INDEPENDENT AUDITOR'S REPORT

To the Members of Edelweiss Trusteeship Company Limited

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of **Edelweiss Trusteeship Company Limited** ("the Company"), which comprise the Balance sheet as at March 31 2022, the Statement of Profit and Loss, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the standalone Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the Director's Report, but does not include the standalone Ind AS financial statements and our auditor's report thereon. The Director's report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

Responsibilities of Management for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with [the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable

assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS
 financial statements, including the disclosures, and whether the standalone Ind
 AS financial statements represent the underlying transactions and events in a
 magner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to

communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued
 by the Central Government of India in terms of sub-section (11) of section 143 of
 the Act, based on our audit and the other financial information we give in the
 "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the
 Order.
- 2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these standalone Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report;
 - (g) In our opinion, and according to the information and explanation given to us, no remuneration has been paid by the company to its directors during the current year. Hence we have nothing to report in this regard.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. The Company has not declared and paid any dividend during the year which requires any compliance with respect to section 123 of the Act.

Annexure A to the Independent Auditor's Report – 31st March 202D2 (Referred to in our report of even date)

- i. According to the information and explanations given to us and on an overall examination of the book of accounts of the Company, the Company does not hold any property, plant and equipment or intangible assets in the current financial year. Thus, paragraph 3(i) of the Order is not applicable to the company.
- ii. (a) The Company is a service company, primarily providing trusteeship services. Accordingly, it does not hold any inventories. Thus, paragraph 3(ii)(a) of the Order is not applicable to the Company.
 - (b) The Company has not been sanctioned any working capital limits in excess of five crore rupees, in aggregate from banks or financial institutions on the basis of the security of current assets. Thus, paragraph 3(ii)(b) of the Order is not applicable to the Company.
- iii. According to the information and explanations given to us, the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties Thus, paragraph 3(iii) of the Order is not applicable to the Company.
- iv. In our opinion and according to the information and explanations given to us, the Company has not advanced any loans, made investments, given any guarantee or provided any security in connection with loan to any of its Directors or to any person in whom the Director is interested under the provisions of section 185 and 186 of the Act. Thus, paragraph 3(iv) of the Order is not applicable to the Company.
- v. According to information and explanations given to us, the Company has not accepted any deposits within the meaning of section 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules 2014 (as amended). Accordingly, the provisions of Clause 3(v) of the Order are not applicable to the Company.
- The maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.
- vii. In respect of statutory dues:
 - (a) According to information and explanation given to us and on the basis of our examination of the books of account, amounts deducted / accrued in the

books of account in respect of undisputed statutory dues including income tax, goods and services tax, and other material statutory dues have been regularly deposited during the year by the company. The provisions related to employee's state insurance, investor education and protection fund, sales tax, wealth tax, customs duty, excise duty and cess are not applicable to the company.

- (b) According to the information and explanation given to us, no undisputed amounts payable in respect of income tax, goods and services tax, provident fund and other undisputed statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable. The provisions related to employee's state insurance, investor education and protection fund, sales tax, wealth tax, customs duty, excise duty and cess are not applicable to the company.
- (c) According to the information and explanation given to us, there are no dues of income tax, goods and services tax, provident fund and other material statutory dues which have not been deposited on account of any dispute. The provisions related to employee's state insurance, investor education and protection fund, sales tax, wealth tax, customs duty, excise duty and cess are not applicable to the company.
- viii. According to information and explanations given to us, the Company has not surrendered or disclosed any unrecorded transaction as income during the year in the tax assessments under the Income Tax Act, 1961. Hence, the provisions of Clause 3(viii) of the Order are not applicable to the Company.
- ix. The Company has not taken any loans or borrowings from any financial institution banks or government. Hence, the provisions of Clause 3(ix) of the Order are not applicable to the Company.
- x. In our opinion and according to the information and explanations given to us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) or made any preferential allotment or private placement of shares of debentures (fully or partly or optionally) during the year. Thus, paragraph 3(x) of the Order is not applicable to the Company.
- xi. (a) Accordingly to information and explanation provided to us, no fraud by the Company or no fraud on the Company has been noticed or reported during the year. Accordingly, the provisions of Clause 3(xi)(a) of the Order are not applicable to the Company.

- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government. Accordingly, the provisions of Clause 3(xi)(b) of the Order are not applicable to the Company.
- (c) As represented by the management, there are no whistle blower complaints received by the Company during the year.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company as per the Act. Thus, paragraph 3(xii) of the Order is not applicable to the company.
- xiii. According to the information and explanations given to us, transactions with the related parties are in compliance with section 177 and 188 of the Act, where applicable and details have been disclosed in the Ind AS Financial Statements as required by the applicable accounting standards.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
 - (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. According to the information and explanations given to us and based on our examination of the records of the company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- xvi. According to the information and explanations given to us, since the company is engaged in rendering trusteeship services, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934. Thus, paragraph 3(xvi) of the Order is not applicable to the company.
- xvii. In our opinion and according to the information and explanations given to us, the Company has not incurred any cash losses during the year or in the immediately preceding financial year.
- xviii. In our opinion and according to the information and explanations given to us, there has been no resignation of statutory auditors during the year. Accordingly, the provisions of Clause 3(xviii) of the Order are not applicable to the Company.

- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Ind AS Financial Statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. In our opinion and according to the information and explanations given to us, the provisions of section 135 are not applicable. Accordingly, the provisions of Clause 3(xx) of the Order are not applicable to the Company.
- xxi. In our opinion and according to the information and explanations given to us, the Company is not required to prepare consolidated financial statements for the year under review. Accordingly, the provisions of Clause 3(xxi) of the Order are not applicable to the Company.

Annexure B to the Independent Auditor's Report on the financial statements of Edelweiss Trusteeship Company Limited for the year ended 31st March, 2022

Report on the Internal Financial Controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

(Referred to in paragraph (A.f.) under Report on Other Legal and Regulatory Requirements section of our report of even date)

Opinion

We have audited the internal financial controls over financial reporting of **Edelweiss Trusteeship Company Limited** ("the Company") as of March 31 2022 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these standalone Ind AS financial statements and such internal financial controls over financial reporting with reference to these standalone Ind AS financial statements were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these standalone Ind AS financial statements

based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these standalone Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements.

Meaning of Internal Financial Controls Over Financial Reporting With Reference to these Financial Statements

A company's internal financial control over financial reporting with reference to these standalone Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these standalone Ind AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely

detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting With Reference to these Standalone Ind AS Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these standalone Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

1. Significant Accounting Policies

Company overview

Edelweiss Trusteeship Company Limited (the 'Company') was incorporated in India with limited liability on September 03, 2007. The Company is a subsidiary of Edelweiss Financial Services Limited, a company registered in India.

The principal object of the Company is to act as trustee for mutual funds, perform the functions and duties of a trustee, execute trusts of all kind and transact all kinds of trust, agency or fiduciary business. The Company has been appointed as the trustee of Edelweiss Mutual Fund (the 'Fund'), vide a trust deed dated January 30, 2008, (the 'Deed') between itself, Edelweiss Financial Services Limited (the 'Settler/ Sponsor') and Edelweiss Asset Management Limited (the 'AMC').

1.1 Basis of preparation and recent accounting developments

Basis of preparation

a) Statement of compliance

The Company's financial statements have been prepared in accordance with the provision of the Companies Act, 2013 and the Indian Accounting Standards (hereinafter referred to as the "Ind AS") as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with rule 3 of Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (the 'ICAI') are also applied except where compliance with other statutory promulgations requires a different treatment.

b) Basis of accounting

The company maintains accounts on accrual basis following the historical cost convention, except for certain financial instruments that are measured at fair value in accordance with Ind AS.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirely:

- Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 Inputs are inputs, other than quoted prices included in level 1, that are observable for the asset or liabilities, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the valuation of assets/liabilities.

c) Presentation of financial statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 (the 'Act'). The statement of cash flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

d) Functional and presentation currency

Indian Rupees (₹) is the Company's functional currency and the currency of the primary economic environment in which the Company operates. Accordingly, the management has determined that financial statements are presented in Indian Rupees (₹). All amounts have been rounded-off to the nearest rupee upto two decimal places, unless otherwise indicated.

e) Basis of measurement

The Ind AS financial statements has been prepared on the historical cost basis except for the following items:

| Items | Measurement basis |
|--------------------------------------|-------------------|
| Certain financial instruments (as | Fair value |
| explained in the accounting policies | |
| below) | |

f) Use of estimates and judgments

In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, revenue and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

Assumptions and estimation uncertainties

Information about critical judgments, assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ended March 31, 2022 is included in the following notes:

- Note 27 Recognition and measurement of contingencies, if any;
- Note 20 Financial instruments Fair values and risk management

g) Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values.

The objective of valuation techniques is to arrive at a fair value measurement that reflects the price that would be received on sale of asset or paid to transfer the liability in an orderly transaction between market participants at the measurement date.

Valuation models that employ significant unobservable inputs require a higher degree of judgment and estimation in the determination of fair value. Judgment and estimation are usually required for selection of the appropriate valuation methodology, determination of expected future cash flows on the financial instrument being valued, determination of probability of counterparty default and selection of appropriate discount rates.

The management regularly reviews significant unobservable inputs and valuation adjustments. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques:-

- i) **Level 1:** Inputs that are quoted market prices (unadjusted) in active markets for identical instruments. This includes NAV valuations.
- ii) Level 2: Inputs other than quoted prices included within Level 1 that are observable either directly (i.e. as prices) or indirectly (i.e. derived from prices). This includes price of the similar instrument, at the time of valuation.
- iii) Level 3: Inputs that are unobservable. This category includes all instruments for which the valuation technique includes inputs not based on observable data and the unobservable inputs have a significant effect on the instrument's valuation. This includes pricing basis discounted cash flow and adjusted net assets value methods.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

1.2 Standards issued but not yet effective

There are no new standard or amendment issued but not effective.

1.3 Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks.

1.4 Financial instruments:

i. Recognition and initial measurement

All other financial assets and financial liabilities are initially recognized when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability which is not recognized at Fair Value through Profit and Loss, is initially measured at fair value plus, for an item not at fair value through profit and loss, transaction costs that are directly attributable to its acquisition or issue.

ii. Classification and subsequent measurement

Financial assets

The Company classifies all of its financial assets based on the business model for managing the asset's contractual terms, measured at either:

- Amortized cost
- Fair value through profit or loss [FVTPL]

Financial assets at fair value through profit or loss

Financial assets in this category are those that are not held for trading and have been either designated by management upon initial recognition or are mandatorily required to be measured at fair value under Ind AS 109.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified and measured at amortized cost or FVTPL. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss.

iii. Derecognition

Financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Financial liabilities

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognized in Statement of profit and loss.

1.5 Revenue recognition

i. Rendering of services

The Company recognizes revenue from contracts with customers based on a five step model as set out in Ind AS 115 to determine when to recognize revenue and at what amount.

Revenue is measured based on the consideration specified in the contract with a customer. Revenue from contracts with customers is recognized when services are provided and it is highly probable that a significant reversal of revenue is not expected to occur.

ii. Nature of goods and services

The Company principally generates revenue by providing trusteeship services to Mutual fund.

| Services | Nature, timing of satisfaction of performance obligations and significant payment terms |
|-----------------|---|
| Trusteeship Fee | The Company has been appointed as trustee to Edelweiss Mutual Fund. The Company receives trusteeship fees from the Edelweiss Mutual Fund which is charged and is accounted on accrual basis at rates approved by the Board of Directors of the Company. |

1.6 Provisions (other than employee benefits)

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Where the probability of outflow is considered to be remote, or probable, but a reliable estimate cannot be made, a contingent liability is disclosed. Given the subjectivity and uncertainty of determining the probability and amount of losses, the Company takes into account a number of factors including legal advice, the stage of the matter and historical evidence from similar incidents.

1.7 Income tax

Income tax expense represents the sum of the tax currently payable and deferred tax.

i. Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

ii. Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

Deferred tax assets are also recognized with respect to carry forward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the unused tax losses and unused tax credits can be utilized.

It is probable that taxable profit will be available against which a deductible temporary difference, unused tax loss or unused tax credit can be utilized when there are sufficient taxable temporary differences which are expected to reverse in the period of reversal of deductible temporary difference or in periods in which a tax loss can be carried forward or back. When this is not the case, deferred tax asset is recognized to the extent it is probable that:

- the entity will have sufficient taxable profit in the same period as reversal of deductible temporary difference or periods in which a tax loss can be carried forward or back; or
- Tax planning opportunities are available that will create taxable profit in appropriate periods.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

1.8 Earnings per share (EPS)

Basic earnings per share are computed by dividing the net profit after tax attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding for the year.

Diluted earnings per share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per share is computed by dividing the net profit after tax attributable to the equity shareholders for the year by weighted average number of equity shares considered for deriving basic earnings per share and weighted average number of equity shares that could have been issued upon conversion of all potential equity shares.

1.9 Retirement and other employee benefit

Provident fund

The Company contributes to a recognised provident fund which is a defined contribution scheme. The contributions are accounted for on an accrual basis and recognised in the statement of profit and loss.

Gratuity

The Company's gratuity scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that the employees have earned in return for their service in the current and prior periods, that benefit is discounted to determine its present value, and the fair value of any plan assets, if any, is deducted. The present value of the obligation under such benefit plan is determined based on independent actuarial valuation using the Projected Unit Credit Method.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur.

Remeasurements are not reclassified to profit or loss in subsequent periods

Compensated Absences

The eligible employees of the Company are permitted to carry forward certain number of their annual leave entitlement to subsequent years, subject to a ceiling. The Company recognises the charge in the statement of profit and loss and corresponding liability on such non-vesting accumulated leave entitlement based on a valuation by an independent actuary. The cost of providing annual leave benefits is determined using the projected unit credit method.

1.10 Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest million as per the requirements of Schedule III, unless otherwise stated.

20. Earnings per share

Basic earnings per share (EPS) are calculated by dividing the net profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year.

Diluted EPS is calculated by dividing the net profit attributable to equity holders by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on the conversion of all the dilutive potential ordinary shares into ordinary shares.

The following table shows the income and share data used in the basic and diluted EPS calculations:

| Particulars | For the year ended | For the year ended |
|---|--------------------|--------------------|
| | March 31, 2022 | March 31, 2021 |
| a) Net amount attributable to the equity shareholders | 57,716 | 163,070 |
| (as per statement of profit and loss) | | |
| b) Weighted average number of equity shares outstanding | 100,000 | 100,000 |
| during the year (based on the date of issue of shares) | | |
| c) Basic and diluted earnings per share (in Rupees) (a/b) | 0.58 | 1.63 |
| (Face value Rs. 10 per share) | | |

21. Segment reporting

The Company is in the business of providing trusteeship services to Edelweiss Mutual Fund. Accordingly, there is no separate reportable segment and hence, no disclosure is made under Indian Accounting Standard 108 — Operating Segment Reporting. Further, segmentation based on geography has not been presented as the Company operates only in India.

There is only one customer contributing in excess of 10% of the total revenue of the Company.

The amounts for the same are as follows:

| Do ation la ma | For the year ended | For the year ended |
|-----------------------|--------------------|--------------------|
| Particulars | March 31, 2022 | March 31, 2021 |
| Edelweiss Mutual Fund | 35,00,000 | 16,24,999 |

24. Recognition and measurement of contingencies:

There are no outstanding contingencies as on March 31 2022 (Previous Years: Nil).

25. Financial Risk Management and fair value hierarchy:

Capital Management

Equity share capital and other equity are considered for the purpose of Company's capital management. The Company manages its capital so as to safeguard its ability to continue as a going concern and to optimize returns to the Shareholders. The Board of Directors monitors the return on capital of the Company. The Company may take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

Financial Instruments

A) Classification and fair values of financial assets & liabilities

The following table shows the carrying amounts of financial assets and financial liabilities.

Notes to the financial statements (Continued)

(Currency: Indian Rupees)

| | Carrying amount | |
|-------------------------------------|-----------------|----------------|
| | As at | As at |
| Particulars | March 31, 2022 | March 31, 2021 |
| Financial assets | | |
| Non - current investments (Level 1) | 245,282 | 236,331 |
| Current investments (Level 1) | 4,485,501 | 4,321,812 |
| Trade receivables | 315,000 | 322,292 |
| Cash and cash equivalents | 489,835 | 666,361 |
| Total | 5,535,618 | 5,546,796 |
| Financial liabilities | | |
| Trade payables | 87,739 | 88,273 |
| Other financial liabilities | 500,000 | 530,456 |
| Total | 587,739 | 618,729 |

The financial assets include investments which are measured at FVTPL and categorised into fair value hierarchy as Level 1.

The financial assets excluding investments are not measured at FVTPL which includes cash and cash equivalents and trade receivables. These are the financial assets whose carrying amount approximate fair value, because of their short term nature.

Additionally, financial liabilities includes trade payables not measured at FVTPL whose carrying amount approximate fair value, because of their short term nature.

B) Financial risk management

The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The financial risks are managed in accordance with the Company's risk management policy which has been approved by its Board of Directors. The Company's board of directors has overall responsibility for managing the risk profile of the company. The purpose of risk management is to identify potential problems before they occur, so that risk-handling activities may be planned and invoked as needed to manage adverse impacts on achieving objectives.

Notes to the financial statements (Continued)

(Currency: Indian Rupees)

The Company has exposure to the following risks arising from financial instruments:

| Risk | Exposure arising from |
|--------------------|-----------------------|
| i) Credit risk | Financial assets |
| ii) Liquidity risk | Financial liabilities |
| iii) Market risk | Financial assets |

i) Credit risk

Credit risk arises when a customer or counterparty does not meet its obligations under a customer contract or financial instrument, leading to a financial loss. The Company is exposed to credit risk from its operating activities primarily trade receivables. Company has no significant concentration of credit risk with any counterparty.

Company's management policy is to closely monitor creditworthiness of counterparties by reviewing their financial statements on regular basis.

Company's financial assets subject to the expected credit loss model within Ind AS 109 are only short-term trade and other receivables. All trade receivables are expected to be received in three months or less.

Company is exposed to credit risk on mutual fund investments, however this investment are not subjected to Ind AS 109 impairment requirements as they are measured at FVTPL. The carrying value of these investments, under Ind AS 109 represents the Company's maximum exposure to credit risk on financial instruments not subject to the Ind AS 109 impairment requirements on the respective reporting dates.

| Particulars | As at | As at |
|---------------------------------|----------------|----------------|
| | March 31, 2022 | March 31, 2021 |
| Maximum exposure to credit risk | 55,35,618 | 55,46,796 |

ii) Liquidity Risk:

Liquidity risk is defined as the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Exposure to liquidity risk arises because of the possibility that the Company could be required to pay its trade payables earlier than expected.

Notes to the financial statements (Continued)

(Currency: Indian Rupees)

The company's policy is to satisfy repayment requests by withdrawal of cash deposits.

| | | Contractual cash flows | | | |
|-----------------------------|-----------------|------------------------|----------------|------------------|--|
| As at March 31, 2022 | Carrying amount | Total | 1 year or less | More than 1 year | |
| Financial liabilities | | | | | |

| Other financial liabilities | 500,000 | 500,000 | 500,000 | - | |
| Total | 587,739 | 587,739 | 587,739 | | |

| | | Co | ntractual cash flow | rs |
|-----------------------------|-----------------|---------|---------------------|------------------|
| As at March 31, 2021 | Carrying amount | Total | 1 year or less | More than 1 year |
| Financial liabilities | | | | |
| Trade payables | 88,273 | 88,273 | 88,273 | - |
| Other financial liabilities | 437,600 | 437,600 | 437,600 | |
| Total | 525,873 | 525,873 | 525,873 | 8 |

iii) Market risks

Risk which can affect the Company's income or the value of its holdings of financial instruments due to adverse movements in market prices of instrument due to price risk. The objective of the Company's market risk management is to manage and control market risk exposures within acceptable parameters.

Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's financial Instruments. All of the company's interest rate risk exposure is at a fixed rate. Therefore, a change in interest rates at the reporting date would not affect statement of profit and loss for any of these fixed interest bearing financial instruments. Fair value can change due to change in interest rate.

Notes to the financial statements (Continued)

(Currency: Indian Rupees)

The interest rate profile of the company's interest-bearing Investments financial instruments is as follows:

| Particulars | As at | As at |
|--|----------------------|----------------------|
| | March 31, 2022 | March 31, 2021 |
| Investment in debt oriented mutual fund Non-current investments | | |
| Current investments | 245,282 4,485,501 | 236,331 4,321,812 |
| Total | 4,730,783 | 4,558,143 |

26. Covid -19

The outbreak of the COVID-19 pandemic had led to a nationwide lockdown in April - May 2020. This was followed by localised lockdown in areas with significant number of COVID-19 cases. Following the easing of lockdown measures, there was an improvement in economic activity in the second half of fiscal 2021. Since then, our country experienced two waves of COVID - 19 pandemic following the discovery of mutant coronavirus variants. These waves led to temporary reimposition of localised/regional lockdown, that were subsequently lifted.

27. Disclosure pursuant to Indian Accounting Standard 19 - Employee Benefits

A) Defined contribution plan (provident fund):

C) Compensated leave absences

The liability for Compensated absences as determined by Independent actuary as at the balance sheet date is Rs. 29,000/- (March 2021 Rs.12000)

28. Cost sharing

Edelweiss Financial Services Limited, being the holding company along with fellow subsidiaries incurs expenditure like Group mediclaim, insurance, rent, electricity charges etc. which is for the common benefit of itself and its certain subsidiaries, fellow subsidiaries including the Company. This cost so expended is reimbursed by the Company on the basis of number of employees, time spent by employees of other companies, actual identifications etc. Accordingly, and as identified by the management, the expenditure heads in note 16 and 17 include reimbursements paid and are net of reimbursements received based on the management's best estimate.

29. Provident Fund

The Supreme Court has recently, delivered its ruling on the composition of basic wages for the purposes of deduction and contribution to the Employees Provident and Pension funds. The company, in the interest of its employees, awaits clarity on the complexities revolving around the application of the said order, the ambiguity reflected by the divergent views of legal experts and the response/direction from the authorities, including on representations made by an industry association in this regard.
