

Quality Education Support Trust (QUEST)

Quality Education Support Trust (QUEST) is an NGO registered in 2007 with the motivation to pursue quality-related issues in early childhood education, elementary education and teacher professional development, primarily through action-research in pedagogy. The mission of QUEST is to enrich the learning experience of under-served children through the professional development of teachers and educators.

- Reached 93,888 children and 4,851 teachers across 27 districts of Maharashtra

Quality Education Support Trust is one of the implementation partners for The Collaborators of Transforming Education (The Collaborators) initiative launched by EdelGive Foundation and DSES in 2016. A District Transformation Program has been launched in Hingoli District under this initiative with the aim to achieve the following three objectives:

- Under CTE, QUEST is supporting
 - 138 Government Functionaries
 - 120,000 students
 - 4,000 teachers and 892 schools
- in the Hingoli district of Maharashtra.
