Corporate Identity Number: U65999MH2008NPL182809

Financial Statement for the year ended March 31, 2025

INDEPENDENT AUDITOR'S REPORT

To the Members of EdelGive Foundation

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying financial statements of EdelGive Foundation ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Income and Expenditure, including the Statement of Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the Financial Statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as the "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its deficit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Board's report, but does not include the Financial Statements and our auditor's report thereon ("other information"). The Board's report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that

Registered office: 2nd Floor, B-27 Soami Nagar, New Delhi-110017

Ph.: +91 22 4474 3400, email: info@nangia.com, website: www.nangia.com

LLP Registration NO. AAJ-1379 | (registered with limited liability)

Noida - New Delhi - Gurugram - Mumbai - Bengaluru - Chennai - Pune - Dehradun

there is a material misstatement of this other information, we are required to report that fact.

Responsibilities of Management and Board of Directors for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including Other Comprehensive Income, Cash Flows and Changes in Equity of the Company, in accordance with the accounting principles generally accepted in India, including Ind AS. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls; that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Management and Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Registered office: 2nd Floor, B-27 Soami Nagar, New Delhi-110017

Corporate Office: Fourth Floor, Iconic Tower, URMI Estate, Ganpat Rao Kadam Marg, Lower Parel, Mumbai - 400013

LLP Registration NO. AAJ-1379 | (registered with limited liability)

Noida - New Delhi - Gurugram - Mumbai - Bengaluru - Chennai - Pune - Dehradun

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Financial Statements, including the disclosures and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. This Report does not contain a statement on the matters specified in paragraphs 3 and 4 of the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, as, in our opinion, and according to the information and explanations given to us, the Order is not applicable in case of the company.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Income and Expenditure including the Statement of Other Comprehensive Income, and the Statement of Cash Flow and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid Financial Statements comply with the Ind AS;
 - (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act;

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Financial Statements and the operating effectiveness of such controls, refer to our separate Report in “Annexure 1” to this report;
- (g) In our opinion, no managerial remuneration was paid/ provided for the year ended March 31, 2025 by the company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
- (h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position - Refer Note 20 to the Financial Statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in Note 42 to the Financial Statements during the year no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in Note 42 to the Financial Statements, during the year no funds have been received by the Company from any person or entity, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year;

NANGIA & CO LLP

CHARTERED ACCOUNTANTS

- vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

“ANNEXURE 1” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF EDELGIVE FOUNDATION

[Referred to in paragraph 2 (f) under ‘Report on Other Legal and Regulatory Requirements’ in the Independent Auditors’ Report of even date to the Members of Edelgive Foundation on the Financial Statements for the year ended March 31, 2025]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

To
The Members of EdelGive Foundation

We have audited the internal financial controls over financial reporting of EdelGive Foundation (“the Company”) as of March 31, 2025 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation, and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by the Institute of Chartered Accountants of India and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

Registered office: 2nd Floor, B-27 Soami Nagar, New Delhi-110017

Corporate Office: Fourth Floor, Iconic Tower, URMI Estate, Ganpat Rao Kadam Marg, Lower Parel, Mumbai - 400013

Ph.: +91 22 4474 3400, email: info@nangia.com, website: www.nangia.com

LLP Registration NO. AAJ-1379 | (registered with limited liability)

Noida - New Delhi - Gurugram - Mumbai - Bengaluru - Chennai - Pune - Dehradun

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

EdelGive Foundation

Notes to the financial statement for the year ended 31 March 2025

1. 1.1. Corporate information

EdelGive Foundation ('the Company') is incorporated on May 29, 2008, as non-profit company under Section 25 of the Companies Act, 1956 (presently referred as Section 8 of the Companies Act, 2013). The Company is a subsidiary of Edelweiss Financial Services Limited.

The Company's primary focus is in the areas of education, women empowerment and livelihood by building sustainable organisations that promotes social growth and innovation.

1.2 Basis of preparation:

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time). The company has prepared financials in accordance with the recognition and measurement principles as laid down in IndAS, prescribed under Section 133 of the Companies Act 2013 ('the Act') read with relevant rules issued thereunder and the other accounting principles generally accepted in India.

These financial statements have been prepared on a historical cost basis, except for certain instruments such as financial assets and Financial Liabilities measured at FVTPL which have been measured at Fair Value. The financial statements are presented in Indian Rupees (INR)

1.3 Presentation of financial statements

The Company presents its balance sheet in order of liquidity in compliance with the Division II of the Schedule III to the Companies Act, 2013.

Financial assets and financial liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

- The normal course of business
- The event of default
- The event of insolvency or bankruptcy of the Company and or its counterparties

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle or it is held primarily for the purpose of being traded or it is expected to be realized within 12 months after the reporting date or it is cash or cash equivalent unless it is restricted from being exchanged or expected to be used to settle a liability for at least 12 months after the reporting date. Current assets include the current portion of non-current assets. All other assets are classified as non-current.

EdelGive Foundation

Notes to the financial statement for the year ended 31 March 2025

Liabilities

A liability is classified as current when it is expected to be settled in the company's normal operating cycle or it is held primarily for the purpose of being traded or it is due to be settled within 12 months after the reporting date or the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification. Current liabilities include current portion of non-current liabilities. All other liabilities are classified as non-current.

1.4 Material accounting policies

1.4.1. Recognition of Receipts and interest income

1.4.1.1 Donation mobilized

Donations/grants received are recognized on

1. General Donations

General Donations are recognized as income in the year of receipt in the statement of Income and Expenditure

2. Specific Donations

Amounts received with a specific direction from donors towards a particular project for more than a financial year is recognized as income, only to the extent of cost incurred in that financial year and balance is recorded as liability.

3. Corpus Donation:

Amounts received with a specific direction from donors that such amounts shall form a part of Corpus of the Company are credited as Corpus Fund and disclosed as a liability in Balance Sheet.

1.4.1.2 Interest income

Interest income is recognized on a time proportion basis taking into account, the amount outstanding and the rate applicable.

1.4.2 Financial instruments

1.4.2.1 Date of recognition:

Financial Assets and liabilities are initially recognised at Trade date i.e. the date that company becomes a party to the contractual provisions of the instrument. This includes regular way trades; purchases or sales of financial assets that require delivery of assets within the time frame generally established by regulation or convention in the market place.

1.4.2.2 Initial measurement of financial instruments:

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and

Notes to the financial statement for the year ended 31 March 2025

financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

1.4.2.3 Day 1 profit and loss:

When the transaction price of the financial instrument differs from the fair value at origination and the fair value is based on a valuation technique using only inputs observable in market transactions, the Company recognises the difference between the transaction price and fair value in net gain on fair value changes. In those cases where fair value is based on models for which some of the inputs are not observable, the difference between the transaction price and the fair value is deferred and is only recognised in profit or loss when the inputs become observable, or when the instrument is derecognised.

1.4.2.4 Classification & measurement categories of financial assets and liabilities:

The Company classifies all of its financial assets based on the business model for managing the assets and the asset's contractual terms, measured at either:

Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The changes in carrying value of financial assets is recognised in profit and loss account.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The changes in fair value of financial assets is recognised in Other Comprehensive Income.

Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL. The Company measures all financial assets classified as FVTPL at fair value at each reporting date. The changes in fair value of financial assets is recognised in Profit and loss account.

1.4.3 Financial assets and liabilities:

1.4.3.1 Amortized cost

The amortised cost of a financial asset is the amount at which the financial asset is measured at initial recognition minus the principal repayments, plus the cumulative amortisation using the effective interest method of any difference between that initial amount and the maturity amount, adjusted for any loss allowance. On the other hand,

EdelGive Foundation

Notes to the financial statement for the year ended 31 March 2025

the gross carrying amount of a financial asset is the amortised cost of a financial asset before adjusting for any loss allowance.

1.4.3.2 Financial assets at fair value through profit or loss:

Financial assets in this category are those that are not held for trading and have been either designated by management upon initial recognition or are mandatorily required to be measured at fair value under Ind AS 109. Management only designates an instrument at FVTPL upon initial recognition when one of the following criteria are met. Such designation is determined on an instrument-by-instrument basis.

The designation eliminates, or significantly reduces, the inconsistent treatment that would otherwise arise from measuring the assets or liabilities or recognising gains or losses on them on a different basis; or

Financial assets at FVTPL are recorded in the balance sheet at fair value. Changes in fair value are recorded in statement of income and expenditure with the exception of movements in fair value of liabilities designated at FVTPL due to changes in the Company's own credit risk. Such changes in fair value are recorded in the own credit reserve through OCI and do not get recycled to the profit or loss. Interest earned or incurred on instruments designated at FVTPL is accrued in interest income or finance cost, respectively, using the EIR, taking into account any discount/ premium and qualifying transaction costs being an integral part of instrument. Interest earned on assets mandatorily required to be measured at FVTPL is recorded using contractual interest rate.

1.4.4 Reclassification of financial assets and liabilities:

The Company does not reclassify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances in which the Company acquires, disposes of, or terminates a business line. The Company didn't reclassify any of its financial assets or liabilities in current period and previous period.

1.4.4.1 Recognition of financial assets and liabilities

Financial Assets and liabilities are initially recognised at Trade date i.e. the date that company becomes a party to the contractual provisions of the instrument. This includes regular way trades; purchases or sales of financial assets that require delivery of assets within the time frame generally established by regulation or convention in the market place.

1.4.4.2 Derecognition of financial assets and liabilities

A transfer only qualifies for derecognition if either:

- The Company has transferred substantially all the risks and rewards of the assets; or
- The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset

The Company considers control to be transferred if and only if, the transferee has the practical ability to sell the asset in its entirety to an unrelated third party and is able to exercise that ability unilaterally and without imposing additional restrictions of the transfer.

1.4.5 Impairment of financial assets:

The Company records provisions based on expected credit loss model (“ECL”) on all loans, other debt financial assets measured at amortised cost together with undrawn loan commitment and financial guarantee contracts, in this section all referred to as “Financial instrument”. Equity instruments are not subject to impairment.

ECL is a probability of weighted estimate of credit losses. A credit loss is the difference between the cash flows that are due to an entity in accordance with the contract and the cash flows that the entity expects to receive discounted at the original effective interest rate. Because ECL consider the amount and timing of payments, a credit loss arises even if the entity expects to be paid in full but later than when contractually due.

Simplified approach

The Company follows ‘simplified approach’ for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. The Company uses a provision matrix to determine impairment loss allowance on portfolio of its receivables. The provision matrix is based on its historically observed default rates over the expected life of the receivables. However, if receivables contain a significant financing component, the Company chooses as its accounting policy to measure the loss allowance by applying general approach to measure ECL.

1.4.6. Write-offs:

Financial assets are written off either partially or in their entirety only when the Company has no reasonable expectation of recovery.

1.4.7 Determination of fair value:

The Company measures financial instruments, such as, derivatives at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant’s ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. In order to show how fair values

EdelGive Foundation

Notes to the financial statement for the year ended 31 March 2025

have been derived, financial instruments are classified based on a hierarchy of valuation techniques, as summarised below:

Level 1 financial instruments:

Those where the inputs used in the valuation are unadjusted quoted prices from active markets for identical assets or liabilities that the Company has access to at the measurement date. The Company considers markets as active only if there are sufficient trading activities with regards to the volume and liquidity of the identical assets or liabilities and when there are binding and exercisable price quotes available on the balance sheet date.

Level 2 financial instruments:

Those where the inputs that are used for valuation and are significant, are derived from directly or indirectly observable market data available over the entire period of the instrument's life.

Level 3 financial instruments:

Those that include one or more unobservable input that is significant to the measurement as whole.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. The Company periodically reviews its valuation techniques including the adopted methodologies and model calibrations.

Therefore, the Company applies various techniques to estimate the credit risk associated with its financial instruments measured at fair value, which include a portfolio-based approach that estimates the expected net exposure per counterparty over the full lifetime of the individual assets, in order to reflect the credit risk of the individual counterparties for non-collateralised financial instruments.

The Company evaluates the levelling at each reporting period on an instrument-by-instrument basis and reclassifies instruments when necessary based on the facts at the end of the reporting period.

1.4.8 Earnings per share

Basic earnings per share is computed by dividing the net surplus after tax attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding for the year.

Diluted earnings per share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per share is computed by dividing the net surplus after tax attributable to the equity shareholders for the year by weighted average number of equity shares considered for deriving basic earnings per share and weighted average number of equity shares that could have been issued upon conversion of all potential equity shares. Except when the shares are anti dilutive.

1.4.9 Foreign currency transaction:

The Standalone Financial Statements are presented in Indian Rupees which is also functional currency of the Company. Transactions in currencies other than Indian Rupees (i.e. foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognised in statement of surplus and deficit in the period in which they arise.

1.4.10 Retirement and other employee benefit:

1.4.10.1 Short term benefit plan:

Short term employee benefits are charged to income and expenditure account at the undiscounted amount in the year in which the related services are rendered.

1.4.10.2 Long term benefit plan -Provident fund and national pension scheme:

The Company contributes to a recognised provident fund and national pension scheme which is a defined contribution scheme. The contributions are accounted for on an accrual basis and recognised in the statement of surplus and deficit.

1.4.10.3 Defined benefit plan - Gratuity:

The Company's gratuity scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that the employees have earned in return for their service in the current and prior periods, that benefit is discounted to determine its present value, and the fair value of any plan assets, if any, is deducted. The present value of the obligation under such benefit plan is determined based on independent actuarial valuation using the Projected Unit Credit Method.

Re-measurement, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur.

Remeasurement are not reclassified to profit or loss in subsequent periods.

1.4.10.4 Other long term defined benefit plan - Compensated absences:

The eligible employees of the Company are permitted to carry forward certain number of their annual leave entitlement to subsequent years, subject to a ceiling. The Company recognises the charge in the statement of surplus and deficit and corresponding liability on such non-vesting accumulated leave entitlement based on a valuation by an independent actuary. The cost of providing annual leave benefits is determined using the projected unit credit method.

EdelGive Foundation

Notes to the financial statement for the year ended 31 March 2025

1.4.11 Property, plant and equipment:

Recognition and measurement

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any. The cost of an item property, plant and equipment comprises of purchase price and any attributable cost such as duties, non refundable taxes, freight, borrowing costs, erection and commissioning expenses incurred in bringing the assets to its working condition for its intended use.

De-recognition

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the statement of Income and expenditure. Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives. Depreciation is provided on a written down value basis from the date the asset is ready for its intended use or put to use whichever is earlier. In respect of assets sold, depreciation is provided upto the date of disposal.

As per the requirement of Schedule II of the Companies Act, 2013, the Company has evaluated the useful lives of the respective fixed assets which are as per the provisions of Part C of the Schedule II for calculating the depreciation. The estimated useful lives of the fixed assets are as follows:

Nature of assets	Estimated useful lives
Computers - End user devices, such as desktops, laptops, etc.	3 years
Furniture and Fixtures	10 years

1.4.12 Impairment of non-financial assets:

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired based on internal/external factors. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of cash generating unit which the asset belongs to is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of surplus and deficit. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount subject to a maximum of the depreciable historical cost.

1.4.13 Provisions and other contingent liabilities:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability.

EdelGive Foundation

Notes to the financial statement for the year ended 31 March 2025

A present obligation that arises from past events, where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Claims against the Company, where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognised in the financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

1.4.14 Cash and cash equivalents:

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less.

1.5 Significant accounting judgements, estimates and assumptions :

In the application of the Company's accounting policies, the management is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Critical judgements in applying accounting policies:

The following are the critical judgements, apart from those involving estimations, that the management has made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements.

1.5.1 Provisions and contingent liabilities:

The Company operates in a regulatory and legal environment that, by nature, has a heightened element of litigation risk inherent to its operations. As a result, it is involved in various litigation, arbitration and regulatory investigations and proceedings in the ordinary course of its business

When the Company can reliably measure the outflow of economic benefits in relation to a specific case and considers such outflows to be probable, the Company records a provision against the case. Where the probability of outflow is considered to be remote, or probable, but a reliable estimate cannot be made, a contingent liability is disclosed.

Given the subjectivity and uncertainty of determining the probability and amount of losses, the Company takes into account a number of factors including legal advice, the

EdelGive Foundation

Notes to the financial statement for the year ended 31 March 2025

stage of the matter and historical evidence from similar incidents. Significant judgement is required to conclude on these estimates.

1.5.2 Impairment of Non-Financial assets:

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the company estimates the asset's recoverable amount. An asset's recoverable amount is higher of an asset's fair value less cost of disposal and its value in use. Where the carrying amount exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

1.5.3 Provisions for Income Taxes:

Provision for current tax has not been made in the books of accounts in view of the exemption of income of the Company under Section 11 read with Section 2(15) of the Income Tax Act, 1961.

1.6 Standards issued but not yet effective:

There are no new standard or amendment issued but not effective.

Industry analysis

As at 31 March 2025	Financial services	Government	Total
Financial assets			
Cash and cash equivalent and other bank balances	1,95,771.89	-	1,95,771.89
Total	1,95,771.89	-	1,95,771.89
As at 31 March 2024	Financial services	Government	Total
Financial assets			
Cash and cash equivalent and other bank balances	2,33,218.39	-	2,33,218.39
Total	2,33,218.39	-	2,33,218.39

28 Employee Benefits

A) Defined contribution plan (Provident fund):

In accordance with Employees' Provident Fund and Miscellaneous Provisions Act, 1952, employees of the Company are entitled to receive benefits under the provident fund, a defined contribution plan, in which, both the employee and the Company contribute monthly at a determined rate. These contributions are made to a recognized provident fund administered by Regional Provident Fund Commissioner. The employees contribute 12% of their basic salary and the Company contributes an equal amount.

Amount of Rs.1971.27 thousands (Previous year: Rs.1127.17 thousands) is recognised as expenses and included in "Employee benefit expenses" – note 15 in the statement of income and expenditure.

B) Defined benefit plan (Gratuity):

In accordance with the Payment of Gratuity Act, 1972, the Company provides for gratuity, a non-contributory defined benefit arrangement providing lump-sum gratuity benefits expressed in terms of final monthly salary and year of service, covering all employees. The plan provides a lump sum payment to vested employees at retirement or termination of employment in accordance with the rules laid down in the Payment of Gratuity Act, 1972.

The most recent actuarial valuation of plan assets and the present value of the defined benefit obligation for gratuity were carried out as 31 March 2025. The present value of the defined benefit obligations and the related current service cost and past service cost, were measured using the Projected Unit Credit Method.

Based on the actuarial valuation obtained in this respect, the following table sets out the status of the gratuity plan and the amounts recognised in the Company's financial statements as at balance sheet date:

Particulars	31 March 2025	31 March 2024
1: Reconciliation of Defined Benefit Obligation (DBO)		
Present value of DBO at start of the year	495.99	565.97
