We are excited to share that our colleague, Sanju Beniwal, has recently been acknowledged for her exceptional planning and execution skills in the business ecosystem.

Collective Impact for women entrepreneurship

Partnering with the Global Women's Entrepreneurship Campaign, an initiative launched to highlight the importance of women's entrepreneurship, our organization is at the forefront of empowering women across various sectors. A recent event at the Sankalp Forum's flagship annual summit of Mann Deshi, primarily centered around the theme 'Hope,' featured inspiring stories of human resilience and empathy. These narratives emphasize the need for improved sanitation and gender-sensitive toilets to the government systems.

Collective Action

In collaboration with Cipla Foundation, we aim to construct 85 new community toilets in Mumbai. This project will coincide with the 20% Mission RTP campaign, where municipalities will construct 20% of the toilets with the help of Brihanmumbai Municipal Corporation (BMC). Consequently, 85 new community toilets will be constructed with the help of Brihanmumbai Municipal Corporation (BMC).

Awareness and Advocacy for Legal Justice

To raise awareness and advocate for legal justice, our organization has organized interactive sessions for children aged 12-17 years on 16th and 17th November to spread awareness about legal justice to deepen their understanding of the Domestic Violence Act, the Health and Safety Act, the Child Rights Act, and other legislation and rights.
