"FY21 has been a year of re-set. Throughout the year, including in Q3, we have focused on fortifying each of our businesses with growth capital, ring-fenced governance structures and operational independence. Our balance sheet is strong with robust equity, lower debt and ample liquidity. Capital adequacy in all entities is at high levels. We are focusing on getting future ready for FY 22 and beyond.

As the Indian economy enters a phase of strong economic growth, it presents exciting opportunities and headroom for growth for each of our businesses. With an expanding customer base across business, we continue to be the trusted custodians of their assets which continue to grow sequentially. Our Mutual Fund business - among the top 15 AMCs, is a market leader in Debt ETF and has seen its SIP book double this year while the industry book size has shrunk. Our Alternatives platform continues to be a market leader in private credit delivering strong returns across strategies. The Wealth Management business with a 30% yoy growth in AUA is building scale, leveraging digitisation. The PAG transaction is progressing as per plan with regulatory approvals in process. Our Life Insurance and General Insurance business continued to outpace industry growth thereby gaining market share. With the economic revival underway, we have resumed asset light lending for housing and SME finance, focusing on disbursements and securitization. ARC recoveries also continue to be strong, even in a year when IBC is suspended.

At Edelweiss, we have steadily created value in each of our businesses over the last 25 years that we will proceed to unlock for the benefit of all shareholders. We look forward to FY22 with excitement at the opportunities ahead, and with confidence that we will be able to exceed customer expectations in each of our businesses sustainably and profitably."

ECdSL has since provided this undertaking to keep sufficient assets amounting to ₹ 460.32 crores belonging to Group companies unencumbered and the said lien order has been set aside. The MCSGF Committee of NSE Clearing Limited ("NCL") vide its order dated 20 October 2020 has directed ECdSL to adhere to instructions of National Stock Exchange ("NSE") / NCL, to appropriately reinstate the securities wherever trading member's clients had credit balance, but the securities got liquidated. ECdSL filed an appeal against the impugned order with Securities Appellate Tribunal ("SAT"). SAT vide its order dated 05 November 2020 has directed ECdSL to give an undertaking to NCL that it will deposit ₹ 212 crores or other amount if so directed by the SAT after disposal of Appeal. ECdSL has since provided the declaration to NCL. The matter is under process of hearing before SAT. The Company believes that it has acted in accordance with the agreement entered with the trading member and in accordance with applicable laws and regulations. - The impact of COVID-19, since March 2020 including changes in customer behaviour and pandemic fears, as well as restrictions on business and individual activities, has led to volatility in global and Indian financial markets and a decrease in global and local economic activity. The extent to which the COVID-19 will continue to impact Group's results, including credit quality and provisions, remain uncertain and would depend upon the time taken for economic activities to fully resume and reach normal levels while there has been visible improvement in economic activities during the current quarter. The Group holds provisions as at 31 December 2020 against the potential impact of COVID-19 based on the information available at this point in time. In accordance with the regulatory package announced by the Reserve Bank of India (RBI) on 27 March 2020, 17 April 2020 and 22 May 2020, the Group has granted a moratorium for the payment of all instalments falling due between 01 March 2020 and 31 August 2020 to all eligible borrowers that have opted to avail the same. The Group has assessed the impact of the COVID-19 pandemic on its liquidity and ability to repay its obligations as and when they are due. Management has considered various stimulus packages announced by the Government of India which will directly or indirectly benefit NBFCs and Group's lenders to extend moratorium and various other financial support from other banks and other agencies in determining the Group's liquidity position over the next 12 months. Based on the foregoing and necessary stress tests considering various scenarios, management believes that the Group will be able to pay its obligations as and when these become due in the foreseeable future. In assessing the recoverability of loans, receivables, intangible assets including goodwill, deferred tax assets and investments, the Group has considered internal and external sources of information, including credit reports, economic forecasts and industry reports up to the date of approval of these financial results. Since the situation continue to evolve, its effect on the operations of the Group may be different from that estimated as at the date of approval of these financial results. The Group will continue to closely monitor material changes in markets and future economic conditions.
- Hon'ble Supreme Court in a public interest litigation (Gajendra Sharma vs. Union of India & Anr) vide an interim order dated 03 September 2020 (interim order) has directed that accounts which were not declared NPA till 31 August 2020 shall not be declared as NPA till further orders. Basis the said interim order, the Group has not classified any account as NPA, as per RBI norms, after 31 August 2020 which was not NPA as of 31 August 2020. Further in light of the interim order, even accounts that would have otherwise been classified as NPA post 31 August 2020 have not been and will not be, classified as NPA till such time the Hon'ble Supreme Court rules finally on the matter. Such accounts have been classified as per Ind-AS and provisioned accordingly.
- The Indian Parliament has approved the Code on Social Security, 2020 which subsumes the Provident Fund and the Gratuity Act and rules there under. The Ministry of Labour and Employment has also released draft rules thereunder on 13 November 2020 and has invited suggestions from stakeholders which are under active consideration by the Ministry. Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Consolidated Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to
The Board of Directors
Edelweiss Financial Services Limited

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of Edelweiss Financial Services Limited (the "Holding Company"), its subsidiaries and its trusts (the Holding Company, its subsidiaries and its trusts together referred to as "the Group"), for the quarter ended December 31, 2020 and year to date from April 1, 2020 to December 31, 2020 (the "Statement") attached herewith, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the subsidiaries and trusts (Refer Annexure A).
5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We draw attention to Note 10 to the Statements, which describes the economic and social disruption as a result of COVID-19 pandemic of the Group's business and financial metrics including the Group's estimates of impairment of loans, financial assets, investments, investment in properties and intangible assets (including goodwill) which are highly dependent on uncertain future developments. Our opinion is not modified in respect of this matter.
7. The accompanying Statement includes the unaudited interim financial results and other financial information, in respect of:
 - 34 subsidiaries, whose unaudited interim financial results include total revenues of Rs. 1050.61 crores and Rs. 2682.94 crores, total net loss after tax of Rs. 110.29 crores and Rs. 271.81 crores, total comprehensive loss of Rs. 68.96 crores and Rs. 238.57 crores, for the quarter ended December 31, 2020 and the period ended on that date respectively, as considered in the Statement which have

been reviewed by their respective independent auditors. The independent auditor's reports on interim financial information/ financial results of these entities have been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures in respect of these subsidiaries is based solely on the report of such auditors and procedures performed by us as stated in paragraph 3 above.

- The auditors of Edelweiss Tokio Life Insurance Company Limited (ETLIFE), a subsidiary, have reported that the actuarial valuation of liabilities of ETLIFE for life policies in force and for policies in respect of which premium has been discontinued but liability exists as at December 31, 2020 is the responsibility of ETLIFE's Appointed Actuary. The actuarial valuation of these liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists as at December 31, 2020 has been duly certified by the ETLIFE 's Appointed Actuary and in his opinion, the assumptions for such valuation are in accordance with Ind AS 104 "Insurance Contracts", Ind AS 109 "Financial Instruments", the guidelines and norms issued by the Insurance Regulatory and Development Authority of India ('IRDAI') and the Institute of Actuaries of India in concurrence with IRDAI. ETLIFE's auditors have relied upon the ETLIFE's Appointed Actuary's certificate for expressing their conclusion in this regard.
- The auditors of Edelweiss General Insurance Company Limited (EGICL), a subsidiary, have reported that the actuarial valuation of liabilities of EGICL for Incurred But Not Reported and Incurred But Not Enough Reported claims of EGICL as at December 31, 2020 is the responsibility of EGICL's Appointed Actuary. The actuarial valuation of these liabilities has been duly certified by the EGICL's Appointed Actuary and in his opinion, the assumptions for such valuation are in accordance with Ind AS 104 "Insurance Contracts", the guidelines and norms issued by the IRDAI and the Institute of Actuaries of India in concurrence with IRDAI. EGICL's auditors have relied on the EGICL's Appointed Actuary's certificate for expressing their conclusion in this regard.

Our conclusion on the Statement in respect of matters stated in para 7 above is not modified with respect to our reliance on the work done and the reports of the other auditors.

Independent Auditor's Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to
The Board of Directors of
Edelweiss Financial Services Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of Edelweiss Financial Services Limited (the "Company") for the quarter ended December 31, 2020 and year to date from April 1, 2020 to December 31, 2020 ("Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw attention to note 7 of the Statement, which describes the economic and social disruption as a result of COVID-19 pandemic of the Company's business and financial metrics including the Company's estimates of impairment of investments and other assets, which are highly dependent on uncertain future developments. Our conclusion is not modified in respect of this matter.
