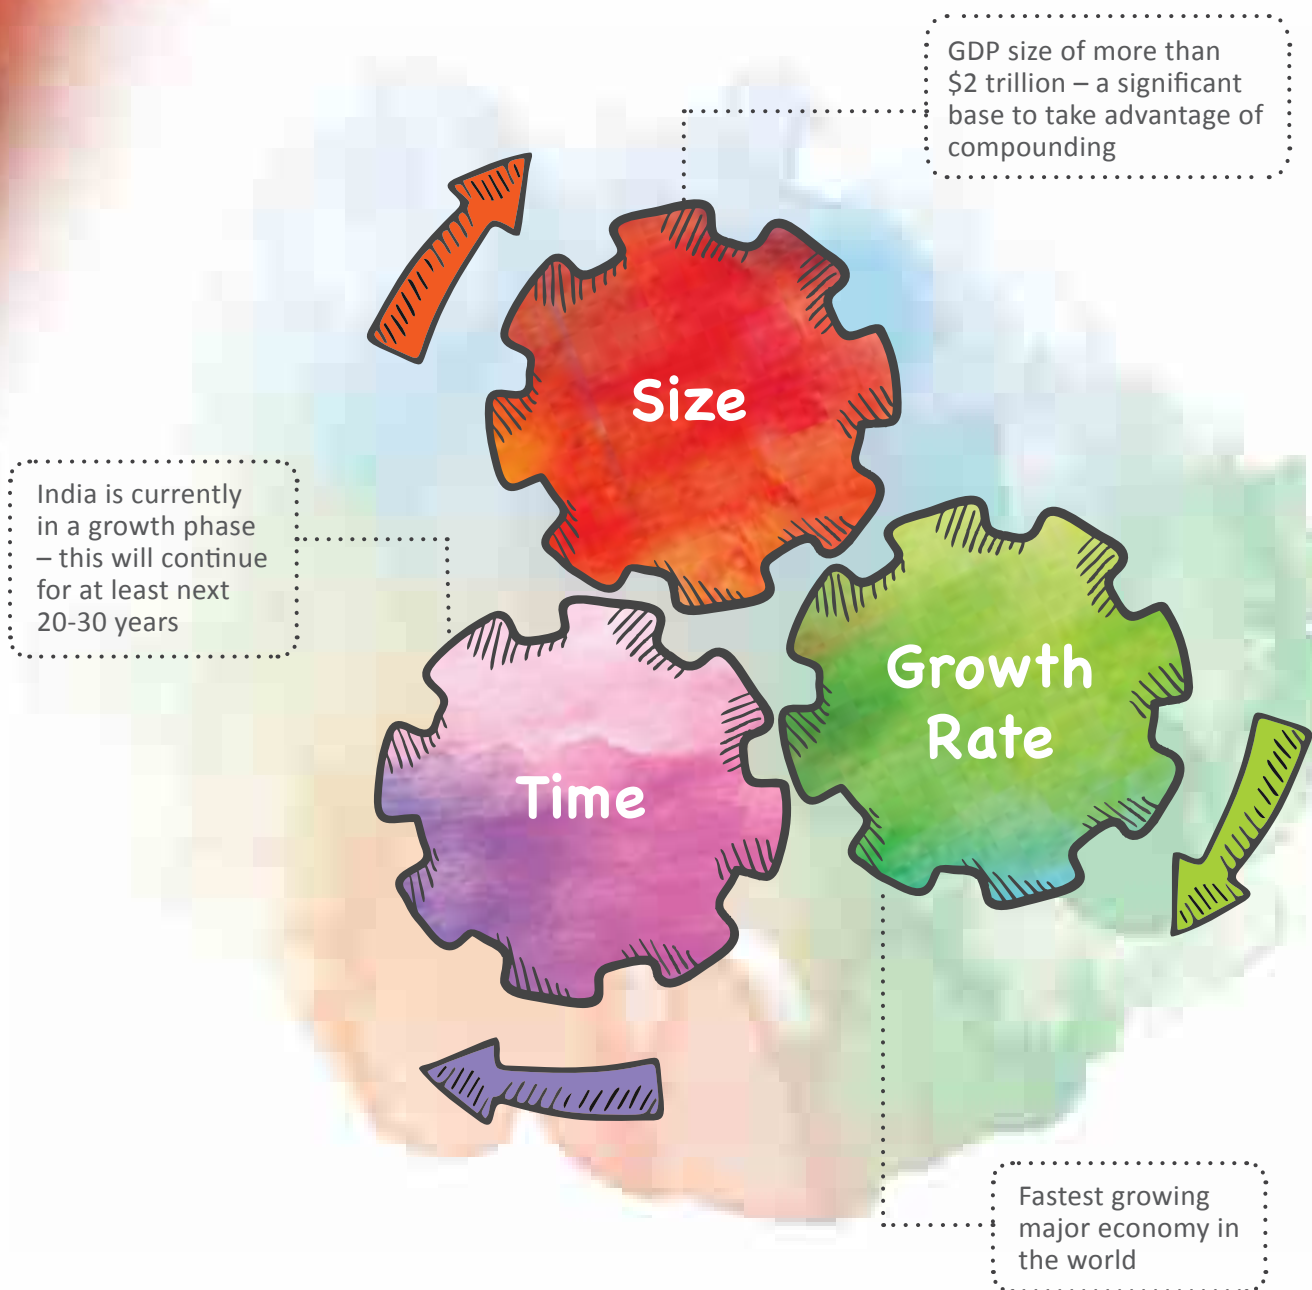

- The first one focuses on the short-term situation that persists and
- the second one at the long-term prospects of the country

In the short-term, it might seem like there are a host of problems plaguing us, limiting our ability to grow. But fact of the matter is, we are still one of the fastest growing economies in the world! We often tell people, just because we don't see it on a daily basis in front of eyes, it doesn't mean we are not growing. We continue to grow and because a lot of it isn't tangible on a daily basis, it wouldn't be amiss to say that **India Grows At Night!**

- India's long-term story continues to be extremely bullish, driven by the effect of compounding
- We are at the cross-roads of a substantial compounding effect with all three factors (Size of Economy, Rate of Growth and Time for which this Rate will continue) in India's favour
- We envisage a \$5 trillion economy by 2025 and a potentially \$20 trillion economy by 2040, by which time we will be behind only USA and China!

This incredible growth will drive expansion across sectors, including financial services. Currently, there is a huge untapped potential in financial

services in India. The credit and deposit base in rupee terms has been doubling every 4-5 years in India over the last two decades. At the same time, there is significant headroom for growth going forward, seeing that a large part of the market is still under penetrated. Few key trends will drive this growth in financial services –

- i. Privatisation of credit
- ii. Democratisation of credit
- iii. Shift towards financial assets
- iv. Increasing affluence
- v. Rising insurance penetration
- vi. Increasing capital markets participation

We expect to see –

- Credit (as % of GDP) increase from 70% to 100-120%
- Mutual Fund AUM (as % of GDP) increase from 8% to 20-25%
- Insurance Premium (as % of GDP) increase from 3% to 5-7%

This will have a domino effect on most of our businesses since we cover almost the entire spectrum of financial services. Further, our current size in each of our business leaves ample runway to continue to aim for exponential growth going forward, having already established, what I would call 'escape velocity' in most of these.

As we have built Edelweiss over the last 21 years, I have realised that running a business is like running a marathon – it is not about completing one run of 42 km but about completing a 1 km run 42 times! We are only at the halfway mark yet, having completed 21 years recently. The first half marathon has been a wonderful journey of mostly ups and a few downs. We remain as

thankful for the ups as we are for the downs, which have taught us some of our best life lessons.

We hope to imbibe these lessons in our journey ahead, while continuing to do the things we have done well till now. We have a long, winding journey ahead of us. There would, of course, be challenges and roadblocks, many of them unanticipated. However, like we have done so far, we will continue to move forward in our aim to create a quality organisation defined by its excellence in risk management and obsession towards customer experience..

Yours Sincerely

A handwritten signature in blue ink, reading "Rashesh Shah". The signature is fluid and cursive, with the first name "Rashesh" and the last name "Shah" clearly distinguishable.

Rashesh Shah
Chairman & CEO

EDELGIVE FOUNDATION

EdelGive Foundation was established in 2008 with the vision to build a strong, efficient and high-impact social sector for a better India. It provides financial grants and raises funds for its NGO partners and supports them with non-financial capacity building.

The Foundation follows a research-based approach while sourcing credible non-profits. Investment decisions are based on thorough due diligence of target beneficiary needs, aspects of sustainability and programme impact analysis.

EdelGive's mission is to leverage the capacity and capital of the for-profit world to equip and enable the social sector to achieve a greater impact on the lives of the marginalised communities in India.

The Foundation's approach

EdelGive funds programmes of exceptional grassroots organisations that are doing path-breaking work for social development in Education, Livelihood and Women Empowerment across 13 states in India. In 2016-17 alone, EdelGive committed grants to 52 NGOs

and influenced commitments of nearly ₹340 million into the philanthropic sector.

EdelGive's work encompasses the following:

Education

- Ensuring quality education for the most disadvantaged children
- Building support systems to prevent dropouts
- Facilitating policy for educational equity
- Creating a child-friendly environment
- Quality learning opportunities for the girl child

Livelihood

- Enhancing employability and skills
- Providing vocational guidance
- Raising awareness for government entitlements through rights and advocacy
- Promoting sustainable agricultural practices in rural areas to raise income
- Improving the availability of water for livelihood

● Organic agriculture practitioners from KMVS felicitated during Ratanmahal mandli's AGM at Bor village

Women Empowerment

- Women's safety and protection from violence and discrimination
- Promotion of social and economical leadership among women
- Financial literacy & women entrepreneurship
- Socio-legal support

Growth over the years

EdelGive has grown by adopting a venture capital approach to philanthropy in order to maximise impact. Over the last decade, EdelGive has influenced over ₹940 million into social development, partnered with more than 130 NGOs, impacted more than four lakh lives, and provided pro bono support of 22,000 hours of skilled volunteering.

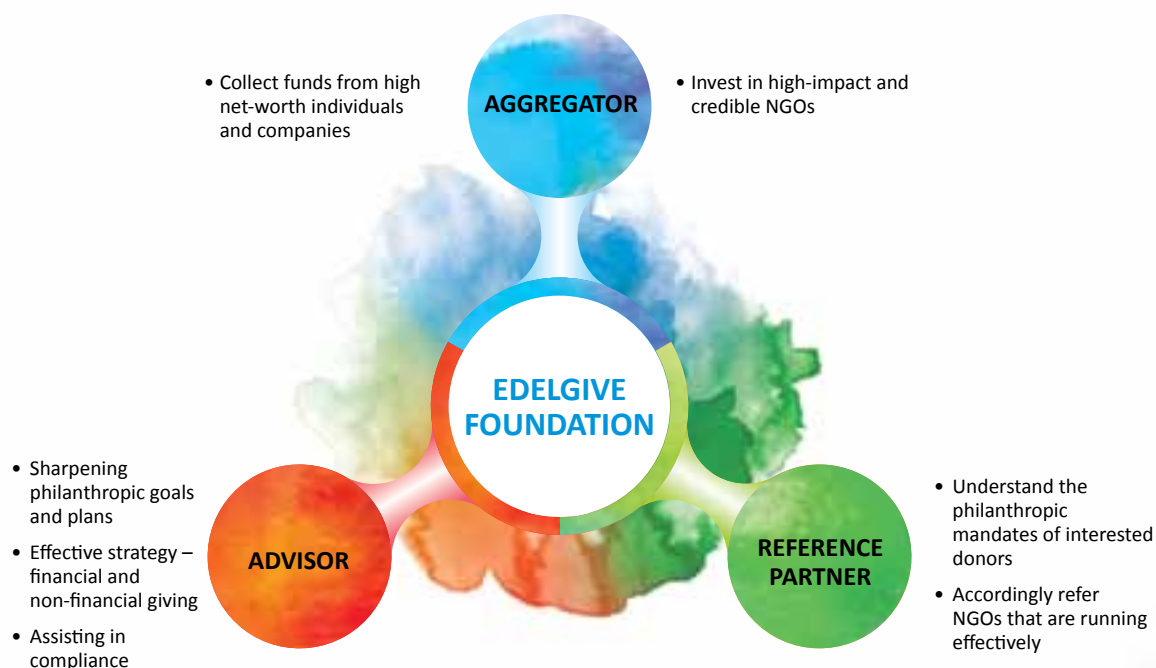

Partnerships

EdelGive believes in collaborative philanthropy at all levels in order to produce maximum impact. Over the above influenced commitment, an advisory of individual and institutional donors collaborate with EdelGive in three ways –

- Untied financial contribution to EdelGive
- Co-funding programs jointly with EdelGive
- Financial support to NGOs directly through Philanthropic Advisory Platform

The Foundation is registered u/s 135 of the Companies Act & u/s 80G and hence eligible to receive foreign funds under FCRA rules.

For companies and foundations seeking to donate to eminent NGOs, EdelGive provides a zero profit platform of due diligence, monitoring and capacity building of NGOs. Every rupee is passed on directly to our NGO partners.

Highlights

EdelGive Coalition for transforming Education (ECE)

ECE is a collaboration with the Department of School Education and Sports, Government of Maharashtra under Pragat Shaikshanik Maharashtra (PSM).

● EdelGive Coalition for transforming Education (ECE) – Asst. Teacher Mr. Navgire encouraging student learning through Group activity, ZP Primary School, Ramn

EdelGive is the anchor funder and brings together the four stakeholders viz. funders, government, NGOs and the community. The partnership involves a consortium of key funders, the government's education machinery through the entire district and two experienced and highly respected implementing partners. This effort is an intrinsic part of EdelGive's belief that solving complex social problems at a systemic level and scale requires collaboration amongst various agencies to bring about a positive change in backward areas.

This coalition aims to identify and disseminate best practices to improve learning outcomes of children (Class 1 to 7), that can be integrated into the government system using the constructivism approach. Work has begun with four Special Focus districts of Maharashtra – Amravati, Gadchiroli, Nandurbar and Parbhani. Through this journey, we envisage an atmosphere of collaborative funding, continuous learning and strategic refinement.

Genpact Social Impact Fellowship

The Genpact Social Impact Fellowship (GSIF) in partnership with EdelGive Foundation is a highly selective one year fellowship program. Genpact Social Impact Fellows were entrusted with the responsibility of creating an ecosystem within NGOs that promotes continuous improvement,

enables large-scale social impact and delivers quality education to underprivileged children. The Fellowship programme draws its strength and benefits from the level of expertise of the Fellows in process excellence and helps in building capacity of the NGOs.

Genpact needed to structure a programme which would help in building the capacity of the NGOs with six sigma expertise. EdelGive Foundation worked for six months with teams from Genpact, KPMG, EY and teams at Edelweiss to enable programme delivery.

EdelGive Foundation served as a facilitator and guide to GSIF and ensured smooth execution to enhance impact. Through a rigorous process, a total of seven Fellows were selected and placed at three NGOs – Teach For India, Udayan Care and Kaivalya Education Foundation. These Fellows work at the NGO offices to help the organisation.

For collaboration, EdelGive hosts the following forums –

EDGE: An engagement platform that invites all our partners and attempts to understand the challenges faced by them. It facilitates discussion, deliberation and insight sharing. Such cross-learning gives an EDGE to our partners to be ahead of issues and challenges. It aids in addressing the real-life challenges that we face as stakeholders in the development process.

● EdelGive Foundation with its NGO partners at EDGE 2016

At The Same Table: A platform for donors and philanthropists to come together for an open discussion on issues that concern our society. This no strings attached, open and free speech forum encourages debates on core themes and results in some rich learning.

Employee Engagement and Capacity Building:

EdelGive has a structured Engagement Programme through which 70% of Edelweiss employees were engaged in more than 14 cities and 20 branches for our volunteering efforts. Cumulatively, since its inception, Edelweiss employees have contributed 22,000 hours of pro-bono support. In 2016, 13 senior Edelweiss employees contributed strategic inputs dedicating over 100 hours, while 50 other employees clocked 800 hours towards capacity building and direct volunteering projects.

● Employee Engagement tree plantation at Jawhar

Its Giving Platform for Employees: enables fund raising internally through various campaigns, events and the Systematic Donation Plan (SDP). Employees of Edelweiss have been our enablers, contributing generously through time and skill commitments for the benefit of NGOs sourced by EdelGive. In 2016, more than 3000

employees and Edelweiss Ecosystem helped raise ₹21 million for social causes.

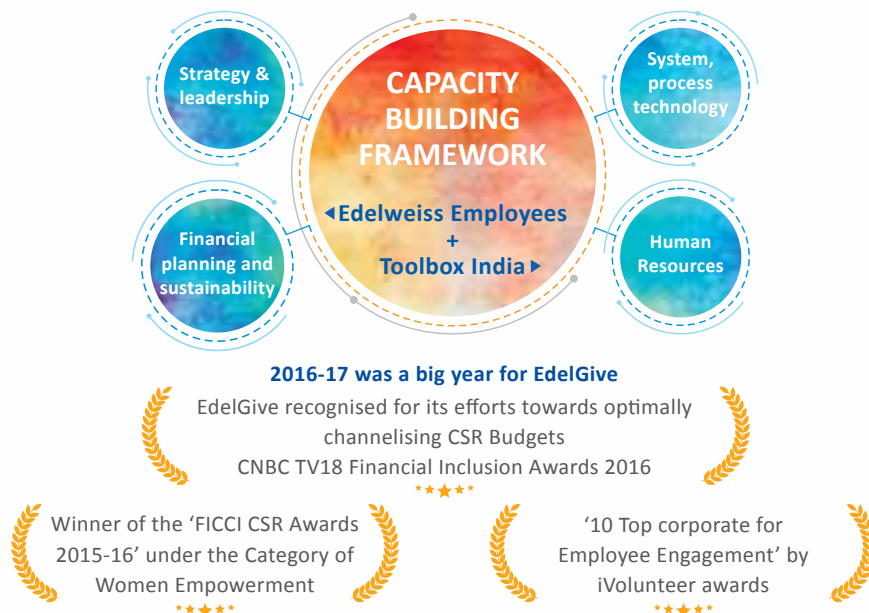

The Foundation also hosts Quarterly EdelGive Leadership League Talks, a platform for Edelweiss employees to engage with iconic leaders in the social sector. This year we had eminent personalities in the sector such as Pranil Naik - Founder LeapForWord, Flavia Agnes - Founder Majlis and Srikanth Viswanathan - CEO, Janaagraha who interacted with the employees.

EdelGive Foundation works in collaboration with ToolBox India, a phenomenal organisation that helps build capacity of NGOs to do better and bigger work. Capacity building solutions are also provided to NGO partners through an extremely well-curated connection facilitated by EdelGive between employees of Edelweiss and the NGOs.

Employees donate their time and skills to fill in the organisational gaps of the NGOs. They are encouraged to work with the NGO to develop efficient long-term solutions.

EdelGive focuses on four essential needs that it believes are critical to all organisations –

- Strategy and leadership
- Financial planning and sustainability
- Systems, process technology
- Human Resources

BOARD OF DIRECTORS

Mr. Rashesh Shah - Chairman, Managing Director & CEO

Mr. Rashesh Shah, Co-founder of the Company, has over 26 years of diverse experience in the financial markets sector. He has been instrumental in building Edelweiss into one of India's leading diversified financial services conglomerates. He was recently appointed as Senior Vice President of FICCI, and also serves as Chairman of Maharashtra State Council of FICCI and is a member of the Directors Forum of the FICCI Center for Corporate Governance. Previously he was on the Executive Committee of the NSE as well as on the Securities and Exchange Board of India (SEBI) committee to review Insider Trading Regulations. He is an MBA from IIM, Ahmedabad, and a Diploma in International Trade from the Indian Institute of Foreign Trade, New Delhi.

Mr. Venkatchalam Ramaswamy - Executive Director

Mr. Venkatchalam Ramaswamy, Co-founder of the Company, has over 25 years of experience in the financial markets. He currently is widely recognised as one of India's finest deal makers. He co-heads two of the Group's most strategic businesses – Distress Assets & Resolution Business and Global Asset Management, while continuing to play a mentorship role with the Edelweiss Investment Banking business. Under his guidance, the Edelweiss Global Asset Management team has been able to build one of the fastest growing Multi category Alternative Asset Management businesses in India. He is an MBA from the University of Pittsburgh, USA and also a Bachelor's Degree in Electronics Engineering.

Mr. Himanshu Kaji - Executive Director and Group COO

Mr. Himanshu Kaji has over 30 years of experience in the financial services sector, bringing in vital expertise and is involved in strategy development and implementation. At Edelweiss, he is responsible for the overall functioning of Global Risk, Finance & Accounts, Resources, Digital Initiatives, Business Solutions, Governance, Compliance, Operations, Technology & Information Security,

Legal, Administration, and Corporate Controls functions of the Group. He is also a member of the Secondary Market Advisory Committee of SEBI and the Trading Member Advisory Committee of NSE. In the past, Mr. Himanshu Kaji has served on the Board of BSE and played a key role in the overhaul of the Exchange contributing largely to the demutualisation and corporatisation of BSE. He is a qualified Chartered Accountant with a postgraduate Diploma in Securities Law.

Mr. Rujan Panjwani - Executive Director

Mr. Rujan Panjwani has almost three decades of experience in the financial services industry across all asset classes. Over the last 17 years at Edelweiss, he has played a key role in setting up several businesses and functions for the Group including Asset Management, Credit, Group Treasury and the Balance Sheet unit. He is currently a member of the Assets & Liabilities Committee, which primarily manages the Group's balance sheet, and the Global Risk Committee, the highest decision-making body at Edelweiss on risk-related issues. He is also responsible for strategic initiatives and leadership development. He holds a Bachelor's degree in Electrical Engineering from Manipal Institute of Technology.

Ms. Vidya Shah - Non Executive Director

Ms. Vidya Shah, CEO of EdelGive Foundation, spent the first 11 years of her career in investment banking with companies like ICICI, Peregrine and NM Rothschild in Mumbai, where she advised corporations in capital raising and M&A transactions. She joined Edelweiss in 2000 and was the Chief Financial Officer of the Company. She has also overseen important functions such as Human Resources and Administration. At present, Ms. Vidya Shah is responsible for the philanthropic activities of the Edelweiss Group. She is also on the Boards of various non-profit organisations. She is an MBA from IIM, Ahmedabad.

Mr. P. N. Venkatachalam - Independent Director

DIVIDEND

During the year under review, your Directors declared and paid an interim dividend of ₹1/- per share (on the face value of ₹1 each). The total outlay on account of interim dividend (including Dividend Distribution Tax) was ₹836.34 million. The Board has recommended a final dividend of ₹0.30 per share (on the face value of ₹1 each) for the financial year ended March 31, 2017. This would entail a payout of ₹300.61 million including Dividend Distribution Tax.

The payment of the final dividend is subject to declaration by the members at the ensuing Annual General Meeting (AGM) and shall be paid to those members whose names appear in the Register of Members of the Company as on July 24, 2017. The Register of Members and the share transfer books will remain closed from July 24, 2017 to August 1, 2017 both days inclusive. The AGM of the Company is scheduled to be held on August 2, 2017.

Pursuant to Regulation 43A of the Securities and Exchange Board of India (Listing Obligations & Disclosure Requirements) Regulations, 2015, the Board of Directors of the Company have adopted a Dividend Distribution Policy and is available on the website of the Company at the link: <https://edelweissfin.com/portal/0/documents/miscellaneous/EFSLDividendDistributionpolicy.pdf>.

SHARE CAPITAL

During the year under review 18,532,459 equity shares of ₹1 each were allotted on exercise of the Options granted under various Employee Stock Option Schemes of the Company. Consequently, as at March 31, 2017, the paid-up share capital of the Company stood at ₹832.57 million divided into 832,569,089 equity shares of ₹1 each.

The disclosures with regard to the Stock Options as required under the SEBI (Share Based Employee Benefits) Regulations, 2014 is available on the website of the Company at the link: <https://edelweissfin.com/Home/AboutUs/AnnualReports.aspx>

FINANCE

Your Company continued to borrow funds *inter alia* by issue of Commercial Papers.

The Company enjoys high credit rating from the Rating Agencies. The credit ratings reflect the Company's financial discipline and prudence.

INFORMATION ON THE STATE OF AFFAIRS OF THE COMPANY

Information on the operational and financial performance, among others, is given in the Management Discussion and Analysis Report which is annexed to this Report and is in accordance with the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015.

ABRIDGED FINANCIAL STATEMENTS

In terms of the provisions of Section 136 of the Companies Act, 2013, abridged financial statements as at March 31, 2017 and the Auditors' Report on the abridged Financial Statements form part of the Annual Report. Full version of the Annual Report will be available on the website of the Company at the link: <https://edelweissfin.com/Home/AboutUs/AnnualReports.aspx> and will also be made available to the members of the Company on request.

SUBSIDIARIES

New subsidiaries during the year ended March 31, 2017:

- Edelweiss Asset Reconstruction Company Limited. (Associate till September 15, 2016); and

FUTURE OUTLOOK

We at Edelweiss, see our future joined with our employees. The Edelweiss Leadership Program is committed to provide an opportunity to all who can contribute at a leadership level.

SUSTAINABILITY

EdelGive has influenced commitments of ₹700 million to work across education, livelihoods and women empowerment sectors.

STRATEGIC OBJECTIVES AND STRATEGIES

Whether wholesale or retail businesses, customer centricity is our key differentiator. Customer centricity goes to the heart of how we think, manage our businesses, build our platform, design our products and service our customers.

INTEGRATED REPORTING

At Edelweiss, we realise that the true value of any organisation is based on tangible and intangible aspects. Some like financial performance are tangible, but others, like intellectual capital, brand equity, etc., are harder to quantify. Our philosophy on quality and humanity is intertwined with who we are, what we do and how we create value, adopt strategy, exploit opportunities and control risks. Here is a holistic view of us as an organisation through our performance, business model and strategy.

ORGANISATIONAL OVERVIEW OF BUSINESS MODEL

Taking a conscious choice to constantly pursue innovation and invest in new ideas and businesses. The core thought behind each decision is to provide long-term value creation by building sustainable businesses.

OPERATING RISKS AND OPPORTUNITIES

Low rainfall or slower domestic and global economic growth, or even delay in revival of capex cycle can impede our growth. However, recent government initiatives like the roll out of GST shortly along with the global economy showing signs of recovery augur well for our growth.

PERFORMANCE

Our strategy of diversified businesses has continued to build sustainability in our performance. The trend of our quarterly profits improving consistently since FY12, (5 straight years) coupled with efficiency and productivity improvement continues.

GOVERNANCE

Aside from our internal controls and Risk structures, we also have in place a set of various crucial policies such as the Prevention of Insider Trading, Conflicts of Interest Policy, a strong Whistleblower Policy and Business Responsibility Policy.

MANAGEMENT DISCUSSION & ANALYSIS

MACRO ECONOMY: REVIEW AND OUTLOOK

FY17 was an eventful year both economically and politically for the world. On the political side, Brexit fears and US Presidential elections were two big events, though the markets soon shrugged off these developments. Global trade flows rebounded and consumer and business confidence is on the way to recovery, globally.

The Indian economy is on a growth trajectory, inflation remains benign and fiscal and current account position remain comfortable. FDI flows continue to remain buoyant at US\$36 billion and portfolio flows too have returned to \$8 billion in FY17 after an outflow of \$2.5 billion in FY16. What is most encouraging is that India's exports finally emerged from two years of contraction with a 5% growth in FY17, after contracting nearly 16% in FY16.

On the monetary side, RBI has moved to a neutral stance from accommodative and hence chances of further rate cut remain low. The INR has benefitted from strong FDI flows.

Overall, the macro-fundamentals of the economy remain strong and the business cycle conditions have improved. Rebound in exports, improving corporate earnings, good monsoons and the government's continued push towards infrastructure, rural development and affordable housing augur well for FY18.

INDUSTRY STRUCTURE AND DEVELOPMENTS

Commercial Credit Markets

Indian banking sector growth slowed during FY17 (non-food credit at ~5%), as capex cycle is yet to pick up and incrementally financing is shifting from banks to financial markets – commercial paper, corporate bond markets, etc., which will keep corporate credit growth subdued. Additionally, asset quality pressure continues unabated. While large part of NPA recognition seems to have been done, the resolution is still under way. Hence, the profitability of PSU banks continued to be under strain and will recover only gradually over the medium term.

NBFC Industry

While commercial banks continued to remain a dominant source of credit in India, NBFCs are gaining significant ground. Banking sector was beset with worsening asset quality in FY17 and on the other hand NBFCs could restrict the impact in their portfolios due to their ability to respond quickly as well as availability of higher collateral cover. The growing relevance and interconnectedness of the NBFC sector also highlights the importance of risk management in the sector. Going ahead, comfortable capitalisation levels and conservative risk management will continue to support the credit profile of NBFCs.

Retail Finance

While corporate credit growth remained slow, the retail segment continued to maintain momentum. NBFCs and HFCs continue to scale up their portfolio focusing on housing finance, LAP, SME finance and consumer finance. Within these segments, housing continues to do well and also presents huge potential given the government's thrust on Housing for All (HFA) and supporting demographic factors. The other large opportunity is in the SME segment which continues to be under-banked and NBFCs are increasingly turning towards this sector. Thus, the potential for NBFCs and HFCs to scale up their business remains large providing ample growth opportunities to lenders like us.

Asset Reconstruction Industry

The Asset Reconstruction Industry continues to offer a viable alternative to banks for speedy resolution of NPAs. ARCs grew their AuM in FY17 despite facing funding/capital constraints. With the recent amendments to SARFAESI Act and guidelines from RBI for sale of NPAs from April 1, 2017, the stage is set for the ARC industry to garner fresh capital for growth as well as be able to target specific assets.

In addition, the path breaking Insolvency & Bankruptcy Code will enable the lenders and ARCs to expedite resolution of assets. This also presents newer opportunities for offering

The growing relevance and interconnectedness of the NBFC sector also highlights the importance of risk management in the sector.

turnaround advisory services. A recent Ordinance by government giving RBI broad powers to deal with specific non-performing loans cases will also speed up the asset resolution.

Wealth Management

Rising wealth in India, greater interest in equities and other asset classes and a strong aspiring middle class is creating immense opportunities in wealth management space. As per our estimates, the AuAs of the industry grew around 30% in the year to cross ₹5 trillion, which bodes well for the industry.

Asset Management

The asset management industry in India consists of a vibrant and rapidly growing mutual funds sector and Alternative Investment Funds (AIFs). Buoyant equity markets infused a tremendous buzz in this industry in FY17 with significant inflows.

During FY17, Mutual Funds' AuM showed a record growth of 42% touching ₹17.55 trillion as on March 31, 2017 compared to ₹12.33 trillion a year ago with huge inflows into equity schemes. Alternative asset funds in the structured credit, distressed assets and real estate space ended FY17 with AuMs of ~\$24 billion with inflows of \$2 billion during the year.

Capital Markets

FY17 was a good year for equity markets with Nifty making its all time high with a return of ~19% in FY17 as compared to decline of 9% in FY16. Indian markets have outperformed emerging markets in dollar terms by 230 bps. The momentum is likely to continue with an expectation of improvement in corporate earnings going forward.

As regards debt markets, RBI set the ball rolling on corporate bond reforms with a comprehensive set of guidelines and other measures. These measures once fully implemented will deepen the corporate bond markets and enhance liquidity. The process is already underway as FY17 saw a sharp increase in primary market issuance and corporate bond turnover. We expect this trend to gain further momentum in FY18.

Life Insurance

The life insurance sector in India suffers from low level of penetration at 2.72% and per capita Insurance density of only ₹2,748 while global insurance penetration stands at 3.5% with density of ₹22,006 (source IRDA report 2016). During FY17, the APE growth among private sector life insurers in India was higher at ~26% compared to ~14% in FY16. At the end of FY17, the private insurers had increased their market share in individual APE to ~54% compared to ~52% in FY16. Given the young demographics in India, rising life expectancy and absence of any meaningful social security cover, insurance presents exciting opportunities for future growth.

EDELWEISS OVERVIEW

A FULLY DIVERSIFIED FINANCIAL SERVICES GROUP

Edelweiss was founded in November 1995 with an aspiration to become one of the leading financial services groups in India. With the economic liberalisation of early 90s, Edelweiss saw a huge opportunity in intermediating on capital flows from savings into investments. From initially providing advisory and investment banking services, Edelweiss has grown by consciously and strategically investing in expanding services in existing areas as well as adding a presence in adjacent markets to become a leading diversified financial services conglomerate today.

EDELWEISS STRATEGY

Edelweiss has come a long way since inception, with knowledge, research and innovation being the key drivers for the Company's growth. The Group constantly pursues innovation and invests into adjacent avenues, in new ideas and new businesses. We believe that we must add significant value by providing cutting edge products and services by focusing on five key vectors in our journey – **people management, cost and risk management, technology, customer experience and innovation.**

Over the years, Edelweiss has also demonstrated its ability to reinvent itself at the turn of each

Rising wealth in India, greater interest in equities and other assets and a strong aspiring middle class is creating immense opportunities in the wealth management space.

Our FY17 net profit grew at 47% over FY16, building sustainability in our performance.

economic and business cycle. This element of adaptability and flexibility ensures that businesses spot opportunities, deal with dynamic economic situations and are ready to leverage knowledge, experience and professionalism in dealing with new prospects.

EDELWEISS FINANCIAL SERVICES LTD (EFSL) FINANCIAL PERFORMANCE HIGHLIGHTS

The growth momentum achieved in FY16 was maintained in FY17 with our quarterly profits improving consistently since FY12, the year of completion of our diversification phase. We have

now recorded five straight years of consistent growth coupled with efficiency and productivity improvement. Our net profit for FY17 grew at 47% over FY16, building sustainability in our performance. Our profits continue to be contributed by a diverse set of businesses eliminating cyclical volatility in our performance.

Since inception in 1996, our total revenue has grown at a CAGR of 85% and net profit has increased at a CAGR of 80% upto FY17. Across a more recent time frame, our total revenue and net profit have grown at a five year CAGR of 32% and 37% respectively upto FY17.

CONSOLIDATED RESULT – FY17

A summary of consolidated FY17 financial performance of Edelweiss Financial Services Limited (EFSL) is as under:

Total Revenue ₹66,336 million (₹53,157 million for FY16), up 25%

Profit after Tax ₹6,093 million (₹4,144 million for FY16), up 47%

Profit after Tax ex-insurance ₹7,194 million (₹5,188 million for FY16), up 39%

Return on Equity ex-insurance 20.7% (18.6% for FY16)

Return on Assets ex-insurance 2.4% (1.8% for FY16)

Diluted EPS ₹6.92 (₹4.85 for FY16) (FV ₹1)

Book Value per Share ₹52.00 (₹45.14 at the end of FY16) (FV ₹1)

FINANCIAL HIGHLIGHTS

INCOME

Our Fund-based revenue was ₹48,057 million for FY17 (₹42,180 million in FY16), up 14%. It predominantly came from interest on loans which accounts for ~62% of total revenue, reflecting the scale up in the credit book. Our net interest income (NIM) for FY17 was ₹12,918 million (₹12,223 million for FY16), up 6%.

The agency fee & commission revenue was ₹12,481 million for FY17 (₹6,966 million in FY16), up 79%, on the back of scaling up of all our Franchise businesses as well as our Asset Reconstruction Company becoming a subsidiary of our Group during FY17, which increased our fee & commission by around ₹3,350 million.

After deducting the finance cost, net revenue for FY17 was ₹38,239 million (₹26,956 million in FY16), up 42%.

Life insurance business recorded a net premium of ₹4,259 million for the year (₹3,002 million for FY16), a growth of 42%.

EFSL entity on a standalone basis earned a revenue of ₹4,505 million in FY17 compared to ₹3,383 million in FY16 and its PAT was ₹1,290 million in FY17 compared to ₹1,556 million in FY16.

Our diversified revenue streams ensure our constant growth across cycles despite volatile environment.

EXPENSES

Total costs for FY17 was ₹56,756 million (₹46,969 million in FY16), up by 21%. Within our total costs, operating expenses grew by 45% in FY17 as we continued to invest in scaling up our younger retail businesses.

Employee expenses grew by 25% in FY17 as we continued hiring to support our growing businesses. As the size of our operations grew and as we became a ₹387 billion asset company, it was also imperative to strengthen the organisation and we have added people at all levels, including over 90 senior professionals. We added about 745 employees during FY17 taking the total head count to 6,972, resulting in growth in employee expenses.

Interest expense growth was contained at only 7% in FY17 despite our borrowings being higher at ₹333.79 billion, compared to ₹277.73 billion a year ago, due to fall in interest rates. Our cost of funding came down to 9.7% in FY17 compared to 9.9% in FY16.

PROFIT AFTER TAX

Our PAT and Minority for FY17 was ₹6,093 million compared to ₹4,144 million for FY16, a growth of 47%, which was mainly due to a 14% increase in Fund Based Income and 79% increase in Agency fee & commission. Our RoE on consolidated basis for FY17 was 15.5%, up from 12.9% a year ago.

We continue to demonstrate consistent Quarter on Quarter (QoQ) growth in profitability since FY12 despite the macro environment being challenging in some parts of this period. This has been possible as a result of our long-term strategy of synergistic diversification across businesses, asset classes and client segments which builds sustainability in our performance.

Profitability ex-insurance

Our life insurance business is relatively young and given the long gestation period of life insurance companies, it is still recording losses. Excluding the impact of our proportionate share of losses in life insurance business, our net profit for FY17 has been around ₹7,194 million compared to ₹5,188 million in FY16, a growth of 39%. Our return on equity ex-insurance comes to around 20.7% for FY17, compared to 15.5% on consolidated basis.

Business-wise Analysis of Profitability

Operations of Edelweiss are organised around three broad business groups – **Credit** Businesses including Retail Credit, Corporate Credit and Distressed Assets Resolution business; **Franchise** businesses including Wealth Management, Asset Management and Capital Markets, and **Insurance**.

The business-wise financial data based on Management's estimates for FY17/as on March 31, 2017 is as under:

We continue to demonstrate consistent QoQ growth in profitability since FY12, despite the macro environment being challenging in some parts of this period.

Retail credit continues to be our focus and we intend to increase its proportion in the total book to around 50% in the next three years.

₹ in million

	EoP Equity	Profit after Tax	RoE	RoA
Pre-Minority Total	52,880	5,630	—	—
Credit	37,780	5,070	18.3%	2.1%
Franchise	1,220	1,930	—	—
BMU, Corp & Others	6,550	790	9.0%	0.9%
Insurance	7,330	(2,160)	—	—
Less Minority	9,580	(460)	—	—
Total Consolidated	43,300	6,090	15.5%	1.7%
Total Ex-Insurance	39,480	7,190	20.7%	2.4%

Notes: Numbers are Management Estimates RoE is calculated on Average Equity

While the Credit business continues to be the significant driver of growth in profits, the Franchise businesses have grown strongly during FY17. Leadership of Edelweiss businesses in the Industry was also highlighted by our winning 26 awards during FY17.

Balance Sheet

The effective Balance Sheet size at the end of FY17 was ₹386.67 billion compared to ₹321.45 billion at the end of FY16, a growth of 20%. The asset side of the balance sheet includes credit book assets of ₹299.07 billion besides liquid assets like FDs and cash balances of ₹31.51 billion and government bonds of ₹20.91 billion for liquidity management.

On the liability side, our total net worth was ₹52.88 billion as on March 31, 2017 compared to ₹43.72 billion as on March 31, 2016. Debt as on March 31, 2017 was ₹333.79 billion (₹277.73 billion as on March 31, 2016). However, as a part of our liquidity management, we hold liquid assets and excluding such liquid assets our Net Gearing Ratio stands at 5.25 times as on March 31, 2017. The Capital Adequacy Ratio on consolidated basis stands at 17.01% at the end of FY17.

BUSINESS SEGMENT-WISE PERFORMANCE

Brief highlights of our business segment-wise performance in FY17 are as under:

CREDIT BUSINESS

Credit business of Edelweiss consists of retail credit, corporate credit and Distressed Assets Resolution Business (DARB). The retail credit

segment offers **Mortgages** including Home Finance, Retail Construction Finance and Loan against Property, **SME Finance**, **Agri and Loans against Securities**. Corporate credit business offers **Structured Collateralised Credit** to corporates and **Real Estate Finance** to developers. **DARB** offers resolution of distressed assets including turnaround advisory services.

Total credit book of the Group stands at ₹276.08 billion at the end of this year (excluding episodic book) compared to ₹200.14 billion at the end of previous year, a growth of 38%. The book comprises of retail credit ₹89.51 billion (33% of total book), corporate credit ₹138.75 billion (50%) and capital deployed of ₹47.81 billion in DARB (17%). The book has grown at a CAGR of 60% since FY09. Credit business improved its NIM (including fees) in FY17 to 7.2% compared to 6.8% in FY16.

The **asset quality** of the overall credit book continued to remain under control with Gross NPLs at 1.59% and Net NPLs at 0.60% as on March 31, 2017 compared to 1.40% and 0.47% respectively a year ago. The Provision Coverage Ratio (PCR) on NPLs was 62% at the end of FY17. Including the general loan loss provision on standard assets, the PCR was 87% as on March 31, 2017.

We have successfully managed the transition of recognising NPLs to 120+ days past due (DPD) norm for our NBFCs during FY17 from 150+ DPD a year ago and 180+ DPD two years ago without any significant slippages in our asset quality. This was made possible due to our focus on risk management and achieving growth in the book without diluting risk standards. We hope to migrate to 90+ DPD norm in FY18 in a similar way. Our Housing Finance Company (HFC) continued to follow the 90+ DPD norm for NPLs.

Retail Credit Business

As a part of our long-term strategy of synergistic diversification of asset classes and customer segments, Edelweiss offers **Housing Finance**, **Retail Construction Finance**, **Loans against Property (LAP)**, **Rural Finance** and **Loans to Small and Medium Enterprises (SME)** as a part of Retail Finance business.

This business operates in 55 cities and over 3,100 villages with a client base of ~387,000.

This business had built a book of ₹53.76 billion at the end of FY17, compared to ₹42.83 billion at the end of FY16, up 26%. The loan to value ratio in its home loans and LAP portfolio remained at a comfortable level of ~45% with an average tenor of ~15 years.

Including **Agri credit** of ₹4.6 billion, loans against securities to retail clients and other retail loans, our total retail credit portfolio stands at ₹89.51 billion at the end of FY17 compared to ₹60.31 billion at the end of FY16, a growth of 48%. Retail credit continues to be our focus and we intend to increase its proportion in the total book to around 50% in the next three years.

Agri Services & Credit

Agri commodities business is a significantly large and untapped opportunity in India. Edelweiss offers end to end services to meet a new emerging need for the economy by bridging the physical with the financial needs of the commodities market with an objective to enhance flow of credit to this sector.

We are building this business from a value-creation perspective – sourcing of commodities through our infrastructure and pan India network and making credit available to the participants in the value chain in a transparent manner. At the end of FY17, agri credit book was at ₹4.6 billion and is expected to scale up post FY18. At the end of FY17 we had around 435 leased warehouses under our management with a storage capacity of ~1.4 million tonne. We have also entered into tie-ups with 23 banks for collateral management.

Distressed Assets Resolution Business

Edelweiss's DARB has a strong track record of unlocking value in its portfolio through its ability to upfront identify opportunities for and execute on operational turnaround of the distressed companies in our portfolio.

Edelweiss Asset Reconstruction Company (EARC) scaled up its business with AuM of ₹395 billion (including capital deployed of ₹47.8 billion by our Group) at the end of FY17 compared to ₹271 billion at the end of FY16, a growth of 46%. EARC continues to be the leading ARC in the country. It has already created a track record of resolution of assets of ~₹190 billion by the end of FY17 through a combination of resolution strategies with revival and business turnaround

being the foremost strategy. During FY17, we have appointed an empowered advisory board of industry experts which will help us implement best practices in our portfolio companies.

EARC has now become a subsidiary of Edelweiss Group following enhancement of our equity stake in the Company to 74.8%.

During FY17, Edelweiss and Caisse de dépôt et Placement du Québec (CDPQ) of Canada and one of North America's largest pension fund managers, have entered into a long-term partnership with target investment by CDPQ of ₹50 billion over four years. CDPQ also acquired a 20% equity stake in EARC with first tranche of equity infusion in Q3FY17. On a fully diluted basis, Edelweiss holds 60% stake in the EARC.

FRANCHISE BUSINESSES

Our **Franchise businesses** include **Wealth Management, Asset Management and Capital Markets**.

Wealth Management

The Wealth Management business provides advisory and investment services to HNI clients and retail broking services with an emphasis on research and analytics. This business offers a differentiated value proposition which is delivered through Specialist Financial Advisors and Digital platform.

Our efforts to scale up this business continue to yield results with the business ending FY17 with AuAs of over ₹603 billion, compared to ₹295 billion at the end of the previous year, a growth of 104%. This business is rapidly gaining market share by offering a multi-asset platform with structured customised solutions and is now among the industry leaders.

Wealth Management business together with other retail capital market clients had over 470,000 clients as of March 2017.

Asset Management

Asset Management business comprises of three businesses – **Alternative Asset Management, Mutual Funds** and **Multi Strategy Funds**.

Alternative Asset Management

The Alternative Asset Management business focuses on mobilising subscriptions from offshore and domestic institutions and HNIs through

During FY17, Edelweiss and CDPQ, one of North America's largest pension fund managers, have entered into a long-term partnership with target investment by CDPQ of ₹50 billion over four years.

ETLI is one of the fastest growing life insurance companies in India in the last three years.

funds structures to invest in alternative asset classes. Our objective is to offer innovative and differentiated products by combining Edelweiss platform with strong investment capabilities to create a superior investment performance. Our efforts to scale up this business also continue to yield results with the AuM reaching ~₹88 billion equivalent, spread over seven funds at the end of FY17, compared to ~₹22 billion at the end of FY16, a growth of 298%.

Multi Strategy Funds

Edelweiss Multi Strategy Funds Management (formerly known as Forefront Capital Management), a high net worth focused Asset Management Company in the Liquid Alternative strategies space, was acquired in FY15. This acquisition further strengthened and diversified our presence in the asset management business. There was a further acquisition of Ambit Alpha Fund during FY17. This business now has AuM of around ₹25.9 billion by the end of FY17, compared to ₹5 billion at the end of FY15, a growth of 335% in two years.

Mutual Fund (Retail Asset Management)

During the year, Edelweiss completed the acquisition of schemes of JPMorgan Mutual Fund in India. This has helped broaden our asset management platform.

Post the acquisition, Edelweiss Mutual Fund manages 35 schemes across Equity, Debt and Liquid categories with an average AuM of around ₹68.34 billion during March 2017, compared to ₹16.80 billion in the previous year. Around 53% of its AuM is in equity schemes. As a result of the acquisition, the investor base has substantially increased to 79,825 unique investors, from 28,900 at the end of FY16 and the distributor base has increased to 4,161 from 3,750 at the end of FY16.

Capital Markets

Our **Capital Markets** businesses offer **Investment Banking, Institutional Equities** and **Fixed Income advisory services**.

Edelweiss continues to be a leader in Investment Banking and Fixed Income Advisory and executed 121 transactions in FY17 including 18 transactions under Investment Banking. Our Equity Capital Markets business has emerged

as the leader among arrangers for IPOs with a market share of over ~40% during the three year period ended March 31, 2017 in the category of IPOs of ₹3.50 billion and above (Source: Prime Database).

We also maintained our leadership in Public Issues of Debt as lead arranger in FY17 by raising ₹285 billion across 11 issues with a market share of over 96%. In the short-term commercial paper (CP) segment too, we retained number one position with a market share of over 20%. While we cemented our place as the top public issue and CP arranger, we also broke into the top 10 rankings in the private placement of debt league tables for FY17 (Source: Prime Database).

Institutional Equities business provides equity and equity-derivatives sales and trading services to a large base of FIIs and DIIs. We continued to be among the largest Indian domestic Institutional Broking Houses with a market share of 4 to 4.5% by revenue.

LIFE INSURANCE

Edelweiss expanded its addressable retail markets by launching Edelweiss Tokio Life Insurance Company (ETLI) in 2011 in partnership with Tokio Marine of Japan. Edelweiss holds 51% equity in this JV with Tokio Marine holding the rest.

ETLI is one of the fastest growing life insurance companies in India in the last three years. Winner of Best Life Insurer Award in 2016, (Source: Outlook Money Awards 2016) and Agency Efficiency Award 2016 (Source: India Insurance Awards 2016), it continues to scale up its business while enhancing quality of business with a focus on the customer. ETLI had also provided life insurance cover of ₹10 million to each of the athletes of the Indian Olympic team at Rio 2016.

Gross premium in FY17 was ₹4,413 million compared to ₹3,101 million in the previous year, a growth of 42%. New business weighted premium grew by 37% to ₹1,695 million in FY17.

It continues to expand its distribution footprint across agency, partnership and direct channels. Its network now spans 66 locations with 91 branches across India. The agency channel force has also scaled up with the number of Personal Financial Advisors crossing 21,000 by the end of

this year, compared to around 15,000 a year ago.

ETLI offers 27 individual products with 8 rider options, designed to meet various needs of customers. It also offers four group products.

ETLI is the first company to receive approval from IRDAI for 'POS - Saral Nivesh', which will be sold for the first time in India under the POS (Point of Sale) guidelines, a category still being explored.

ETLI's distribution strategy is based on "Need Based Sales" philosophy and the key message in its communication, "Insurance se badhkar hai aapki zaroorat", continues to emphasise the core value of customer centricity.

BALANCE SHEET MANAGEMENT UNIT (BMU)

Balance Sheet Management

The BMU manages our group's liquidity in a way similar to that of Treasury of a commercial bank. As a part of this process, we have developed a set of **Balance Sheet Management Rules** to measure, monitor and change key metrics & positions to ensure a healthy Balance Sheet and these are benchmarked to international best practices.

Asset Liability Management Committee (ALCO)

Edelweiss ALCO manages **allocation of capital** among businesses along with **Asset Liability Management**. It also manages the Group's **interest rate and liquidity risks** besides a host of other crucial functions.

Overnight Liquidity Cushion

BMU ensures that an adequate liquidity cushion is maintained to take care of immediate requirements, while continuing to honour our commitments as a going concern. During FY17, we enhanced our overnight liquidity cushion to ₹40 billion, compared to ₹29 billion a year ago, which is over 10% of our balance sheet size.

Maintaining Liabilities Profile in Sync with Lengthening Assets Profile

Besides maintaining a liquid balance sheet, we continue to reduce dependence on market borrowings, diversify our sources of borrowings and increase liabilities in the medium to long-term

buckets. During FY17, we contracted over ₹70 billion of medium to long-term NCDs including the ₹5 billion maiden issue of Masala Bonds overseas. We also enhanced our total sanctioned bank lines of credit at the end of FY17 to ₹159 billion compared to ₹105 billion a year ago.

OPPORTUNITIES

The expected roll out of GST and the performance of the NDA in recent polls will place the agenda of economic reforms on a firm footing. The global economy is also showing signs of recovery. These developments augur well for growth of financial services in India for firms like Edelweiss and offer immense opportunities in FY18 and beyond as under:

- India is already the fastest growing economy globally and various projections for growth by World Bank or IMF etc., indicate that India will continue to outperform other economies. This would open up vast opportunities for us to grow our various diversified businesses.
- Indian savers already are seen to be increasing allocation to financial assets like equities over gold or bank deposits. This trend will provide newer opportunities for financial services like asset management and wealth management which are already two of our rapidly growing businesses.
- Social, Mobility, Analytics and Cloud Computing (SMAC) are the emerging trends in technology. Government initiatives in respect of Digital India and move towards formal and cashless economy will also open up new client segments which firms like ours can tap for future growth.
- Government's push towards affordable housing and "Housing for All by 2022" would provide rewarding opportunities for home loan lenders like us.

THREATS

While the opportunities landscape is promising, the following threats could dampen the growth of financial services sector in India:

- Slower than expected recovery of the macro-economy, domestic as well as global, or delay in revival of capex cycle can impede the growth.

Government's push towards affordable housing and "Housing for All by 2022" would provide rewarding opportunities for home loan lenders like us.

- While the monsoon is predicted to be normal this year, any unforeseen failure of the monsoon or return of the dreaded El Nino can hinder the recovery in rural economy.

OUTLOOK & STRATEGY

The resilient Indian economy is back on a growth trajectory. The reforms undertaken in the past few years will have a far-reaching and long-lasting impact. Going ahead we anticipate growth to improve based on rebound in exports and global economy, introduction of GST, stability in rural economy and government's continued push towards infrastructure, rural development and affordable housing. As regards the financial services sector, the key trends driving the growth will be growing affluence, shift from savings to financial assets, privatisation and democratisation of credit.

There is significant headroom for growth and Edelweiss is well-gearred to take advantage of this opportunity. Our retail businesses have gained traction and franchise businesses have also built significant size and scale. With the focus on risk management and the foundation we have laid, we are well placed to achieve constant growth in the days to come.

EDELWEISS BRAND

Edelweiss believes in a clutter breaker approach to carve a distinct brand identity and our continued association with ace shuttler, Saina Nehwal, as brand ambassador as well as principal sponsorship of the Indian contingent for Rio Olympics has helped Edelweiss and ETLI increase awareness and consideration amongst our customers. Both Edelweiss and Saina personify excellence, sustained performance, determination, credibility, humility and have started from humble beginnings and gone on to claim leadership stance in respective fields.

RISK MANAGEMENT

Edelweiss's presence in multiple businesses, asset classes and geographies exposes it to various risks. Certain risks are inherent to the products or services that we offer and other risks arise due to external environment. Edelweiss has adopted best in class risk monitoring tools to monitor risks in various businesses.

As a result of the focus on risk management, Edelweiss recently won the prestigious **Golden**

Peacock Award for Risk Management in Financial Services Sector for year 2016.

The principles and broad framework of risk management at Edelweiss are summarised below:

- **"We will respect Risk"** is one of our guiding principles and a cornerstone for our risk management philosophy since Edelweiss was founded.
- Evaluating every strategic and transactional decision on risk philosophy of **"Can we afford it?"** and **"Is it worth it?"** is engrained in the system.
- **"Four-tiered risk governance structure"** comprising Board level Risk Committee, Global Risk Committee, Global Risk Group and Business Risk team with a team of 150 plus experienced risk professionals help us manage diverse risks.
- Proprietary **"Eight Risk Framework"** has evolved over time enabling a holistic assessment of risk.
- We believe in proactive risk management. **"Early Warning Signal"** (EWS) framework helps identify risks at nascent stage basis inputs from various diverse sources. To support the EWS framework, big data analytics tools are also used.
- A periodical **"Risk Survey"** helps us measure the risk quotient across all employees.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Internal Financial Controls

The Internal Control Framework of Edelweiss aims to strengthen the overall assurance practices, processes, controls, sharing of best practices, conducting periodic assessments, establishing and overseeing control dashboards and above all creating a **"CARES"** philosophy for the entire organisation as below:

- Control culture through Training workshops, Best Practice sharing platform across SBUs, Control Champion certificates to SBU team members.
- Assurance through Oversight of Internal audit function, preparedness of inspections by regulators and deep dive in collaboration with other teams.

As a result of the focus on risk management, Edelweiss recently won the prestigious **Golden Peacock Award for Risk Management** in Financial Services Sector for year 2016.

- **Reliable internal controls framework** through Control Reviews, RCSA/Internal Financial Control Review and Mock audits.
- **Effective and efficient processes** through Benchmarking with peers, Automation of process controls, Control Dashboard and its monitoring.
- **Standardisation** through Standard Operating Procedures, Checklist, Policies and Practices.

Internal Audit

Internal Audit follows Generally Accepted Audit Practices, Internal Audit Standards, analytical procedures, etc., and ensures compliance with Section 138 of the Companies Act 2013, read with Rule 13 of the Companies (Accounts) Rules, 2014.

In addition, the Corporate Control team assesses the efficacy of internal controls through external

audit firms to provide an independent, objective and reasonable assurance on the adequacy and effectiveness of the organisation's risk management, control and governance processes.

Internal Control

Edelweiss has robust internal control system and Risk Control Self Assessments (RCSA) system in place including monitoring compliance with relevant matters covered under Section 134(5) (e) of the Companies Act 2013, Delegation of powers, segregation of duties, third party confirmations, periodic reconciliations, RCSA, physical verification and checks on accuracy; completeness and timely update of records, compliance, risk and periodical financial statements.

Edelweiss's long-term commitment to technology continues to enable it to grow and unlock competitive advantage for our diversified businesses.

TECHNOLOGY

Technology is opening up unprecedented opportunities for the way business is done. Edelweiss's long-term commitment to technology continues to enable it to grow and unlock competitive advantage for our diversified businesses.

During the year our focus was on leveraging technology to:

- **Grow the Business** by way of launching an ERP System for Agri Value Chain Business, Core solution for Distressed Assets Resolution Business and an updated Trading Platform.

- **Secure the business** through a well-defined CyberSecurity roadmap to mitigate new age critical cyber risks.

- **Enhance Compliance** through a Compliance Monitoring Solution.

- **Leverage Robotics & Artificial Intelligence**

- **Transform the business** by focusing on technology led solutions for Global Wealth Management and Life Insurance business in partnership with a global technology major.

At Edelweiss, we have always valued our gender diversity and are happy that 20% of our employees are women

HUMAN RESOURCES

The financial services industry is ever evolving industry with its dynamism and inherent volatility. In such an environment, Edelweiss recognises the significance of change management and therefore attaches an emphasis to build leadership trait in its talent to manage change effectively. Throughout FY17, we continued to deepen our philosophy through a series of well designed measures.

Leadership Development

The Edelweiss Leadership Program has been created in the backdrop of Edelweiss's rapid expansion and aspiration to grow further. There has been a renewed rigour around the program and, this year, we have brought in a sharper focus on engagement and development of our very high performing talent pool. We have planned and implemented structured development interventions for our Management Committee, Senior Leaders, Business Leaders and Emerging Leaders to help them in their leadership journey at Edelweiss.

WE (Women Empowered) Platform

Women Empowered (WE) is an Edelweiss initiative which provides our women employees with opportunities to make the best of their

individual talent with the objective of creating leaders of tomorrow amongst our women employees.

At the end of FY17, we had a total of 6,972 employees (6,227 as at the end of the previous year) spread across 277 offices in 127 cities in India and overseas. At Edelweiss, we have always valued our gender diversity and are happy that 20% of our employees are women. EFSL entity on a standalone basis had 116 employees at the end of FY17.

CUSTOMER CENTRICITY

In today's digital world, a customer has multiple options. Growth will accrue to organisations which succeed in giving a truly memorable customer experience. At Edelweiss, we fully recognise the significance of a great customer experience. To this end, Customer Centricity movement is at our centre stage. This focused attention has helped improve customer satisfaction scores and customer experience across the board.

Edelweiss Customer Centricity model is based on four pillars: Listen to Understand, Deliver as Promised, Respond Effectively and Go Extra Mile, in other words "Suno Samjho Suljao".

Cautionary Statement

Statements made in this Annual Report may contain certain forward looking statements, which are tentative, based on various assumptions on the Edelweiss Group's present and future business strategies and the environment in which we operate. Actual results may differ substantially or materially from those expressed or implied due to risk and uncertainties. These risks and uncertainties include the effect of economic and political conditions in India and internationally, volatility in interest rates and in the securities market, new regulations and Government policies that may impact the Company's businesses as well as the ability to implement its strategies. The information contained herein is as of the date referenced and Edelweiss does not undertake any obligation to update these statements. Edelweiss has obtained all market data and other information from sources believed to be reliable or its internal estimates, although its accuracy or completeness cannot be guaranteed. The discussion relating to business wise financial performance, financial statement, asset books of Edelweiss and industry data herein is reclassified/regrouped based on Management estimates and may not directly correspond to published data. The numbers have also been rounded off in the interest of easier understanding.

Annexures to Board's Report (*Continued*)

Annexure I

Remuneration Policy

Objective

The Companies Act, 2013 ('the Act') and the Listing Agreement requires a Company to frame a policy for determining the remuneration payable to the Directors, Key Managerial Personnel (KMPs) and other Senior level employees.

The objective of the Remuneration Policy (the Policy) of the Company is to provide a framework for the remuneration of the Independent Directors, Non-executive Directors, Managing Director, Executive Directors, KMPs, and other Senior level employees of the Company.

The objective of the Policy is to ensure that:

- i. the level and composition of remuneration is reasonable and sufficient to attract & retain talent required to run the Company successfully;
- ii. relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- iii. remuneration to the Directors, KMPs and senior management comprises a balance of fixed and incentive pay reflecting short and long-term performance objectives, appropriate to the working of the Company and its goals.

Remuneration of the Independent Directors and Non-executive Directors

- The Independent Directors and Non-executive Directors are eligible for sitting fees for attending the meetings of the Board and the Committees thereof.
- The Independent Directors and Non-executive Directors are also eligible for commission, subject to the limits prescribed under the Act and the Rules framed there under.
- The Independent Directors are not eligible for stock options.
- The Non-executive Directors (other than promoter Directors) shall be eligible for stock options.

Remuneration of the Managing Director & Executive Directors

- The remuneration of the Managing Director, Executive Directors is recommended by the Nomination & Remuneration Committee ('NRC') to the Board. Based on the recommendations of the NRC, the Board determines and approves the remuneration of the Managing Director, Executive Directors, subject to necessary approvals, if any.
- The remuneration paid to the Managing Director, Executive Directors shall be within the limits prescribed under the Act and approved by the shareholders of the Company. The remuneration structure includes fixed salary, perquisites, bonus, other benefits and allowances and contribution to Funds, etc.
- The Executive Directors (other than the promoter Directors) shall be eligible for stock options.

Remuneration of the KMP (other than Executive Directors) and Senior level employees

- The key components of remuneration package of the KMP (other than Executive Directors) and Senior level employees shall comprise of fixed salary, perquisites, annual bonus, other benefits and allowances and contribution to Funds, etc.
- They shall be eligible for stock options.

Policy Review

- The Policy may be amended as may be necessary.
- The NRC shall implement the Policy, and may issue such guidelines, lay down the process etc. as it may deem fit.

Form No. MR-3
SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2017

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members
Edelweiss Financial Services Limited
Edelweiss House, Off. C.S.T Road,
Kalina, Mumbai – 400 098.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to corporate practices by **Edelweiss Financial Services Limited** (hereinafter called 'the Company') for the audit period covering the financial year ended on 31st March 2017 ('the audit period'). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2017 according to the provisions of:

- i. The Companies Act, 2013 ('the Act') and the Rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 (SCRA) and the Rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Overseas Direct Investments and External Commercial Borrowings.
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act')
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
 - (d) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - (e) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (f) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

- vi. The Securities and Exchange Board of India (Merchant Bankers) Regulations, 1992.

We have also examined compliance with the applicable clauses of the Secretarial Standards issued by the Institute of Company Secretaries of India related to meetings and minutes.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

During the period under review, provisions of the following Act / Regulations were not applicable to the Company:

- a. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
- b. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
- c. The Securities and Exchange Board of India (Buyback of Securities) Regulation, 1998;

We further report that -

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors.

Adequate notice is given to all Directors to schedule the Board Meetings in compliance with the provisions of Section 173(3) of the Companies Act, 2013, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Decisions at the meetings of the Board of Directors of the Company were carried through on the basis of majority. There were no dissenting views by any member of the Board of Directors during the period under review.

We further report that –

There are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that-

During the audit period, the Company has obtained approval of Members at 21st Annual General Meeting held on 9th August 2016 by way of Special Resolution to authorize the Board of Directors to issue, offer and allot Non-Convertible Debentures aggregating to ₹ 2,500 crores (Rupees Two Thousand Five Hundred Crores Only) to eligible investors on a private placement basis.

Annexure I to the Secretarial Audit Report for the financial year ended 31st March 2017

To,

The Members,

Edelweiss Financial Services Limited

Our Secretarial Audit Report of even date is to be read along with this letter.

1. The compliance of provisions of all laws, rules, regulations, standards applicable to Edelweiss Financial Services Limited (the 'Company') is the responsibility of the management of the Company. Our examination was limited to the verification of records and procedures on test check basis for the purpose of issue of the Secretarial Audit Report.
2. Maintenance of secretarial and other records of applicable laws is the responsibility of the management of the Company. Our responsibility is to issue Secretarial Audit Report, based on the audit of the relevant records maintained and furnished to us by the Company, along with explanations where so required.
3. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial and other legal records, legal compliance mechanism and corporate conduct. The verification was done on test check basis to ensure that correct facts as reflected in secretarial and other records produced to us. We believe that the processes and practices we followed, provides a reasonable basis for our opinion for the purpose of issue of the Secretarial Audit Report.
4. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.
5. Wherever required, we have obtained the management representation about the compliance of laws, rules and regulations and major events during the audit period.
6. The Secretarial Audit Report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

Corporate Governance Report

COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

Corporate Governance is about promoting corporate fairness, transparency, accountability and integrity of the management to facilitate effective entrepreneurial and prudent management practices for long-term sustainable growth of the Company. It also aims to align as nearly as possible the interests of individuals, corporates and society and enhancing the stakeholders' value. Best results are achieved when the companies begin to treat the Corporate Governance system not as a mere structure but as a way of corporate life. Edelweiss Guiding Principles also reflect the fundamental philosophy of Good Corporate Governance practices which has always been an integral part of your Company's philosophy.

BOARD OF DIRECTORS

Composition, Meeting and Attendance

To the Members of
Edelweiss Financial Services Limited,

We have examined the compliance of conditions of corporate governance by Edelweiss Financial Services Limited ('the Company'), for the year ended 31 March, 2017, as prescribed in regulations 17 to 27, 46 (2) (b) to (i) and para C, D and E of Schedule V of Chapter IV of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (LODR) for the financial year ended March 31, 2017. We state that the compliance of conditions of Corporate Governance is the responsibility of the management, and our examination was limited to the procedures and implementation thereof adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion, and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned LODR.

We further state that such compliance is neither an assurance as to the further viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

This certificate is issued solely for the purposes of complying with the aforesaid Regulations and may not be suitable for any other purpose.

Edelweiss Financial Services Limited

Abridged Consolidated Financial Statements for the year ended 31 March 2017

This page is intentionally left blank

Independent Auditors' Report on Abridged Consolidated Financial Statements

To The Members of,
Edelweiss Financial Services Limited

Report on the abridged consolidated financial statements

The accompanying abridged consolidated financial statements, which comprise the abridged consolidated balance sheet as at 31 March 2017, the abridged consolidated statement of profit and loss, and abridged consolidated cash flow statement for the year then ended, and related notes, are derived from the audited consolidated financial statements of Edelweiss Financial Services Limited ('the Company') and its subsidiaries, partnership firms and alternative investment funds (collectively referred to as 'the Group'), and its associates. We expressed an unmodified audit opinion on those financial statements in our report dated 17 May 2017.

The abridged consolidated financial statements do not contain all the disclosures required by Accounting Standards specified under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 applied in the preparation of the audited consolidated financial statements of the Group. Reading the abridged consolidated financial statements, therefore, is not a substitute for reading the audited consolidated financial statements of the Group.

Management's responsibility for abridged consolidated financial statements

The Company's Board of Directors are responsible for the preparation of abridged consolidated financial statements in accordance with first proviso to sub-section (1) of section 136 of the Act and Rule 10 of Companies (Accounts) Rules, 2014 which is derived from the audited consolidated financial statements of the Group for the year ended 31 March 2017, prepared in accordance with accounting principles generally accepted in India including, the Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014.

Auditor's responsibility

Our responsibility is to express an opinion on the abridged consolidated financial statements based on our procedures, which were conducted in accordance with Standard on Auditing (SA) 810, "Engagements to Report on Summary Financial Statements" issued by the Institute of Chartered Accountants of India.

Opinion

In our opinion, the abridged consolidated financial statements, prepared in accordance with first proviso to sub-section (1) of section 136 of the Act read with Rule 10 of Companies (Accounts) Rules, 2014 are derived from the audited consolidated financial statements of the Group for the year ended 31 March 2017 and are a fair summary of those consolidated financial statements.

Other matters

We did not audit the financial statements of 49 subsidiaries and 2 partnership firms whose financial statements reflects total assets of Rs. 151,919 million as at 31 March 2017, total revenues of Rs. 22,457 million and net cash outflow of Rs. 1,277 million for the year ended on that date as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit of Rs. 86 million for the year ended 31 March 2017, as considered in the consolidated financial statements, in respect of 2 associates, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the management, and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, partnership firms and associates, and our report in terms of sub section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, partnership firms and associates is based solely on the reports of the other auditors. Our opinion on the abridged consolidated financial statements is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Independent Auditors' Report on Abridged Consolidated Financial Statements (*Continued*)

The Consolidated Financial Statements also include the financial statement of an alternative investment fund whose financial statement reflects total assets of Rs. 131 million as at 31 March 2017, nil revenues and net cash inflow of Rs. 6 million for the period ended on that date as considered in the Consolidated Financial Statements and the Group's share of net profit of Rs. 62 million for the year ended 31 March 2017, in respect of 3 associates, whose financial statements / financial information have not been audited by us. These financial statements / financial information are unaudited and have been furnished to us by management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these associates, and our report in terms of sub-section (3) of Section 143 of the Act in so far as it relates to the aforesaid associates, is based solely on such unaudited financial statements / financial information. In our opinion and according to the information and explanation given to us by management, these financial statements / financial information are not material to the Group.

The auditors of Edelweiss Tokio Life Insurance Company Limited ('ETLICL'), a subsidiary of the Holding Company, have reported that the actuarial valuation of liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists as at 31 March 2017 is the responsibility of ETLICL's appointed Actuary ('the Appointed Actuary'). The actuarial valuation of these liabilities for the life policies in force and for policies in respect of which premium has been discontinued but liability exists as at 31 March 2017 has been duly certified by the Appointed Actuary and in his opinion, the assumption for such valuation are in accordance with the guidelines and norms issued by the Insurance Regulatory and Development Authority ('IRDA') and the Institute of Actuaries of India in concurrence with IRDA. The statutory auditors of ETLICL have relied upon Appointed Actuary's certificate in this regard for forming an opinion on the valuation of liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists as at 31 March 2017.

Our opinion on the Consolidated Financial Statements is not modified in respect of the above matters.

Independent Auditors' Report

To the Members of

Edelweiss Financial Services Limited

Report on the consolidated financial statements

We have audited the accompanying Consolidated Financial Statements of Edelweiss Financial Services Limited (the "Holding Company") and its subsidiaries, partnership firms and alternative investment funds (the Holding Company and its subsidiaries, partnership firms and alternative investment funds together referred to as the "Group") and its associates, comprising of the Consolidated Balance Sheet as at 31 March 2017, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as the "Consolidated Financial Statements").

Management's responsibility for the consolidated financial statements

The Holding Company's Board of Directors are responsible for the preparation of these Consolidated Financial Statements in terms of requirements of the Companies Act, 2013 (the "Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group and its associates in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies, partners of the partnership firm and trustees of alternative investment funds included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

Auditor's responsibility

Our responsibility is to express an opinion on these Consolidated Financial Statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Consolidated Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the Consolidated Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the Consolidated Financial Statements.

We believe that the audit evidence obtained by us and audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Independent Auditors' Report (*Continued*)

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associates as at 31 March 2017, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other matters

We did not audit the financial statements of 49 subsidiaries and 2 partnership firms whose financial statements reflect total assets of Rs. 151,919 million as at 31 March 2017, total revenues of Rs. 22,457 million and net cash outflow of Rs. 1,277 million for the year ended on that date as considered in the Consolidated Financial Statements. The Consolidated Financial Statements also include the Group's share of net profit of Rs. 86 millions for the year ended 31 March 2017, as considered in the Consolidated Financial Statements, in respect of 2 associates, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by management, and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, partnership firms and associates, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, partnership firms and associates, is based solely on the reports of the other auditors.

The Consolidated Financial Statements also include the financial statement of an alternative investment fund whose financial statement reflects total assets of Rs. 131 million as at 31 March 2017, nil revenues and net cash inflow of Rs. 6 million for the period ended on that date as considered in the Consolidated Financial Statements and the Group's share of net profit of Rs. 62 million for the year ended 31 March 2017, in respect of 3 associates, whose financial statements / financial information have not been audited by us. These financial statements / financial information are unaudited and have been furnished to us by management and our opinion on the Consolidated Financial Statements, in so far as it relates to these amounts and disclosures included in respect of these associates, and our report in terms of sub-section (3) of Section 143 of the Act in so far as it relates to the aforesaid associates, is based solely on such unaudited financial statements / financial information. In our opinion and according to the information and explanation given to us by management, these financial statements / financial information are not material to the Group.

The auditors of Edelweiss Tokio Life Insurance Company Limited ('ETLICL'), a subsidiary of the Holding Company, have reported that the actuarial valuation of liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists as at 31 March 2017 is the responsibility of ETLICL's appointed Actuary ('the Appointed Actuary'). The actuarial valuation of these liabilities for the life policies in force and for policies in respect of which premium has been discontinued but liability exists as at 31 March 2017 has been duly certified by the Appointed Actuary and in his opinion, the assumption for such valuation are in accordance with the guidelines and norms issued by the Insurance Regulatory and Development Authority ('IRDA') and the Institute of Actuaries of India in concurrence with IRDA. The statutory auditors of ETLICL have relied upon Appointed Actuary's certificate in this regard for forming an opinion on the valuation of liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists as at 31 March 2017.

Our opinion on the Consolidated Financial Statements, and our report on other legal and regulatory requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the report of the other auditors.

Independent Auditors' Report (*Continued*)

Report on other legal and regulatory requirements

As required by section 143 (3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements;
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements;
- (d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (e) On the basis of written representations received from the directors of the Holding Company as on 31 March 2017 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies and associate companies incorporated in India, none of the directors of the Group companies and its associate companies incorporated in India is disqualified as on 31 March 2017 from being appointed as a director in terms of Section 164(2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and its associates incorporated in India and the operating effectiveness of such controls, refer to our separate report in "Annexure A"; and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Consolidated Financial Statements disclose the impact of pending litigations on the consolidated financial position of the Group and its associates – Refer note 2.40 to the Consolidated Financial Statements;
 - ii. The Group and its associates has made provision as required under the applicable law or accounting standards, for material foreseeable losses, on long-term contracts including derivative contracts - Refer note 2.61 to the Consolidated Financial Statements; and
 - iii. There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Group and its associate incorporated in India.
 - iv. The Group has provided requisite disclosure in its consolidated financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8 November 2016 to 30 December 2016. Based on audit procedures performed by us on the companies audited by us and on the basis of the audit report of other companies, not audited by us, and relied by us, we report that the disclosure (Refer note 2.46 to the consolidated financial statements) is in accordance with books of account maintained by the Group and as produced to us and the other auditors by the management of the respective companies, other than for three companies namely ECL Finance Limited, Edelweiss Housing Finance Limited and Edelweiss Retail Finance Limited, where we are unable to obtain sufficient and appropriate audit evidence to report on whether the disclosures are in accordance with the books of account maintained by these three companies and as produced to us by Management.

Annexure A to the Independent Auditors' Report - 31 March 2017

Annexure - A to the Independent Auditors' Report of even date on the consolidated financial statements of Edelweiss Financial Services Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2017, we have audited the internal financial controls over financial reporting of Edelweiss Financial Services Limited (hereinafter referred to as the "Holding Company") and its subsidiary companies and its associates which are companies incorporated in India, as of that date.

Management's responsibility for internal financial controls

The respective Board of Directors of the Holding Company, its subsidiary companies and its associates, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records, and timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involved performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their report referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Annexure A to the Independent Auditors' Report - 31 March 2017 (*Continued*)

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary companies and its associates, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to 28 subsidiary companies and an associate company, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

Notes to the abridged consolidated financial statements for the year ended 31 March 2017

1 Significant accounting policies

1.1 Basis of preparation of abridged consolidated financial statements

The accompanying abridged consolidated financial statements are prepared pursuant to first proviso to sub section (1) of Section 136 of the Act and Rule 10 of Companies (Accounts) Rules, 2014 and are based on the annual accounts for the year ended 31 March 2017. The abridged consolidated financial statements are presented in Indian Rupees in millions.

1.2 Principles of consolidation

- a) The consolidated financial statements relate to Edelweiss Financial Services Limited ('the Company') and its subsidiaries and associates (together 'the Group'). The consolidated financial statements have been prepared on the following basis:
- In respect of subsidiary enterprises, the financial statements have been consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after as far as possible eliminating intra-group balances and intra-group transactions resulting in unrealised profits or losses in accordance with Accounting Standard 21 - Consolidated Financial Statements.
 - In case of Associate Enterprises, the financial statements have been consolidated as per Accounting Standard 23 - Accounting for Investment in Associates.
 - Investments in subsidiaries where control is intended to be temporary or where the objective of control over the subsidiary is not to obtain economic benefits there from, have not been consolidated.
 - The financial statements of all subsidiaries incorporated outside India which are in the nature of non-integral foreign operations are converted on the following basis : (a) Income and expenses are converted at the average rate of exchange applicable for the year and (b) All assets and liabilities are translated at the closing rate as on the Balance Sheet date. The exchange difference arising out of year end translation is debited or credited as "Foreign Currency Translation Reserve" forming part of "Reserves and Surplus".
 - The excess of cost over the Company's share in equity and reserves of the subsidiaries is recognised in the consolidated financial statements as Goodwill. The excess of Company's share in equity and reserves of the subsidiaries over the cost of acquisition is treated as Capital Reserve.
 - The share of minority interest in the net profit / loss of subsidiaries for the year is identified and adjusted against the income of the Group to arrive at the net income attributable to the Group.
 - The share of minority interest in net assets of subsidiaries is identified and presented in the consolidated financial statements separate from liabilities and the equity of the Group.
 - The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's separate financial statements.
- b) Investments other than in subsidiaries and associates have been accounted as per Accounting Standard 13 – Accounting for Investments.

Notes to the abridged consolidated financial statements (*Continued*)

1 Significant accounting policies (*Continued*)

1.3 Use of estimates

The preparation of the financial statements in conformity with the GAAP requires management to make certain estimates and assumptions that affect the reported amount of assets, liabilities, disclosure of contingent liabilities on the date of the financial statements and reported amount of revenue and expenses during the reporting period. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as on the date of the financial statements. Actual results could differ from the estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

1.4 Current / non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle or it is held primarily for the purpose of being traded or it is expected to be realized within 12 months after the reporting date or it is cash or cash equivalent unless it is restricted from being exchanged or expected to be used to settle a liability for at least 12 months after the reporting date. Current assets include the current portion of non-current assets. All other assets are classified as non-current.

Liabilities

A liability is classified as current when it is expected to be settled in the company's normal operating cycle or it is held primarily for the purpose of being traded or it is due to be settled within 12 months after the reporting date or the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification. Current liabilities include current portion of non-current liabilities. All other liabilities are classified as non-current.

1.5 Revenue recognition

- a) Fee income including investment banking, advisory fees, syndication fees, processing fees (other than on housing loans and loans against property) and other fees is accounted for on an accrual basis in accordance with the terms and contracts entered into between the Group and the counterparty.
- b) In case of housing loans and loans against property, processing fees is amortized over a pre-determined tenor arrived on an industry average or original contractual tenor, whichever is shorter. In the event of a loan being foreclosed or written off, the unamortized portion of such processing fees is recognised as income at the time of such foreclosure or write-off. The unamortized balance is disclosed under "Other current liabilities" and "Other long-term liabilities" based on amortisable tenor.
- c) Brokerage income on securities and commodities broking business is recognised as per contracted rates at the execution of transactions on behalf of the customers on the trade date and is reflected net of related sub-brokerage expenses, service tax, transaction charges and stock exchange expenses. Brokerage income on insurance broking business is recognised on an accrual basis at the inception of the insurance policy once the policy is issued by the insurance company based on the terms agreed with the insurance companies and is exclusive of service tax.

Notes to the abridged consolidated financial statements *(Continued)*

1 Significant accounting policies *(Continued)*

1.5 Revenue recognition *(Continued)*

- d) Investment management fees are recognised net of service tax on an accrual basis in accordance with the Investment Management Agreement with Edelweiss Mutual Fund ('the mutual fund') and comply with the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 based on average Assets Under Management ('AUM') confirmed by the mutual fund.
- e) Portfolio management fees are recognised on an accrual basis in accordance with portfolio management agreement entered with respective clients.
- f) Revenue from fund management services (excluding mutual fund business) is recognised in accordance with the terms and conditions of the investment management agreement between the Group and the Fund for which the Group acts as a fund manager.
- g) Revenue from rendering of trustee services is recognised in accordance with the terms and conditions of the Compensation Agreement between the trustee company and the fund. The amount recognised as revenue is exclusive of service tax.
- h) Income from treasury comprises of profit/loss on sale of securities and commodities and profit/loss on derivative instruments.
 - i) Profit/loss on sale of securities and commodities is determined based on the weighted average cost of the securities/commodities sold. Commodities sales are accounted when all obligations connected with the transfer of risks and rewards to the buyer have been fulfilled after the price has been determined and collection of the receivable is reasonably certain.

Sale during the course of import by transfer of documents of title i.e. high seas sale is booked upon transfer of documents of title to the goods in favor of buyer before the goods cross the custom frontiers of India.
 - ii) Realised profit/loss on closed positions of derivative instruments is recognised on final settlement on squaring-up of the contracts. Outstanding derivative contracts in the nature of forwards/futures/options are measured at fair value as at the balance sheet date. Fair value is determined using quoted market prices in an actively traded market, for the instrument, wherever available, as the best evidence of fair value. In the absence of quoted market prices in an actively traded market, market intermediary quotes, valuation techniques are used to determine the fair value. In most cases the valuation techniques use observable market data as input parameters in order to ensure reliability of the fair value measure.
 - iii) In respect of currency forward contracts entered with banks, the premium or discount arising at the inception of the contract is amortized over the life of the contract in the statement of profit and loss. The difference in the opening and closing exchange rate as on the Balance Sheet date rates (mark to market) is recognised in the statement of profit and loss. Any profit or loss arising on cancellation or renewal of such contracts is recognised in the statement of profit and loss.
 - iv) In respect of interest rate derivatives, realised profit/loss on maturity/termination of contract is recognised as 'Profit on interest rate derivatives' in the statement of profit and loss and the realised profit/loss on settlement during contract period is recognised as 'Interest income others' in statement of profit and loss. Positions open as on the Balance Sheet date are marked to market and recognised in the statement of profit and loss.
 - v) Profit/loss on error trades in broking business is included in "Income from treasury".

Notes to the abridged consolidated financial statements (*Continued*)

1 Significant accounting policies (*Continued*)

1.5 Revenue recognition (*Continued*)

- i) Interest income is recognised on accrual basis. Interest income in case of lending business in the non-banking financial companies is recognised on accrual basis except in case of non - performing assets, wherein it is accounted on realisation, as per Reserve Bank of India (RBI) and National Housing Bank (NHB) guidelines. In case of commercial papers, treasury bills, deep discount bonds and certificate of deposits, the difference between the acquisition cost and redemption value is apportioned on time basis and recognised as interest income.
- j) Profit/loss earned on sale of investments is recognised on trade date basis. Profit/loss on sale of investments is determined based on the weighted average cost of the investments sold.
- k) Warehouse income and Rental income are recognised on accrual basis by reference to the agreements entered.
- l) Dividend income is recognised when the right to receive payment is established.
- m) As per RBI guidelines the interest spread under par structure of securitization/direct assignment of loan receivables is recognized on realization over the tenure of securitized/direct assigned loan.

Unrealised gain on securitisation comprises of future interest receivable under par structure of securitisation assignment.

Securitisation deferred consideration receivable comprises of Company's share of future interest strip receivables in case of a par structure securitised/assigned deal.

- n) Profit/loss from share in partnership firm is accounted for once the amount of the share of profit / loss is ascertained and credited/debited to the company's account in the books of the partnership firm.
- o) Income from training centre is recognised on accrual basis.
- p) Interests on delayed payments are recognised on accrual basis by reference to the agreements entered.
- q) In case of Asset Reconstruction business:
 - i. Management fee: The Company receives management fee from trusts declared by it for acquisition of financial assets and the same is accounted for on accrual basis as per terms of the relevant trust deeds and offer document issued by the Trust. In accordance with the Guidelines, recognition of management fee is discontinued and such unrealised fee is reversed on earlier of the following situations:
 - a) If the fee remains unrealised after the expiry of 180 days from the end of planning period, wherever applicable or from the date of recognition, in other cases.
 - b) If Net Assets Value (NAV) of the Security Receipts falls below 50% of the face value of Security Receipts.Such unrecognised fee is recognised only on realisation.
 - ii. Upside Sharing: Share in excess realization over acquisition price is accounted for as per terms of the relevant trust deed/offer document. For acquisitions on or after 1st April, 2014, upside income is recognized only after full redemption of Security Receipts
 - iii. Other fee income is recognized on accrual basis as per contractual terms.

Notes to the abridged consolidated financial statements *(Continued)*

1 Significant accounting policies *(Continued)*

1.5 Revenue recognition *(Continued)*

- iv. Income by way of yield on Security Receipt is accounted for as and when the same is realized. For acquisitions on or after 1st April, 2014, yield is recognised only after the full redemption of the entire principal amount of Security Receipts.
- v. Interest Income:
 - a) Interest on bank deposits / permitted investments is accounted for on accrual basis as per the terms of the deposits / instruments
 - b) Interest on advances in terms of expenses incurred on behalf of the trusts is accounted for in terms of the provisions of the relevant trust deed and offer document and is accrued where reasonable certainty exists with respect to its recovery. Interest on advances is reversed on earlier of the following situations:
 - 1. If the interest on advance remains unrealised after the expiry of 180 days from the end of planning period, wherever applicable or from the date of recognition, in other cases
 - 2. If Net Assets Value (NAV) of the Security Receipts falls below 50% of the face value of Security Receipts.
 Such interest income is recognised only on realisation.
 - c) Interest income from Security Receipts is accounted for as and when the same is realized.
 - d) Interest on loans provided directly to the Investee Companies for the purpose of asset reconstruction and recovery are recognized on an accrual basis in the accounts based on the terms of the loan documents except in case of non-performing assets , wherein it is accounted on realisation.
- r) In case of Life Insurance business:
 - i. Premium income from traditional policies is recognised when due from policyholders.
For Unit linked business, premium income is recognised as when the associated units are created.
Premium income on lapsed policies is recognised as and when such policies are reinstated.
 - ii. Reinsurance premium ceded is accounted in accordance with the treaty or in principle arrangement with the reinsurer.
 - iii. Acquisition costs such as commission are costs that vary with and are primarily relatable to the acquisition of insurance contracts. Such costs are expensed in the year in which they are incurred.
 - iv) Claim costs consist of the policy benefit amount and claim settlement costs, where applicable. Death, rider and surrender claims are accounted for on receipt of intimation.
Maturity and survival claims are accounted when due.
Surrender/withdrawals under unit linked policies are accounted when the associated units are cancelled/ redeemed.
Reinsurance claims receivable are accounted for in the same period as the related claim.
 - v) The policyholders' liabilities are determined by the Company's Appointed Actuary in accordance with the accepted actuarial practices, requirements of the Insurance Act, 1938 and Guidance notes issued by the Institute of Actuaries of India.

Notes to the abridged consolidated financial statements (*Continued*)

1 Significant accounting policies (*Continued*)

1.6 Loan origination costs

In case of housing loans and loans against property, origination costs directly attributable to disbursed loans are amortized over a pre-determined tenor arrived on an industry average or original contractual tenor, whichever is shorter. Where the loan is foreclosed or written off, the unamortized portion of such loan origination costs is recognised as a charge in the statement of profit and loss at the time of such foreclosure or write-off. The unamortized balance is disclosed as part of "Long-term Loans and advances" and "Short-term Loans and advances" based on amortizable tenor.

1.7 Benchmark linked debentures

The Group has issued certain non-convertible debentures, the return of which is linked to performance of specified indices over the period of the debentures. Such debentures have a component of an embedded derivative which is fair valued at year end. The resultant 'net unrealised loss or gain' on the fair valuation of these embedded derivatives is recognised in the statement of profit and loss. The debt component of such debentures is measured at amortized cost using yield to maturity basis.

1.8 Securitisation

The Company enters into securitization transactions and assets are derecognized upon sale only if the Company surrenders control over the contractual rights that comprise in the financial assets.

ECL Finance Limited and Edelweiss Retail Finance Limited (NBFC's) have adopted the accounting policy for securitization transactions, as notified by RBI in its circular "Revisions to the Guidelines on Securitisation Transactions" issued on 21 August 2012.

In case of Edelweiss Housing Finance Limited, the Company has adopted the accounting policy for securitization transactions based on the Guidance Note on Accounting for Securitisation issued by the Institute of Chartered Accountants of India.

1.9 Fixed assets and depreciation / amortization

Property, Plant and equipment and Capital work in progress

Property plant and equipment are stated at cost of acquisition or construction, less accumulated depreciation and impairment losses, if any. The cost of fixed assets comprises purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Capital work in progress comprises the cost of fixed assets that are not ready for their intended use at the reporting date.

Depreciation is provided on a written down value basis from the date the asset is ready for its intended use or put to use whichever is earlier. In respect of assets sold, depreciation is provided up to the date of disposal.

As per the requirement of Schedule II of the Companies Act, 2013, the Company has evaluated the useful lives of the respective fixed assets which are as per the provisions of Part C of the Schedule II of the Act for calculating the depreciation.

Notes to the abridged consolidated financial statements *(Continued)*

1 Significant accounting policies *(Continued)*

1.9 Fixed assets and depreciation / amortization *(Continued)*

The estimated useful lives of the fixed assets are as follows:

Nature of assets	Estimated useful life
Building (other than Factory Building)	60 years
Factory Building	20 years
Plant and Equipments	15 years
Furniture and fixtures	10 years
Vehicles	8 years
Vessel (Boat)	13 years
Office Equipment	5 years
Computers - Servers and networks	6 years
Computers - End user devices, such as desktops, laptops, etc.	3 years
Solar power plant	15 years

Leasehold improvements & premises are amortized on a straight-line basis over the estimated useful lives of the assets or the period of lease whichever is shorter.

Intangible fixed assets

Intangible fixed assets are recorded at consideration paid for the acquisition of such assets and are carried at cost less accumulated amortization and impairment, if any.

Intangibles such as software are amortized over a period of 3 years or its estimated useful life whichever is shorter. In case of Life Insurance business, system software is amortized on straight line basis over its estimated useful life which is upto 5 years.

Jewellery Designing costs are amortized on a straight-line basis over 5 years or its estimated useful life whichever is shorter.

MCX membership rights are amortized over a period of 3 years.

1.10 Impairment of assets

The Group assesses at each balance sheet date whether there is any indication that an asset may be impaired based on internal/external factors. If any such indication exists, the Group estimates the recoverable amount of the asset. The recoverable amount is the greater of the net selling price and the value in use of those assets. Value in use is arrived at by discounting the estimated future cash flows to their present value based on an appropriate discount factor. If such recoverable amount of the asset or the recoverable amount of cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of the depreciable historical cost.

Notes to the abridged consolidated financial statements (*Continued*)

1 Significant accounting policies (*Continued*)

1.11 Stock-in-trade

- a) The securities acquired with the intention of short-term holding and trading positions are considered as stock-in-trade and disclosed as current assets.
- b) The securities, including those arising from error trades, held as stock-in-trade are valued at lower of weighted average cost or market value.
- c) In case of units of mutual funds held as stock-in-trade, net asset value is considered as fair value.
- d) Inventories in the form of commodities are valued at cost or net realisable value, whichever is lower.
- e) Debt instruments are valued at cost or realizable value whichever is lower. In case of debt instruments for which direct quotes are not available, they are valued at the lowest of the quotes as on valuation date as provided by market intermediaries.
- f) Commercial papers, certificate of deposits and treasury bills are valued at carrying cost.
- g) Inventory in the form of land is valued at cost or net realisable value, whichever is lower.
- h) Purchase and sale of bullion is recorded at the price which is fixed between the buyer and the seller at the future date including the contracts where the price is fixed subsequent to the balance sheet date. In case of unfixed purchase/ sale contracts as at the reporting date, the price is recorded at the forward rate for the residual maturity period of the contract.

1.12 Investments

a) Investments of Life Insurance Business

Investments are made in accordance with the Insurance Act, 1938, the IRDA (Investment) Regulations, 2016 and various other circulars/notifications/ amendments issued by the IRDA in this context as amended from time to time.

Investments are recorded on trade date at cost, which includes brokerage and related taxes, if any and excludes pre-acquisition interest.

Broken period interest paid/receive is debited /credited to interest receivable account.

Any impairment loss is recognized as an expense in the Revenue/Profit and Loss Account to the extent of the difference between the re-measured fair value of the security/investment and its acquisition cost as reduced by any previous impairment loss recognized as an expense in the Revenue/Profit and Loss Account. Any reversal of impairment loss, earlier recognized in Revenue/ Profit and Loss Account, is recognized in the Revenue/Profit and Loss Account.

Bonus and Rights entitlements are recognised as investments on the 'ex-bonus date' / 'ex-rights date' respectively.

Investments maturing within 12 months from the balance sheet date and investments made with the specific intention to dispose off within 12 months from the balance sheet date are classified as "short term" investments. Investments other than short term investments are classified as "long term" investments.

Notes to the abridged consolidated financial statements (*Continued*)

1 Significant accounting policies (*Continued*)

1.12 Investments (*Continued*)

a) Investments of Life Insurance Business (*Continued*)

Debt securities

i) Non linked, non unit reserve investments and shareholders' investments

Debt securities, including government securities, are considered as "held to maturity". Debt securities are stated at amortized cost. Discount or premium on purchase of debt securities is amortized over the remaining period to maturity on straight line basis and is recognised in the revenue account or the profit and loss account, as applicable.

In case of security with call/put option, the first date of call/put is considered as maturity date.

ii) Linked business

All debt securities, including government securities under linked businesses are valued at market value, using CRISIL Bond Valuer/CRISIL Gilt Prices, as applicable. The discount or premium on money market instruments which is the difference between the purchase price and the redemption amount is amortized and recognized in the Revenue Account on a straight line basis over the remaining period to maturity of these securities. Unrealised gains or losses arising on such valuation are recognised in the Revenue Account.

Equity/ Preference shares

i) Non linked, non unit reserve investments and shareholders' investments

Listed equity shares and preference shares are stated at fair value, being the last quoted closing prices on National Stock Exchange (in case it is not traded on National Stock Exchange then last quoted closing price on the Bombay Stock Exchange is used) as at the balance sheet date. Unrealised gains/ losses arising due to change in fair value are recognised under the head 'Fair Value Change Account' in the balance sheet.

Unlisted equity / preference shares and other than actively traded equity / preference shares are stated at historical cost subject to provision for diminution, if any, in the value of such investment determined separately for each individual investment.

ii) Linked business

Listed equity / preference shares are valued and stated at fair value, being the last quoted closing prices on National Stock Exchange (in case it is not traded on National Stock Exchange then last quoted closing price on the Bombay Stock Exchange is used) as at the balance sheet date. Unrealised gains or losses arising on such valuation are recognised in the Revenue Account.

Unlisted equity / preference shares and other than actively traded equity / preference shares are stated at historical cost subject to provision for diminution, if any, in the value of such Investment determined separately for each individual investment.

Notes to the abridged consolidated financial statements (*Continued*)

1 Significant accounting policies (*Continued*)

1.12 Investments (*Continued*)

a) Investments of Life Insurance Business (*Continued*)

Derivatives: Interest Rate Futures (IRF)

i) **Non linked, non unit reserve investments and shareholders' investments**

Interest Rate Futures (IRF) - Derivative contracts, as permitted by IRDA to hedge risks on forecasted transactions are recognized in the financial statement at fair value as on Balance Sheet date in pursuance of IRDAI guidelines on Interest Rate Derivatives. For IRF contracts the realised profit / loss is recognised as 'Profit / loss on sale of Investments' in the Revenue Account for policyholders fund or in the Profit & Loss Account for shareholders' funds. The unrealised gains / losses arising due to change in fair value of outstanding IRF contracts are recognised under the head 'Fair Value Change Account' in the Balance Sheet. Fair Value is determined using quoted closing market prices in an actively traded market.

Mutual Funds

i) **Non linked, non unit reserve investments and shareholders' investments**

Mutual Fund units as at balance sheet date are valued at previous day's net asset values. Unrealised gains/ losses arising due to changes in the fair value of mutual fund units are recognized under the head 'Fair Value Change Account' in the Balance Sheet.

ii) **Linked business**

Mutual Fund units are valued at previous day's net asset values and unrealised gains/ losses arising due to changes in the fair value of mutual fund units are recognised in Revenue Account.

Investment Property

Investment property is held to earn rental income or for capital appreciation.

Investment property is initially valued at cost including any directly attributable transaction costs. Investment property is revalued atleast once in every three years. The change in carrying amount of investment property is taken to "Revaluation reserve" in the Balance Sheet.

Transfer of investments

i) **Transfer from the shareholders' account to the policyholders' account**

Transfers of investments made from shareholders' account to the policyholders' account, as and when made, are made at the book value or market price, whichever is lower.

ii) **Transfer between policyholders' funds**

No transfers of investments are made between different policyholders' funds.

iii) **Purchase / Sale transactions between units linked funds**

The sale/purchase of investments between Unit Linked Funds is done at prevailing market price during market hours. If the prevailing market price is not available, then it is carried out at previous day's closing market price.

Notes to the abridged consolidated financial statements (*Continued*)

1 Significant accounting policies (*Continued*)

1.12 Investments (*Continued*)

b) Investments of Asset Reconstruction Business

Investments in Security Receipts (SR) are accounted in accordance with the guidelines issued by RBI. As per RBI guidelines, initial rating / grading would be assigned within six months of acquisition of assets post 5th August, 2014, and within one year of acquisition of assets, before said date.

- i. Investments in Security Receipts (SR) held by the company are treated as “available for sale” category.
- ii. Investment in Security Receipts (SR) is valued at cost till receipt of Initial Rating and at lower of cost or realizable value thereafter. Latest available Net Asset Value (NAV) as declared by the Trusts is considered to be the realizable value. Individual scrip-wise diminution or appreciation is aggregated to arrive at ‘net diminution’ or ‘net appreciation’.
- iii. Net appreciation, if any, is not accounted for in statement of profit and loss, whereas net diminution is provided for in the statement of profit and loss.

c) Investments other than Life Insurance Business and Asset Reconstruction Business

Investments are classified into non-current investments and current investments. Investments that are readily realisable and intended to be held for not more than a year from the date of acquisition are classified as current investments. All other investments are classified as long-term investments. However, that part of long term investments which is expected to be realized within 12 months after the reporting date is also presented under ‘current assets’ as “current portion of long term investments” in consonance with the current and non-current classification as per Schedule III.

Non-current investments are carried at cost less diminution in value which is other than temporary, determined separately for each investment.

Current investments are carried at lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each investment. In case of investments in mutual funds, the net asset value of units declared by the mutual funds is considered as the fair value.

1.13 Foreign currency transactions

Foreign currency transactions are recorded at the rates of exchange prevailing on the date of the transaction. Exchange differences, if any arising out of transactions settled during the year are recognised in the statement of profit and loss for the year.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the closing exchange rates on that date. The resultant exchange differences, if any, are recognised in the statement of profit and loss and related assets and liabilities are accordingly restated in the balance sheet.

1.14 Employee benefits

The accounting policy followed by the Group in respect of its employee benefit schemes in accordance with Accounting Standard 15 (Revised 2005), is set out below:

Provident fund

The Group contributes to a recognised provident fund which is a defined contribution scheme. The contributions are accounted for on an accrual basis and recognised in the statement of profit and loss.

Notes to the abridged consolidated financial statements (*Continued*)

1 Significant accounting policies (*Continued*)

1.14 Employee benefits (*Continued*)

Gratuity

The Group's gratuity scheme is a defined benefit plan. The Group's net obligation in respect of the gratuity benefit is calculated by estimating the amount of future benefit that the employees have earned in return for their service in the current and prior periods. Such benefit is discounted to determine its present value, and the fair value of any plan assets, if any, is deducted.

The present value of the obligation under such benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at present values of estimated future cash flows. The discounted rates used for determining the present value are based on the market yields on Government Securities as at the balance sheet date.

Benefits in respect of gratuity are funded with an Insurance company approved by Insurance Regulatory and Development Authority (IRDA).

Actuarial gains and losses arising from experience adjustments and change in actuarial assumptions are recognised in the statement of profit and loss in the period in which they arise.

Compensated absences and leave encashment

The eligible employees of certain companies of the Group are permitted to carry forward certain number of their annual leave entitlement to subsequent years, subject to a ceiling. The Group recognises the charge to the statement of profit and loss and corresponding liability on account of such non-vesting accumulated leave entitlement based on a valuation by an independent actuary.

Two Subsidiaries of the Group provides for the encashment of leave subject to rules. The liability is provided based on the number of days of unutilised leave at each balance sheet date based on a valuation by an independent actuary.

Deferred Bonus

The Company has adopted a Deferred Bonus Plan under its Deferred Variable Compensation Plan. A pool of identified senior employees of the Company is entitled for benefits under this plan. Such deferred compensation will be paid in a phased manner over a future period of time. The measurement for the same has been based on actuarial assumptions and principles. These assumptions and principles are consistent with the requirements of Accounting Standard 15 (Revised 2005).

1.15 Tax

Tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with the Income Tax Act, 1961), deferred tax charge or benefit (reflecting the tax effect of timing differences between accounting income and taxable income for the period).

Current tax

Provision for current tax is recognised based on estimated tax liability computed after adjusting for allowances, disallowances and exemptions in accordance with the Income Tax Act, 1961.

Notes to the abridged consolidated financial statements (*Continued*)

1 Significant accounting policies (*Continued*)

1.15 Tax (*Continued*)

Deferred tax

The deferred tax charge or benefit and the corresponding deferred tax liabilities and assets are recognized using the tax rates that have been enacted or substantially enacted at the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the asset can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realisation of these assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written-up to reflect the amount that is reasonable/virtually certain (as the case may be) to be realised.

Minimum Alternative Tax (MAT) Credit

MAT credit asset is recognized where there is convincing evidence that the asset can be realized in future. MAT credit assets are reviewed at each balance sheet date and written down or written up to reflect the amount that is reasonably certain to be realised.

1.16 Operating leases

Lease payments for assets taken on operating lease are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.

1.17 Earnings per share

The Company reports basic and diluted earnings per share in accordance with Accounting Standard 20 – “Earnings Per Share”. Basic earnings per share is computed by dividing the net profit after tax attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per share is computed by dividing the net profit after tax attributable to the equity shareholders for the year by weighted average number of equity shares considered for deriving basic earnings per share and weighted average number of equity shares that could have been issued upon conversion of all potential equity shares.

1.18 Provisions and contingencies

The Group creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an economic benefit will arise, the asset and related income are recognised in the period in which the change occurs.

Notes to the abridged consolidated financial statements (*Continued*)

1 Significant accounting policies (*Continued*)

1.19 Provisioning on receivables from financing business

Provision for non-performing assets is based on the management's assessment of the degree of impairment of the loan asset and the level of provisioning required as per the prudential norms prescribed by RBI and NHB.

Provision for standard assets is made on the basis of prudential norms laid down by RBI and NHB.

1.20 Mutual Fund expenses

Expenses incurred on behalf of schemes of the mutual fund are recognised to the statement of profit and loss unless considered recoverable from schemes of the fund in accordance with provisions of the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996.

1.21 Expenses incurred by the Asset Reconstruction Company on behalf of the trust

Expenses incurred at pre-acquisition stage are recognised as expenses for the period in which such costs are incurred. If such expenses are contracted to be recovered from the trusts the same shall be recognised on realisation.

The expenses incurred on behalf of trusts are shown as recoverable from Trust(s)' and grouped under advances recoverable in cash or in kind in the Balance Sheet. These expenses are reimbursed to the Company in terms of the provisions of relevant trust deed and offer document. Expenses are reversed on earlier of the following situations:

- a) If the expenses remains unrealised after the expiry of 180 days from the end of planning period, wherever applicable or from the date of recognition, in other cases.
- b) If Net Assets Value (NAV) of the Security Receipts falls below 50% of the face value of Security Receipts.

1.22 Employee stock option plans (ESOPs)

The Group follows the intrinsic value method to account for compensation cost of its stock based employee compensation plans as per the accounting treatment prescribed by Employee Stock Option Scheme and Employee Share-based Payments issued by Securities and Exchange Board of India (SEBI) and guidance note on Employee Share-based Payments issued by Institute of Chartered Accountants of India (ICAI). The compensation cost is amortized on a straight-line basis.

1.23 Presentation of financial assets and liabilities

Financial assets and liabilities are offset and the net amounts are presented in the Balance Sheet where the Company has a legal right to set off the recognised amounts. Such legal rights are by virtue of a binding legal contract or by an irrevocable undertaking executed by the Company. The aforesaid policy is generally applied to offset receivables from and payables to same counterparties; to offset fixed deposits specifically pledged with banks against the borrowings availed from them; and other such similar qualifying arrangements.

2.1 Segment reporting (*Corresponding to note 2.30 of the complete financial statements*)

Primary Segment (Business Segment)

The Company's business is organised and management reviews the performance based on the business segments as mentioned below:

Segment	Activities covered
Agency business	Broking, advisory, product distribution and other fee based services
Capital based business	Income from treasury, investment income and financing
Life Insurance	Represents results of Edelweiss Tokio Life Insurance Company Limited

Income for each segment has been specifically identified. Expenditure, assets and liabilities are either specifically identified with individual segments or have been allocated to segments on a systematic basis.

Based on such allocations, segment disclosures relating to revenue, results, assets and liabilities have been prepared.

Secondary Segment

Since the business operations of the Group are primarily concentrated in India, the Group is considered to operate only in the domestic segment.

The following table gives information as required under the Accounting Standard -17 on Segment Reporting:

Particulars	31 March 2017	31 March 2016
I Segment Revenue		
a) Agency business	10,210.32	9,347.57
b) Capital based business	50,316.88	39,907.60
c) Life Insurance	5,768.36	3,874.71
d) Unallocated	40.41	27.47
Total Income	66,335.97	53,157.35
II Segment Results		
a) Agency business	1,834.17	1,372.06

2.3 Earnings per share (*Corresponding to note 2.32 of the complete financial statements*)

In accordance with Accounting Standard 20 - Earnings Per Share, the computation of earnings per share is set out below:

	2017	2016
a) Shareholders earnings (as per statement of profit and loss)	6,093.06	4,143.83
Less: Preference dividend declared by the Company (including dividend distribution tax)	99.75	99.75
Net Profit available to equity shareholders for the purpose of calculating basic and diluted earnings per share	5,993.31	4,044.08
b) Calculation of weighted average number of equity shares of ₹ 1 each:		
– Number of shares at the beginning of the year	814,036,630	791,752,619
– Number of shares issued during the year	18,532,459	22,284,011
Total number of equity shares outstanding at the end of the year	832,569,089	814,036,630
Weighted average number of equity shares outstanding during the year (based on the date of issue of shares)	826,052,403	807,065,324
c) Number of dilutive potential equity shares	40,055,553	27,141,417
d) Basic earnings per share (in ₹) {a/b}	7.26	5.01
e) Diluted earnings per share (in ₹) {a/(b+c)}	6.92	4.85

2.4 Share Application money pending allotment (*Corresponding to note 2.38 of the complete financial statements*)

The Company has received ₹ 40.94 million (Previous year: ₹ 20.58 million) towards share application on exercise of ESOPs which will result in an issue of 1,133,100 shares (Previous year: 634,625 shares). Of the total receipts ₹ 39.81 million (Previous year: ₹ 19.95 million) have been received towards share premium. These shares have since been allotted.

2.5 Capital commitment (*Corresponding to note 2.39 of the complete financial statements*)

- Uncalled liabilities on non-current investments ₹ 21.67 million as at balance sheet date (Previous year: ₹ 245.83 million).
- Undrawn committed credit lines ₹ 26,403.42 million as at balance sheet date (Previous year: ₹ 20,113.89 million).
- Estimated amount of contracts remaining to be executed on capital account and not provided for ₹ 780.79 million (Previous year: ₹ 842.77 million).

2.6 Contingent liabilities (*Corresponding to note 2.40 of the complete financial statements*)

- Taxation matters in respect of which appeal is pending ₹ 1,021.46 million (Previous year: ₹ 933.20 million).
- Litigation pending against company amounts to ₹ 17.37 million (Previous year: ₹ 18.27 million).
- Claims not acknowledged as debt ₹ 48.36 million (Previous year: ₹ 49.05 million).

Note - The Company's pending litigations mainly comprise of claims against the Company pertaining to proceedings pending with Income Tax, Excise, Custom, Sales/VAT tax and other authorities. The Company has reviewed all its pending litigations and proceedings and has adequately provided for where provisions are required and disclosed as contingent liabilities where applicable, in the financial statements. The Company believes that the outcome of these proceedings will not have a materially adverse effect on the Company's financial position and results of operations.

- 2.14** Certain companies in the Group have received demand notices from tax authorities on account of disallowance of expenditure for earning exempt income under section 14A of Income Tax Act, 1961, read with Rule 8D of the Income Tax Rules, 1962. The Group has filed appeals and is defending its position. Due to the lack of clarity on the legal position relating to the application of Rule 8D, the outcome and quantification of the eventual tax liability on the Group, if any, at this stage cannot be estimated. The Group has been advised by its tax counsel that it has a good chance in sustaining its position.

Edelweiss Financial Services Limited

Abridged Standalone Financial Statements for the year ended 31 March 2017

Independent Auditors' Report on Abridged Standalone Financial Statements

To The Members of,
Edelweiss Financial Services Limited

Report on the abridged standalone financial statements

The accompanying abridged standalone financial statements of Edelweiss Financial Services Limited ('the Company'), which comprise the abridged balance sheet as at 31 March 2017, the abridged statement of profit and loss, the abridged cash flow statement for the year then ended, and related notes, are derived from the audited standalone financial statements of the Company for the year ended 31 March 2017. Our opinion dated 17 May 2017 on those standalone financial statements contains, without being qualified, matter of emphasis.

The abridged standalone financial statements do not contain all the disclosures required by the Accounting Standards specified under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 applied in the preparation of the audited standalone financial statements of the Company. Reading the abridged standalone financial statements, therefore, is not a substitute for reading the audited standalone financial statements of the Company.

Management's responsibility for the abridged standalone financial statements

The Company's Board of Directors is responsible for the preparation of abridged standalone financial statements in accordance with first proviso to sub-section (1) of Section 136 of the Companies Act, 2013 read with Rule 10 of Companies (Accounts) Rules, 2014 from the audited standalone financial statements of the Company for the year ended 31 March 2017, prepared in accordance with Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and accounting principles generally accepted in India.

Auditor's responsibility

Our responsibility is to express an opinion on the abridged standalone financial statements based on our procedures, which were conducted in accordance with Standard on Auditing (SA) 810, "Engagements to Report on Summary Financial Statements" issued by the Institute of Chartered Accountants of India.

Opinion

In our opinion, the abridged standalone financial statements, prepared in accordance with first proviso to sub-section (1) of Section 136 of the Companies Act, 2013 read with Rule 10 of Companies (Accounts) Rules, 2014 are derived from the audited standalone financial statements of the Company for the year ended 31 March 2017 and are a fair summary of those standalone financial statements.

Independent Auditors' Report on Abridged Standalone Financial Statements (*Continued*)

Emphasis of Matter

We draw attention to Note 2.9 to the abridged standalone financial statements which describes that from quarter ended 30 June 2016, the Company is presenting interest income recovered from the group companies on a gross basis under the head interest income based on the opinion of the Expert Advisory Committee of the Institute of Chartered Accountants of India. Till before that date, the same was reflected on a net basis. Our opinion is not qualified in respect of this matter.

Independent Auditors' Report

To the Members of
Edelweiss Financial Services Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Edelweiss Financial Services Limited (the "Company"), which comprise the Balance Sheet as at 31 March 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the "Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances.

An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2017, and its profits and its cash flows for the year ended on that date.

Independent Auditors' Report (*Continued*)

Emphasis of matter

We draw attention to Note 2.39 to the standalone financial statements which describes that from quarter ended 30 June 2016, the Company is presenting interest income recovered from the group companies on a gross basis under the head interest income based on the opinion of the Expert Advisory Committee of the Institute of Chartered Accountants of India. Till before that date, the same was reflected on a net basis. Our opinion is not qualified in respect of this matter.

Report on other legal and regulatory requirements

As required by the Companies (Auditor's Report) Order, 2016 (the "Order") issued by the Central Government of India in terms of sub section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable.

As required by Section 143 (3) of the Act, we report that:

- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) the Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- d) in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- e) on the basis of the written representations received from the directors as on 31 March 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2017 from being appointed as a director in terms of Section 164 (2) of the Act;
- f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
- g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 2.35 to the standalone financial statements;
 - ii. the Company has made provision as required under the applicable law or accounting standards, for material foreseeable losses, on long-term contracts including derivative contracts - Refer Note 2.48 to the standalone financial statements;
 - iii. there has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company; and
 - iv. the Company has provided requisite disclosures in the standalone financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8th November, 2016 to 30th December, 2016. Based on audit procedures and relying on the management representation we report that the disclosures are in accordance with books of account maintained by the Company and as produced to us by the Management – Refer Note 2.46 to the standalone financial statements.

Annexure A to the Independent Auditors' Report - 31 March 2017

Annexure A to the Independent Auditors' Report of even date on the standalone financial statements of Edelweiss Financial Services Limited

The Annexure referred to in Independent Auditors' Report to the members of Edelweiss Financial Services Limited ("the Company") on the standalone financial statements for the year ended 31 March 2017, we report that:

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular programme of physical verification of its fixed assets by which all the fixed assets are verified in a phased manner over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- ii. The Company is a service company primarily engaged in the business of rendering merchant banking services. Accordingly, it does not hold any physical inventories. Thus, paragraph 3(ii) of the Order is not applicable to the Company.
- iii. The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Act.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans and investments made.
- v. According to the information and explanation given to us, the Company has not accepted any deposits from the public to which directives issued by the Reserve Bank of India and the provisions of Section 73 to Section 76 or any other relevant provisions of the Act and the rules framed thereunder apply.
- vi. The Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act, for any services rendered by the Company. Accordingly, paragraph 3(vi) of the Order is not applicable to the Company.
- vii. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted / accrued in the books of account in respect of undisputed statutory dues including provident fund, income tax, service tax, and other material statutory dues have generally been regularly deposited during the year by the Company with the appropriate authorities. As explained to us, the Company did not have any dues on account of employees' state insurance, sales tax, customs duty, excise duty and cess. According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, income tax, service tax, value added tax, and other material statutory dues were in arrears as at 31 March 2017 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no dues of provident fund, income tax and service tax, which have not been deposited with the appropriate authorities on account of any dispute. However, according to the information and explanations given to us, the following dues have not been deposited by the Company on account of disputes:

Annexure A to the Independent Auditors' Report - 31 March 2017 (Continued)

Name of the statute	Nature of dues	Amount (in Rs. mn)	Period to which the amount relates	Forum where dispute is pending
Income Tax Act , 1961	Income Tax	0.13	AY 2009-10	Deputy Commissioner of Income Tax
Income Tax Act , 1961	Income Tax	176.76	AY 2012-13	Commissioner of Income Tax (Appeals)
Income Tax Act , 1961	Income Tax	45.61	AY 2014-15	Commissioner of Income Tax (Appeals)
Service Tax	Service tax and penalty	414.60	2008-2009 to 2011-2012	CESTAT, Mumbai

- viii. In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to financial institutions, banks, and Government or debenture holders.
- ix. In our opinion and according to the information and explanations given to us, the term loans taken by the Company have been applied for the purpose for which they were raised. The Company has not raised any money by way of initial public offer or further public offer during the year.
- x. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- xi. According to the information and explanations give to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- xiii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, transactions with the related parties are in compliance with section 177 and 188 of the Act where applicable and the details have been disclosed in the standalone financial statements, as required by the applicable accounting standards.
- xiv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, paragraph 3(xiv) of the Order is not applicable.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- xvi. The Company is registered with Securities and Exchange Board of India as a 'Category I Merchant Banker' under Section 12 of the Securities and Exchange Board of India Act, 1992. Hence, it is not required to register with Reserve Bank of India under section 45-IA in accordance with RBI master circular no. RBI/2015-16/15 DNBR (PD) CC.No.052/03.10.119/2015-16 on "Master Circular- Exemptions from the provisions of RBI Act, 1934" dated 1 July 2015.

Annexure - B to the Independent Auditors' Report

Annexure - B to the Independent Auditor's Report of even date on the standalone financial statements of Edelweiss Financial Services Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls over financial reporting of Edelweiss Financial Services Limited (the "Company") as of 31 March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records, and timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Annexure - B to the Independent Auditors' Report (*Continued*)

Inherent limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes to the abridged financial statements for the year ended 31 March 2017

1. Significant accounting policies

1.1 Basis of preparation of abridged financial statements

The accompanying abridged financial statements are prepared pursuant to first proviso to sub section (1) of Section 136 of the Act and Rule 10 of Companies (Accounts) Rules, 2014 and are based on the annual accounts for the year ended 31 March 2017. The abridged financial statements are presented in Indian Rupees in millions.

1.2 Use of estimates

The preparation of the abridged financial statements in conformity with the generally accepted accounting principles requires management to make certain estimates and assumptions that affect the reported amount of assets, liabilities and disclosure of contingent liabilities on the date of the financial statements and reported amount of revenue and expenses during the reporting period. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as on the date of the financial statements. Actual results could differ from the estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

1.3 Current / non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle or it is held primarily for the purpose of being traded or it is expected to be realized within 12 months after the reporting date or it is cash or cash equivalent unless it is restricted from being exchanged or expected to be used to settle a liability for at least 12 months after the reporting date. Current assets include the current portion of non-current assets. All other assets are classified as non-current.

Liabilities

A liability is classified as current when it is expected to be settled in the company's normal operating cycle or it is held primarily for the purpose of being traded or it is due to be settled within 12 months after the reporting date or the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification. Current liabilities include current portion of non-current liabilities. All other liabilities are classified as non-current.

1.4 Revenue recognition

- a. Investment banking fee and other advisory fee income is recognised on an accrual basis in accordance with the terms and contracts entered into between the Company and the counterparty. Guarantee commission and other fees for services rendered to group companies are recognised on an accrual basis.
- b. Interest income is recognised on accrual basis.
- c. Dividend income is recognised when the right to receive payment is established.
- d. Profit earned on sale of investments is recognised on trade date basis. Profit/loss on sale of investments is determined based on the weighted average cost of the investments sold.

Notes to the abridged financial statements *(Continued)*

1. Significant accounting policies *(Continued)*

1.4 Revenue recognition *(Continued)*

- e. The rating support fee for the borrowing programme of the subsidiaries is accrued on straight line basis over the rating period and as per the contractual terms agreed with the subsidiaries.
- f. Royalty income, which is generally earned based upon a percentage of sales or a fixed amount, is recognized on an accrual basis.

1.5 Fixed assets and depreciation / amortization

Property, Plant and Equipment

Property, Plant and Equipment acquired by the Company are reported at acquisition cost, with deductions for accumulated depreciation and impairment losses, if any. The cost of fixed assets comprises of purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

Depreciation is provided on a written down value basis from the date the asset is ready for its intended use or the date it is put to use, whichever is earlier. In respect of assets sold, depreciation is provided upto the date of disposal.

As per the requirement of Schedule II of the Companies Act, 2013, the Company has evaluated the useful lives of the respective fixed assets which are as per the provisions of Part C of the Schedule II of the Act for calculating the depreciation.

The estimated useful lives of the fixed assets are as follows:

Class of asset	Estimated useful life
Building (other than Factory Building)	60 years
Furniture and Fixtures	10 years
Vehicles	8 years
Office Equipment	5 years
Computers - Servers and networks	6 years
Computers - End user devices, such as desktops, laptops, etc.	3 years

Leasehold improvements & premises are amortized on a straight-line basis over the estimated useful lives of the assets or the period of lease, whichever is shorter.

Intangible fixed assets

Intangible fixed assets are recorded at the consideration paid for the acquisition of such assets and are carried at cost less accumulated amortization and impairment, if any.

Intangibles such as software are amortized over a period of 3 years or its estimated useful life whichever is shorter.

1.6 Impairment of assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired based on internal/external factors. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount is the greater of the net selling price and the value in use of those assets. Value in use is arrived at by discounting the estimated future cash flows to their present value based on an appropriate discount factor. If such recoverable amount of the asset or the recoverable amount of cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If, at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of the depreciable historical cost.

Notes to the abridged financial statements (*Continued*)

1. Significant accounting policies (*Continued*)

1.7 Investments

Investments are classified into non-current investments and current investments. Investments that are readily realisable and intended to be held for not more than a year from the date of acquisition are classified as current investments. All other investments are classified as long-term investments. However, that part of long term investments which is expected to be realized within 12 months after the reporting date is also presented under 'current assets' as "current portion of long term investments" in consonance with the current and non-current classification as per Schedule III.

Non-current investments are carried at cost less diminution in value which is other than temporary, determined separately for each investment.

Current investments are carried at lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each investment. In case of investments in mutual funds, the net asset value of units declared by the mutual funds is considered as the fair value.

1.8 Foreign currency transactions and currency derivatives

Foreign currency transactions are recorded at the rates of exchange prevailing on the date of the transaction. Exchange differences, if any, arising out of transactions settled during the year are recognised in the statement of profit and loss for the year.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the closing exchange rates on that date. The resultant exchange differences, if any, are recognised in the statement of profit and loss and related assets and liabilities are accordingly restated in the balance sheet.

The Company enters into currency derivative transactions to economically hedge its foreign exchange exposure. These derivative transactions are measured at fair value as at the balance sheet date. Fair value is determined using quoted market prices in an actively traded market, for the instrument.

In respect of currency forward contracts entered with banks, the premium or discount arising at the inception of the contract is amortized over the life of the contract in the statement of profit and loss. The difference in the opening and closing exchange rates (mark to market) is recognised in the statement of profit and loss. Any profit or loss arising on cancellation or renewal of such contracts is recognised in the statement of profit and loss.

1.9 Employee benefits

The accounting policy followed by the Company in respect of its employee benefit schemes in accordance with Accounting Standard 15 (Revised 2005), is set out below:

Provident fund and National Pension Scheme

The Company contributes to a recognised provident fund and national pension scheme which is a defined contribution scheme. The contributions are accounted for on an accrual basis and recognised in the statement of profit and loss.

Gratuity

The Company's gratuity scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit is calculated by estimating the amount of future benefit that the employees have earned in return for their service in the current and prior periods. Such benefit is discounted to determine its present value, and the fair value of any plan assets, if any, is deducted. The present value of the obligation under such benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method. The obligation is measured at present values of estimated future cash flows. The

discount rates used for determining the present value are based on the market yields on Government Securities as at the balance sheet date.

Notes to the abridged financial statements (*Continued*)

1. Significant accounting policies (*Continued*)

1.9 Employee benefits (*Continued*)

Benefits in respect of gratuity are funded with an Insurance Company approved by Insurance Regulatory and Development Authority (IRDA).

Actuarial gains and losses arising from experience adjustments and change in actuarial assumptions are recognised in the statement of profit and loss in the period in which they arise.

Compensated absences

The eligible employees of the Company are permitted to carry forward certain number of their annual leave entitlement to subsequent years, subject to a ceiling. The Company recognises the charge to the statement of profit and loss and corresponding liability on account of such non-vesting accumulated leave entitlement based on a valuation by an independent actuary.

Deferred Bonus

The Company has adopted a Deferred Bonus Plan under its Deferred Variable Compensation Plan. A pool of identified senior employees of the Company is entitled for benefits under this plan. Such deferred compensation will be paid in a phased manner over a future period of time. The measurement for the same has been based on actuarial assumptions and principles. These assumptions and principles are consistent with the requirements of Accounting Standard 15 (Revised 2005).

1.10 Taxation

Tax expense comprises of current tax (i.e. amount of tax for the year determined in accordance with the Income Tax Act, 1961), deferred tax charge or benefit (reflecting the tax effect of timing differences between accounting income and taxable income for the year) and minimum alternate tax.

Current tax

Provision for current tax is recognised based on estimated tax liability computed after adjusting for allowances, disallowances and exemptions in accordance with the Income Tax Act, 1961.

Deferred tax

The deferred tax charge or benefit and the corresponding deferred tax liabilities and assets are recognised using the tax rates that have been enacted or substantially enacted as at the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the asset can be realised in future, however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realisation of the assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonably/virtually certain, as the case may be, to be realised.

Minimum Alternate Tax (MAT)

MAT credit asset is recognised where there is convincing evidence that the asset can be realised in future. MAT credit assets are reviewed at each balance sheet date and written down or written up to reflect the amount that is reasonably certain to be realised.

Notes to the abridged financial statements (*Continued*)

1. Significant accounting policies (*Continued*)

1.11 Operating leases

Lease payments for assets taken on operating lease are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.

1.12 Earnings per share

The Company reports basic and diluted earnings per share in accordance with Accounting Standard 20 – “Earnings Per Share”. Basic earnings per share is computed by dividing the net profit after tax attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per share is computed by dividing the net profit after tax attributable to the equity shareholders for the year by weighted average number of equity shares considered for deriving basic earnings per share and weighted average number of equity shares that could have been issued upon conversion of all potential equity shares.

1.13 Employee stock option plans (‘ESOPs’)

The Company follows the intrinsic value method to account for compensation cost of its stock based employee compensation plans as per the accounting treatment prescribed by Employee Stock Option Scheme and Employee Share-based Payments issued by Securities and Exchange Board of India (SEBI) and guidance note on Employee Share-based Payments issued by Institute of Chartered Accountants of India (ICAI). The compensation cost is amortized on a straight-line basis.

1.14 Provisions and contingencies

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an economic benefit will arise, the asset and related income are recognised in the period in which the change occurs.

Notes to the abridged financial statements (*Continued*)

(Currency: Indian rupees in millions)

2.1 Segment reporting (*Corresponding to note 2.27 of the complete financial statements*)

Primary Segment (Business Segment)

The Company's business is organised and management reviews the performance based on the business segments as mentioned below:

Segment	Activities Covered
Agency business	Advisory and transactional services
Holding company activities	Development, managerial and financial support to the businesses of Edelweiss group entities

Income for each segment has been specifically identified. Expenditure, assets and liabilities are either specifically identified with individual segments or have been allocated to segments on a systematic basis.

Based on such allocations, segment disclosures relating to revenue, results, assets and liabilities have been prepared.

Secondary Segment

Since the business operations of the Company are primarily concentrated in India, the Company is considered to operate only in the domestic segment and therefore there is no reportable geographic segment.

The following table gives information as required under the Accounting Standard -17 on "Segment Reporting":

Particulars	31 March 2017	31 March 2016
I Segment Revenue		
a) Agency business	1,652.08	1,779.07

@ ₹ 0.00 refers to amount less than ₹ 0.01 million

- 1) The Intra group company loans are generally in the nature of revolving demand loans unless otherwise stated. Loan given/taken to/from parties and margin money placed/refund received with/from related parties are disclosed based on the maximum incremental amount given/taken and placed/refund received during the reporting period.
- 2) Information relating to remuneration paid to key managerial person mentioned above excludes provision made for gratuity which is provided for group of employees on an overall basis. These are included on cash basis.
- 3) Loan given to subsidiaries and associates are for the general corporate business.

Notes to the abridged financial statements (*Continued*)

(Currency: Indian rupees in millions)

2.3 Earnings per share (*Corresponding to note 2.29 of the complete financial statements*)

In accordance with Accounting Standard 20 – “Earnings Per Share” prescribed by Companies (Accounts) Rules, 2014, the computation of earnings per share is set out below:

	2017	2016
a. Shareholders earnings (as per statement of profit and loss)	1,290.06	1,555.94
b. Calculation of weighted average number of equity shares of ₹ 1 each:		
- Number of shares outstanding at the beginning of the year	814,036,630	791,752,619
- Number of shares issued during the year	18,532,459	22,284,011
Total number of equity shares outstanding at the end of the year	832,569,089	814,036,630
Weighted average number of equity shares outstanding during the year (based on the date of issue of shares)	826,052,403	807,065,324
c. Number of dilutive potential equity shares	40,055,553	27,141,417
d. Basic earnings per share (in ₹) {a/b}	1.56	1.93
e. Diluted earnings per share (in ₹) {a/(b+c)}	1.49	1.87

2.4 Share application money pending allotment (*Corresponding to note 2.33 of the complete financial statements*)

The Company has received ₹ 40.94 million (Previous year: ₹ 20.58 million) towards share application on exercise of ESOPs which will result in an issue of 1,133,100 shares (Previous year: 634,625 shares). Of the total receipts ₹ 39.81 million (Previous year: ₹ 19.95 million) has been received towards share premium. These shares have since been allotted.

2.5 Capital Commitment (*Corresponding to note 2.34 of the complete financial statements*)

Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances) ₹ 30.66 million (Previous year: ₹ 49.33 million).

2.6 Contingent liabilities (*Corresponding to note 2.35 of the complete financial statements*)

a) Claims against the Company not acknowledged as debt:

Taxation matters in respect of which appeal is pending ₹ 566.00 million (Previous year: ₹ 492.94 million);

b) Other claim not acknowledged as debt:

Corporate guarantees issued on behalf of subsidiaries to the extent of ₹ 70,503.54 million (Previous year: ₹ 81,466.24 million).

The Company's pending litigations mainly comprise of claims against the Company pertaining to proceedings pending with Income tax, service tax and other authorities. The Company has reviewed all its pending litigations and proceedings and has adequately provided for where provisions are required and disclosed as contingent liabilities where applicable, in the financial statements. The Company believes that the outcome of these proceedings will not have a materially adverse effect on the Company's financial position and results of operations.

2.7 Details of dues to micro, small and medium enterprises (*Corresponding to note 2.36 of the complete financial statements*)

Trade Payables includes ₹ Nil (Previous year: ₹ Nil) payable to “Suppliers” registered under the Micro, Small and Medium Enterprises Development Act, 2006. No interest has been paid / is payable by the Company during the year to “Suppliers” registered under this Act. The aforementioned is based on the responses received by the Company to its inquiries with suppliers with regard to applicability under the said Act.

Notes to the abridged financial statements (*Continued*)

(Currency: Indian rupees in millions)

2.9 Based on the opinion of the Expert Advisory Committee of the Institute of Chartered Accountants of India, the Company, from the quarter ended 30 June 2016, is presenting interest income from its group companies on a gross basis under the head income from operations which until then was presented on a net basis. The Company has accordingly presented interest income from its group companies of ₹ 1,007.83 million for the year ended 31 March 2017 on gross basis. Income from operations and finance costs for the year ended 31 March 2016 are therefore not comparable. This has no impact on the net profit of the Company for the years. (*Corresponding to note 2.39 of the complete financial statements*)

Book value of un-quoted non-current investments	16,633.38	15,566.70

@ ₹ 0.00 refers to amount less than ₹ 0.01 million

2.12 The Company, the sponsor of Edelweiss Mutual Fund ("Edelweiss MF"), Edelweiss Trusteeship Company Limited, the trustee company of Edelweiss MF and Edelweiss Asset Management Limited, the asset management company of Edelweiss MF have entered into an agreement with JPMorgan Asset Management (Asia) Inc., the sponsor of JPMorgan Mutual Fund (JPM MF) and JPMorgan Mutual Fund India Private Limited, trustee company of JPM MF and JPMorgan Asset Management India Private Limited, the asset management company to JPM MF on March 22, 2016, for acquiring control and management of the onshore fund schemes and international fund of funds of JPM MF and the corresponding change in the sponsorship, trusteeship and administration of schemes of JPM MF, upon completion of the transaction subject to receipt of regulatory approvals. All necessary steps, including a 'No Objection' from SEBI were duly received and thereafter, all the schemes of JPMorgan Mutual Fund were transferred to and now form part of Edelweiss Mutual Fund with effect from close of business day on November 25, 2016. (*Corresponding to note 2.45 of the complete financial statements*)

Notes to the abridged financial statements (*Continued*)

(Currency: Indian rupees in millions)

- 2.13** Disclosures relating to Specified Bank Notes* (SBNs) held and transacted during the period from 8 November 2016 to 30 December 2016 pursuant to Notification No. G.S.R. 308(E) dated 30th March, 2017: (*Corresponding to note 2.46 of the complete financial statements*)

Particulars	SBNs	Other denomination notes	Total
Closing cash in hand as on 08.11.2016	0.09	0.00	0.09
(+) Permitted receipts	-	0.13	0.13
(-) Permitted payments	-	0.12	0.12
(-) Amount deposited in Banks	0.09	-	0.09
Closing cash in hand as on 30.12.2016	-	0.01	0.01

*For the purpose of this clause, the term Specified Bank Notes (SBNs) means the bank notes of denominations of the existing series of the value of five hundred rupees and one thousand rupees as defined under the notification of the Government of India, in the Ministry of Finance, Department of Economic Affairs no. S.O. 3407(E), dated the 8 November, 2016.

- 2.14** The Board of Directors at their meeting held on 17 May 2017, have recommended a final dividend of ₹ 0.30 per equity share (on face value of ₹ 1 per equity share), subject to the approval of the members at the ensuing Annual General Meeting. In terms of revised Accounting Standard (AS) 4 'Contingencies and Events occurring after the Balance sheet date' as notified by the Ministry of Corporate Affairs through amendments to Companies (Accounting Standards) Amendment Rules, 2016, dated 30 March 2016, the Company has not appropriated for the recommended final dividend (including tax) from the Statement of Profit and Loss for the year ended 31 March 2017. (*Corresponding to note 2.47 of the complete financial statements*)
- 2.15** The Company has a process whereby periodically all long term contracts (including derivative contracts) are assessed for material foreseeable losses. At the year end, the Company has reviewed and ensured that adequate provision as required under any law/ accounting standards for material foreseeable losses on such long term contracts (including derivative contracts) has been made in the books of accounts. (*Corresponding to note 2.48 of the complete financial statements*)

As per our report of even date attached.

Notice

NOTICE IS HEREBY GIVEN THAT THE 22ND ANNUAL GENERAL MEETING OF THE MEMBERS OF EDELWEISS FINANCIAL SERVICES LIMITED WILL BE HELD ON WEDNESDAY, AUGUST 2, 2017 AT 3:00 P.M. AT THE REGISTERED OFFICE OF THE COMPANY AT EDELWEISS HOUSE, OFF C.S.T. ROAD, KALINA, MUMBAI – 400 098 TO TRANSACT THE FOLLOWING BUSINESSES:

ORDINARY BUSINESS:

1. To consider and adopt:-
 - a. the audited Financial Statement of the Company for the financial year ended March 31, 2017, together with the Report of the Board and the Auditors thereon; and
 - b. the audited Consolidated Financial Statement of the Company for the financial year ended March 31, 2017, together with the Report of the Auditors thereon.
2. To declare dividend on Equity Shares.
3. To appoint a Director in place of Mr. Rujan Panjwani (DIN 00237366) who retires by rotation and, being eligible, offers himself for re-appointment.

4. Appointment of the Auditors

To consider and, if thought fit, to pass, the following resolution as an Ordinary Resolution:

"**RESOLVED** that pursuant to the provisions of Section 139 and all other applicable provisions, if any, of the Companies Act, 2013 (the Act) and the Rules framed thereunder and as amended from time to time, M/s. Price Waterhouse, Chartered Accountants LLP (Firm Registration No. 012754N/N500016) be and are hereby appointed as the Auditors of the Company for a term of five years from the conclusion of this Annual General Meeting till the conclusion of the 27th Annual General Meeting to be held in the year 2022 (subject to ratification of their appointment by the members at every Annual General Meeting), at such remuneration as may be mutually agreed upon between the Board of Directors and the Auditors."

SPECIAL BUSINESS:

5. Re-appointment of Mr. Rashesh Shah as the Managing Director & Chief Executive Officer

To consider and, if thought fit, to pass the following resolution as a Special Resolution:

"**RESOLVED** that pursuant to the provisions of Sections 196, 197, 203 and other applicable provisions, if any, of the Companies Act, 2013 (the Act) the Rules, Regulations, Guidelines and Circulars issued in this regard and subject to necessary approvals, if any, consent of the members of the Company be and is hereby accorded for the re-appointment of Mr. Rashesh Shah (DIN 00008322) as the Managing Director & Chief Executive Officer of the Company for a period of 5 years with effect from April 1, 2017, on the terms and conditions set out below:-

- i) Salary Limit: Not exceeding ₹ 3 crores per annum.
- ii) Bonus: Not exceeding ₹ 6 crores per annum.
- iii) Perquisites: Not exceeding ₹ 3 crores per annum.

FURTHER RESOLVED that where in any financial year during the tenure of Mr. Rashesh Shah as the Managing Director & Chief Executive Officer, the Company has no profits or the profits are inadequate, approval of the members of the Company be and is hereby accorded to pay him the maximum remuneration in accordance with the provisions of the Act.

FURTHER RESOLVED that the Board be and is hereby authorized to vary the terms of re-appointment and to do all such acts, deeds, matters and things, as it may, in its absolute discretion, deem necessary and with the power on behalf of the Company to settle questions, difficulties or doubts that may arise in this regard without requiring the Board to secure any further consent or approval of the members of the Company."

6. Re-appointment of Mr. Venkatchalam Ramaswamy as an Executive Director

To consider and, if thought fit, to pass the following resolution as a Special Resolution:

“RESOLVED that pursuant to the provisions of Sections 196, 197, 203 and other applicable provisions, if any, of the Companies Act, 2013 (the Act) the Rules, Regulations, Guidelines and Circulars issued in this regard and subject to necessary approvals, if any, consent of the members of the Company be and is hereby accorded for the re-appointment of Mr. Venkatchalam Ramaswamy (DIN 00008509) as an Executive Director of the Company for a period of 5 years with effect from April 1, 2017, on the terms and conditions set out below:-

- i) Salary Limit: Not exceeding ₹ 3 crores per annum.
- ii) Bonus: Not exceeding ₹ 6 crores per annum.
- iii) Perquisites: Not exceeding ₹ 3 crores per annum.

FURTHER RESOLVED that where in any financial year during the tenure of Mr. Venkatchalam Ramaswamy as an Executive Director, the Company has no profits or the profits are inadequate, approval of the members of the Company be and is hereby accorded to pay him the maximum remuneration in accordance with the provisions of the Act.

FURTHER RESOLVED that the Board be and is hereby authorized to vary the terms of re-appointment and to do all such acts, deeds, matters and things, as it may, in its absolute discretion, deem necessary and with the power on behalf of the Company to settle questions, difficulties or doubts that may arise in this regard without requiring the Board to secure any further consent or approval of the members of the Company.”

7. Re-appointment of Mr. P. N. Venkatachalam as an Independent Director

To consider and, if thought fit, to pass the following resolution as a Special Resolution:

“RESOLVED that pursuant to the provisions of Sections 149, 152 and other applicable provisions, if any, of the Companies Act, 2013 (the Act) and the Rules framed thereunder, Mr. P. N. Venkatachalam (DIN 00499442), a Non-Executive Director of the Company, who has given a declaration that he meets the criteria of independence as provided in Section 149(6) of the Act and who holds office till the conclusion of this Annual General Meeting and being eligible, be and is hereby re-appointed as an Independent Director of the Company till the conclusion of the 27th Annual General Meeting of the Company to be held in the year 2022.”

8. Re-appointment of Mr. Berjis Desai as an Independent Director

To consider and, if thought fit, to pass the following resolution as a Special Resolution:

“RESOLVED that pursuant to the provisions of Sections 149, 152 and other applicable provisions, if any, of the Companies Act, 2013 (the Act) and the Rules framed thereunder, Mr. Berjis Desai (DIN 00153675), a Non-Executive Director of the Company, who has given a declaration that he meets the criteria of independence as provided in Section 149(6) of the Act and who holds office till the conclusion of this Annual General Meeting and being eligible, be and is hereby re-appointed as an Independent Director of the Company till the conclusion of the 27th Annual General Meeting of the Company to be held in the year 2022.”

9. Re-appointment of Mr. Sanjiv Misra as an Independent Director

To consider and, if thought fit, to pass the following resolution as a Special Resolution:

“RESOLVED that pursuant to the provisions of Sections 149, 152 and other applicable provisions, if any, of the Companies Act, 2013 (the Act) and the Rules framed thereunder, Mr. Sanjiv Misra (DIN 03511635), a Non-Executive Director of the Company, who has given a declaration that he meets the criteria of independence as provided in Section 149(6) of the Act and who holds office till the conclusion of this Annual General Meeting and being eligible, be and is hereby re-appointed as an Independent Director of the Company till the conclusion of the 27th Annual General Meeting of the Company to be held in the year 2022.”

10. Re-appointment of Mr. Navtej S. Nandra as an Independent Director

To consider and, if thought fit, to pass the following resolution as a Special Resolution:

“RESOLVED that pursuant to the provisions of Sections 149, 152 and other applicable provisions, if any, of the Companies Act, 2013 (the Act) and the Rules framed thereunder, Mr. Navtej S. Nandra (DIN 02282617), a Non-Executive Director of the Company, who has given a declaration that he meets the criteria of independence as provided in Section 149(6) of the Act and who holds office till the conclusion of this Annual General Meeting and being eligible, be and is hereby re-appointed as an Independent Director of the Company till the conclusion of the 27th Annual General Meeting of the Company to be held in the year 2022.”

11. Re-appointment of Mr. Kunnasagaran Chinniah as an Independent Director

To consider and, if thought fit, to pass the following resolution as a Special Resolution:

“RESOLVED that pursuant to the provisions of Sections 149, 152 and other applicable provisions, if any, of the Companies Act, 2013 (the Act) and the Rules framed thereunder, Mr. Kunnasagaran Chinniah (DIN 01590108), a Non-Executive Director of the Company, who has given a declaration that he meets the criteria of independence as provided in Section 149(6) of the Act and who holds office till the conclusion of this Annual General Meeting and being eligible, be and is hereby re-appointed as an Independent Director of the Company till the conclusion of the 27th Annual General Meeting of the Company to be held in the year 2022.”

NOTES:

1. The Statement pursuant to Section 102 of the Companies Act, 2013 (the Act), in respect of the Special Business to be transacted at the Annual General Meeting (AGM/Meeting) is annexed hereto.

2. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE INSTEAD OF HIMSELF AND SUCH PROXY NEED NOT BE A MEMBER OF THE COMPANY. PROXIES IN ORDER TO BE EFFECTIVE MUST BE RECEIVED BY THE COMPANY NOT LESS THAN 48 HOURS BEFORE THE MEETING.**

A person can act as a proxy on behalf of Members not exceeding fifty (50) and holding in aggregate not more than 10% of the total share capital of the Company. In case a proxy is proposed to be appointed by a Member holding more than 10% of the total share capital of the Company carrying voting rights, then such proxy shall not act as a proxy for any other person or shareholder.

3. Members/Proxies should bring the enclosed attendance slip duly filled in, for attending the Meeting, along with the Annual Report.
4. Pursuant to Regulation 36 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India ('ICSI'), information in respect of the Directors seeking re-appointment at the Annual General Meeting is furnished as an Annexure to the Notice.
5. All the documents referred to in the Notice and Statement pursuant to Section 102 of the Companies Act, 2013, are open for inspection between 2.00 p.m. to 4.00 p.m. on all working days upto the date of the AGM at the Registered Office of the Company and will also be available at the venue of the AGM.

6. **Book Closure**

The Register of Members and the Share Transfer Books of the Company will remain closed from July 24, 2017 to August 1, 2017 (both days inclusive).

7. **Nomination Facility**

The members holding the shares in physical form may obtain the Nomination Form from the Company's Registrar & Share Transfer Agent.

8. Members are requested to note that dividends not claimed or encashed within 7 years from the date of transfer to the Company's Unpaid Dividend Account, will, as per Section 124 of the Companies Act, 2013, be transferred to the Investor Education and Protection Fund.

9. Members desirous of getting any information in respect of the contents of the Annual Report are requested to forward the same to the Company at least 10 days prior to the AGM so that the required information can be made available.

10. **Green Initiative**

- a) copies of the Annual Report of the Company for the financial year ended March 31, 2017 are being sent by electronic mode only to those Members whose e-mail addresses are registered with the Company/Depository Participant(s) unless any Member has requested for a hard copy of the same. For Members who have not registered their e-mail addresses, physical copies of the Annual Report are being sent by the permitted mode. Members may also note that Notice and Explanatory Statement are also available on the website of the Company i.e. www.edelweissfin.com. Members intending to correspond with the Company in physical form may write to us on efsl.shareholders@edelweissfin.com.

- b) the Members who have not updated their e-mail addresses are requested to update the same with their respective Depository Participant(s) or communicate their e-mail addresses to the Registrar and Share Transfer Agent or the Company, so that the Company can send future communications to these Members in electronic mode. Members are requested to send a signed letter, communicating their Name, Folio No./DP ID Client ID and e-mail address either by e-mail (scanned copy) to rnt.helpdesk@linkintime.co.in or send a hard copy thereof to them. Alternatively, the Members can also update their e-mail addresses with Company by sending an e-mail to efsl.shareholders@edelweissfin.com.

11. National Electronic Clearing Services (NECS) facility

To avoid loss of dividend warrants in transit and undue delay in respect of receipt thereof, the dividend will be credited through NECS facility at the locations identified by the Reserve Bank of India and the members holding shares in physical form and who are desirous of availing this facility are requested to contact the Registrar & Share Transfer Agent of the Company and the members holding shares in electronic form are requested to contact their respective Depository Participants.

12. Bank Mandates

In order to avoid fraudulent encashment of the dividend warrants, members holding shares in physical form are requested to intimate the Registrar & Share Transfer Agent under the signature of the Sole/First holder, the following information to be incorporated on the Dividend Warrants:

- I Name of the Sole/First holder and the folio number
- II. Particulars of Bank Account viz.,
 - a) Name of the Bank
 - b) Name of the Branch
 - c) Complete address of the Branch with Pin code
 - d) Bank Account Number allotted by the Bank.

13. In respect of the matters pertaining to Bank details, NECS mandates, nomination, power of attorney, change in name/address, etc., the members are requested to approach:

- the Company's Registrar & Share Transfer Agent, in case of shares held in physical form; and
- the respective Depository Participants, in case of shares held in electronic form.

In any correspondence with the Company/Registrar & Share Transfer Agent, members are requested to quote their account/Folio numbers or DP ID and Client ID in respect of physical or electronic holdings, respectively.

14. E-voting

Voting through electronic means:

- I. In compliance with provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to provide its members facility to exercise their right to vote on resolutions proposed to be considered at the Annual General Meeting (the AGM) by electronic means and the business may be transacted through e-Voting services. The facility of casting votes by the members using an electronic voting system from a place other than venue of the AGM ("remote e-voting") will be provided by Central Depository Services (India) Limited (CDSL).

- II. The facility for casting vote through ballot/polling paper shall be made available at the Meeting and the members attending the meeting who have not already cast their vote by remote e-voting shall be able to exercise their voting right at the meeting.
- III. The members who had cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.

The process and the manner for remote e-voting are as under:

- (i) The voting period begins on July 29, 2017 at 9:00 a.m. and ends on August 1, 2017 at 5:00 p.m. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. July 26, 2017 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) The shareholders should log on to the e-voting website www.evotingindia.com.
- (iii) Click on Shareholders / Members
- (iv) Now Enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Members holding shares in Physical Form should enter Folio Number registered with the Company.
- (v) Next enter the Image Verification as displayed and Click on Login.
- (vi) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.
- (vii) If you are a first time user follow the steps given below:

	For Members holding shares in Demat Form and Physical Form
PAN	Enter your 10 digit alpha-numeric PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) <ul style="list-style-type: none"> Members who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number which is printed on Postal Ballot / Attendance Slip indicated in the PAN field.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. <ul style="list-style-type: none"> If both the details are not recorded with the depository or company please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (iv).

- (viii) After entering these details appropriately, click on "SUBMIT" tab.
- (ix) Members holding shares in physical form will then directly reach the Company selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.

- (x) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (xi) Click on the EVSN of Edelweiss Financial Services Limited to vote.
- (xii) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xiii) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
- (xiv) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- (xv) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- (xvi) You can also take a print of the votes cast by clicking on "Click here to print" option on the Voting page.
- (xvii) If a de mat account holder has forgotten the changed password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xviii) Shareholders can also cast their vote using CDSL's mobile app m-Voting available for android based mobiles. The m-Voting app can be downloaded from Google Play Store. Apple and Windows phone users can download the app from the App Store and the Windows Phone Store respectively. Please follow the instructions as prompted by the mobile app while voting on your mobile.
- (xix) Note for Non -Individual Shareholders and Custodians
 - Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to www.evotingindia.com and register themselves as Corporates.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
 - After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
 - The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
 - A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- (xx) In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.com, under help section or write an email to helpdesk.evoting@cdslindia.com.
- (xxi) The voting rights of members shall be in proportion to their shares held in the paid up equity share capital of the Company as on the cut-off date i.e. July 26, 2017.
- (xxiii) A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the Depositories as on the cut-off date only shall be entitled to avail the facility of remote e-voting or voting at the AGM through ballot paper.

- (xxiv) Mr. B. Narasimhan, Company Secretary, M/s. B.N. & Associates, Company Secretaries, failing him, Mr. Prakash K. Pandya, Partner of M/s. BNP & Associates, Company Secretaries have been appointed as the Scrutinizer for providing facility to the members of the Company to scrutinize the voting and remote e-voting process in a fair and transparent manner.
- (xxv) The Chairman shall, at the AGM, allow voting with the assistance of scrutinizer, by use of "Ballot/Polling Paper" for all those members who are present at the AGM but have not cast their votes through the remote e-voting facility.
- (xxvi) The Scrutinizer shall after the conclusion of voting at the AGM, first count the votes cast at the meeting, thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and make, not later than three days of the conclusion of the AGM, a consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, to the Chairman or a person authorized by him in writing, who shall countersign the same and declare the result of the voting forthwith.
- (xxvii) The Results declared alongwith the report of the Scrutinizer shall be placed on the website of the Company www.edelweissfin.com and on the website of CDSL immediately after the declaration of result by the Chairman or a person authorized by him in writing. The results shall also be immediately forwarded to BSE Limited and National Stock Exchange of India Limited.

ANNEXURE TO THE NOTICE DATED MAY 17, 2017

EXPLANATORY STATEMENT PURSUANT TO THE PROVISIONS OF SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 4

(The explanation for this item is given for the information of the members, though strictly not required as per Section 102 of the Companies Act, 2013)

In accordance with the provisions of Section 139 of the Companies Act, 2013 (the Act), M/s. B S R & Associates LLP, Chartered Accountants (BSR), (Firm's Registration No. 116231W), were appointed as the Auditors of the Company at the 19th Annual General Meeting (AGM) held on July 25, 2014 to hold office till the conclusion of this AGM who shall complete their tenure as provided in the Act.

Based on the recommendation of the Audit Committee and the confirmation received from M/s. Price Waterhouse, Chartered Accountants LLP (FRN: 012754N/N500016) on their eligibility, the Board at its meeting held on May 17, 2017 has recommended the appointment of M/s. Price Waterhouse, Chartered Accountants LLP, as the Auditors of the Company from the conclusion of this AGM till the conclusion of the 27th AGM to be held in the year 2022 (subject to ratification of their appointment at every AGM).

None of the Directors, Key Managerial Personnel and their relatives are concerned or interested in Item No. 4 of the Notice.

ITEM NOS. 5 & 6:-

The tenure of appointment of Mr. Rashesh Shah as the Managing Director & Chief Executive Officer and Mr. Venkatchalam Ramaswamy as an Executive Director ended on March 31, 2017. The Board of Directors at their meeting held on February 9, 2017 had, subject to the approval of the members re-appointed Mr. Rashesh Shah as the Managing Director & Chief Executive Officer and Mr. Venkatchalam Ramaswamy as an Executive Director for a period of five years w. e. f. April 1, 2017. The details of the proposed appointees are as under:

(a) Mr. Rashesh Shah:

Mr. Rashesh Shah, co-founder of the Company, has over 26 years of diverse experience in the financial markets sector. He has been instrumental in building Edelweiss into one of India's leading diversified financial services conglomerates. As the Managing Director & Chief Executive Officer he oversees the functioning and performance of the Company, its subsidiaries and associates. He is involved in formulating strategy and providing vital inputs for the effective functioning of the Group. He was recently appointed as Senior Vice President of FICCI, and also serves as Chairman of Maharashtra State Council of FICCI. He is an MBA from IIM Ahmedabad, and holds a Diploma in International Trade from the Indian Institute of Foreign Trade, New Delhi.

(b) Mr. Venkatchalam Ramaswamy:

Mr. Venkatchalam Ramaswamy, co-founder of the Company, has over 25 years of experience in the financial markets. He is widely recognised as one of India's finest deal makers. He co-heads two of the Group's most strategic businesses – Distress Assets & Resolution Business and Global Asset Management, while continuing to play a mentorship role with the Investment Banking business. Using his skills at building and maintaining large institutional relationships including with International Pension Funds and Insurance companies, the Edelweiss Global Asset Management team has been able to build one of the fastest growing Multi category Alternative Asset Management businesses in India. He brings significant experience and expertise on client relationships to Edelweiss and devotes substantial time for the subsidiaries. He is an MBA from the University of Pittsburgh, USA and also has a Bachelor's Degree in Electronics Engineering.

The Company alongwith its subsidiaries provides wide range of financial services which *inter-alia* includes investment banking, institutional equities, securities broking, private client brokerage, asset management, wealth management, client advisory services, wholesale financing, housing finance, securitisation, alternative asset management business and treasury operation. The net profit of the Company for the financial year ended March 31, 2017 was ₹ 1,290.06 million and the consolidated profit was ₹ 5,632.37 million. The remuneration proposed to be paid to Mr. Rashesh Shah and Mr. Venkatchalam Ramaswamy is commensurate with the nature of business of the Company.

Considering the experience and expertise of Mr. Rashesh Shah and Mr. Venkatachalam Ramaswamy, the Board recommends passing the Special Resolutions set out in Item Nos. 5 and 6 of the Notice.

None of the Directors, Key Managerial Personnel and their relatives, except Mr. Rashesh Shah, Ms. Vidya Shah and Mr. Venkatachalam Ramaswamy are concerned or interested in Item Nos. 5 and 6 of the Notice.

Item Nos. 7 to 11

The Members of the Company had appointed Mr. P. N. Venkatachalam, Mr. Berjis Desai, Mr. Sanjiv Misra, Mr. Navtej Nandra and Mr. Kunnasagaran Chinniah as Independent Directors at the Annual General Meeting of the Company held on July 25, 2014 to hold office till the conclusion of this Annual General Meeting.

Pursuant to Section 149(10) of the Companies Act, 2013, Independent Directors can be re-appointed by passing a Special Resolution. The brief profile of the aforesaid Directors are as under:

Mr. P. N. Venkatachalam

Mr. P. N. Venkatachalam joined State Bank of India in 1967 and retired in 2004 as its Managing Director. He was a member of the Interim Pension Fund Regulatory Authority of India. He holds a Master's Degree in Economics and is a Certified Associate from the Indian Institute of Bankers. He also serves on the Board of various other companies.

Mr. Berjis Desai

Mr. Berjis Desai, a renowned lawyer retired as the Managing Partner of J S Associates. A Master of Law from the University of Cambridge, Berjis is now an independent legal counsel engaged in Private Client Practice. He has varied experience in the legal field with specialization in corporate laws, securities & financial laws. He is an independent director of leading listed and non-listed public companies in India.

Mr. Sanjiv Misra

Mr. Sanjiv Misra has a rich and varied experience in the financial services industry, having worked with various organisations including Goldman Sachs and Citigroup. Mr. Misra is the President of Phoenix Advisers Pte. Ltd., an advisory and principal investing firm and Chairman, Asia Pacific Advisory Board with Apollo Management.

Mr. Navtej S. Nandra

Mr. Navtej S. Nandra, a veteran of the global financial services industry, is senior advisor to Insight Guru, and a distinguished Visiting Fellow at the National University of Singapore. He served on the Board of Morgan Stanley Huaxin Fund Management Company, Morgan Stanley International Ltd., and Morgan Stanley & Co. International plc.

Mr. Kunnasagaran Chinniah

Mr. Kunnasagaran Chinniah retired as the Managing Director/Global Head of Portfolio, Strategy & Risk Group with GIC Special Investments ("GIC SI"), the Private Equity arm of the Government of Singapore Investment Corporation ("GIC") in 2013. He serves on the Boards of various Companies in India and abroad.

Based on the recommendation of the Nomination and Remuneration Committee and considering the qualifications, experience and the valuable contribution being made by these Independent Directors, the Board recommends the re-appointment of Mr. P. N. Venkatachalam, Mr. Berjis Desai, Mr. Sanjiv Misra, Mr. Navtej S. Nandra, and Mr. Kunnasagaran Chinniah as Independent Directors for a further term of 5 years, who shall hold office until the conclusion of the 27th Annual General Meeting of the Company to be held in the year 2022 as mentioned in Item No. 7 to 11 of the Notice.

The Board recommends passing the Special Resolutions set out in Item Nos. 7 to 11 of the Notice.

None of the Directors, Key Managerial Personnel and their relatives except Mr. P. N. Venkatachalam, Mr. Berjis Desai, Mr. Sanjiv Misra, Mr. Navtej S. Nandra, and Mr. Kunnasagaran Chinniah are concerned or interested in Item Nos. 7 to 11 of the Notice.

Details of Directors (as on March 31, 2017) seeking appointment/re-appointment at the Annual General Meeting pursuant to Regulation 36 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard on General Meetings (SS-2)
