

Kshamtalaya Foundation

Kshamtalaya Foundation was founded to support children in achieving their true potential. Kshamtalaya since its inception has worked in three states, i.e. Rajasthan, Karnataka and New Delhi in partnership with the respective State governments. Kshamtalaya's core aim has been to ensure every child and young adult has equal chance of succeeding in life irrespective of the circumstances.

- 9,308 children across 72 schools: Improvement in learning outcomes
- Trained over 500 teachers on integrated pedagogy
- 3,124 Community Members – Became an active part of their children's education
- Reached 80,000 + children through the State partnership for the integrated Audio programme.
