

Milaan – Be The Change

Milaan is a non-profit organisation that envisions an inclusive and equal world where every girl has the knowledge, skills and social environment to pursue her dreams and explore her full potential. By 2030, Milaan aims to empower 10 million adolescent girls in India and build a movement of Girl Leaders with a thriving ecosystem of changemakers and networks.

- Supporting 378 Girl Icons working with 7,560 adolescent girls in 62 districts of Uttar Pradesh, Madhya Pradesh, Karnataka and Assam

EdelGive supports 250 Girl Icon fellows through the Girl Icon Fellowship Programme. These girls are being enabled to set up 1,000 social action projects which will help them engage with over 100,000 people in their communities. The leadership journey of the girls equip them with requisite knowledge, skills and networks to challenge discriminatory social norms that are practiced against women and girls.
