Consistently dominant presence in capital - light businesses

- Our mission is to build successful and dominant businesses that create long-term value for shareholders
 - EFSL contributes capital, brand, risk management and governance for sustainable growth
- Our partners are global entities with impeccable credentials who contribute domain expertise and capital
- Inflection point in growth journey : Our businesses are now moving from interdependence to independence
- For the next phase of growth, we will ensure that we have the best management team and sufficient resources for each of our six verticals
 - Continue to scale these businesses with more partnerships as required
- Aim to unlock value in these businesses for shareholders
 - Format of unlocking can take the most appropriate form that helps business growth

Primacy to creating and unlocking value for shareholders

Sale of 51% Stake in Edelweiss Wealth Management

- We have entered into a stake sale agreement in Wealth Management arm with PAG, largest Asia-focused alternative investment managers
 - They will acquire 51% stake in Edelweiss Wealth Management (EWM) at a post-money valuation of INR 4,400 Cr
 - EWM business consists of Wealth Management and Capital Markets
- This is our largest equity raise in Edelweiss group till date
- Transaction is expected to close in the next 4-6 months subject to regulatory approvals
- All business relationships and synergies with the Edelweiss Group will continue as earlier
- Proceeds generated from the stake sale will be used to de-leverage balance sheet and for equity investments in our other growth businesses
- Our intention is to demerge EWM in the next 12-18 months and list it in due course as a separate entity

This transaction is a visible endorsement of the value created in our Wealth Management arm
