

## SOUJANYA COLORS PVT. LTD

---

With over 35 years of expertise in manufacturing color dispersions for coatings, Soujanya Color – the leading colorant producer in Asia, has a wide range of solutions to satisfy every need in coloration of coatings.

Soujanya products are available in over twenty countries across five continents. Their global sales are supported by a network of distributors and channel partners.

In keeping with current global requirements, Soujanya has adopted a green philosophy – green manufacturing and green products. The company's state-of-the-art automated manufacturing facility at Mumbai, is a green plant, minimizing the use of energy and is a zero-discharge facility. The facility adheres to global standards of EHS.

An updated product line offers fully environment friendly products which are VOC-free, APEO –free and Heavy Metal-free.

Soujanya operates to globally best operating standards and is an ISO 9001 company. It is certified by Ecovadis for their corporate social responsibility (CSR) initiatives.
