

PLR

ECL Finance Limited

Presently the Prime Lending rate of the Company (ECLFPLR) is 17.5% p.a. The rate of interest shall be fixed on the basis of the risk gradation of the client and shall be charged on per annum basis.

The approach for gradation of risk is based on factors such as nature of loan, credit worthiness of the borrower, nature of security, etc.

The processing fee, if any, shall be determined on the basis of quantum of work involved in credit appraisal, volume of documentation and other expenses involved in the transaction.
