

Kaivalya Education Foundation (KEF)

KEF, founded in 2008, is a change management organisation that supports public education system leaders to improve learning levels of students by enabling people improving processes and embedding technology. Its goal is to gain expertise to leverage multi-level partnerships to catalyse the turn-around of failing schools and strengthen the public education system.

- Reached 51,000 officials, 4,650,000 teachers, 930,000 schools, 7,700,000 children, 467,000 parents and community members
