Notes:

- 1 The standalone financial results of Edelweiss Financial Services Limited ('EFSL' or 'the Company') for the quarter and year ended 31 March 2017 have been reviewed and recommended by the Audit Committee at its meeting held on 16 May 2017 and approved by the Board of Directors at their meeting held on 17 May 2017.
- 2 During the guarter ended 31 March 2017, the Company has issued 1,349.825 equity shares of face value of ₹ 1 each to the employees on exercise of employee stock options.
- The Board of Directors at their meeting held on 17 May 2017, have recommended a final dividend of ₹ 0.30 per equity share (on face value of ₹ 1 per equity share), subject to the approval of the members at the ensuing Annual General Meeting. In terms of revised Accounting Standard (AS) 4 'Contingencies and Events occurring after the Balance sheet date' as notified by the Ministry of Corporate Affairs through amendments to Companies (Accounting Standards) Amendment Rules, 2016, dated 30 March, 2016, the Company has not appropriated for the recommended final dividend (including tax) from the Statement of Profit and Loss for the year ended 31 March, 2017.
- 4 Based on the opinion of the Expert Advisory Committee of the Institute of Chartered Accountants of India, the Company, from the quarter ended 30 June 2016, is presenting interest income from its group companies on a gross basis under the head income from operations which until then was presented on a net basis. The Company has accordingly presented interest income from its group companies of ₹ 27.13 crores for quarter ended 31 March 2017 and ₹ 100.78 crores for the year then ended on gross basis. Income from operations and finance costs for the quarter and year ended 31 March 2016 are therefore not comparable. This has no impact on the net profit of the Company for the periods.
- 5 Earnings per share for the quarters ended 31 March 2017, 31 December 2016 and 31 March 2016, have been calculated for three months and are not annualised.
