Notes to the financial statements

**TO
THE MEMBERS OF
EDELWEISS INSURANCE BROKERS LIMITED**

We have audited the accompanying financial statements of **Edelweiss Insurance Brokers Limited** (“the Company”), which comprise the Balance Sheet as at 31st March, 2017, Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, its Profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, we give in the "**Annexure A**" a statement on the matter specified in the paragraph 3 and 4 of the order.
- 2) As required by Section 143 (3) of the Act, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, Statement of Profit and Loss and the Cash Flow statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, as applicable.
 - e) On the basis of the written representations received from the Directors of the Company as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our Report in "**Annexure B**".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The company disclosed the impact of pending litigation on its financial position in its financial statements - Refer note **2.28** to the financial statements
 - ii. The company did not have any long term contracts including derivative contracts for which any provision required for material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. The Company has disclosed the holdings of or dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated the 8 November, 2016 of the Ministry of Finance, during the period from 8 November, 2016 to 30th December, 2016- Refer note **2.25** to the financial statements.

M/S EDELWEISS INSURANCE BROKERS LIMITED

Annexure "A" to Independent Auditor's Report

The Annexure referred to in Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31 March 2017, we report that:

- (i) a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;
- b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets;
- c) According to the information and explanations given to us and on the basis of our examination of the records, the Company does not own any immovable property as at balance sheet date;
- (ii) Based on our examination of documents and records, the Company did not own any physical inventory at any time during the year. Accordingly, paragraph 3(ii) of the Order is not applicable to the Company.
- (iii) According to the information and explanation given to us, during the year the Company has not granted any loan, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013. Accordingly, paragraph 3 (iii) of the order is not applicable.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, where applicable with respect to the loans made.
- (v) The Company has not accepted any deposits from public.
- (vi) The Central Government has not prescribed the maintenance of Cost records under section 148 (1) of Act, for the Company.
- (vii) (a) According to the information and explanation given to us and records examined by us, the Company is generally regular in deposit of undisputed statutory dues including income tax, Provident fund, service tax and any other material statutory dues applicable to the company. As explained to us the Company does not have any dues on account of Employees' State Insurance, Sales Tax, Value Added Tax, wealth Tax, duty of custom and duty of excise.

According to the information and explanations given to us, there are no undisputed statutory dues payable in respect of income tax, service tax and any other material statutory dues applicable to the company which are outstanding as on 31st March, 2017 for a period of more than six months from the date they became payable.

(b) According to the information and explanations given, there are no dues of service tax, provident fund other material statutory dues applicable to the company which have not been deposited with the appropriate authorities on account of any dispute. However, according to information and explanations given to us, the following dues of income tax have not been deposited by the Company on account of disputes:

Name of the Statute	Nature of the Dues	Amount (Rs.)	Period to which the amount relates	Forum where dispute is pending
Income Tax Act, 1961	Disallowance for Provision for expenses, 26AS reconciliation and interest on income tax	3,276,731	Assessment Year 2013-14	CIT(Appeals)

- (viii) Based on the information available and explanations given by the management, the company has not taken any loan from financial institutions, banks, government or debenture holders. Accordingly, paragraph 3(viii) of the order is not applicable.
- (ix) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3 (ix) of the Order is not applicable.
- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- (xi) The Company has not paid/provided for managerial remuneration. Accordingly, paragraph 3 (xi) of the Order is not applicable.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and records examined by us, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations give to us and records examined by us, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- (xv) According to the information and explanations given to us and records examined by us, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.

- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

Annexure-B to the Independent Auditors' Report

Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

We have audited the internal financial controls over financial reporting of **Edelweiss Insurance Brokers Limited ("the Company")** as at 31st March 2017 in conjunction with our audit of the financial statements of the Company for the year ended and as on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('the Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standard of Auditing prescribed under section 143(10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Edelweiss Insurance Brokers Limited

Notes to the financial statements

1. Significant accounting policies

1.1 Basis of preparation of financial statements

The accompanying financial statements are prepared and presented in accordance with Indian Generally Accepted Accounting Principles ("GAAP") under the historical cost convention, on the accrual basis of accounting, unless otherwise stated, and comply with the Accounting Standards as prescribed under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Companies Act, 2013 (to the extent notified), (hereinafter referred to as 'the Act') and the Schedule III to the Act. The financial statements are presented in Indian Rupees.

1.2 Use of estimates

The preparation of the financial statements in conformity with the generally accepted accounting principles requires management to make certain estimates and assumptions that affect the reported amount of assets, liabilities, disclosure of contingent liabilities on the date of the financial statements and reported amount of revenue and expenses during the reporting period. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as on the date of the financial statements. Actual results could differ from the estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

1.3 Current / non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle or it is held primarily for the purpose of being traded or it is expected to be realized within 12 months after the reporting date or it is cash or cash equivalent unless it is restricted from being exchanged or expected to be used to settle a liability for at least 12 months after the reporting date. Current assets include the current portion of non-current assets. All other assets are classified as non-current.

Liabilities

A liability is classified as current when it is expected to be settled in the company's normal operating cycle or it is held primarily for the purpose of being traded or it is due to be settled within 12 months after the reporting date or the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification. Current liabilities include current portion of non-current liabilities. All other liabilities are classified as non-current.

1.4 Revenue recognition

- a) Brokerage income is recognised on accrual basis at the inception of the insurance policy i.e. once the policy is issued by the insurance company based on the terms agreed with the insurance companies.
- b) Interest income is recognised on accrual basis.

Edelweiss Insurance Brokers Limited

Notes to the financial statements (continued)

1.5 Fixed assets and depreciation

Tangible fixed assets and Capital work in progress

Tangible fixed assets acquired by the Company are reported at acquisition cost, with deductions for accumulated depreciation and impairment losses, if any. The cost of fixed assets comprises purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Capital work in progress comprises the cost of fixed assets that are not ready for its intended use at the reporting date.

Depreciation is provided on a written down value basis from the date the asset is ready for its intended use or put to use whichever is earlier. In respect of assets sold, depreciation is provided upto the date of disposal.

As per the requirement of Schedule II of the Companies Act, 2013, the Company has evaluated the useful lives of the respective fixed assets which are as per the provisions of Part C of the Schedule for calculating the depreciation. The useful lives of the fixed assets are as follows:

Class of asset	Estimated useful life
Furniture and fixtures	10 years
Vehicles	8 years
Office equipment	5 years
Computers and data processing units - Servers and networks	6 years
Computers and data processing units - End user devices, such as desktops, laptops, etc.	3 years

Leasehold improvements are amortised on a straight-line basis over the estimated useful lives of the assets or the period of lease, whichever is shorter.

Intangible fixed assets

Intangible fixed assets are recorded at the consideration paid for the acquisition of such assets and are carried at cost less accumulated amortization and impairment, if any.

Intangibles such as software is amortised over a period of 3 years based on its estimated useful life.

1.6 Impairment of assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired based on internal/external factors. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount is the greater of the net selling price and the value in use of those assets. Value in use is arrived at by discounting the estimated future cash flows to their present value based on an appropriate discount factor. If such recoverable amount of the asset or the recoverable amount of cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of the depreciable historical cost.

Edelweiss Insurance Brokers Limited

Notes to the financial statements (continued)

1.7 Foreign currency transactions

Foreign currency transactions are recorded at the rates of exchange prevailing on the date of the transaction. Exchange differences, if any arising out of transactions settled during the year are recognised in the statement of profit and loss of the year.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the closing exchange rates on that date. The resultant exchange differences, if any, are recognised in the statement of profit and loss and related assets and liabilities are accordingly restated in the balance sheet.

Non monetary assets and liabilities are carried at historical cost using exchange rate on the date of the transaction.

1.8 Employee benefits

The accounting policy followed by the company in respect of its employee benefit schemes in accordance with Accounting Standard 15 (revised 2005), is set out below:

Provident fund

The Company contributes to a recognized provident fund which is a defined contribution scheme. The contributions are accounted for on an accrual basis and recognized in the statement of profit and loss.

Gratuity

The Company's gratuity scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit is calculated by estimating the amount of future benefit that the employees have earned in return for their services in the current and prior periods, that benefit is discounted to determine its present value, and the fair value of any plan assets, if any, is deducted.

The present value of the obligation under such benefit plan is determined based on independent actuarial valuation by an actuary using the Projected Unit Credit Method which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at present values of estimated future cash flows. The discounted rates used for determining the present value are based on the market yields on Government Securities as at the balance sheet date.

Actuarial gains and losses arising from experience adjustments and change in actuarial assumptions are recognised in the statement of profit and loss in the period in which they arise.

Compensated leave absences

The eligible employees of the Company are permitted to carry forward certain number of their annual leave entitlement to subsequent years, subject to a ceiling. The Company recognises the charge to the statement of profit and loss and corresponding liability on account of such non-vesting accumulated leave entitlement based on a valuation by an independent actuary.

1.9 Taxation

Income-tax expense comprises of current tax (i.e. amount of tax for the year determined in accordance with the Income Tax Act, 1961), deferred tax charge or benefit (reflecting the tax effect of timing differences between accounting income and taxable income for the year).

Current tax

Provision for current tax is recognised based on estimated tax liability computed after adjusting for all allowances, disallowances and exemptions in accordance with the Income Tax Act, 1961.

Edelweiss Insurance Brokers Limited

Notes to the financial statements (continued)

1.9 Taxation (continued)

Deferred tax

The deferred tax charge or benefit and the corresponding deferred tax liabilities and assets are recognized using the tax rates that have been enacted or substantially enacted at the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the asset can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realisation of the assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written-up to reflect the amount that is reasonably/virtually certain, as the case may be, to be realised.

Minimum alternative tax (MAT) Credit

MAT credit asset is recognized where there is convincing evidence that the asset can be realized in future. MAT credit assets are reviewed at each balance sheet date and written down or written up to reflect the amount that is reasonably certain to be realised.

1.10 Operating leases

Lease payments for assets taken on operating lease are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.

1.11 Earnings per share

The Company reports basic and diluted earnings per share in accordance with Accounting Standard 20 – “Earnings Per Share”. Basic earnings per share is computed by dividing the net profit after tax attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per share is computed by dividing the net profit after tax attributable to the equity shareholders for the year by the weighted average number of equity shares considered for deriving basic earnings per share and weighted average number of equity shares that could have been issued upon conversion of all potential equity shares.

1.12 Provisions and contingencies

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an economic benefit will arise, the asset and related income are recognised in the period in which the change occurs.

2.21 Segment reporting

The Company has operated only in one business segment during the year viz. Agency business comprising of Insurance advisory and insurance products distribution services. Therefore, the Company has only one reportable business segment, the results of which are disclosed in the financial statements. Since business operations of the Company are concentrated in India, the Company is considered to operate only in domestic segment and therefore there is no reportable geographic segment.

2.22 Earnings per share

In accordance with Accounting Standard 20 on Earnings per share as prescribed under section 133 of the Companies Act, 2013 read with rule 7 of the Companies (Accounts) Rules, 2014, the computation of earnings per share is set out below:

S. No.	Particulars	For the year ended 31 March 2017	For the year ended 31 March 2016
a)	Net amount attributable to the Equity shareholders (as per statement of profit and loss)	42,079,559	43,369,379
b)	Calculation of weighted average number of Equity Shares of Rs 10 each:		
	Number of equity shares at the beginning of the year	695,000	695,000
	Number of equity shares issued during the year	18,05,000	
	Total number of equity shares outstanding at the end of the year	2,500,000	695,000
	Weighted average number of equity shares outstanding during the year (based on the date of issue of shares)	2,326,918	695,000
c)	Basic and diluted earnings per share (in Rupees) (a/b)	18.08	62.40
