ISSUER’S ABSOLUTE RESPONSIBILITY

The Issuer, having made all reasonable inquiries, accepts responsibility for, and confirms that this Draft Shelf Prospectus read together with Shelf Prospectus and relevant Tranche Prospectus for a Tranche Issue does contain and will contain all information regarding the Issuer and the relevant Tranche Issue, which is material in the context of the Issue. The information contained in this Draft Shelf Prospectus read together with Shelf Prospectus and relevant Tranche Prospectus is true and correct in all material respects and is not misleading in any material respect, that the opinions and intentions expressed herein are honestly held and that there are no other facts, the omission of which makes this Draft Shelf Prospectus as a whole or any of such information or the expression of any such opinions or intentions misleading in any material respect.

CREDIT RATING

The NCDs proposed to be issued under this Issue have been rated “CARE AA; Positive” (pronounced as CARE AA with Positive outlook) for an amount of ₹ 20,000 million, by CARE Ratings Limited vide their letter dated April 10, 2019 and “CRISIL AA/Stable” (pronounced as CRISIL double A rating with Stable outlook) for an amount of ₹ 20,000 million, by CRISIL Limited vide their letter dated April 18, 2019. The rating of “CARE AA; Positive” by CARE Ratings Limited and “CRISIL AA/Stable” by CRISIL Limited indicate that instruments with these ratings are considered to have a high degree of safety regarding timely servicing of financial obligations. Such instruments carry very low credit risk. For the rationale for these ratings, see Annexures A and B of this Draft Shelf Prospectus. These ratings are not recommendations to buy, sell or hold securities and investors should take their own decision. These ratings are subject to revision or withdrawal at any time by the assigning rating agencies and should be evaluated independently of any other ratings.

Certain figures contained in this Draft Shelf Prospectus, including financial information, have been subject to rounding adjustments. Unless set out otherwise, all figures in decimals, including percentage figures, have been rounded off to two decimal points. In certain instances, (i) the sum or percentage change of such numbers may not conform exactly to the total figure given; and (ii) the sum of the numbers in a column or row in certain tables may not conform exactly to the total figure given for that column or row. Further, any figures sourced from third party industry sources may be rounded off to other than two decimal points to conform to their respective sources.

Industry and Market Data

Any industry and market data used in this Draft Shelf Prospectus consists of estimates based on data reports compiled by Government bodies, professional organizations and analysts, data from other external sources including CRISIL Limited, available in the public domain and knowledge of the markets in which we compete. These publications generally state that the information contained therein has been obtained from publicly available documents from various sources believed to be reliable, but it has not been independently verified by us, its accuracy and completeness is not guaranteed and its reliability cannot be assured. Although we believe that the industry and market data used in this Draft Shelf Prospectus is reliable, it has not been independently verified by us. The data used in these sources may have been reclassified by us for purposes of presentation. Data from these sources may also not be comparable. The extent to which the industry and market data presented in this Draft Shelf Prospectus is meaningful depends on the reader’s familiarity with and understanding of the methodologies used in compiling such data. There are no standard data gathering methodologies in the industry in which we conduct our business and methodologies and assumptions may vary widely among different market and industry sources.

FORWARD LOOKING STATEMENTS

This Draft Shelf Prospectus contains certain statements that are not statements of historical fact and are in the nature of “forward-looking statements”. These forward-looking statements generally can be identified by words or phrases such as “aim”, “anticipate”, “believe”, “continue”, “expect”, “estimate”, “intend”, “objective”, “plan”, “potential”, “project”, “will”, “will continue”, “will pursue”, “will likely result”, “will seek to”, “seek” or other words or phrases of similar import. All statements regarding our expected financial condition and results of operations and business plans and prospects are forward-looking statements. These forward-looking statements include statements as to our business strategy, revenue and profitability and other matters discussed in this Draft Shelf Prospectus that are not historical facts. Our Company operates in a highly competitive, dynamic and regulated business environment, and a change in any of these variables may necessitate an alteration of our Company’s plans. Further, these plans are not static, but are subject to continuous internal review and policies, and may be altered, if the altered plans suit our Company’s needs better.

All forward-looking statements are subject to risks, uncertainties and assumptions about us that could cause actual results, performance or achievements to differ materially from those contemplated by the relevant statement.

Actual results may differ materially from those suggested by the forward looking statements due to risks or uncertainties associated with our expectations with respect to, but not limited to, regulatory changes pertaining to our businesses and our ability to respond to them, our ability to successfully implement our strategies, our growth and expansion, technological changes, our exposure to market risks, general economic and political conditions in India and which have an impact on our business activities or investments, the monetary and fiscal policies of India, inflation, deflation, unanticipated turbulence in interest rates, equity prices or other rates or prices, the performance of the financial markets in India and globally, changes in domestic laws, regulations and taxes and changes in competition in our industry.

Important factors that could cause actual results to differ materially from our expectations include, but not limited to, the following:

1. Any increase in the levels of Stage 3 assets on our Loan Book as per Ind AS, for any reason whatsoever, would adversely affect our business and results of operations;
2. Any volatility in interest rates which could cause our gross spreads to decline and consequently affect our profitability;
3. Unanticipated turbulence in interest rates or other rates or prices; the performance of the financial and capital markets in India and globally;
4. Changes in political conditions in India;
5. Changes in the value of Rupee and other currency changes;
6. The rate of growth of our Loan Book as per Ind AS;
7. The outcome of any legal or regulatory proceedings we are or may become a party to;
8. Changes in Indian and/or foreign laws and regulations, including tax, accounting, banking, securities, insurance and other regulations; changes in competition and the pricing environment in India; and regional or general changes in asset valuations;
9. Any changes in connection with policies, statutory provisions, regulations and/or RBI directions in connection with NBFCs, including laws that impact our lending rates and our ability to enforce our collateral;
10. Emergence of new competitors or disruptive technologies;
11. Performance of the Indian debt and equity markets;
12. Occurrence of natural calamities or natural disasters affecting the areas in which our Company has operations;

13. Our ability to attract and retain qualified personnel; and
14. Other factors discussed in this Draft Shelf Prospectus, including under the chapter titled “*Risk Factors*” beginning on page 18.

For further discussion of factors that could cause our actual results to differ from our expectations, please refer to the section titled “*Risk Factors*” and chapters titled “*Industry*”, “*Outstanding Litigations and Defaults*” and “*Our Business*” beginning on pages 18, 79, 230 and 97 respectively.

By their nature, certain market risk disclosures are only estimates and could be materially different from what actually occurs in the future. As a result, actual future gains or losses could materially differ from those that have been estimated. Forward looking statements speak only as on the date of this Draft Shelf Prospectus. The forward-looking statements contained in this Draft Shelf Prospectus are based on the beliefs of management, as well as the assumptions made by and information currently available to management. Although we believe that the expectations reflected in such forward-looking statements are reasonable at this time, it cannot assure investors that such expectations will prove to be correct or will hold good at all times. Given these uncertainties, investors are cautioned not to place undue reliance on such forward-looking statements. If any of these risks and uncertainties materialise, or if any of our underlying assumptions prove to be incorrect, our actual results of operations or financial condition could differ materially from that described herein as anticipated, believed, estimated or expected. All subsequent forward-looking statements attributable to us are expressly qualified in their entirety by reference to these cautionary statements. Neither our Company or the Lead Managers, nor any of their respective affiliates has any obligation to, and do not intend to, update or otherwise revise any statements reflecting circumstances arising after the date hereof or to reflect the occurrence of underlying events, even if the underlying assumptions do not come to fruition. Our Company and Lead Managers will ensure that investors in India are informed of material developments until the time of the grant of listing and trading permission by the Stock Exchange.

SECTION II - RISK FACTORS

An investment in NCDs involves a certain degree of risk. You should carefully consider all the information contained in this Draft Shelf Prospectus, including the risks and uncertainties described below, before making an investment decision. The risk factors set forth below do not purport to be complete or comprehensive in terms of all the risk factors that may arise in connection with our business or any decision to purchase, own or dispose of the NCDs. The following risk factors are determined on the basis of their materiality. In determining the materiality of risk factors, we have considered risks which may not be material individually but may be material when considered collectively, which may have a qualitative impact though not quantitative, which may not be material at present but may have a material impact in the future. Additional risks, which are currently unknown, if materialises, may in the future have a material adverse effect on our business, financial condition, cash flows and results of operations. The market prices of the NCDs could decline due to such risks and you may lose all or part of your investment.

Unless specified or quantified in the relevant risk factors below, we are not in a position to quantify the financial or other implication of any of the risks described in this section. This Draft Shelf Prospectus also contains forward-looking statements that involve risks and uncertainties. Our results could differ materially from those anticipated in these forward-looking statements as a result of certain factors, including events described below and elsewhere in this Draft Shelf Prospectus. Unless otherwise stated and unless the context requires otherwise, the financial information used in this section is derived from and should be read in conjunction with Reformatted Standalone Financial Information of our Company.

The financial information as at and for the nine months period ended December 2018 and financial information upto and for the year ended March 18 are not comparable as they are prepared under different GAAPs.

Investors are advised to read the following risk factors carefully before making an investment in the NCDs offered in this Issue. You must rely on your examination of our Company and this Issue, including the risks and uncertainties involved.

A. Risk Factors Relating to our Company

1. High levels of customer defaults and the resultant non-performing assets could adversely affect our Company's business, financial condition, cash flows, results of operations and future financial performance.

Our Company's business involves lending money and accordingly, our Company is subject to risks of customer default which includes default or delays in repayment of principal and/or interest on the loans our Company provides to its customers. Customers may default on their obligations as a result of various factors, including certain external factors which may not be within our Company's control such as developments in the Indian economy and the real estate market, movements in global markets, changes in interest rates and changes in regulations. Any negative trends or financial difficulties affecting our Company's customers could increase the risk of their default. Customers could also be adversely affected by factors such as, bankruptcy, lack of liquidity, lack of business and operational failure. If customers fail to repay loans in a timely manner or at all, our Company's financial condition, cash flows and results of operations will be adversely impacted. To the extent our Company is not able to successfully manage the risks associated with lending to these customers, it may become difficult for our Company to make recoveries on these loans. In addition, our Company may experience higher delinquency rates due to prolonged adverse economic conditions or a sharp increase in interest rates. An increase in delinquency rates could result in a reduction in our Company's total interest income (i.e., our Company's accrued interest income from loans, including any interest income from credit substitutes) and as a result, lower revenue from its operations, while increasing costs as a result of the increased expenses required to service and collect delinquent loans, and make loan loss provisions as per Regulations. Our Company may also be required to make additional provisions in respect of loans to such customers in accordance with applicable regulations and, in certain cases, may be required to write-off such loans.

Our Company has in the past faced certain instances of customers defaulting and/or failing to repay dues in connection with loans or finance provided by our Company. Our Company had in certain instances initiated legal proceedings to recover the dues from its delinquent customers. For further details in relation to litigations, see "Outstanding Litigation and Other Material Developments". Customer defaults could also adversely affect our Company's levels of NPAs and provisions made for its NPAs, which could in turn adversely affect our Company's operations, cash flows and profitability.

The Stage 3 Assets as on December 31, 2018 was ₹ 3,902.17 million and Stage 3 Provision stood at ₹ 2,446.70 million and Stage 3 Assets as a percentage of Loan Book as per Ind AS was 1.71 per cent. Our

Company's Gross NPAs was ₹ 4,015.82 million as on March 31, 2018 (which constituted 1.82 per cent, of our Company's total Loan Book as per IGAAP) while the Company's Net NPAs were ₹ 1,626.22 million in financial year 2018.

Moreover, as our Company's Loan Book as per Ind AS matures, our Company may experience increased defaults in principal or interest repayments. Thus, if our Company is not able to control or reduce its level of NPAs, the overall quality of its Loan Book as per Ind AS may deteriorate, and its results of operations may be adversely affected.

Our Company's Stage 3 Provision was ₹ 2,446.70 million as at December 31, 2018 and our Company's total provisions for its NPAs were, ₹ 2,389.60 million and ₹ 2,077.38 million as at financial year ended March 31, 2018 and as at financial year ended March 31, 2017 respectively and its provisioning coverage ratio (i.e., Stage 3 Assets for which Stage 3 Provision had been created/gross NPAs) for which provisions had been created) was 62.70%, 59.50%, and 65.84%, respectively, during these periods, which may not be comparable to that of other similar financial institutions. Moreover, there can be no assurance that there will be no further deterioration in our Company's provisioning coverage ratio or that the percentage of Stage 3 Assets that our Company will be able to recover will be similar to its past experience in recovering the same. In the event of any further deterioration in the quality of our Company's Loan Book as per Ind AS, there could be further adverse impact on its results of operations. Defaults for a period of more than 90 days result in such loans being classified as Stage 3 Assets. If our Company is unable to effectively monitor credit appraisal, portfolio monitoring and recovery processes and the related deterioration in the credit quality of its Loan Book as per Ind AS, the proportion of Stage 3 Assets in its Loan Book as per Ind AS could increase, which may, in turn, have a material adverse effect on our Company's business, financial condition, cash flows results of operation and future financial performance.

2. *Our Company may be impacted by volatility in interest rates which could cause its Gross Spreads to decline, and consequently, affect its profitability.*

Our Company's results of operations are substantially dependent upon the level of its net interest margins. Our Company's total interest income is the largest component of our Company's total revenue from operations and constituted 94.90%, 94.71%, 92.65%, 107.10%, 108.17% of our Company's total revenue operations in the nine months December 31, 2018, financial year ended March 31, 2018, in financial years 2017, 2016 and 2015, respectively. As at December 31, 2018, our Company's total Loan Book as per Ind AS was ₹ 228,059.22 million. Our Company borrows and lends funds on both fixed and floating rates. Volatility and mismatch in generally prevailing interest rates can materially and adversely affect our Company's financial performance, especially if the changes are sudden or sharp.

While any reduction in interest rates at which our Company borrows may be passed on to its customers, our Company may not have the same flexibility in passing on any increase in interest rates to its customers who have availed loans on fixed interest rates. In a rising interest rate environment, if the yield on our Company's interest-earning assets does not increase simultaneously with or to the same extent as our Company's cost of funds, and conversely, in a declining interest rate environment, if our Company's cost of funds does not decline simultaneously or to the same extent as the yield on our Company's interest-earning assets, our Company's net interest income and net interest margin would be adversely impacted. Competition pressures may also require our Company to reduce the interest rates at which it lends to its customers without a proportionate reduction in interest rates at which it raises funds. Furthermore, certain of our Company's customers may prepay their loans to take advantage of a declining interest rate environment. Similarly, an increase in interest rates could result in our Company's customers, particularly those with variable interest rate loans, prepaying their loans if less expensive loans are available from other sources. In a declining interest rate environment, especially if the decline is sudden or sharp, our Company could be adversely affected by the decline in the market value of its fixed income securities and reduce its earnings from treasury operations.

Accordingly, our Company's operations are susceptible to fluctuations in interest rates. Interest rates are highly sensitive and volatility in interest rates could be a result of many factors, including the monetary policies of the RBI, de-regulation of the financial services sector in India, domestic and international economic and political conditions and inflation. An increase in inflation and consequent changes in bank rates, repo rates and reverse repo rates by the RBI have led to an increase in interest rates on loans provided by banks and financial institutions and consequently, interest rates in India have been volatile in recent financial periods. There can be no assurance that our Company will be able to adequately manage its interest rate risk in the future, which could have an adverse effect on income and margins,

which could in turn have a material adverse effect on our Company's business, financial condition, cash flows and results of operations.

- 3. Our top 20 borrowers have an exposure of 24.16% and 30.74% of our total exposure as on March 31, 2018 and December 31, 2018, respectively. Our inability to maintain relationship with such customers or any default and non-payment in future or credit losses of our single borrower or group exposure where we have a substantial exposure could materially and adversely affect our business, future financial performance and results of operations.***

Our concentration of advances with our top 20 borrowers is 24.16% and 30.74% of our total Loan Book as per IGAAP as on March 31, 2018 and our total Loan Book as per Ind AS as at December 31, 2018, respectively. Our business and results of operations would be adversely affected if we are unable to maintain or further develop relationships with our significant customers. Our business and results of operations would majorly depend upon the timely repayment of the interest and principal from these large borrowers. We cannot assure you that we will not experience any delay in servicing of the loan or that we will be able to recover the interest and the principal amount of the loan. Any such delay or default will adversely affect our income from operation and thereby our profitability. In case we are unable to recover the complete the loan disbursed or any part of thereof, and the collateral is also not sufficient to recover our loan, our financial conditions and cash flows may be adversely affected. We are dedicated to earning and maintaining the trust and confidence of our customers, and we believe that the good reputation created thereby, and inherent in our brand name, is essential to our business. As such, any damage to our reputation could substantially impair our ability to maintain or grow our business. There can be no assurance that we will be able to maintain the historic levels of business from these customers or that we will be able to replace these customers in case we lose any of them. The loss of any significant customer could have a material adverse effect on our results of operations and cash flows. Moreover, failure to maintain sufficient credit assessment policies, particularly for small and medium enterprise borrowers, could adversely affect our credit portfolio, which could have a material and adverse effect on our results of operations and/ or financial condition and/or cash flows.

- 4. Our Company is subject to supervision and regulation by the RBI, as an NBFC-ND-SI, and other regulatory authorities and changes in the RBI's regulations and other regulations, and the regulation governing our Company or the industry in which our Company operates could adversely affect its business.***

Our Company is regulated principally by the RBI and is subject to the RBI's guidelines on the regulation of the NBFC-ND-SIs, which includes, among other things, matters related to capital adequacy, exposure and other prudential norms. It also has reporting obligations to the RBI. The RBI also regulates the credit flow by banks to NBFC-ND-SIs and provides guidelines to commercial banks with respect to their investment and credit exposure norms for lending to the NBFC-ND-SIs. The RBI's regulation of NBFC-ND-SIs may change in the future which may require our Company to restructure its activities, incur additional costs or could otherwise adversely affect its business, financial performance and cash flows. In order to provide enhanced control, existing rules and regulations have been modified, new rules and regulations have been enacted and reforms have been implemented. There can be no assurance that the RBI and/or the Government will not implement further regulations or policies, including legal interpretations of existing regulations, relating to or affecting interest rates, taxation, inflation or exchange controls, or otherwise take action, that may have an adverse impact on NBFC-ND-SIs.

Our Company is also subject to corporate, taxation and other laws in force in India. These regulations are subject to frequent amendments and are dependent on government policy and there can be no assurance that any changes in the laws and regulations relating to the Indian financial services sector will not adversely impact our Company's business and results of operations. As a result of high costs of compliance, our Company's profitability may be affected. Further, if our Company is unable to comply with such regulatory requirements, its business and results of operations may be materially and adversely affected.

- 5. Our Company's inability to comply with observations made by the RBI or any adverse action by the RBI may have a material adverse effect on its business, financial condition, cash flows and results of operations.***

Inspection by the RBI is a regular exercise and is carried out periodically by the RBI for all NBFCs registered with it under the RBI Act. Our Company, being an NBFC-ND-SI, is subject to periodic inspection by the RBI under the provisions of the RBI Act, 1934 (the "RBI Act"), pursuant to which the RBI inspects the books of accounts of our Company and other records for the purpose of verifying the correctness or completeness of any statement, information or particulars furnished to the RBI or for

obtaining any information which our Company may have failed to furnish when being called upon to do so. The RBI in its earlier inspection report for the fiscal year ended March 31, 2017 made certain observations during the inspection which, among other things, included provisioning requirements in certain cases, appraisal process, branch audit and sought for certain information and clarifications. Our Company, vide its letters, has responded to the RBI concerning its observations and has provided information and clarifications sought by the RBI. The observations were pursuant to routine inspections of the RBI. Further, the RBI has conducted in its normal course the annual onsite inspection for the fiscal year ended March 31, 2018 and the final report from RBI is awaited. Any adverse action taken by the RBI pursuant to such inspections, or non-compliance by our Company with the RBI's observations, could materially and adversely affect our Company's business, operations and cash flows.

6. *Our Company's inability to obtain, renew or maintain the statutory and regulatory permits and approvals which are required to operate its existing or future businesses may have a material adverse effect on its business, financial condition, cash flows and results of operations.*

NBFCs in India are subject to regulations and supervision by the RBI. In addition to the numerous conditions required for the registration as an NBFC with the RBI, our Company is also required to comply with certain other regulatory requirements for its business imposed by the RBI. In the future, there could be circumstances where our Company may be required to renew applicable permits and approvals, including its registration as an NBFC-ND-SI and obtain new permits and approvals for its current and any proposed operations or in the event of a change in applicable law and regulations. There can be no assurance that RBI or other relevant authorities will issue any such permits or approvals in the time-frame anticipated by our Company, or at all. Failure by our Company to renew, maintain or obtain the required permits or approvals may result in an interruption of its operations and may have a material adverse effect on its business, financial condition, cash flows and results of operation.

In addition, our branches are required to be registered under the relevant shops and establishments laws of the states in which they are located. The shops and establishment laws regulate various employment conditions, including working hours, holidays and leave and overtime compensation. If we fail to obtain or retain any of these approvals or licenses, or renewals thereof, in a timely manner, or at all, our business may be adversely affected. If we fail to comply, or a regulator claims we have not complied, with any of these conditions, our certificate of registration may be suspended or cancelled and we shall not be able to carry on such activities.

7. *Our Company may not be able to recover the full value of collateral or amounts which are sufficient to cover the outstanding amounts due under defaulted loans on a timely basis or at all and as a result, which could adversely affect its financial condition, cash flows and results of operations.*

Our Company's Secured Loan Book was ₹ 203,564.62 million, ₹ 203,189.21 million, ₹ 140,109.67 million and ₹ 117,561.21 million as at December 31, 2018, March 31, 2018, March 31, 2017 and March 31, 2016, respectively, and represented 89.26 per cent, 92.32 per cent, 82.02 per cent and 96.60 per cent, respectively, of the aggregate gross value of our Company's total Loan Book as per Ind AS and Loan Book as per IGAAP as of those dates. Our Company's Unsecured Loan Book were ₹ 24,494.6 million, ₹ 16,892.02 million, ₹ 30,707.17 million and ₹ 4,142.00 million as at December 31, 2018, March 31, 2018, March 31, 2017 and March 31, 2016, respectively, and represented 10.74 per cent, 7.68 per cent, 17.98 per cent and 3.40 per cent, respectively, of the aggregate gross value of our Company's total Loan Book as per Ind AS and Loan Book as per IGAAP as of those dates. The value of collaterals is dependent on various factors, including (i) prevailing market conditions, (ii) the general economic and political conditions in India, (iii) growth of the stock markets and real estate sector in India and the areas in which our Company operates, and (iv) any change in statutory and/or regulatory requirements.

Delays in recovery, bankruptcy and foreclosure proceedings, defects in the title and delays in obtaining regulatory approvals for the enforcement of such collaterals may affect the valuation of the collateral. As a result, our Company may not be able to recover the full value of the collateral for the loans provided by it within the expected timeframe or at all. Further, legal proceedings may have to be initiated by our Company in order to recover overdue payments on loans and as a consequence, the money and time spent on initiating legal proceedings may adversely affect our Company's cash flow.

The value of the security provided by the borrowers to our Company may be subject to a reduction in value on account of various reasons. While our Company's customers may provide alternative security to cover the shortfall, the realisable value of the security for the loans provided by our Company in the event of a liquidation may continue to be lower than the combined amount of the outstanding principal amount, interest and other amounts recoverable from the customers.

Any default in the repayment of the outstanding credit obligations by our Company's customers may expose it to losses. A failure or delay to recover the loan value from sale of collateral security could expose our Company to potential losses. Any such losses could adversely affect our Company's financial condition, cash flows and results of operations. Furthermore, the process of litigation to enforce our Company's legal rights against defaulting customers in India is generally a slow and potentially expensive process. Accordingly, it may be difficult for our Company to recover amounts owed by defaulting customers in a timely manner or at all.

8. *Our Company extends margin funding loans or loans against securities to our Company's clients and any default by a client coupled with a downturn in the stock markets could result in substantial losses for our Company.*

Our Company extends "loans against securities" or margin funding loans which constituted 17.16% of our Company's total Loan Book as per Ind AS as at December 31 2018 and 21.00%, 27.03% and 9.97 % of our Company's total Loan Book as per IGAAP as at March 31, 2018, March 31, 2017 and March 31, 2016, respectively. These loans are secured by liquid, marketable securities at an appropriate or pre-determined margin levels. In the event of a volatile stock market or adverse movements in stock prices, the collateral which secures the loans may decrease significantly in value, which might result in losses which our Company may be unable to support. Customers could default on their obligations to our Company as a result of various factors including bankruptcy, lack of liquidity, lack of business and operational failure. As a result, it may be difficult to carry out a precise credit risk analysis on such clients. Although our Company uses a technology-based risk management system and follows strict internal risk management guidelines on portfolio monitoring, which include limits on the amount of margin, assessing the quality of collateral provided by the client and pre-determined margin call thresholds, there can be no assurance that in the event the financial markets witness a significant adverse event or a general downturn, our Company's financial condition, cash flows and results of operations would not be adversely affected.

9. *Our Company's business requires substantial capital and any disruption in the sources of its funding or an increase in its average cost of borrowings could have a material adverse effect on its liquidity, financial condition and cash flows.*

Our Company's liquidity and ongoing profitability are, to a large extent, dependent upon its timely access to, and the costs associated with, raising capital. Our Company's funding requirements have historically been met through a combination of borrowings such as term loans, working capital limits from banks, issuance of commercial papers and non-convertible debentures as well as equity capital raised through private equity investment. Our Company is also in the process of diversifying its sources of funding by securitising its loan portfolio. Thus, our Company's business growth, liquidity and profitability depends and will continue to depend on its ability to access diversified, relatively stable and low-cost funding sources as well as our Company's financial performance, cash flows, capital adequacy levels, credit ratings and relationships with lenders. Any adverse developments or changes in applicable laws and regulations which limit our Company's ability to raise funds through securitisation or direct assignment transactions or through private placements of non-convertible debentures can disrupt its sources of funding and as a consequence, could have a material adverse effect on our Company's liquidity, financial condition and cash flows.

Out of our Company's total long term outstanding borrowing (including current maturity of secured long term debt) of ₹ 200,591.95 million as at December 31, 2018, an amount of ₹ 45,764.33 million will mature during the next twelve months, in comparison with that of ₹ 164,827.28 million, ₹ 119,598.59 million and ₹ 92,834.43 million as at March 31, 2018, March 31, 2017 and March 31, 2016, respectively, of which ₹ 30,563.62 million, ₹ 27,665.04 million and ₹ 27,201.94 million as at March 31, 2018, March 31, 2017 and March 31, 2016, respectively, will mature or has matured in the next respective fiscal years. In order to make these payments, our Company will either need to refinance this debt, which may prove to be difficult in the event of a volatility in the credit markets, or alternatively, raise equity capital or generate sufficient revenue to retire the debt. There can be no assurance that our Company's business will generate sufficient cash to enable it to service its existing debt or to fund its other liquidity needs.

Our Company's ability to borrow funds and refinance existing debt may also be affected by a variety of factors, including liquidity in the credit markets, the strength of the lenders from which our Company borrows, the amount of eligible collateral and accounting changes that may impact calculations of covenants in our Company's financing agreements. An event of default, a significant negative ratings action by a rating agency, an adverse action by a regulatory authority or a general deterioration in prevailing economic conditions that constricts the availability of credit may increase our Company's

cost of funds and make it difficult for our Company to access financing in a cost-effective manner. A disruption in sources of funds or increase in cost of funds as a result of any of these factors may have a material adverse effect on our Company's liquidity, financial condition and cash flows.

10. *Our Company's significant indebtedness and the conditions and restrictions imposed by its financing arrangements could restrict its ability to conduct its business and operations in the manner our Company desires.*

As at December 31, 2018, March 31, 2018 and March 31, 2017, our Company had outstanding secured borrowings of ₹ 198,443.48 million, ₹ 185,041.71 million and ₹ 121,498.25 million, respectively (including long term borrowings, short term borrowings and debentures, term loans from banks but excluding interest accrued and due on secured loans included in other current liabilities). As at December 31, 2018, March 31, 2018 and March 31, 2017, our Company had outstanding unsecured borrowings of ₹ 28,498.69 million, ₹ 37,902.86 million and ₹ 56,913.32 million (including long term borrowings, short term borrowings and debentures and interest accrued and due on unsecured loans included in other current liabilities), respectively. Our Company will continue to incur additional indebtedness in the future. Most of our Company's borrowings are secured by its business receivables.

Certain of our Company's financing agreements also include certain conditions and covenants that require it to maintain certain financial ratios, maintain certain credit ratings and obtain consents from lenders prior to carrying out certain activities and entering into certain transactions. Failure to meet these conditions or to obtain these consents could have significant consequences on our Company's business and operations. Under certain of our Company's financing agreements, our Company requires, but may be unable to obtain, consents from the relevant lenders for, among others, the following matters: to declare and/or pay dividend to any of its shareholders whether equity or preference, during any financial year unless our Company has paid to the lender the dues payable by our Company in that year, to undertake or permit any merger, amalgamation or compromise with its shareholders, creditors or effect any scheme of amalgamation or reconstruction or disposal of whole of the undertaking, to create or permit any charges or lien, or dispose off any encumbered assets, to amend its Memorandum of Association and Articles of Association. These covenants vary depending on the requirements of the financial institution extending the loan and the conditions negotiated under each financing document. Such covenants may restrict or delay certain actions or initiatives that our Company may propose to take from time to time. Furthermore, our Company's lenders may recall certain working capital loans availed by our Company at any time. For details relating to our Company's borrowings, please see "*Financial Indebtedness*" on page 152 of this Draft Shelf Prospectus.

11. *We are required to prepare our financial statements with effect from April 1, 2018 under the Ind AS. As Ind AS differs in various respects from Indian GAAP, our financial statements for the financial year 2019 may not be comparable to our historical financial statements. Further the Review Report on the Interim Condensed Standalone Ind AS Financial Statements dated April 24, 2019 as at and for the nine months period ended December 31, 2018 contains an emphasis of matter. The emphasis of matter describes the possibility that the Interim Condensed Standalone Ind AS Financial Statements may require adjustments for matters described therein.*

We were required to prepare our financial statements in accordance with Indian GAAP upto financial year ended March 2018. The Companies (Indian Accounting Standards) Rules, 2015 ("**IAS Rules**"), as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016, enacted Ind AS to converge with IFRS with few exceptions and exemptions. The IAS Rules provide that the financial statements of the companies to which they apply shall be prepared in accordance with IND (AS), although any company may voluntarily implement IND (AS) for the accounting period beginning from 1 April 2015. All NBFCs having a net worth of more than ₹ 5,000 million are required to mandatorily adopt IND (AS) for the accounting period beginning from 1 April 2018 with comparatives for the period ending on 31 March 2018.

The auditors in their Review Report on the Interim Condensed Standalone Ind AS Financial Statements dated April 24, 2019 as at and for the nine months period ended December 31, 2018 have highlighted an emphasis of matter. The emphasis of matter inter alia provides that while there is a possibility that the Interim Condensed Standalone Ind AS Financial Statements as at and for nine months period ended December 31, 2018 may require adjustments due to changes in financial reporting requirements arising from new standards, modifications to the existing standards, guidelines issued by the Ministry of Corporate Affairs or changes in the use of one or more optional exemptions from full retrospective application of certain Ind AS permitted under Ind AS 101 which may arise upon finalisation of the

financial statements as at and for the year ending March 31, 2019, prepared under Ind AS. The auditors have not modified their opinion in respect of these matters.

There can be no assurance that our statutory auditors will not include further matters of emphasis or other similar comments in the audit reports to our audited financial statements in the future, or that such remarks or matters of emphasis will not affect our financial results in future fiscal periods. Investors should consider the matters of emphasis and remark in evaluating our financial condition, results of operations and cash flows. Any such matter of emphasis or remark in the auditors' report on our financial statements in the future may also adversely affect the trading price of the NCDs.

Certain very significant GAAP difference impact items in our financial statements are income from loans and advances, finance cost, provision on non-performing assets, deferred tax and recognition of securitization/ assignment transactions. For a summary of the significant qualitative differences between Indian GAAP and Ind AS as applicable to our Company, see "Summary of Significant Differences Between Indian GAAP and Ind AS" on page 149. However, this summary may not contain all significant differences between Indian GAAP and Ind AS applicable to our Company and reliance by prospective investors on this summary should be limited. Accordingly, our financial statements for the period commencing from April 1, 2018 will not be comparable to our historical financial statements.

12. *The financing industry is becoming increasingly competitive and our Company's growth will depend on its ability to compete effectively.*

The sector in which our Company operates in is highly competitive and our Company faces significant competition from banks and other NBFCs. Many of its competitors are large institutions, which may have larger customer base, funding sources, branch networks and capital compared to our Company. Certain of our Company's competitors may be more flexible and better-positioned to take advantage of market opportunities. In particular, private banks in India and many of our Company's competitors may have operational advantages in terms of access to cost-effective sources of funding and in implementing new technologies and rationalising branches as well as the related operational costs. As a result of this increased competition, loans are becoming increasingly standardised and terms such as variable (or floating) rate interest options, lower processing fees and monthly reset periods are becoming increasingly common in the Indian financial sector. This competition is likely to intensify further as a result of regulatory changes and liberalisation. These competitive pressures affect the industry in which our Company operates in as a whole, and our Company's future success will depend, to a large extent, on its ability to respond in an effective and timely manner to these competitive pressures. There can be no assurance that our Company will be able to react effectively to these or other market developments or compete effectively with new and existing players in the increasingly competitive financial sector.

13. *We and certain of our Directors are involved in certain legal and other proceedings and there can be no assurance that we and our Directors will be successful in any of these legal actions. In the event we are unsuccessful in litigating any of the disputes, our business and results of operations may be adversely affected.*

We and certain of our Directors are involved in certain legal proceedings, including civil suits and tax disputes and criminal proceedings. These legal proceedings are pending at different levels of adjudication before various courts, authorities and tribunals. Certain of our Directors have been named as parties to criminal proceedings, which are currently pending. For further details in relation to legal proceedings inter alia involving our Company, our Promoter and certain of its Directors, see "Outstanding Litigation and Material Developments".

14. *Our business requires raising substantial capital through borrowings and any disruption in funding sources would have a material adverse effect on our liquidity, financial condition and/or cash flows.*

Our liquidity and on-going profitability are, in large part, dependent upon our timely access to, and the costs associated with, raising capital. Our credit providers include nationalised banks, private Indian banks and foreign banks and we also rely on mutual funds and retail investors etc. Our business, therefore, depends and will continue to depend on our ability to access diversified funding sources. Our ability to raise funds on acceptable terms and at competitive rates continues to depend on various factors including our credit ratings, the regulatory environment and policy initiatives in India, developments in the international markets affecting the Indian economy, investors' and/or lenders' perception of demand for debt and equity securities of NBFCs and our current and future results of operations, financial condition and cash flows. Changes in economic and financial conditions or continuing lack of liquidity in the market could make it difficult for us to access funds at competitive rates. Any such disruption in

our ability to access primary funding sources at competitive costs would have a material adverse effect on our liquidity, financial condition and/or cash flows.

15. *Our Company may be exposed to fluctuations in the market values of its investment and other asset portfolio*

The financial markets' turmoil have adversely affected economic activity globally including India. Continued deterioration of the credit and capital markets may result in volatility of our Company's investment earnings and impairments to our Company's investment and asset portfolio. Further, the value of our Company's investments depends on several factors beyond its control, including the domestic and international economic and political scenario, inflationary expectations and the RBI's monetary policies. Any decline in the value of the investments could negatively impact our Company's financial condition and cash flows.

16. *Our Company may not be able to successfully sustain its growth rate. Our Company's inability to implement its growth strategy effectively could adversely affect its business and financial results.*

In recent years, our Company's growth has been fairly substantial. The CAGR of the total Loan Book as per IGAAP of our Company was 37.84 %, from fiscal year 2014 to fiscal year 2018. Our Company's growth strategy includes growing our Company's secured lending and expanding our Company's retail customer base. There can be no assurance that our Company will be able to sustain its growth plan successfully or that our Company will be able to expand further or diversify its portfolio of products. A principal component of our Company's strategy is to continue diversifying the development of its new portfolio of products to suit customers' needs. This growth strategy will place significant demands on our Company's management, financial and other resources and will require our Company to continuously develop and improve its operational, financial and internal controls. Continuous expansion increases the challenges involved in financial management, recruitment, training and retaining high quality human resources, preserving our Company's culture, values and entrepreneurial environment as well as developing and improving our Company's internal administrative infrastructure. Our Company also faces a number of operational risks in executing its growth strategy. While our Company previously experienced rapid growth in its structured collateralised debt portfolio and retail mortgages - loans against property businesses, this exposes our Company to a wide range of increased risks, including business and operational risks, such as the possibility of increased NPAs, fraud risks as well as regulatory and legal risks.

Our Company's ability to sustain its rate of growth also depends, to a large extent, upon its ability to recruit trained and efficient personnel, retain key managerial personnel, maintain effective risk management policies, continue to offer products which are relevant to its target base of clients, develop managerial experience to address emerging challenges and ensure a high standard of client service. Our Company will need to recruit new employees, who will have to be trained and integrated into our Company's operations. Our Company will also have to train existing employees to adhere properly to internal controls and risk management procedures. Failure to train our Company's employees properly may result in an increase in employee attrition rate, a need to hire additional employees, an erosion in the quality of customer service, a diversion of the management's resources, an increase in our Company's exposure to high-risk credit and an increase in costs for our Company. If our Company grows its Loan Book as per Ind AS too rapidly or fails to make proper assessments of credit risks associated with new customers, a higher percentage of our Company's loans may become non-performing, which would have a negative impact on the quality of our Company's assets, its financial condition and cash flows. Our Company's inability to manage such growth could disrupt its business prospects, impact its financial condition and adversely affect its results of operations including its cash flows.

17. *Our Company's growth will depend on our Company's continued ability to access funds at competitive rates which is dependent on a number of factors including our Company's ability to maintain its credit ratings.*

As our Company is an NBFC-ND-SI in terms of applicable RBI regulations, its liquidity and ongoing profitability are primarily dependent upon its timely access to, and the costs associated with raising capital. Our Company's business is significantly dependent on funding from the debt capital markets and commercial borrowings. The demand for such funds is competitive and our Company's ability to obtain funds at competitive rates will depend on various factors including our Company's ability to maintain positive credit ratings. Ratings reflect a rating agency's opinion of our Company's financial strength, operating performance, strategic position and ability to meet its obligations. Thus, any downgrade of our Company's credit ratings would increase borrowing costs and constrain its access to capital and debt markets. A reduction or withdrawal of the ratings may also adversely affect the market

price and liquidity of the non-convertible debentures and our Company's ability to access the debt capital markets. As a result, this would negatively affect our Company's net interest margin and its business. In addition, any downgrade of our Company's credit ratings could increase the possibility of additional terms and conditions being imposed on any additional financing or refinancing arrangements in the future. Any downgrade of our Company's credit ratings could also accelerate the repayment of certain of our Company's borrowings in accordance with the applicable covenants of its borrowing arrangements. Any such adverse development could adversely affect our Company's business, financial condition, cash flows and results of operations.

As an NBFC, our Company also faces certain restrictions on its ability to raise money from international markets which may further constrain its ability to raise funds at attractive rates. While our Company's borrowing costs have been competitive in the past due to its ability to raise debt products, credit rating and our Company's asset portfolio, our Company may not be able to offer similar competitive interest rates for its loans if our Company is unable to access funds at an effective cost that is comparable to or lower than its competitors. This may adversely impact our Company's business and results of operations.

18. *Any change in control of our Promoter or our Company or any other factor affecting the business and reputation of our Promoter may have a concurrent adverse effect on our Company's reputation, business and results of operations and may correspondingly adversely affect our goodwill, operations and profitability.*

As on the date of this Shelf Prospectus, our Promoter, along with its subsidiaries, hold 100 % of our paid up share capital. Our Company is dependent on the goodwill and brand name of the Edelweiss Group. Our Company believes that this goodwill contributes significantly to its business. We operate in a competitive environment, and we believe that our brand recognition is a significant competitive advantage to us. There can be no assurance that the "Edelweiss" brand, which our Company believes is a well recognised brand in India, will not be adversely affected in the future by events or actions that are beyond our Company's control, including customer complaints, developments in other businesses that use this brand or adverse publicity from any other source.

If our Promoter ceases to exercise majority control over our Company as a result of any transfer of shares or otherwise, our ability to derive any benefit from the brand name "Edelweiss" and our goodwill as a part of the Edelweiss Group of companies may be adversely affected, which in turn could adversely affect our business and results of operations.

In the event Edelweiss Group is unable to maintain the quality of its services or its goodwill deteriorates, our Company's business and results of operations may be adversely affected. Any failure to retain our Company name may deprive us of the associated brand equity that we have developed which may have a material adverse effect on our business and results of operations.

Any disassociation of our Company from the Edelweiss Group and/or our inability to have access to the infrastructure provided by other companies in the Edelweiss Group could adversely affect our ability to attract customers and to expand our business, which in turn could adversely affect our goodwill, operations and profitability.

19. *Our ability to borrow from various banks may be restricted on account of guidelines issued by the RBI imposing restrictions on banks in relation to their exposure to NBFCs which could have an impact on our business and could affect our growth, margins and business operations.*

The RBI vide its Notification (No. RBI/2006-07/205/DBOD.No. FSD.BC.46 / 24.01.028 /2006-07) dated December 12, 2006 has amended the regulatory framework governing banks to address concerns arising from divergent regulatory requirements for banks and NBFCs. This Notification reduces the exposure (both lending and investment, including off balance sheet exposures) of a bank to NBFCs like us. Accordingly, banks exposure limits on any NBFC are reduced from the 25% of the banks' capital funds to 10% of its capital funds. Furthermore, RBI has suggested that banks may consider fixing internal limits for their aggregate exposure to all NBFCs combined. This Notification limits a bank's exposure to NBFCs which consequently restricts our ability to borrow from banks.

This Notification could affect our business and any similar notifications released by the RBI in the future, which has a similar impact on our business could affect our growth, margins and business operations.

20. *Our Company may face asset-liability mismatches which could affect its liquidity and consequently may adversely affect our Company's operations and profitability.*

A significant portion of our Company's funding requirements is met through short-term and medium-term funding sources such as bank loans, working capital demand loans, cash credit, short term loans and commercial paper. However, a significant portion of our Company's assets (such as loans to its customers) have maturities with longer terms than its borrowings. Our Company may face potential liquidity risks due to varying periods over which our Company's assets and liabilities mature. Moreover, raising long-term borrowings in India has historically been challenging. Our Company's inability to obtain additional credit facilities or renew its existing credit facilities in a timely and cost-effective manner to meet its maturing liabilities, or at all, may lead to gaps and mismatches between its assets and liabilities, which in turn may adversely affect our Company's liquidity position, and in turn, its operations, financial performance and cash flows.

We regularly monitor our funding levels to ensure we are able to satisfy the requirement for loan disbursements and maturity of our liabilities. As is typical for NBFCs, we maintain diverse sources of funding and liquid assets to facilitate flexibility in meeting our liquidity requirements. Liquidity is provided principally by long-term borrowings from banks and mutual funds, short and long-term general financing through the domestic debt markets and retained earnings, proceeds from securitization and equity issuances.

Our liquidity position may be adversely affected and we may be required to pay higher interest rates in order to meet our liquidity requirements in the future, which could have a material adverse effect on our business and financial results.

21. *As at December 31, 2018, wholesale mortgage financing and retail mortgages-loans against property amounted to ₹ 86,165.26 million and ₹ 28,676.4 million, respectively, and constituted 37.78%, and 12.57%, respectively, of our Company's Loan Book as per Ind AS.*

Further, as at March 31, 2018, wholesale mortgage financing and retail mortgages-loans against property amounted to ₹ 78,031.78 million and ₹ 14,687.55 million, respectively, and constituted 35.46%, and 6.67%, respectively, of our Company's Loan Book as per IGAAP.

Any adverse development in the real estate sector would adversely affect the Company's results of operations.

Retail mortgages - loans against property constituted a significant portion of our Company's total loans. As at December 31, 2018, our Company's total Loan Book as per Ind AS was ₹ 228,059.22 million. Wholesale mortgage financing and retail mortgages - loans against property constituted 37.78%, and 12.57%, respectively, of our Company's total Loan Book as per Ind AS as at December 31, 2018

As at March 31, 2018, our Company's total Loan Book as per IGAAP was ₹ 220,081.23 million. Wholesale mortgage financing and retail mortgages - loans against property constituted 35.46%, and 6.67%, respectively, of our Company's total Loan Book as per IGAAP as at March 31, 2018.

In addition, a significant portion of our Company's secured lending to SMEs is also secured by collateral in the form of real estate properties. The demand for these loan products is generally affected by developments in the real estate sector. Any decline in conditions of the real estate markets could have an adverse impact on our Company's financial condition, cash flows and results of operations. Further, deterioration in the housing and property market may result in reversing the growth of our Company's Loan Book as per Ind AS, which in turn could result in a material adverse effect on its business, financial condition, cash flows and results of operations.

Further, as the underlying security on these loans is primarily mortgages or other form of security over the customers' other residential or commercial property, a significant portion of our Company's Loan Book as per Ind AS is exposed to events affecting the real estate sector. In the event of a significant decline in property prices or a defect in the title of the property, our Company may not be able to realise the value of the collateral or recover its principal and interest in the event of a default. Also, if any of the projects which form part of the collateral are delayed for any reason, it may affect our Company's ability to enforce the security, thereby effectively diminishing the value of such security. There can be no assurance that our Company will be able to foreclose on collateral on a timely basis, or at all, and if it is able to foreclose on the collateral, that the value will be sufficient to cover the outstanding amounts owed to our Company which may result in a material adverse effect on its business, results of operations, financial condition and cash flows.

22. ***Our Company's inability to recover the amounts due from customers to whom it has provided unsecured loans in a timely manner, or at all, and its customers failure to comply with applicable statutory or regulatory requirements in relation to such loans could adversely affect our Company's operations and profitability.***

Our Company's Loan Book as per Ind AS, as at December 31, 2018, includes secured and unsecured loans under its SME working capital loans portfolio which constitutes 11.67 % of it. Our Company's Loan Book as per IGAAP, as on March 31, 2018, includes secured and unsecured loans under its SME working capital loans portfolio which constitutes 7.70% of it. Since some of these loans are unsecured, in the event of defaults by such customers, our Company's ability to realise the amounts due to it from the loans would be restricted to initiating legal proceedings for recovery as our Company will not have the benefit of enforcing any security interest. There can be no guarantee as to the length of time it could take to conclude such legal proceedings or for the legal proceedings to result in a favourable decision for our Company. Furthermore, our Company's structured collateralised credit products generally do not contain restrictions on the purpose for which the loans are given. As a result, its customer may utilise such loans for various purposes which are often incapable of being monitored on a regular basis, or at all.

23. ***A decline in our Company's capital adequacy ratio could restrict its future business growth.***

Our Company's capital adequacy ratio computed on the basis of the applicable RBI norms was 18.63%, 17.09%, 16.14% and 16.56%, as at December 31, 2018 March 31, 2018, March 31, 2017 and March 31, 2016, respectively, with Tier I Capital comprising 14.26%, 11.82%, 11.35% and 11.34%, as at December 31, 2018, March 31, 2018, March 31, 2017 and March 31, 2016, respectively. The Tier II Capital comprises of 4.37%, 5.27%, 4.79% and 5.22% as at December 31, 2018, March 31, 2018, March 31, 2017 and March 31, 2016, respectively. If our Company continues to grow its Loan Book as per Ind AS and asset base, it will be required to raise additional Tier I and Tier II Capital in order to continue to meet applicable capital adequacy ratios with respect to its business. There can be no assurance that our Company will be able to raise adequate additional capital in the future on terms favourable to our Company, in a timely manner, or at all and this may adversely affect the growth of our Company's business.

24. ***Our contingent liabilities could adversely affect our financial condition and cash flows.***

As per the Interim Condensed Standalone Ind AS Financial Statements of our Company nine months period ended December 31, 2018, we had certain contingent liabilities not provided for as per AS 29 issued by ICAI, amounting to ₹ 1.92 million. The contingent liability amounts disclosed in our Reformatted Standalone Financial Information represent estimates and assumptions of our management based on advice received. If, for any reason, these contingent liabilities materialize, it may adversely affect our financial condition and cash flows. For further details, please refer to section titled "*Statement of Contingent liability*" in the chapter "*Financial Information*" beginning on page 148 of this Draft Shelf Prospectus.

25. ***We introduce new products for our customers and there is no assurance that our new products will be profitable in the future.***

We introduce new products and services in our existing lines of business. We may incur costs to expand our range of products and services and cannot guarantee that such new products and services will be successful once offered, whether due to factors within or outside of our control, such as general economic conditions, a failure to understand customer demand and market requirements or a failure to understand the regulatory and statutory requirements for such products or management focus on these new products. If we fail to develop and launch these products and services successfully, we may lose a part or all of the costs incurred in development and promotion or discontinue these products and services entirely, which could in turn adversely affect our business and results of operations.

26. ***The new bankruptcy code in India may affect our rights to recover loans from borrowers.***

The Insolvency and Bankruptcy Code, 2016 ("**Bankruptcy Code**") was notified on August 5, 2016. The Bankruptcy Code offers a uniform and comprehensive insolvency legislation encompassing all companies, partnerships and individuals (other than financial firms). It allows creditors to assess the viability of a debtor as a business decision and agree upon a plan for its revival or a speedy liquidation. The Bankruptcy Code creates a new institutional framework, consisting of a regulator, insolvency professionals, information utilities and adjudicatory mechanisms, which will facilitate a formal and time-bound insolvency resolution and liquidation process.

In case insolvency proceedings are initiated against a debtor to our Company, we may not have complete control over the recovery of amounts due to us. Under the Bankruptcy Code, upon invocation of an insolvency resolution process, a committee of creditors is constituted by the interim resolution professional, wherein each financial creditor is given a voting share proportionate to the debts owed to it. Any decision of the committee of creditors must be taken by a vote of not less than 66% of the voting share of all financial creditors. Any resolution plan approved by committee of creditors is binding upon all creditors, even if they vote against it.

In case a liquidation process is opted for, the Bankruptcy Code provides for a fixed order of priority in which proceeds from the sale of the debtor's assets are to be distributed. Before sale proceeds are distributed to a secured creditor, they are to be distributed for the costs of the insolvency resolution and liquidation processes, debts owed to workmen and other employees, and debts owed to unsecured creditors. Further, under this process, dues owed to the Central and State Governments rank at par with those owed to secured creditors. Moreover, other secured creditors may decide to opt out of the process, in which case they are permitted to realise their security interests in priority.

Further, since home owners of residential projects undergoing construction have now been given the status of a financial creditor, they may therefore initiate corporate insolvency resolution process against the developers. This may thereby hinder loan repayments in respect of real estate projects funded by us.

Accordingly, if the provisions of the Bankruptcy Code are invoked against any of the borrowers of our Company, it may affect our Company's ability to recover our loans from the borrowers and enforcement of our Company's rights will be subject to the Bankruptcy Code.

27. ***Our Company's success depends, to a large extent, upon its management team and key personnel and its ability to attract, train and retain such persons. Our Company's inability to attract and retain talented professionals or the loss of key management personnel may have an adverse impact on its business and future financial performance.***

Our Company's ability to sustain the rate of growth depends significantly on selecting and retaining key managerial personnel, developing managerial experience to address emerging challenges and ensuring a high standard of client service. Our Company faces a continuing challenge to recruit, adequately compensate and retain a sufficient number of suitably skilled personnel, knowledgeable in sectors to which it lends. There is significant competition in India for such personnel, which has increased in recent years as a significant number of banks, NBFCs and housing finance companies ("HFCs") have recently commenced operations. If our Company is unable to hire additional qualified personnel or to retain them, our Company's ability to expand its business may be impaired. Our Company will need to recruit new employees who will have to be trained and integrated within our Company's operations. In addition, our Company will have to train existing employees to adhere to internal controls and risk management procedures. Failure to train and motivate its employees properly may result in an increase in employee attrition rate, a requirement to hire additional employees, an erosion of the quality of customer service, a diversion in the management's resources, an increase in its exposure to high-risk credit and an increase in costs for our Company. Hiring and retaining qualified and skilled managers are critical to our Company's future as its business model depends on its credit-appraisal and asset valuation mechanism which are personnel-driven. Moreover, competition for experienced employees can be intense, and has intensified in the recent financial periods. While our Company has an incentive structure, our Company's inability to attract and retain talented professionals or the loss of key management personnel may have an adverse impact on our Company's business and future financial performance.

28. ***A failure or inadequacy in our Company's information technology and telecommunication systems or its inability to adapt to rapid technological changes may adversely affect its business, results of operation, financial condition and cash flows.***

Our Company's ability to operate and remain competitive depends in part on its ability to maintain and upgrade its information technology systems and infrastructure on a timely and cost-effective basis, including its ability to process a large number of transactions on a daily basis. Our Company's operations also rely on the secure processing, storage and transmission of confidential and other information in its computer systems and networks. Our Company's financial, accounting or other data processing systems and management information systems or its corporate website may fail to operate adequately or become disabled as a result of events that may be beyond its control, including a disruption of electrical or communications services. Further, the information available to and received by our Company's management through its existing systems may not be timely and sufficient to manage risks or to plan for and respond to changes in market conditions and other developments in its operations. If any of these systems are disabled or if there are other shortcomings or failures in our Company's internal processes

or systems, it may disrupt our Company's business or impact its operational efficiencies and render it liable to regulatory intervention or damage to its reputation. The occurrence of any such events may adversely affect our Company's business, results of operations, financial condition and cash flows.

Our Company is dependent on various external vendors for the implementation of certain elements of its operations, including implementing information technology infrastructure and hardware, industry standard commercial off-the-shelf products, networking and back-up support for disaster recovery. Our Company is, therefore, exposed to the risk that external vendors or service providers may be unable to fulfil their contractual obligations to it (or will be subject to the risk of fraud or operational errors by their respective employees) and the risk that their (or their vendors') business continuity and data security systems prove to be inadequate or fail to perform. Failure to perform any of these functions by our Company's external vendors or service providers could materially and adversely affect its business, results of operations and cash flows.

In addition, the future success of our Company's business will depend in part on its ability to respond to technological advances and to emerging financing industry standards and practices on a cost-effective and timely basis. The development and implementation of such technology entails significant technical and business risks. There can be no assurance that our Company will successfully implement new technologies effectively or adapt its technology and systems to meet customer requirements or emerging industry standards. If our Company is unable, for technical, legal, financial or other reasons, to adapt in a timely manner to changing market conditions, customer requirements or technological changes, its financial condition could be adversely affected. Any technical failures associated with its information technology systems or network infrastructure, including those caused by power failures and other unauthorised tampering, may cause interruptions or delays in our Company's ability to provide services to its customers on a timely basis or at all, and may also result in added costs to address such system failures and/or security breaches, and for information retrieval and verification.

29. *Our Company is exposed to operational risks, including employee negligence, petty theft, burglary and embezzlement and fraud by employees, agents, customers or third parties, which could harm our Company's results of operations and financial position.*

Our Company is exposed to many types of operational risks. Operational risks can result from a variety of factors, including failure to obtain proper internal authorisations, improperly documented transactions, failure of operational and information security procedures, computer systems, software or equipment, fraud, inadequate training and employee errors. Our Company attempts to mitigate operational risk by maintaining a comprehensive system of internal controls, establishing systems and procedures to monitor transactions, maintaining key back-up procedures, undertaking regular contingency planning and providing employees with continuous training. Any failure to mitigate such risks may adversely affect our Company's business and results of operations.

In addition, some of our Company's transactions expose it to the risk of misappropriation or unauthorised transactions by its employees and fraud by its employees, agents, customers or third parties. Our Company's insurance policies, security systems and measures undertaken to detect and prevent these risks may not be sufficient to prevent or deter such activities in all cases which may adversely affect our Company's operations and profitability. Furthermore, our Company may be subject to regulatory or other proceedings in connection with any unauthorised transaction, fraud or misappropriation by its representatives and employees which could adversely affect its goodwill. In addition, some of our Company's collaterals which were provided for the loans may not be adequately insured and this may expose our Company to a loss of value for the collateral. As a result, our Company may not be able to recover the full value of the collateral. Any loss of value of the collateral may have a material adverse effect on our Company's profitability and business operations.

30. *Our Company's insurance coverage may not adequately protect our Company against losses which could adversely affect our Company's business, financial condition, cash flows and results of operations.*

Our Company maintains insurance coverage that our Company believes is adequate for its operations. Our Company's insurance policies, however, may not provide adequate coverage in certain circumstances and are subject to certain deductibles, exclusions and limits on coverage. Our Company maintains general insurance for burglary, electronic equipment, machinery breakdown, directors' and officers' liability and comprehensive general liability insurance. Our Company has also obtained guarantee under the Credit Guarantee Fund Scheme for NBFCs from Credit Guarantee Fund Trust for Micro and Small Enterprises. However, our Company cannot assure you that the terms of its insurance policies will be adequate to cover any damage or loss suffered by our Company or that such coverage

will continue to be available on reasonable terms or will be available in sufficient amounts to cover one or more large claims, or that the insurer will not disclaim coverage as to any future claim. Any successful assertion of one or more large claims against our Company that exceeds our Company's available insurance coverage or changes in our Company's insurance policies, including any increase in premium or any imposition of larger deductibles or co-insurance requirements could adversely affect our Company's business, financial condition, cash flows and results of operations.

31. *Our Company's ability to assess, monitor and manage risks inherent in our Company's business differs from the standards of some of its counterparts.*

Our Company is exposed to a variety of risks, including liquidity risk, interest rate risk, credit risk, operational risk and legal risk. The effectiveness of our Company's risk management is limited by the quality and timeliness of available data. Our Company's hedging strategies and other risk management techniques may not be fully effective in mitigating its risks in all types of market environments or against all types of risk, including risks that are unidentified or unanticipated. Some methods of managing risks are derived from the observation of historical market behaviour. As a result, these methods may not predict future risk exposures, which could be greater than the indication based on historical measures. Other risk management methods depend on an evaluation of information regarding markets, customers or other matters. This information may not be accurate, complete, up-to-date or properly evaluated. The management of operational, legal or regulatory risk requires, among other things, proper policies and procedures to record and verify a number of transactions and events. Although our Company has established these policies and procedures, they may not be fully effective.

Our Company's future success will depend, in part, on our Company's ability to respond to new technological advances and emerging market standards and practices in a cost-effective and timely manner. The development and implementation of such technology entails significant technical and business risks. There can be no assurance that our Company will be able to successfully implement new technologies or adapt its transaction processing systems in accordance with the requirements of customers or emerging market standards.

32. *Our Company's business is dependent on relationships established through its branches with its clients. Any events that harm these relationships including closure of branches or the loss of our Company's key personnel or employees may lead to a decline in our Company's revenue and profits. Further, our Company's results of operations could be adversely affected in the event of any disputes with its employees.*

Our Company's business is dependent on the key personnel and employees who directly manage client relationships. Our Company encourages dedicated personnel to service specific clients since our Company believes that this leads to long-term client relationships, a trust based business environment and over time, better cross-selling opportunities. While no key personnel or employees contribute a significant percentage of the business, the business may suffer materially if a substantial number of them either becomes ineffective or leaves the organisation. As a result, there may be an adverse effect on our Company's business and profits.

As at March 31, 2019, our Company employed 1513 full-time employees. Currently, none of our Company's employees are members of any labour union. While our Company believes that our Company maintains good relationships with its employees, there can be no assurance that our Company will not experience future disruptions to its operations due to disputes or other problems with its work force which may adversely affect our Company's business and results of operations.

33. *Significant fraud, system failure or calamities could adversely impact our Company's business.*

Our Company seeks to protect its computer systems and network infrastructure from physical break-ins as well as fraud and system failures. Computer break-ins and power and communication disruptions could affect the security of information stored in and transmitted through our Company's computer systems and network infrastructure. Our Company employs security systems, including firewalls and password encryption, designed to minimise the risk of security breaches. Although our Company intends to continue to implement security technology and establish operational procedures to prevent fraud, break-ins, damage and failures, there can be no assurance that these security measures will be adequate. A significant failure of security measures or operational procedures could have a material adverse effect on our Company's business and its future financial performance. Although our Company takes adequate measures to safeguard against system-related and other frauds, there can be no assurance that it would be able to prevent frauds. Furthermore, our Company is exposed to many types of operational risks, including the risk of fraud or other misconduct by its employees and unauthorised transactions by its

employees. Our Company's reputation may be adversely affected by significant frauds committed by its employees, customers or outsiders.

- 34. *Our Company's reliance on any misleading or misrepresented information provided by potential customers or counterparties or an inaccurate credit appraisal by our Company's employees may affect its credit judgments, as well as the value of and title to the collateral, which may adversely affect its reputation, business and results of operations.***

In deciding whether to extend credit or enter into other transactions with customers and counterparties, our Company may rely on information furnished to it by or on behalf of customers and counterparties, including financial statements and other financial information. Our Company may also rely on certain representations in relation to the accuracy and completeness of that information as well as independent valuation reports and title reports with respect to the collateral. In addition, our Company may rely on reports of the independent auditors in relation to the financial statements. For example, in deciding whether to extend credit, our Company may assume that a customer's audited financial statements conform to GAAP and the financial condition, results of operations and cash flows of the customer are presented fairly in all material respects. Our Company's financial condition, cash flows and results of operations may be adversely affected by relying on financial statements that do not comply with GAAP or other information that may be materially misleading. Moreover, our Company has implemented Know Your Customer ("KYC") checklist and other measures to prevent money laundering. There can be no assurance that information furnished to our Company by potential customers and any analysis of such information or the independent checks and searches will return accurate results, and our Company's reliance on such information may affect its judgement of the potential customers' credit worthiness, as well as the value of and title to the collateral, which may result in our Company having to bear the risk of loss associated with such misrepresentations. In the event of the ineffectiveness of these systems, our Company's reputation, business and results of operations may be adversely affected.

Our Company may also be affected by the failure of its employees to adhere to the internal procedures and an inaccurate appraisal of the credit or financial worth of its clients. Inaccurate appraisal of credit may allow a loan sanction which may eventually result in a bad debt on our Company's books of accounts. In the event our Company is unable to mitigate the risks that arise out of such lapses, our Company's business and results of operations may be adversely affected.

- 35. *Our Company may not be able to detect money-laundering and other illegal or improper activities fully or on a timely basis, which could expose it to additional liability and harm its business or reputation.***

Our Company is required to comply with applicable anti-money-laundering and anti-terrorism laws and other regulations in India. Our Company, in the course of its operations, runs the risk of failing to comply with the prescribed KYC procedures and the consequent risk of fraud and money laundering by dishonest customers despite putting in place systems and controls customary in India to prevent the occurrence of these risks. Although our Company believes that it has adequate internal policies, processes and controls in place to prevent and detect any AML activity and ensure KYC compliance, there can be no assurance that our Company will be able to fully control instances of any potential or attempted violation by other parties and may accordingly be subject to regulatory actions including imposition of fines and other penalties. Our Company, in certain of its activities and in pursuit of its business, runs the risk of inadvertently offering its financial products and services ignoring customer suitability and appropriateness despite having a KYC and Anti-Money Laundering measures and associated processes in place. Such incidents may adversely affect our Company's business and reputation.

- 36. *Our Company is exposed to fluctuations in the market values of its investment and other asset portfolio.***

The financial markets' turmoil have adversely affected economic activity globally including India. Continued deterioration of the credit and capital markets may result in volatility of our Company's investment earnings and impairments to our Company's investment and asset portfolio. Further, the value of our Company's investments depends on several factors beyond its control, including the domestic and international economic and political scenario, inflationary expectations and the RBI's monetary policies. Any decline in the value of the investments could negatively impact our Company's financial condition and cash flows.

37. ***Our Company may experience difficulties in expanding its business into new regions and markets in India and introducing its complete range of products in each of its branches.***

Our Company continues to evaluate attractive growth opportunities to expand its business into new regions and markets in India. Factors such as competition, culture, regulatory regimes, business practices and customs and customer requirements in these new markets may differ from those in our Company's current markets and our Company's experience in its current markets may not be applicable to these new markets. In addition, as our Company enters new markets and geographical regions, our Company is likely to compete with other banks and financial institutions that already have a presence in those jurisdictions and markets. As these banks and financial institutions are more familiar with local regulations, business practices and customs, they may have developed stronger relationships with customers.

Our Company's business may be exposed to various additional challenges including obtaining the necessary governmental approvals, identifying and collaborating with local business and partners with whom our Company may have no previous working relationship, successfully gauging market conditions in the local markets in which our Company has no previous familiarity, attracting potential customers in a market in which our Company does not have significant experience or visibility, being susceptible to local taxation in additional geographical areas in India and adapting our Company's marketing strategy and operations to the different regions of India in which different languages are spoken. Our Company's inability to expand its current operations may adversely affect its business prospects, financial conditions, cash flows and results of operations.

38. ***The SMEs to which our Company provides loans may not perform as expected and our Company may not be able to control the non-performance of such businesses.***

Our Company provides loans to select growing SMEs which obtain loans against their assets and profits made by them. Our Company does not manage, operate or control such businesses or entities. Further, our Company has no control over those businesses' functions or operations. As a result, such businesses may make business, financial or management decisions which our Company does not agree or the majority shareholders or the management of such companies may make business, financial or management decisions that may be adverse to, or otherwise act in a manner that does not serve, our Company's best interests. The repayment of the loans extended to such businesses will depend to a significant extent on the specific management team of the relevant borrower entity. The actions taken by the management of our Company's customers may lead to significant losses and affect their ability to repay our Company's loans. Consequently, this may adversely affect our Company's financial performance and cash flows.

39. ***Our Company is dependent on the Edelweiss Group's goodwill and brand name. Any change in control of the Edelweiss Group or our Company or any other factor affecting the business and reputation of the Edelweiss Group may have a concurrent adverse effect on our Company's reputation, business and results of operations.***

As at the date of this Shelf Prospectus, the Edelweiss Group, held 100%, of our Company's paid up share capital. If the Edelweiss Group ceases to exercise majority control over our Company as a result of any transfer of shares or otherwise, our Company's business and results of operations could be adversely affected. Any disassociation of our Company from the Edelweiss Group and/or our Company's inability to have access to the infrastructure provided by other companies in the Edelweiss Group could adversely affect our Company's ability to attract customers and to expand our Company's business, which in turn could adversely affect our Company's goodwill, operations and profitability. Our Company is also dependent on the goodwill and brand name of the Edelweiss Group. Our Company believes that this goodwill contributes significantly to its business. There can be no assurance that the "Edelweiss" brand, which our Company believes is a well recognised brand in India, will not be adversely affected in the future by events or actions that are beyond our Company's control, including customer complaints, developments in other businesses that use this brand or adverse publicity from any other source. In the event Edelweiss Group is unable to maintain the quality of its services or its goodwill deteriorates, our Company's business and results of operations may be adversely affected.

We have applied for certain registrations in connection with the protection of our trademarks, which are currently pending. The registration of any intellectual property right is a time-consuming process, and there can be no assurance that any such registration will be granted. Unless our trademarks are registered, we may only get passing off relief, in case of infringement of our Trademarks, which could materially and adversely affect our brand image, goodwill and business.

Our Company operates in a competitive environment and our Company believes that the EFSL's brand recognition is a significant competitive advantage for it. The logo of our Company is not registered. Any failure to retain our Company's name may deprive our Company of the associated brand equity that it has developed which may have a material adverse effect on our Company's business and results of operations.

40. *Our Company has entered into related party transactions and may continue to enter into related party transactions which may involve conflict of interest.*

Our Company has entered into related party transactions, within the meaning of AS 18 as issued by the Companies (Accounting Standards) Rules, 2006 as amended from time to time and Ind AS 24 issued by the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time. Such transactions may potentially give rise to current or potential conflicts of interest with respect to dealings between our Company and such related parties. While our Company believes that all related party transactions entered into are conducted on an arms' length basis and in the ordinary course of business, there can be no assurance that it could not have achieved more favourable terms if such transactions had not been entered into with related parties. Additionally, there can be no assurance that any dispute that may arise between our Company and related parties will be resolved in our Company's favour. For details, see "Related Party Transactions" on page 147 of this Draft Shelf Prospectus.

41. *Our Company's Promoter, Directors and related entities have interests in a number of entities which are in businesses similar to our Company's business and this may result in potential conflicts of interest with our Company.*

Certain decisions concerning our Company's operations or financial structure may present conflicts of interest among our Company's Promoter, other shareholders, Directors, executive officers and the holders of Equity Shares. Our Company's Promoter, Directors and related entities have interests in various entities that are engaged in businesses similar to our Company. Commercial transactions in the future between our Company and related parties may result in conflicting interests. A conflict of interest may occur directly or indirectly between our Company's business and the business of our Company's Promoter which could have an adverse effect on our Company's operations. Conflicts of interest may also arise out of common business objectives shared by our Company, our Company's Promoter, Directors and their related entities. Our Company's Promoter, Directors and their related entities may compete with our Company and have no obligation to direct any opportunities to our Company. Our Company cannot provide any assurance that these or other conflicts of interest will be resolved in an impartial manner.

42. *Significant differences exist between Indian GAAP used to prepare our Company's financial statements and other accounting principles, such as IFRS, with which investors may be more familiar. Further, our Company will be subject to a number of new accounting standards as part of its transition to IND (AS) that may significantly impact its financial statements in future reporting periods.*

Our Company's Reformatted Financial Information upto and for the year ended March 31, 2018 included in this Shelf Prospectus are derived from the financial statements prepared in conformity with Indian GAAP. Indian GAAP differs in certain significant respects from IFRS and other accounting principles and standards. The significant accounting policies applied in the preparation of Reformatted Financial Information are set forth on page 148. Prospective investors should review the accounting policies and "Summary of Significant Differences between Indian GAAP and Ind AS" and consult their own professional advisers for an understanding of the differences between these accounting principles and those with which they may be more familiar. Accordingly, the degree to which the financial statements included in this Shelf Prospectus will provide meaningful information is entirely dependent on the investor's level of familiarity with Indian accounting practices. Any reliance by persons not familiar with Indian accounting practices on the financial disclosures presented in this Shelf Prospectus should accordingly be limited.

The Companies (Indian Accounting Standards) Rules, 2015 ("IAS Rules"), as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016, enacted Ind AS to converge with IFRS with few exceptions and exemptions. The IAS Rules provide that the financial statements of the companies to which they apply shall be prepared in accordance with IND (AS), although any company may voluntarily implement IND (AS) for the accounting period beginning from 1 April 2015. All NBFCs having a net worth of more than ₹ 5,000 million are required to mandatorily adopt IND (AS) for the

accounting period beginning from 1 April 2018 with comparatives for the period ending on 31 March 2018.

As per above we are required to prepare our financial statements in accordance with Ind AS with effect from April 1, 2018 with comparatives for prior periods. While there is a possibility that these financial results as at and for nine months period ended December 31, 2018 may require adjustments due to changes in financial reporting requirements arising from new standards, modifications to the existing standards, guidelines issued by the Ministry of Corporate Affairs or changes in the use of one or more optional exemptions from full retrospective application of certain Ind AS permitted under Ind AS 101 which may arise upon finalisation of the financial statements as at and for the year ending March 31, 2019, prepared under Ind AS. Certain very significant GAAP difference impact items in our financial statements are income from loans and advances, finance cost, provision on non-performing assets, deferred tax and recognition of securitization/ assignment transactions. For a summary of the significant qualitative differences between Indian GAAP and Ind AS as applicable to our Company, see “Summary of Significant Differences Between Indian GAAP and Ind AS” on page 149.

However, this summary may not contain all the differences between Indian GAAP and Ind AS applicable to our Company and reliance by prospective investors on this summary should be limited. Accordingly, our financial statements for the period commencing from April 1, 2018 will not be comparable to our historical financial statements.

43. *Certain facts and statistics are derived from publications not independently verified by our Company, the Lead Managers or their respective advisors.*

The information in the section titled “Industry Overview” of this Shelf Prospectus has been derived from the report titled “CRISIL Research- NBFC Report 2018” (the “**Report**”) provided by CRISIL Research (a division of CRISIL Limited). While our Company has taken reasonable care to ensure that the facts and statistics presented are accurately reproduced from such sources, they have not been independently verified by our Company, the Lead Managers or their respective advisors and, therefore, they make no representation as to the accuracy of such facts and statistics, which may not be consistent with other information compiled within or outside India. Due to possibly flawed or ineffective calculation and collection methods and other problems, the facts and statistics in this Shelf Prospectus may be inaccurate or may not be comparable to facts and statistics produced for other economies and should not be unduly relied upon. Further, there can be no assurance that they are stated or compiled on the same basis or with the same degree of accuracy as may be the case elsewhere.

44. *We do not own the premises where our branch offices are located and in the event our rights over the properties is not renewed or is revoked or is renewed on terms less favourable to us, our business activities may be disrupted.*

At present we do not own the premises of any of our branch offices. All such non-owned properties are leased or licensed to us. If the owners of these properties do not renew the agreements under which we occupy the premises or only agree to renew such agreements on terms and conditions that are unacceptable to us, or if the owners of such premises withdraw their consent to our occupancy, our operations may suffer a disruption. We may be unable to locate suitable alternate facilities on favorable terms, or at all, and this may have a material adverse effect on our business, results of operations, financial condition and cash flows.

45. *Security provided for the Issue may not be enforceable if the security provided for the Issue is classified as ‘Assets’ under the IT Act and will be void as against any claim in respect of any tax or any other sum payable by our Company.*

We have certain proceedings pending under the IT Act before the Income Tax Appellate Tribunal. Under section 281 of the IT Act and circular bearing number 04/2011 dated July 19, 2011, our Company is required to obtain prior consent of the assessing officer to create the security provided for the Issue to the extent classified as assets under section 281 of the IT Act, during the pendency of such proceedings. We have made an application to the relevant assessing officer seeking such prior consent on April 1, 2019 and have received acknowledgment in relation to the same. In the event that such consent is revoked, the security provided for the Issue to the extent classified as ‘Assets’ under section 281 of the IT Act will be void as against any claim in respect of any tax or any other sum payable by our Company, including as a result of the completion of these proceedings.

46. *We rely on direct selling agents (DSAs) to sell our products across the country. These DSAs may not perform their obligations satisfactorily or in compliance with law or may be part of*

unlawful/unethical behaviour which may adversely affect the business and reputation of our Company.

We enter into direct selling arrangements with DSAs for the purpose of marketing and selling our products across India. Although adequate due diligence is conducted before entering into any DSA arrangement with any person, we cannot guarantee that there shall be no disruptions in the provision of their services to our Company or that these DSAs will adhere to their contractual obligations. If there is a disruption in the services of these DSAs, or if the DSAs discontinue their service agreement with us, our business, financial condition, cash flows and results of operations will be adversely affected. In case of any dispute between our Company and the DSAs, we cannot assure you that the terms of the agreements/arrangements entered into with the DSAs will not be breached, which may result in litigation costs. Such additional cost, in addition to the cost of entering into agreements with other DSAs, may materially and adversely affect our business, financial condition, cash flows and results of operations. Further, our DSAs or the personnel they employ may be engaged in unethical or unlawful behaviour or they may misrepresent or mis-sell our products and services. Due to this, we may also suffer from reputational and legal risks and these actions may materially and adversely affect our business, financial condition, cash flows and results of operations.

- 47. *We may be required to bear additional tax liability for previous assessment years, which could adversely affect our financial condition and cash flows.***

According to extant guidelines from the RBI, an NBFC is not permitted to recognise income if the amount due in respect of a loan has not been paid by the borrower for 90 days or more and such amount is considered an NPA. However, under section 43D read with rule 6EB of the Income Tax Rules, the definition of an NPA under the Income Tax Act is different from that provided by extant guidelines of the RBI in force at present.

While we have been following the guidelines of the RBI on income recognition, if the interpretation of the income tax department is different to ours, we may be required to bear additional tax liabilities for previous assessment years, as well as an increased tax liability in the future as a result of our income being recognized by the income tax department at a higher level than the income offered for taxation under the guidelines set out by the RBI.

- 48. *Our lending operations involve cash collection which may be susceptible to loss or misappropriation or fraud by our employees. This may adversely affect our business, operations and ability to recruit and retain employees.***

Our lending and collection operations involve handling of cash, including collections of instalment repayments in cash in certain cases. Cash collection exposes us to risk of loss, fraud, misappropriation or unauthorised transactions by our employees responsible for dealing with such cash collections. In addition, we may be subject to regulatory or other proceedings in connection with any such unauthorised transaction, fraud or misappropriation by our agents or employees, which could adversely affect our goodwill, business prospects and future financial performance. In addition, given the high volume of transactions involving cash processed by us, certain instance of fraud and misconduct by our employees or representatives may go unnoticed for some time before they are identified and corrective actions are taken. Even when we identify instance of fraud and other misconduct and pursue legal recourse or file claims with our insurance carriers, there can be no assurance that we will recover any amounts lost through such fraud or other misconduct. While we have internal control in place to minimise the likelihood of such frauds, there can be no assurance that these are sufficient and will be so in the future.

In addition to the above, our employees operating in remote areas may be required to transport cash due to lack of local banking facility. In the event of any adverse incident, our ability to continue operations in such areas will be adversely affected and our employee recruitment and retention efforts may be affected, thereby affecting our growth and expansion. In addition, if we determine that certain areas of India pose a significantly higher risk or crime or instability, our ability to operate in such areas will be adversely affected.

- 49. *We rely on third-party service providers who may not perform their obligations satisfactorily or in compliance with law.***

We enter into outsourcing arrangements with third party vendors for a number of services required by us. These vendors provide services, which include, among others, software services and client sourcing. Though adequate due diligence is conducted before finalizing such outsourcing arrangements, we cannot guarantee that there will be no disruptions in the provision of such services or that these third parties will adhere to their contractual obligations. If there is a disruption in the third-party services, or if the

third-party service providers discontinue their service agreement with us, our business, financial condition, cash flows and results of operations will be adversely affected. In case of any dispute, we cannot assure you that the terms of such agreements will not be breached, which may result in litigation costs. Such additional cost, in addition to the cost of entering into agreements with third parties in the same industry, may materially and adversely affect our business, financial condition, cash flows and results of operations. We may also suffer from reputational and legal risks if our third-party service providers act unethically or unlawfully or misrepresent or mis-sell our products and services, which could materially and adversely affect our business, financial condition, cash flows and results of operations.

50. ***This Draft Shelf Prospectus includes certain unaudited financial information, which has been subjected to limited review, in relation to our Company. Reliance on such information should, accordingly, be limited. Additionally, our Company may publish additional unaudited financial information during the Issue Period.***

This Draft Shelf Prospectus includes Limited Review Financial Results in relation to our Company for the half year ended September 30, 2018 in respect of which the Auditors have issued their Limited Review Report dated October 25, 2018. As Limited Review Financial Information prepared by our Company in accordance with Regulation 52 (2) of the SEBI Debt Regulations have been subject only to a limited review and as described in Standard on Review Engagements (SRE) 2410, “Review of Interim Financial Information” Performed by the Independent Auditor of the Entity” issued by the ICAI, and not to an audit, any reliance by prospective investors on such Limited Review Financial Information for the half year ended September 30, 2018 should, accordingly, be limited. Additionally, in accordance with applicable law, our Company is required to publish its half yearly financial information with the stock exchanges.

This Draft Shelf Prospectus also includes Interim Condensed Standalone Ind AS Financial Statements, in relation to our Company, as at and for nine months period ended December 31, 2018 in respect of which the Auditors have issued their Review Report dated April 24, 2019. The Interim Condensed Standalone Ind AS Financial Statements prepared by our Company have been subject only to a limited review and as described in Standard on Review Engagements (SRE) 2410, “Review of Interim Financial Information” Performed by the Independent Auditor of the Entity” issued by the ICAI, and not to an audit, any reliance by prospective investors on such Limited Review Financial Information as at and for nine months period ended December 31, 2018 should, accordingly, be limited. For further details in relation to the Limited Review Financial Information and the Interim Condensed Standalone Ind AS Financial Statements, see the chapter titled “Financial Information” beginning at page 148 of this Draft Shelf Prospectus.

Any financial results published in the future may not be consistent with past performance. Accordingly, prospective investors should rely on their independent examination of our financial position and results of operations, and should not place undue reliance on, or base their investment decision solely on the financial information included in this Draft Shelf Prospectus.

B. Risks pertaining to this Issue

1. ***If we do not generate adequate profits, we may not be able to maintain an adequate DRR for the NCDs issued pursuant to this Draft Shelf Prospectus, which may have a bearing on the timely redemption of the NCDs by our Company.***

Regulation 16 of the SEBI Debt Regulations and Section 71 of the Companies Act 2013 states that any company that intends to issue debentures must create a Debenture Redemption Reserve out of the profits of our company available for payment of dividend until the redemption of the debentures. Further, the Companies (Share Capital and Debentures) Rules, 2014 states that the Company shall create Debenture Redemption Reserve and ‘the adequacy’ of DRR will be 25% of the outstanding value of debentures issued through public issue as per present SEBI Debt Regulations. Accordingly, if we are unable to generate adequate profits, the DRR created by us may not be adequate to meet 25% of the value of the outstanding NCDs. Further, every company required to create Debenture Redemption Reserve shall on or before the 30th day of April in each year, invest or deposit, as the case may be, a sum which shall not be less than fifteen percent, of the amount of its debentures maturing during the year ending on the 31st day of March of the next year, in any one or more of the following methods, namely:(i) in deposits with any scheduled bank, free from any charge or lien;(ii) in unencumbered securities of the Central Government or of any State Government; (iii) in unencumbered securities mentioned in sub-clauses (a)

to (d) and (ee) of Section 20 of the Indian Trusts Act, 1882; (iv) in unencumbered bonds issued by any other company which is notified under sub-clause (f) of Section 20 of the Indian Trusts Act, 1882; (v) the amount invested or deposited as above shall not be used for any purpose other than for redemption of debentures maturing during the year referred above, provided that the amount remaining invested or deposited, as the case may be, shall not at any time fall below fifteen percent of the amount of the debentures maturing during the year ending on the 31st day of March of that year. If we do not generate adequate profits, we may not be able to maintain adequate DRR for the NCDs issued pursuant to this Shelf Prospectus, which may have a bearing on the timely redemption of the NCDs by our Company.

2. *Changes in interest rates may affect the price of our NCDs.*

All securities where a fixed rate of interest is offered, such as our NCDs, are subject to price risk. The price of such securities will vary inversely with changes in prevailing interest rates, i.e. when interest rates rise, prices of fixed income securities tend to fall and when interest rates drop, the prices tend to increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of prevailing interest rates. Increased rates of interest, which frequently accompany inflation and/or a growing economy, are likely to have a negative effect on the price of our NCDs.

3. *You may not be able to recover, on a timely basis or at all, the full value of the outstanding amounts and/or the interest accrued thereon in connection with the NCDs.*

Our ability to pay interest accrued on the NCDs and/or the principal amount outstanding from time to time in connection therewith would be subject to various factors inter-alia including our financial condition, cash flows, profitability and the general economic conditions in India and in the global financial markets. We cannot assure you that we would be able to repay the principal amount outstanding from time to time on the NCDs and/or the interest accrued thereon in a timely manner or at all. Although our Company will create appropriate security in favour of the Debenture Trustee for the NCD holders on the assets adequate to ensure 100.00% asset cover for the NCDs, which shall be free from any encumbrances, the realisable value of the assets charged as security, when liquidated, may be lower than the outstanding principal and/or interest accrued thereon in connection with the NCDs. A failure or delay to recover the expected value from a sale or disposition of the assets charged as security in connection with the NCDs could expose you to a potential loss.

4. *There is no assurance that the NCDs issued pursuant to this Issue will be listed on Stock Exchange in a timely manner, or at all.*

In accordance with Indian law and practice, permissions for listing and trading of the NCDs issued pursuant to this Issue will not be granted until after the NCDs have been issued and allotted. Approval for listing and trading will require all relevant documents to be submitted and carrying out of necessary procedures with the Stock Exchange. There could be a failure or delay in listing the NCDs on the Stock Exchange for reasons unforeseen. If permission to deal in and for an official quotation of the NCDs is not granted by the Stock Exchange, our Company will forthwith repay, without interest, all monies received from the Applicants in accordance with prevailing law in this context and pursuant to this Shelf Prospectus.

There is no assurance that the NCDs issued pursuant to this Issue will be listed on Stock Exchange in a timely manner, or at all.

5. *Any downgrading in credit rating of our NCDs may affect the value of NCDs and thus our ability to raise further debts.*

The NCDs proposed to be issued under this Issue have been rated “CARE AA; Positive” (pronounced as CARE AA with Positive outlook) for an amount of ₹ 20,000 million, by CARE Ratings Limited vide their letter dated April 10, 2019 and “CRISIL AA/Stable” (pronounced as CRISIL double A rating with Stable outlook) for an amount of ₹ 20,000 million, by CRISIL Limited vide their letter dated April 18, 2019. Any downgrade of our credit ratings would increase borrowing costs and constraint our access to capital and debt markets and, as a result, would negatively affect our net interest margin and our business. In addition, downgrades of our credit ratings could increase the possibility of additional terms and conditions being added to any additional financing or refinancing arrangements in the future. Any such adverse development could adversely affect our business, financial condition, cash flows and results of operations.

6. *Securities on our NCDs may be exclusive and/or rank pari passu with any of our Company's secured obligations (with the exceptions of any exclusive charge created by the Company).*

Substantially all of our Company's current assets represented mainly by the loan receivables are being used to secure our Company's debt. As at December 31, 2018, our Company's secured borrowing was ₹ 198,443.48 million. Securities on our NCDs may be exclusive and/or rank pari passu with any of our Company's secured obligations (with the exceptions of any exclusive charge created by the Company) with respect to the assets that secure such obligations. The terms of the NCDs do not prevent our Company from incurring additional debt.

7. *Our Company may raise further borrowings and charge its assets after receipt of necessary consents from its existing lenders.*

Our Company may, subject to receipt of all necessary consents from its existing lenders and the Debenture Trustee to the Issue, raise further borrowings and charge its assets. Our Company is free to decide the nature of security that may be provided for future borrowings. In such a scenario, the NCD holders will rank pari passu with other charge holder and to that extent, may reduce the amounts recoverable by the NCD holders upon our Company's bankruptcy, winding-up or liquidation. In addition, the Company may create pari passu/ exclusive charge on certain assets after necessary consents.

8. *Payments to be made on the NCDs will be subordinated to certain tax and other liabilities preferred by law. In the event of bankruptcy, liquidation or winding-up, there may not be sufficient assets remaining to pay amounts due on the NCDs.*

The NCDs will be subordinated to certain liabilities preferred by law such as the claims of the Government on account of taxes, and certain liabilities incurred in the ordinary course of our business. In particular, in the event of bankruptcy, liquidation or winding-up, our Company's assets will be available to pay obligations on the NCDs only after all of those liabilities that rank senior to these NCDs have been paid as per Section 326 of the Companies Act, 2013. In the event of bankruptcy, liquidation or winding-up, there may not be sufficient assets remaining to pay amounts due on the NCDs.

9. *You may be subject to taxes arising on the sale of the NCDs.*

Sale of NCDs by any holder may give rise to tax liability, as discussed in section entitled "Statement of Tax Benefits" on page 68 of this Draft Shelf Prospectus.

10. *There may be no active market for the non-convertible debentures on the WDM segment of the stock exchange. As a result, the liquidity and market prices of the non-convertible debentures may fail to develop and may accordingly be adversely affected.*

There can be no assurance that an active market for the NCDs will develop. If an active market for the NCDs fails to develop or be sustained, the liquidity and market prices of the NCDs may be adversely affected. The market price of the NCDs would depend on various factors inter alia including (i) the interest rate on similar securities available in the market and the general interest rate scenario in the country, (ii) the market for listed debt securities, (iii) general economic conditions, and, (iv) our financial performance, cash flows, growth prospects and results of operations. The aforementioned factors may adversely affect the liquidity and market price of the NCDs, which may trade at a discount to the price at which you purchase the NCDs and/or be relatively illiquid.

11. *The fund requirement and deployment mentioned in the Objects of the Issue have not been appraised by any bank or financial institution.*

We intend to use the proceeds of the Issue, after meeting the expenditures of and related to the Issue, for our various financing activities including lending and investments, subject to applicable statutory and/or regulatory requirements, to repay our existing loans and our business operations including for our capital expenditure and working capital requirements. For further details, see the section titled "Objects of the Issue". The fund requirement and deployment is based on internal management estimates and has not been appraised by any bank or financial institution. The management will have significant flexibility in applying the proceeds received by us from the Issue. Further, as per the provisions of the Debt Regulations, we are not required to appoint a monitoring agency and therefore no monitoring agency has been appointed for the Issue.

12. *There may be a delay in making refund to Applicants.*

We cannot assure you that the monies refundable to you, on account of (i) withdrawal of your applications, (ii) our failure to receive minimum subscription in connection with the Base Issue, (ii) withdrawal of the Issue, or (iii) failure to obtain the final approval from the BSE for listing of the NCDs, will be refunded to you in a timely manner. We however, shall refund such monies, with the interest due and payable thereon as prescribed under applicable statutory and/or regulatory provisions.

C. External Risks

1. *Our Company's results of operations have been, and may continue to be, adversely affected by Indian and international financial markets and economic conditions.*

Our Company's business is highly dependent on Indian and international markets and economic conditions.

There have been fluctuations in interest rates, corporate or other scandals that reduce confidence in the Indian financial markets. In periods prior to fiscal year 2018, India has experienced a slowdown in economic growth due to a variety of factors, including unsustainably high current account deficit, capital outflows and consequent exchange rate pressures, demonetisation and implementation of GST. Despite the recent signs of an economic turnaround in the Indian economy, there is no assurance that growth will not slow down again or that inflation will not increase further in the future. A slowdown in the Indian economy could adversely affect our Company's business and customers and contractual counterparties, especially if such a slowdown were to be continued and prolonged. In periods of high rates of inflation, our Company's operating expenses may increase which could have an adverse effect on cash flows and results of operations.

Further, in light of the increasing linkage of the Indian economy to other global economies, the Indian economy is increasingly influenced by economic developments and volatility in securities markets in other countries. Global slowdown of the financial markets and economies has in the past contributed to weakness in the Indian financial and economic environment. The global credit markets have continued to experience significant volatility in recent years, which have had, and may continue to have, a significant adverse effect on the availability of credit and the confidence of the financial markets, globally as well as in India. In addition, there have been concerns in relation to the liquidity of the global financial markets, the level and the volatility of debt and equity prices as well as interest rates, investor sentiment, inflation, the availability and cost of capital as well as credit and the degree in which international economies are expanding or experiencing recessionary pressures. The global financial markets have been and continue to be extremely volatile as the international financial markets were materially and adversely affected by a lack of liquidity, decreased confidence in the financial sector, disruptions in the credit markets, reduced business activity, rising unemployment and eroding consumer confidence.

The United States continues to face adverse economic conditions and should a further downgrade of the sovereign credit ratings of the U.S. government occur, it is foreseeable that the ratings and perceived creditworthiness of instruments issued, insured or guaranteed by institutions, agencies or instrumentalities directly linked to the U.S. government could also be correspondingly affected by any such downgrade, which may have an adverse effect on the economic outlook across the world. In 2012, the sovereign ratings of various European Union countries were downgraded. Financial markets and the supply of credit could continue to be negatively impacted by on-going concerns surrounding the sovereign debts and/or fiscal deficits of several countries in Europe, the possibility of further downgrades of, or defaults on, sovereign debt, concerns about a slowdown in growth in certain economies and uncertainties regarding the stability and overall standing of the European Monetary Union. The United States and China are also engaged in a trade tariffs war which also can impact the global economy. The United States is also adopting protectionist measures which can impact the trade between the US and India. A slowdown in economic growth in markets such as China could also have an adverse impact on economic growth in India. On June 23, 2016, the United Kingdom held a referendum on its membership of the European Union and voted to leave ("**Brexit**"). There is significant uncertainty at this stage as to the impact of Brexit on general economic conditions in the United Kingdom and the European Union and any consequential impact on global financial markets. For example, Brexit could give rise to increased volatility in foreign exchange rate movements and the value of equity and debt investments. A lack of clarity over the process for managing the exit and uncertainties surrounding the economic impact could lead to a further slowdown and instability in financial markets.

The global economic downturn led to an increased level of consumer delinquencies, lack of consumer confidence, decreased market valuations and liquidity, increased market volatility and a widespread reduction of business activity generally. The resulting economic pressure and dampened consumer sentiment can directly and indirectly affect the demand for our Company's lending finance and other financial products or increase our Company's cost to provide such products. In addition, adverse economic conditions could lead to an increase in loan delinquencies as well as higher write-offs which can adversely affect our Company's earnings. A combination of these factors have contributed to and may continue to adversely affect our Company's business, financial condition, cash flows and results of operations.

2. *Any adverse change in India's credit rating by an international rating agency could adversely affect our Company's business and profitability.*

In May 2013, Standard & Poor's, an international rating agency, reiterated its negative outlook on India's credit rating. It identified India's high fiscal deficit and heavy Government borrowing as the most significant constraints on its ratings and recommended the implementation of reforms and containment of deficits. In June 2013, Fitch, another international rating agency, returned India's sovereign outlook to "stable" from "negative" a year after its initial downgrade of the outlook, stating that the authorities had been successful in containing the upward pressure on the central Government budget deficit in the face of a weaker-than-expected economy and that the authorities had also begun to address structural factors that have weakened the investment climate and growth prospects. Similarly, Standard & Poor's upgraded its outlook on India's sovereign debt rating to "stable" in September 2014 and retained such rating in October 2015, while reaffirming the "BBB" long-term rating on bonds. Standard & Poor's stated that the revision reflects the view that India's improved political setting offers an environment which is conducive to reforms that could boost growth prospects and improve fiscal management. Further, Moody's raised the rating from the lowest investment grade of Baa3 to Baa2 and changed the outlook from stable to positive. Going forward, the sovereign ratings outlook will remain dependent on whether the Government is able to transition the economy out of a low-growth and high inflation environment, as well as exercise adequate fiscal restraint. Any adverse change in India's credit ratings by international rating agencies may adversely impact our Company's business and limit its access to capital markets.

3. *The instability of economic policies and the political situation in India could adversely affect the Indian financing industry.*

There is no assurance that the liberalisation policies of the government will continue in the future. Protests against privatisation could slow down the pace of liberalisation and deregulation. The Government of India plays an important role by regulating the policies and regulations that govern the private sector. The current economic policies of the government may change at a later date. The pace of economic liberalisation could change and specific laws and policies affecting the industry and other policies affecting investments in our Company's business could change as well. A significant change in India's economic liberalisation and deregulation policies could disrupt business and economic conditions in India and thereby affect our Company's business.

Unstable domestic and international political environment could impact the economic performance in the short term as well as the long term. The Government of India has pursued various economic liberalisation policies such as relaxing the restrictions in the private sector over the past few years.

The Government has traditionally exercised and continues to exercise a significant influence over many aspects of the Indian economy. As a result, our Company's business may be affected by changes in the interest rates, government policy and taxation. Furthermore, our Company's business may be adversely affected by social and civil unrest or other negative political, economic or other developments in or affecting India.

4. *Financial difficulties and other problems in certain financial institutions in India could cause our Company's business to suffer and adversely affect our Company's results of operations.*

Our Company is exposed to the risks of the Indian financial system, which in turn may be affected by financial difficulties and other problems faced by certain Indian financial institutions. Our Company can also be affected by the financial difficulties faced by certain Indian financial institutions because the commercial soundness of many financial institutions may be closely related as a result of credit, trading, clearing or other relationships. This risk, which is commonly referred to as "systemic risk", may adversely affect financial intermediaries, such as clearing agencies, banks, securities firms and exchanges which exposes our Company to the systemic risks faced by entities operating in the Indian financial system. For instance, certain Indian financial institutions have experienced difficulties in recent

years, including with respect to write-offs of non-performing loans made to certain large, corporate borrowers. Some co-operative banks (which tend to operate in rural sector) have also faced serious financial and liquidity crises. There has been a trend towards consolidation with weaker banks and NBFCs merging with stronger entities. Any instability in or any difficulties faced by the Indian financial system could create an adverse market perception in relation to Indian financial institutions, banks and the NBFCs. This, in turn, could adversely affect our Company's business and future financial performance.

5. ***Any volatility in the exchange rate may lead to a decline in India's foreign exchange reserves and may affect liquidity and interest rates in the Indian economy, which could adversely impact our Company.***

Capital inflows into India have remained extremely volatile responding to concerns about the domestic macroeconomic landscape and changes in the global risk environment. While the current account deficit ("CAD") remained a main area of concern over fiscal year 2012 and fiscal year 2013, it has shrunk sharply in fiscal year 2015 and fiscal year 2016. A substantial decline in the imports bill, mainly on account of lower crude oil prices led to a significant narrowing in the trade deficit that in turn reduced the size of the CAD. However, the primary challenge for the Indian Rupee was the volatile swings in capital flows. The Indian Rupee recorded a high of ₹ 62.16 to U.S. dollar and a low of ₹ 68.78 to the U.S. dollar during fiscal year 2016. In October 2018, the Indian Rupee recorded a high of ₹ 74.72 and has been volatile in the past few months. Although the Indian Rupee is less vulnerable given the improvements in the CAD and visible moderation in inflation rates, there remains a possibility of needing to intervene in the foreign exchange market to control volatility of the exchange rate. The need to intervene at that point in time may result in a decline in India's foreign exchange reserves and subsequently reduce the amount of liquidity in the domestic financial system. This in turn could impact domestic interest rates.

6. ***Companies operating in India are subject to a variety of taxes and surcharges.***

Tax and other levies imposed by the central and state governments in India that affect our Company's tax liability include income tax and indirect taxes on goods and services such as central excise duty, service tax, customs duty, central sales tax, state VAT, surcharge and cess currently being collected by the central and state governments, which are introduced on a temporary or permanent basis from time to time. The Goods and Services Tax ("GST") in India was introduced on July 1, 2017. GST is a unified and comprehensive, multi stage and destination based tax which has subsumed the multiple indirect taxes levied by the central and state governments. India has adopted a dual model of GST. The central or state government may vary the corporate income tax in the future. Any such future increases or amendments may affect the overall tax efficiency of companies operating in India and may result in significant additional taxes becoming payable. Additional tax exposure could adversely affect our Company's business, cash flows and results of operations.

7. ***The proposed new taxation system in India could adversely affect our Company's business, prospects, financial condition, cash flows and results of operations.***

The Government has proposed major reforms in Indian tax laws, namely provisions relating to the GAAR (General Anti Avoidance Rules). The provisions have been introduced in the Finance Act 2012 and will apply (as per the Finance Act 2015) in respect of an assessment year beginning on 1 April 2018 and thereafter. The GAAR provisions intend to catch arrangements declared as "impermissible avoidance arrangements", which is any arrangement, the main purpose or one of the main purposes of which is to obtain a tax benefit and which satisfy at least one of the following tests (a) creates rights, or obligations, which are not normally created between persons dealing at arm's length; (b) results, directly or indirectly, in misuse, or abuse, of the provisions of the Income Tax Act 1961; (c) lacks commercial substance or is deemed to lack commercial substance, in whole or in part; or (d) is entered into, or carried out, by means, or in a manner, which is not normally employed for bona fide purposes. If GAAR provisions are invoked, the tax authorities would have wide powers, including denial of tax benefit or a benefit under a tax treaty.

8. ***Terrorist attacks, civil unrest and other acts of violence or war involving India and other countries could adversely affect the financial markets and our business.***

Terrorist attacks and other acts of violence or war may result in a loss of business confidence and as a result, these events may negatively affect our Company's business and the global financial markets. In addition, any deterioration in relations between India and its neighboring countries might result in

concerns by investors in relation to the stability in the Indian region, which may adversely affect our Company's business.

India has also witnessed civil disturbances in recent years and it is possible that future civil unrest as well as other adverse social, economic and political events in India could have a negative impact on our Company. Such incidents may also result in general perception that investment in Indian companies involves a higher degree of risk and may have an adverse impact on our Company's business.

9. *Natural calamities could have a negative impact on the Indian economy and could adversely affect our Company's business.*

India has experienced natural calamities such as earthquakes, a tsunami, floods and drought in the past few years. The extent and severity of these natural disasters determines their impact on the Indian economy. Further, prolonged spells of below normal rainfall or other natural calamities could have a negative impact on the Indian economy thereby, adversely affecting our Company's business.

Impersonation

As a matter of abundant caution, attention of the Investors is specifically drawn to the provisions of sub-section (1) of Section 38 of the Companies Act, 2013 which is reproduced below:

“Any person who:

(a) makes or abets making of an application in a fictitious name to a company for acquiring, or subscribing for, its securities; or

(b) makes or abets making of multiple applications to a company in different names or in different combinations of his name or surname for acquiring or subscribing for its securities; or

(c) otherwise induces directly or indirectly a company to allot, or register any transfer of, securities to him, or to any other person in a fictitious name, shall be liable for action under Section 447 of the Companies Act, 2013”

The liability prescribed under Section 447 of the Companies Act 2013 for fraud involving an amount of at least ₹ 10 lakh or 1.00% of the turnover of the Company, whichever is lower, includes imprisonment for a term which shall not be less than six months extending up to 10 years (provided that where the fraud involves public interest, such term shall not be less than three years) and fine of an amount not less than the amount involved in the fraud, extending up to three times of such amount. In case the fraud involves (i) an amount which is less than ₹ 10 lakh or 1.00% of the turnover of the Company, whichever is lower; and (ii) does not involve public interest, then such fraud is punishable with an imprisonment for a term extending up to five years or a fine of an amount extending up to ₹ 50 lakh or with both.

Minimum Subscription

In terms of the SEBI Debt Regulations, for an issuer undertaking a public issue of debt securities the minimum Subscription for public issue of debt securities shall be 75% of the Base Issue Size. If our Company does not receive the minimum subscription of 75% of Base Issue Size, as specified in Companies Act, 2013 and rules made thereunder, prior to the Issue Closing Date the entire Application Amount shall be unblocked in the relevant ASBA Account(s) of the Applicants within 6 working days from the Issue Closing Date provided wherein, the Application Amount has been transferred to the Public Issue Account from the respective ASBA Accounts, such Application Amount shall be refunded from the Refund Account to the relevant ASBA Accounts(s) of the Applicants within 15 (fifteen) working days from the Issue Closing Date, failing which the Company will become liable to refund the Application Amount along with interest at the rate 15 (fifteen) percent per annum for the delayed period.

Interim Use of Proceeds

Our management will have the flexibility in deploying the proceeds received from the Issue. Pending utilization of the proceeds out of the Issue for the purposes described above, our Company intends to temporarily invest funds in high quality interest bearing liquid instruments including money market mutual funds, deposits with banks or temporarily deploy the funds in investment grade interest bearing securities. Such investment would be in accordance with the investment policies approved by the Board or any committee thereof from time to time.

Monitoring of Utilization of Funds

There is no requirement for appointment of a monitoring agency in terms of the SEBI Debt Regulations. The Audit Committee shall monitor the utilization of the proceeds of the Issue in accordance with its terms of reference. For the relevant Financial Years commencing from Financial Year 2019-20, our Company will disclose in our financial statements, the utilization of the net proceeds of the Issue under a separate head along with details, if any, in relation to all such proceeds of the Issue that have not been utilized thereby also indicating investments, if any, of such unutilized proceeds of the Issue. Our Company shall utilize the proceeds of the Issue only upon the execution of the documents for creation of security and receipt of final listing and trading approval from the Stock Exchange.

Variation in terms of contract or objects in Draft Shelf Prospectus

Our Company shall not, in terms of Section 27 of the Companies Act 2013, at any time, vary the terms of a contract referred to in this Draft Shelf Prospectus or objects for which this Draft Shelf Prospectus is issued, except subject to the approval of, or except subject to an authority given by the shareholders in general meeting by way of special resolution and after abiding by all the formalities prescribed in Section 27 of the Companies Act, 2013.

Other Confirmations

The main objects clause of the Memorandum of Association of our Company permits our Company to undertake its existing activities as well as the activities for which the funds are being raised through this Issue. In accordance with the Debt Regulations, our Company will not utilize the proceeds of the Issue for providing loans to or for acquisitions of shares of any person who is a part of the same group as our Company or who is under the same management of our Company.

The Issue proceeds shall not be utilized towards full or part consideration for the purchase or any other acquisition, inter alia by way of a lease, of any property. The Issue proceeds shall not be used for buying, trading or otherwise dealing in equity shares of any other listed company.

The Issue Proceeds from NCDs allotted to Banks will not be utilized for any purpose which may be in contravention of the RBI guidelines on bank financing to NBFCs including those relating to classification as capital market exposure or any other sectors that are prohibited under the RBI Regulations.

No part of the proceeds from this Issue will be paid by us as consideration to our Promoter, our Directors, key managerial personnel, or companies promoted by our Promoter, except payments to be made by way of fees and commission to various Edelweiss Group companies that participate in the Issue as SEBI registered intermediaries. Our Company confirms that it will not use the proceeds of the Issue for the purchase of any business or in the purchase of any interest in any business whereby our Company shall become entitled to the capital or profit or losses or both in such business exceeding 50% thereof, directly or indirectly in the acquisition of any immovable

property or acquisition of securities of any other body corporate.

The fund requirement as above is based on our current business plan and is subject to change in light of variations in external circumstances or costs, or in our financial condition, cash flows, business or strategy. Our management, in response to the competitive and dynamic nature of the industry, will have the discretion to revise its business plan from time to time and consequently our funding requirements and deployment of funds may also change.

Utilisation of Issue Proceeds

- (a) All monies received pursuant to the issue of NCDs to public shall be transferred to a separate bank account other than the bank account referred to in sub-section (3) of section 40 of the Companies Act, 2013;
- (b) Details of all monies utilised out of each Tranche Issue referred to in sub-item (a) shall be disclosed under an appropriate separate head in our balance Sheet indicating the purpose for which such monies had been utilised;
- (c) Details of all unutilised monies out of issue of NCDs, if any, referred to in sub-item (a) shall be disclosed under an appropriate separate head in our balance Sheet indicating the form in which such unutilized monies have been invested;
- (d) The Issue proceeds shall not be utilized towards full or part consideration for the purchase or any other acquisition, inter alia by way of a lease, of any immovable property;
- (e) Details of all utilized and unutilized monies out of the monies collected in the previous issue made by way of public offer shall be disclosed and continued to be disclosed in the balance sheet till the time any part of the proceeds of such previous issue remains unutilized indicating the purpose for which such monies have been utilized and the securities or other forms of financial assets in which such unutilized monies have been invested.

DEAR SIRs,

Sub: Proposed public issue of Non-convertible debentures ('NCD') by ECL Finance Limited with a shelf limit up to INR 20,000 million (Issue)

The following note discusses the material tax provisions applicable to the Clients investing in the NCD of ECL Finance Limited under the Income-tax Act, 1961 ("the IT Act").

We have performed the following procedures:

- (i) Read the statement of tax benefits as given in Annexure I, and
- (ii) Evaluated with reference to the provisions of the IT Act to confirm that statements made are correct in all material respect.

Because the above procedures do not constitute either an audit or review made in accordance with the Standard on Related Services (SRS) 4400, "Engagements to perform Agreed-upon procedures regarding Financial information", issued by the Institute of Chartered Accountants of India, we do not express any assurance on the Statement of Tax Benefits, as set out in Annexure.

We confirm that the Statement of Tax Benefits as set out in Annexure materially covers all the provisions of the IT Act as amended with respect to Debenture Holders. Several of these benefits are dependent on the debenture holders fulfilling the conditions prescribed under the relevant tax laws.

The benefits discussed in the enclosed annexure are not exhaustive. The statement is only intended to provide general information and is neither designed nor intended to be a substitute for the professional tax advice. In view of the individual nature of the tax consequences and the changing tax laws, each investor is advised to consult their own tax consultant with respect to specific tax implications arising out of their participation.

The contents of the enclosed annexure are based on the information, explanations and representations obtained from the company and on the basis of our understanding of the business activities and operations of the company.

No assurance is given that the revenue authorities/ Courts will concur with the views expressed herein. Our views are based on existing provisions of law and its interpretation, which are subject to change from time to time. We do not assume any responsibility to update the views consequent to such changes.

We hereby consent to inclusion of the extracts of this certificate in the draft shelf prospectus, shelf prospectus and tranche prospectus (es) or any other document in relation to the Issue.

This certificate has been issued at the request of the company for use in connection with the proposed Public Issue of secured, redeemable NCDs and may accordingly be furnished as required to the BSE Limited or any other regulatory authorities, as required, and shared with and relied on as necessary by the Company's advisors and intermediaries duly appointed in this regard.

STATEMENT OF POSSIBLE TAX BENEFITS AVAILABLE TO THE DEBENTURE HOLDER(S)

The note is based on the provisions of the IT Act, as on date, taking into account the amendments made by the Finance Act, 2019 (FA 2019).

This note intends to provide general information on the applicable Indian tax provisions. However, in view of the nature of the implications, the investors are best advised to consult their respective tax advisors/consultants for appropriate counsel with respect to the specific tax and other implications arising out of their participation in the Portfolio as indicated herein.

Taxability under the IT Act

1. Taxability under various heads of Income

The returns received by the investors from NCD in the form of interest and the gains on the sale/ transfer of the NCD, may be characterized under the following broad heads of income for the purposes of taxation under the IT Act:

- Profits and gains from business;
- Income from capital gains; and
- Income from other sources.

The returns from the investment in the form of interest would generally be subject to tax under the head “income from other sources”. Under certain circumstances depending upon the facts and circumstances of the taxpayer, the interest income may be subject to tax under the head “Profits and gains from business”.

The gains from the sale of the instrument or security may be characterised either as “Profits and gains from business” or as “Capital Gains”. This is discussed in the following paragraph.

(i) “Profit and gains from business” versus “Capital gain”

Gains from the transfer of securities/instruments of the investee companies may be characterised as “Capital Gains” or as “Profits and gains from business” in the hands of an investor, depending upon whether the investments in NCD are held as ‘investments’ or as ‘stock in trade’. This can vary based on the facts of each investor’s case (taking into account factors such as the magnitude of purchases and sales, ratio between purchases and sales, the period of holding, whether the intention to earn a profit from sale or to earn interest etc.)

The investors may obtain specific advice from their tax advisors regarding the tax treatment of their investments.

2. Taxation of interest, profits from business and capital gains

Taxation of Interest

Income by way of interest received on debentures, bonds, and other debt instruments held as investments will be charged to tax as under the head “Income from Other Sources”. Such interest, taxed under the head “Income from other sources”, would therefore be taxed at the rates applicable to the investor after deduction of expenses, if any, allowable under section 57 of the IT Act. These are essentially, expenses (not being in the nature of capital expenditure) laid out or expended wholly and exclusively for the purpose of earning the interest income.

In case of debentures, bonds or other debt instruments held as stock in trade and sold before their maturity, the interest accrued thereon till the date of sale and included in the sale price, may also be charged to tax as “business income” (treatment separately discussed below).

Further, in case of certain specific fixed income securities and certain debt instruments, purchased and held as investments and transferred prior to maturity, the gain from the transfer may also possibly be characterised as “capital gains” (treatment separately discussed below).

The investors may obtain specific advice from their tax advisors regarding the tax treatment of their investments.

Taxation of Profits and gains from business

As discussed above, depending on the particular facts of each case, the investments may, in certain cases, be regarded to be in the nature of stock in trade and, hence, the gains from the transfer/ sale of such investments would be considered to be in the nature of “Profits and gains from business”.

In such a scenario, the gains from the business of investing in the NCD chargeable to tax on a ‘net’ basis (that is, net of allowable deductions for expenses/allowances under Chapter IV-D of the IT Act).

The “Profits and gains from business” so computed, as reduced on account of set-off of losses and unabsorbed allowances, if any, would go to form part of the gross total income of the investor.

The gross total income would be reduced by deductions if any available under Chapter VI-A of the IT Act and the resultant total income would be subject to tax at the tax rates as applicable to the investor (refer Note 1).

Investors should obtain specific advice from their tax advisors regarding the manner of computing business income, the deductions available therefrom and the tax to be paid thereon.

Taxation of Capital Gains

As discussed above, based on the particular facts of each case, the investments may, in certain cases, be regarded to be in the nature of capital assets and hence the gains from the transfer/ sale of such investments would be considered to be in the nature of “capital gains”.

As per section 2(14) of the Act, the term ‘capital asset’ had been defined to inter alia mean any securities held by a foreign institutional investor which has invested in such securities in accordance with the regulations made under Securities and Exchange Board of India Act, 1992.

- ***Period of holding – long-term & short-term capital assets***

A security (other than a unit) listed on a recognised stock exchange in India or zero coupon bonds (as defined) held for a period of more than 12 months are considered long-term capital assets.

Any assets (other than as described above, the shares of unlisted companies and immovable property) are considered long-term capital assets where they are held for a period of more than 36 months.

The above assets, where held for a period of not more than 12 months or 36 months, as the case may be will be treated as short-term capital assets.

The gains arising from the transfer of long-term capital assets are termed as long-term capital gains.

The gains arising from the transfer of short-term capital assets are termed as short-term capital gains.

- ***Computation of capital gains***

Capital gains are computed after reducing from the consideration received from the transfer of the capital asset, the cost of acquisition of such asset and the expenses incurred wholly and exclusively in connection with the transfer.

- ***Nature of transactions and resultant capital gain treatment***

The capital gains tax treatment of transactions is given in Note 4.

The following transactions would attract the “regular” capital gains tax provisions:

- ✓ Transactions of sale of debentures, bonds, listed or otherwise; and
- ✓ Transactions in structured debentures.

- ***Set off of capital losses***

Long-term capital loss of a year cannot be set off against short-term capital gains arising in that year. On the other hand, short-term capital loss in a year can be set off against both short-term and long-term capital gains of the same year.

Unabsorbed short-term and long-term capital loss of prior years can be separately carried forward for not more than eight assessment years immediately succeeding the assessment year for which the first loss was computed. Unabsorbed short-term capital loss shall be eligible for set off against short-term capital gains as well as long-term capital gains. However, unabsorbed long-term capital loss shall be eligible to be set off only against long-term capital gains.

- ***Certain deductions available under Chapter VI-A of the IT Act***

Individuals and Hindu Undivided Families would be allowed a deduction in computing total income, inter alia, under section 80C of the IT Act for an amount not exceeding INR 150,000 with respect to sums paid or deposited in the previous year in certain specified schemes.

- ***Alternate Minimum Tax (“AMT”)***

The Finance Act 2012 has provided the levy of AMT to tax investors (other than companies) to pay AMT at the rate of 18.5 percent on the adjusted total income. In a situation where the income-tax computed as per the normal provisions of the IT Act is less than the AMT on “adjusted total income”, the investor shall be liable to pay tax as per AMT. “Adjusted total income” for this purpose is the total income before giving effect to the deductions claimed under section C of chapter VI-A (other than section 80P) and deduction claimed, if any, under section 10AA and deduction claimed, if any, under section 35AD as reduced by the amount of depreciation allowable in accordance with the provisions of section 32 as if no deduction under section 35AD was allowed in respect of the assets on which the deduction under that section is claimed. AMT will not apply to an Individual, HUF, AOP, BOI or an Artificial Juridical Person if the adjusted total income of such person does not exceed INR 20 lakhs. Further, the credit of AMT can be further carried forward to fifteen subsequent years and set off in the years(s) where regular income tax exceeds the AMT.

The provisions of AMT also provides that the Foreign Tax Credit (FTC) claimed against AMT liability which exceeds the FTC that would have been allowable while computing income under normal provisions, would be ignored while computing tax credit under AMT.

- ***Minimum Alternative Tax (MAT)***

Section 115JB of the IT Act, provides that where the tax liability of a company (under the regular provisions of the IT Act) is less than 18.5 percent of its 'book profit', then the book profit is deemed to be its total income and tax at the rate of 18.5 percent (plus applicable surcharge and an health and education cess) is the minimum alternate tax (MAT) payable by the company.

Tax credit is allowed to be carried forward for fifteen years immediately succeeding the assessment year in which tax credit becomes allowable. The tax credit can be set-off in a year when the tax becomes payable on the total income is in accordance with the regular provisions of the IT Act and not under MAT.

As per the provisions of section 115JB of the IT Act, the amount of income accruing or arising to a foreign company from capital gains arising on transactions in securities or interest, royalty, or fees for technical services chargeable to tax at the rates specified in Chapter XII of the IT Act, shall be excluded from the purview of MAT, if such income is credited to the Profit and Loss Account and the tax payable on such income under the normal provisions is less than the MAT rate of 18.5%. Consequently, corresponding expenses shall also be excluded while computing MAT.

Further, Explanation 4 to section 115JB of the IT Act clarifies that provisions of MAT will not apply to a foreign company if:

- a) It is a resident of a country with which India has a DTAA and the company does not have a permanent establishment in India in accordance with the provisions of such DTAA; or
- b) it is a resident of a country with which India does not have a DTAA and the foreign company is not required to register under any law applicable to companies.

The above Explanation is inserted and shall be deemed to be effective from AY 2001-02.

Further, it is provided that the FTC claimed against MAT liability which exceeds the FTC that would have been allowable while computing income under normal provisions, would be ignored while computing tax credit under MAT.

- ***Taxability of non-resident investors under the tax treaty***

In case of non-resident investor who is a resident of a country with which India has signed a Double Taxation Avoidance Agreement (“DTAA” or “tax treaty”) (which is in force) income tax is payable at the rates provided in the IT Act, as discussed above, or the rates provided in such tax treaty, if any, whichever is more beneficial to such non-resident investor.

For non-residents claiming such tax treaty benefits, the IT Act mandates the obtaining from the home country tax authority of a Tax Residency Certificate (‘TRC’).

Section 90(5) of the IT Act (introduced by the Finance Act, 2013) provides that an assessee to whom a DTAA applies shall provide such other documents and information, as may be prescribed. Further, a notification substituting Rule 21AB of the Income-tax Rules, 1962 (Rules) has been issued prescribing the format of information to be provided under section 90(5) of the IT Act, i.e. in Form No 10F. Where the required information is not explicitly mentioned in the TRC, the assessee shall be required to furnish a self-declaration in Form No 10F and keep and maintain such documents as are necessary to substantiate the information mentioned in Form 10F.

- ***General Anti Avoidance Rules (GAAR)***

The General Anti Avoidance Rule (GAAR) was introduced in the Income-tax Act by the FA, 2012 and was proposed to be made effective 1 April 2013. The FA 2015 makes the provisions of GAAR applicable prospectively from 1 April 2017. Further, investments made up to 31 March 2017 would be protected from the applicability of GAAR.

- ***Widening of taxability of Capital Gains***

In the context of taxation of capital gains, the definitions of “capital asset” and “transfer” are widened with retro-effect from 1 April 1961 specifically with a view to tax, in the hands of non-residents, gains from direct or indirect transfer of assets in India.

- ***Withholding provisions***

Sr. No	Scenarios	Provisions
1	Withholding tax rate on interest on NCD issued to Indian residents	➤ Interest paid to residents other than insurance companies will be subject to withholding tax as per section 193 of the Act at the rate of 10%.
2	Withholding tax rate on interest on NCD issued to Foreign Portfolio Investor (FPI)	<p>➤ Interest on NCD issued to FPI may be eligible for concessional withholding tax rate of 5% under section 194LD of the Act.</p> <p>➤ Interest on NCD issued to FPI may alternatively be eligible for concessional tax rate of 5% under section 194LC(2)(ia) of the Act provided specific approval is obtained from Central Government for interest rate.</p> <p>If both sections i.e. 194LC and 194LD of the Act are not applicable, then tax deduction should be made as per sections 196D read with section 115AD of the Act i.e. at 20% subject to relief under the relevant DTAA</p> <p>➤ Withholding rate will be increased by surcharge as applicable, if applicable – see Note 2 and an additional surcharge by way of health and education cess of 4 percent on the amount of tax plus surcharge.</p>

Sr. No	Scenarios	Provisions
3	Withholding tax rate on interest on NCD issued to non-residents other than FPIs	<p>➤ Interest payable to non-resident (other than FPI) would be subject to withholding tax at the rate of 30%/40% as per the provisions of section 195 of the Act.</p> <p>Alternatively, benefits of concessional rates of 5% under section 194LC of the Act could be availed provided an application is made to the Central Government with respect to the rate of interest.</p> <p>➤ Withholding rate will be increased by surcharge as applicable, if applicable – see Note 2 and an additional surcharge by way of health and education cess of 4 percent on the amount of tax plus surcharge.</p>

Note 3: Taxability of interest income

For all Residents (including Indian Corporates)

In case of residents, where interest income is taxable as 'income from other sources' or 'income from business or profession' should be chargeable to tax as per the rates given in note 1 and note 2 above.

For Non-residents (other than FPI entities)

In case of non-residents, under the IT Act the interest income should be chargeable to tax at the rate of 30/40%, based on the status of the investor.

However, the above is subject to any relief available under DTAA.

For FPI entities

In case of FPI, interest on NCD may be eligible for concessional tax rate of 5% under section 194LD or 194LC of the Act. Further, in case where section 194LD or 194LC is not applicable, the interest income earned by FPI should be chargeable tax at the rate of 20% under section 115AD of the IT Act.

However, the above is subject to any relief available under DTAA.

Note 4: Regular capital gains tax rates

1. Tax on Long-term Gains

1.1 For all Residents (including Indian Corporates)

Long-term Capital Gains will be chargeable to tax under Section 112 of the IT Act, at a rate of 20 percent (plus applicable surcharge and health and education cess – see note 2) with indexation.

Alternatively, the tax rate may be reduced to 10 percent without indexation (plus applicable surcharge and health and education cess– see note 2) in respect of listed securities (other than a unit) or zero coupon bonds (as defined).

However, as per the third proviso to section 48 of the IT Act, benefit of indexation of cost of acquisition under second proviso to section 48 of the Act, is not available in case of bonds, debentures, except capital indexed bonds. Accordingly, long term capital gains arising to the bond holders, should be subject to tax at the rate of 10%, computed without indexation, as the benefit of indexation of cost of acquisition is not available in the case of debentures.

1.2 For Resident Individuals and HUFs only

Where the taxable income as reduced by long-term capital gains is below the exemption limit, the long-term capital gains will be reduced to the extent of the shortfall and only the balance long-term capital gains will be charged at a rate of 20 percent with indexation (plus applicable surcharge and health and education cess – see note 2).

Alternatively, the tax rate may be reduced to 10 percent without indexation (plus applicable surcharge and health and education cess – see note 2) in respect of listed securities (other than a unit) or zero coupon bonds as defined.

However, as per the third proviso to section 48 of the IT Act, benefit of indexation of cost of acquisition under second proviso to section 48 of the Act, is not available in case of bonds, debentures, except capital indexed bonds. Accordingly, long term capital gains arising to the bond holders, should be subject to tax at the rate of 10%, computed without indexation, as the benefit of indexation of cost of acquisition is not available in the case of debentures.

1.3 For Non-Resident Individuals

Long-term capital gains in case of listed securities will be chargeable under Section 112 of the IT Act at a rate of 20 percent (plus applicable surcharge and health and education cess – see note 2) with applicable foreign exchange fluctuation benefit or indexation, as the case may be. The tax payable (for other than a listed unit) could alternatively be determined at 10 percent (plus applicable surcharge and health and education cess – see note 2) without indexation.

Further, long-term capital gains arising out of the transfer of unlisted securities or shares of a company not

being a company in which the public are substantially interested shall be subject to tax at the rate of 10% (plus applicable surcharge and health and education cess –see note 2) without giving effect to indexation and foreign exchange fluctuation benefit.

The above-mentioned rates would be subject to applicable treaty relief.

1.4 For FPI entities

As per section 115AD of the IT Act, long term capital gains on transfer of NCD by FPI are taxable at 10% (plus applicable surcharge and cess).

The above-mentioned rates would be subject to applicable treaty relief.

2. Tax on Short-term Capital Gains

Short-term capital gains are chargeable to tax as per the applicable general tax rates (discussed in Note 1 above).

In case of FPI, as per section 115AD of the IT Act, short term capital gains are taxable at the rate of 30% (plus applicable surcharge and cess).

Note 5: Relevant definitions under the IT Act

“*Securities*” shall have the same meaning as assigned in section 2(h) of the Securities and Contracts (Regulation) Act, 1956, which, *inter alia*, includes:

- shares, scrips, stocks, bonds, debentures, debenture stock or other marketable securities of a like nature in or of any incorporated company or other body corporate;
- derivative;
- units or any other such instrument issued to the investors under any mutual fund scheme; and
- rights or interest in securities;

For the purpose of section 112 of the IT Act:

- “*Listed securities*” means the securities which are listed on any recognised stock exchange in India.
- “*Unlisted securities*” means securities other than listed securities.

“*Zero coupon bond*” means a bond-

- issued by any infrastructure capital company or infrastructure capital fund or public sector company [or scheduled bank] on or after 1 June 2005;
- in respect of which no payment and benefit is received or receivable before maturity or redemption from infrastructure capital company or infrastructure capital fund or public sector company [or scheduled bank]; and
- which the Central Government may, by notification in the Official Gazette, specify in this behalf.

Note 6: Amendments in the withholding tax provisions effective 1 April 2010

Section 139A(5A) requires every person from whose income tax has been deducted under the provisions of chapter XVIII of the IT Act, to furnish his PAN to the person responsible for deduction of tax at source.

As per provisions of section 206AA of the IT Act, the payer would be obliged to withhold tax at penal rates of TDS in case of payments to investors who have not furnished their PAN to the payer. The penal rate of TDS is 20 percent or any higher rate of TDS, as may be applicable, plus applicable surcharge and health and education cess.

The FA 2016 has amended section 206AA of the IT Act to provide that the provisions shall not apply to non-residents in respect of payment of interest on long-term bonds as referred to in section 194LC and any other payment subject to such conditions as may be prescribed.

Further, the CBDT, vide its notification dated 24 June 2016, has clarified that the provisions of section 206AA shall not apply to non-residents in respect of payments in the nature of interest, royalty, fees for technical services and payment on transfer of capital assets provided the non-residents provide the following information to the payer of such income:

- Name, email-id, contact number;
- Address in the country or specified territory outside India of which the deductee is a resident;
- A certificate of his being resident in any country or specified territory outside India from the government of the other country or specified territory if the law of that country or specified territory provides for issuance of such certificate;
- Tax Identification Number of the deductee in the country or specified territory of his residence and in a case, no such number is available, then a unique number on the basis of which the deductee is identified by the Government of that country or the specified territory of which he claims to be a resident.

Key regulations pertaining to NBFCs

NBFCs have been part of the informal loan disbursement setup since several decades in India. Given the importance of NBFCs in financial system especially by accessing public funds and inter-connectedness with banking, they are subject to prudential regulations by the Reserve Bank of India (RBI) as given below:

Regulatory distinction between banks and NBFCs

	NBFC - ND - SI	NBFC - D	Banks^ (Basel - III)
Minimum net owned funds	Rs 20 million	Rs 20 million	N.A

NBFCs lend and make investments akin to banks; however, there are a few differences: NBFCs cannot accept demand deposits or issue cheques drawn on themselves; they do not form part of payment and settlement system; and deposit insurance facility of Deposit Insurance and Credit Guarantee Corporation is not available to depositors of NBFCs, unlike in case of banks.

Non-banking financial institutions structure in India

Indian financial system includes banks and non-bank financial institutions. Though banking system dominates financial services, non-banking financial institutions have grown in importance by carving a niche for themselves in under-penetrated regions and unbanked segments.

Classification of NBFCs

NBFCs have been classified on the basis of kind of liabilities they access, type of activities they pursue and their perceived systemic importance.

Liabilities-based classification

NBFCs are classified on the basis of liabilities in to two broad categories a) deposit taking and b) non-deposit taking. Deposit taking NBFCs (NBFC D) are subject to requirements of stricter capital adequacy, liquid assets maintenance, and exposure norms etc.

Further, in 2015, non-deposit taking NBFCs with asset size of Rs 5 billion and above were labelled as systemically important non-deposit taking NBFCs (NBFC ND SI) and separate prudential regulations were made applicable to them.

Classification of NBFCs based on liabilities:

- ii. Investment Company (IC) :
- iii. Loan Company (LC):
- iv. Infrastructure Finance Company (IFC) :
- v. Systemically Important Core Investment Company (CIC-ND-SI)
- vi. Infrastructure Debt Fund: Non- Banking Financial Company (IDF-NBFC)
- vii. Non-Banking Financial Company - Micro Finance Institution (NBFC-MFI)
- viii. Non-Banking Financial Company Factors (NBFC-Factors)
- ix. Mortgage Guarantee Companies (MGC)
- x. NBFC- Non-Operative Financial Holding Company (NOFHC)

Evolution of NBFCs

The NBFC sector in India has undergone a significant transformation over the past few years. It has come to be recognized as one of the systemically important components of the financial system and has shown consistent year-on-year growth. NBFCs play a critical role in the core development of infrastructure, transport, employment generation, wealth creation opportunities, and financial support for economically weaker sections; they also make a huge contribution to state exchequer. The success of NBFCs can be clearly attributed to their better product lines, lower cost, wider and effective reach, strong risk management capabilities to check and control bad debts, and better understanding of their customer segments.

OVERVIEW OF ECONOMY

Global Economy

Global growth for 2018–19 is projected to remain steady at its 2017 level, but its pace is less vigorous than projected in April and it has become less balanced. Downside risks to global growth have risen in the past six months and the potential for upside surprises has receded. Global growth is projected at 3.7 percent for 2018–19—0.2 percentage point lower for both years than forecast in April. The downward revision reflects surprises that suppressed activity in early 2018 in some major advanced economies, the negative effects of the trade measures implemented or approved between April and mid-September, as well as a weaker outlook for some key emerging market and developing economies arising from country-specific factors, tighter financial conditions, geopolitical tensions, and higher oil import bills. Beyond the next couple of years, as output gaps close and monetary policy settings begin to normalize, growth in most advanced economies is expected to decline to potential rates well below the averages reached before the global financial crisis of a decade ago. Medium-term prospects remain generally strong in emerging Asia but subpar in some emerging market and developing economies, especially for per capita growth, including in commodity exporters that continue to face substantial fiscal consolidation needs or are mired in war and conflict.

The balance of risks to the global growth forecast has shifted to the downside in a context of elevated policy uncertainty. Several of the downside risks highlighted in the April 2018 World Economic Outlook (WEO)—such as rising trade barriers and a reversal of capital flows to emerging market economies with weaker fundamentals and higher political risk—have become more pronounced or have partially materialized. Meanwhile, the potential for upside surprises has receded, given the tightening of financial conditions in some parts of the world, higher trade costs, slow implementation of reforms recommended in the past, and waning growth momentum. While financial market conditions remain accommodative in advanced economies, they could tighten rapidly if trade tensions and policy uncertainty intensify, or unexpectedly high inflation in the United States triggers a stronger-than-anticipated monetary policy response. Tighter financial conditions in advanced economies could cause disruptive portfolio adjustments, sharp exchange rate movements, and further reductions in capital inflows to emerging markets, particularly those with greater vulnerabilities. The recovery has helped lift employment and income, has strengthened balance sheets, and has provided an opportunity to rebuild buffers. However, with risks shifting to the downside, there is greater urgency for policies to enhance prospects for strong and inclusive growth. Avoiding protectionist reactions to structural change and finding cooperative solutions that promote continued growth in goods and services trade remain essential to preserving and extending the global expansion.

At a time of above-potential growth in many economies, policymakers should aim to enact reforms that raise medium-term incomes for the benefit of all. With shrinking excess capacity and mounting downside risks, many countries need to rebuild fiscal buffers and strengthen their resilience to an environment in which financial conditions could tighten suddenly and sharply.

Global Growth Outlook

Global growth is expected to remain steady at 3.7 percent in 2020, as the decline in advanced economy growth with the unwinding of the US fiscal stimulus and the fading of the favourable spill overs from US demand to trading partners is offset by a pickup in emerging market and developing economy growth. Thereafter, global growth is projected to slow to 3.6 percent by 2022–23, largely reflecting a moderation in advanced economy growth toward the potential of that group. Growth in advanced economies will remain well above trend at 2.4 percent in 2018, before softening to 2.1 percent in 2019.

Macroeconomic view of the Indian Economy

India remains one of the drivers of world growth, in an improving global economic environment. According to the data released by the International Monetary Fund (IMF) in October 2018, the world economy grew by 3.3% and 3.7%, respectively, in 2016 and 2017 (refer Exhibit 1). Notwithstanding a mild slowdown in the pace of growth, the Indian economy expanded by a sharper 7.1% and 6.7%, respectively, in 2016 and 2017. This makes it one of the fastest growing large economy in the world, along with China (+6.7% and +6.9%, respectively). The pace of growth of the Indian economy in 2016 and 2017 has been significantly healthier than the performance of South Africa (+0.6% and +1.3%), Brazil (-3.5% and +1.0%) and Russia (-0.2% and +1.5%). The advanced economies recorded an uptick in growth from 1.7% in 2016 to 2.3% in 2017, led by acceleration in growth in the US (from +1.6% to +2.2%), the Euro Area (from +1.9% to +2.4%), and Japan (from +1.0% to +1.7%). The economy of the UK was an exception to this trend, with growth easing marginally from 1.8% in 2016 to 1.7% in 2017.

Looking ahead, the IMF expects global economic growth to remain steady at 3.7% each in 2018 and 2019. India's growth rate is expected to improve to 7.3% in 2018 and further to 7.4% in 2019, led by strong private consumption, and fading temporary effects of the note ban and transition to the Goods and Services Tax (GST). The IMF also said that India's growth is expected to rise gradually over the medium-term, with the continued implementation of structural reforms that boost productivity and incentivise private sector investment. In contrast, the IMF expects the rate of expansion of economic activity in China to decline to 6.6% in 2018 and further to 6.2% in 2019, on account of the aftermath of the recently announced trade protectionism measures.

Growth of Indian GDP and gross value added (GVA) at basic prices displayed an uptrend from FY2013 to FY2016. GDP and GVA growth rose from the subdued prints of 5.5% and 5.4%, respectively, in FY2013, to the robust 8.2% and 8.1%, respectively, in FY2016. However, the GDP and GVA growth witnessed a slowdown to 7.1%, each in FY2017 (refer Exhibit 2). Moreover, this trend continued in FY2018, with GDP and GVA growth slowing to a four-year low 6.7% and 6.5%, respectively during the year, partly driven by the disruption in economic activity after the transition to GST. The decline in GDP growth in FY2018 was broad-based, with Private Final Consumption Expenditure (PFCE), Government Final Consumption Expenditure (GFCE) and Gross Fixed Capital Formation (GFCF) recording a slowdown (to +6.6%, +10.9%, and +7.6%, respectively, from +7.3%, +12.2% and +10.1%, respectively), partly offset by a contrasting trend in exports, inventories and valuables (to +5.6%, +4.5% and +58.8%, respectively from +5.0%, -61.2% and -13.9%, respectively). The dip in the GVA growth in FY2018 relative to FY2017 was led by a moderation in the growth of agriculture (to +3.4% from +6.3%) and industry (to +5.5% from +6.8%), offset by a revival in the expansion of services (to +7.9% from +7.5%).

Exhibit 2: YoY Growth in GDP and GVA at basic prices (Constant 2011-12 Prices)

Source: CSO;

Growth of India's GDP (at constant 2011-12 prices) eased to a three-quarter low 7.1% in Q2 FY2019 from 8.2% in Q1 FY2019, while improving relative to the 6.3% recorded in Q2 FY2018. Similarly, the growth of GVA at basic prices declined to a three-quarter low 6.9% in Q2 FY2019 from 8.0% in Q1 FY2019, while exceeding the 6.1% print for Q2 FY2018.

The substantial improvement in GDP growth to 7.1% in Q2 FY2019 from 6.3% in Q2 FY2018 was led by GFCF, GFCE and PFCE, which more than offset the slowdown in growth of inventories, valuables and the drag imposed by net imports. GFCF growth doubled to 12.5% in Q2 FY2019 from 6.1% in Q2 FY2018. Moreover, GFCE growth rose sharply to 12.7% in Q2 FY2019 from 3.8% in Q2 FY2018. In addition, the growth of PFCE rose modestly to 7.0% in Q2 FY2019 from 6.8% in Q2 FY2018. With the rise in the expansion of imports (to +25.6% from +10.0%) sharply outpacing the uptick in the growth of exports (to +13.4% from +6.8%), net imports exerted a larger drag upon GDP expansion in Q2 FY2019 relative to Q2 FY2018. The shift in production schedules related to a later start to the festive season is likely to have resulted in the easing in the growth of inventories to 3.8% in Q2 FY2019 from 5.8% in Q2 FY2018.

On a YoY basis, the pace of expansion of GVA at basic prices improved to 6.9% in Q2 FY2019 from 6.1% in Q2 FY2018, led by a broad-based improvement in growth of industry (to +6.8% from +6.1%; driven by manufacturing, construction and electricity, gas, water supply and other utility services), services (to +7.5% from +6.8%, led by public administration, defence and other services and financial, real estate and professional services), and agriculture, forestry and fishing (to +3.8% from +2.6%).

Growth Outlook for the Indian Economy

The deficit in post-monsoon rainfall, lagging rabi sowing and disinflation in food prices pose concerns for the outlook for rural sentiment. Whether market prices rise closer to the revised minimum support prices (MSPs) for various crops would crucially affect rural sentiment and demand going forward. While the staggered pay revision by various state governments and the recent GST rate cuts would support urban consumption demand, higher fuel prices on a YoY basis may pose a risk to the purchasing power of consumers to some extent. Moderately healthy consumption demand, as well as the benefits of the implementation of the GST, are expected to support volume growth going forward, which would boost capacity utilisation for the organised sector, and set the stage for a broadening of the investment recovery. Completion of the resolution process of cases admitted to the NCLT would improve utilisation of existing capacity and promote consolidation in some sectors.

The fiscal space for spending by the Government of India (GoI) in FY2019 is contingent on several revenue and expenditure risks, such as the likelihood of meeting the targets for the GST, dividends and profits, and disinvestment, and the adequacy of outlays for revised MSPs, the National Health Protection Scheme, fuel and other subsidies. Additionally, a trend of expenditure announcements from various state governments over the recent months may result in a fiscal slippage, unless revenues exceed the targeted level or there is a cutback in budgeted expenditure. Overall, there could be some cutback in capital spending to offset higher-than-budgeted revenue expenditure, which would support consumption growth at the cost of infrastructure spending in FY2019.

Notwithstanding the Central Bank's recent decision to defer the scheduled increase in capital conservation buffer for FY2019 by one year, most public-sector banks still face capital constraints, which would limit their ability to drive credit growth. Meanwhile, private banks are constrained by their ability to attract incremental deposits, as the deposit franchise of the PSBs largely remains intact. The extent to which access to credit improves for the MSME sector would have an impact on business sentiment and economic growth in FY2019.

Inflation and Monetary Policy

The CPI inflation in India eased dramatically from 9.9% and 9.4%, respectively, in FY2013 and FY2014, to 5.9% in FY2015, led primarily by food inflation. Subsequent improvements were relatively modest, with the average CPI inflation moderating to 4.9% in FY2016 and 4.5% in FY2017. However, following this, CPI inflation softened considerably to 3.6% in FY2018. Notably, the Agreement on the Monetary Policy Framework of the GoI and the Reserve Bank of India (RBI), signed in February 2015, set a CPI inflation target for FY2017 and all subsequent years of 4% +/-2%.

The headline CPI inflation has recorded a sharp downtick to 2.3% in November 2018 (refer Exhibit 3) from 4.9% in June 2018, primarily led by a disinflation in food and beverages index. The urban CPI inflation softened to 3.1% in November 2018 from 4.8% in June 2018, while the rural CPI inflation corrected to 1.7% from 4.9%, respectively. The food and beverages index recorded a YoY disinflation of 1.7% in November 2018, in contrast to the inflation of 3.1% in June 2018. However, the inflation for fuel and light rose to 7.4% in November 2018 from 8.4% in June 2018.

Exhibit 3: Combined CPI Inflation (YoY)

Source: CSO;

Furthermore, the core-CPI inflation (excluding food and beverages, fuel and light, as well as petrol and diesel for vehicles) displayed a correction to 5.7% in November 2018 from 6.3% in June 2018. In particular, the YoY inflation for housing moderated to 6.0% in November 2018 from 8.4% in June 2018, reflecting the favourable base effect emanating from the revision in house rent allowance (HRA) of central government employees in FY2018. Moreover, inflation fell in November 2018 relative to June 2018 for pan, tobacco and intoxicants (to +6.1% from +8.1%), and clothing and footwear (to +3.5% from +5.6%), whereas it hardened for miscellaneous items (to +6.2% from +5.7%). Notably, core-CPI inflation exceeded the headline inflation for 27 months in a row in November 2018.

The Indian WPI inflation declined from 6.9% in FY2013 to 5.2% in FY2014, and further to a low 1.3% in FY2015. Subsequently, there was a YoY disinflation of 3.7% in FY2016, reflecting the collapse in global commodity prices. This was followed by an uptick in WPI inflation to 1.7% and 2.9%, respectively, in FY2017 and FY2018, reflecting the recovery in commodity prices.

In the recent months, the headline WPI inflation has eased to 4.6% in November 2018 from 5.7% in June 2018 (refer Exhibit 4), led by primary food articles (to -3.3% from +1.9%), crude petroleum and natural gas (to +33.0% from +47.0%), manufactured food products (to +0.7% from +1.1%), and fuel and power (to +16.3% from +16.5%). However, the inflation for non-food manufactured products (“core inflation”) rose to 4.9% in November 2018 from 4.7% in June 2018.

Exhibit 5: Movement in Key Rates

Source: RBI;

Reflecting the easing in the CPI inflation, the policy Repo rate was reduced by 200 basis points (bps) in various tranches to 6.0% in August 2017 from 8.0% in January 2015. The corridor of rates for the liquidity adjustment facility (LAF) was reduced from +/- 100 bps around the Repo rate, to +/-50 bps around the repo rate in April 2016, and further to +/- 25 bps in April 2017. As a result, the Reverse Repo rate has declined by 125 bps to 5.75% in January 2018 from 7.0% in January 2015, whereas the Marginal Standing Facility (MSF) rate has declined by 275 bps to 6.25% from 9.0%, respectively.

A new era in monetary policy setting was ushered in from October 2016 onwards, with a six-member Monetary Policy Committee (MPC) determining the policy rate required to achieve the inflation target. The MPC hiked the repo rate by 25 bps each in June 2018 and August 2018 (refer Exhibit 5). While it retained the policy repo rate at 6.5% in the October 2018 policy review, the Committee changed the stance of monetary policy from neutral to calibrated tightening.

In the Fifth Policy Review of FY2019, held in December 2018, the six-member MPC voted unanimously for a pause in the policy repo rate at 6.5%, reflecting the recent dip in CPI inflation, as well easing concerns regarding the crude oil prices and INR. In addition, it retained the stance of monetary policy at calibrated tightening, by a vote of 5:1, while emphasising the prevailing uncertainty related to various inflation risks. With status quo on the Repo rate, the Reverse Repo rate, MSF rate and bank rate were also kept unchanged 6.25%, 6.75% and 6.75%, respectively. However, the MPC has proposed to reduce the Statutory Liquidity Ratio (SLR) by 25 bps every quarter, starting January 2019, until the same reaches 18% of Net Demand and Time Liability (NDTL).

The CPI inflation projections were revised downwards by the MPC, with risks tilted to the upside. However, the MPC retained its GDP growth projection for FY2019 at 7.4%, while placing its GDP growth forecast for H1 FY2020 at a higher 7.5% with downside risks.

Wholesale Finance: Summary

Wholesale finance represents lending services to medium to large-sized corporates, institutional customers and real estate developers by banks and other financial institutions. It encompasses long and short-term funding, with long-term loans accounting for a majority of the loan book.

Wholesale finance market expanded by 7% CAGR in the past five years

CRISIL Research estimates the market size of wholesale financing (including lending by banks, non-banking financial companies (NBFCs) and housing finance companies (HFCs)) at Rs 27 trillion, as of March 2018. The market grew at a compounded annual growth rate (CAGR) of 7% between fiscals 2013 and 2018, reflecting the increasing caution of banks in funding corporates, given the high rate of delinquencies and capital constraints.

Banks have a higher market share in wholesale lending vis--vis NBFCs. Banks extend long and short-term funding to diverse sectors.

On the other hand, NBFCs have limited exposure in long-term funding, except for certain public NBFCs that cater to the infrastructure sector. For the purposes of our analysis, we have excluded lending to the infrastructure sector, and covered only loans offered to large corporates in non-infrastructure segments. As banks currently account for 88% of the market, slowdown in advances by banks has pulled down market growth.

CRISIL research expects credit growth of banks in the corporate sector to remain muted over the next two years as banks are still grappling with high gross non-performing assets (GNPAs) in the corporate sector. Some of the large banks have been put under prompt corrective action (PCA) limiting their ability to lend, this will result higher demand from corporates for non-banks.

On the other hand, NBFCs and (HFCs-developer loan portfolio) had seen strong growth in their wholesale financing books with easy availability of funds in the past. However, with current liquidity squeeze we expect non-banks growth to slower down to ~9% in fiscals 2019 and pick up only to 12% in fiscal 2020 compared to 26-27% compounded growth over past five years.

Poor growth in banking credit led to overall slowdown in outstanding growth for industry.

Diversified players holding significant market share in wholesale lending business

The top NBFCs in wholesale financing are: Piramal Group (includes Piramal Enterprise Ltd and Piramal Finance Pvt Ltd), Aditya Birla Finance Ltd, Tata Capital Financial Services Ltd, and Edelweiss Financial Services Ltd. Large players across HFC in wholesale segment are HDFC, Indiabulls Housing Finance, Dewan Housing Finance. The top five players in wholesale financing among HFC and NBFCs account for more than half of the overall wholesale financing market. Top five players constitute ~60% of the market among NBFCs.

Wholesale Finance: Key growth drivers

Wholesale financing NBFCs gain market share through innovative product offerings, and strong relationship with corporates

Customised solutions: NBFCs offer customised loan structures with features such as interest moratorium and bullet repayment schedules, which are not offered by banks. In addition, NBFCs also often extend credit to developers for land financing and early-stage project financing.

Lower turnaround time: Customers often require funds in a timely manner for funding business growth and/or managing liquidity crunch. NBFCs are able to meet the requirement of such clients due to their faster turnaround time. On average, NBFCs disburse a large-ticket loan to a new customer within 45-60 days.

Slow decision-making process in public sector banks: Decision-making cycles in some public sector banks (PSBs) has elongated considerably, owing to risk aversion and fragile capital position. This has also contributed to the growth of NBFCs.

Strong client relationships: Some NBFCs in this space have strong client relationships due to their presence in allied businesses, or because they are supported by well-established parent companies. This aids them in both securing business and in risk assessment.

Curbs imposed on banks under prompt corrective action (PCA) framework will also support NBFCs outstanding growth: Various curbs such as stopping branch expansion and limiting loan limits are imposed on banks which are put under PCA framework. Currently there are 11 banks under RBI's PCA list. These banks account for 18% of banks' credit as on March 2018. We expect NBFCs to gain from this development.

Structuring of loans to suit borrower's needs, resulting in higher profitability

Profitability in the wholesale financing segment is high, because of low credit cost and high yields. The majority of wholesale finance products charge an interest between 11-19%, with real estate financing and structured finance products being charged at a higher interest rate due to their riskier and complex business segment. Since gross NPA in the overall wholesale finance is low for NBFCs, their credit cost is also low. We expect the cost of funds to increase for these financiers in fiscal 2019. However, their structuring capability and floating rates would help them to pass on the cost increase to end customers. Therefore, we expect the return on assets (ROA) to be stable at 3.0-3.5% over fiscals 2019 and 2020. RoA varies considerably for each player, due to the difference in the products offered.

MSME & LAP Summary:

Micro, small, and medium enterprises (MSMEs) complement large corporates as suppliers and directly cater to end-users. The MSME sector contributes to the country's socio-economic development by providing large employment opportunities in rural and backward areas, reducing regional imbalances, and assuring equitable distribution of national wealth and income. The segment contributed to 29% of the gross domestic product as of fiscal 2016, thus supporting the country's economic development and growth.

The Reserve Bank of India has adopted the definition of micro, small and medium enterprises in line with the Micro, Small and Medium Enterprises Development (MSMED) Act, 2006. This definition is based on investments in plant and machinery.

Definition of MSMEs: Individual investments in plant and machinery

	Investment in plant and machinery	
	Manufacturing	Services
Micro	> Rs 2.5 million	> Rs 1.0 million
Small	Rs 2.5 – 50.0 million	Rs 1.0 – 20.0 million
Medium	Rs 50.0 – 100.0 million	Rs 20.0 – 50.0 million

Internal business classifications are also used by financial institutions to define MSMEs based on the turnover of the enterprise. Most banks and NBFCs follow this practice.

Loan against property (LAP): LAP: Market size, growth outlook and key growth drivers

LAP to grow at a modest pace over the next 2 years

A LAP is availed of by mortgaging a property (residential or commercial) with the lender. The end-use of the loan amount is not closely monitored. It could be used for either business or personal purposes. It can be availed of by both salaried and self-employed individuals. LAP is a secured loan, as it provides collateral to the financier in the form of the property. Its interest rate is lower compared with personal or business loans. For all these reasons, LAPs have grown popular among borrowers in recent years.

LAP market picked up pace in fiscal 2018 as demonetisation and Goods and Services Tax (GST) impact wore off

CRISIL Research estimates the total outstanding LAP to have grown at a compounded annual growth rate (CAGR) of 25% over the past 5 years to reach Rs 4.0 trillion by March 2018. Growth was led by increase in product awareness coupled with increase in financier’s willingness to lend. LAPs offer relatively lower turnaround time, bear lower interest rate, and also requires less documentation compared with other secured SME products. Moreover, rising property prices, increase in formalisation in the economy, rise in loan-to-value ratios, and greater penetration beyond top 10 cities have also supported strong LAP growth.

LAP market grew 22% in fiscal 2018 to reach Rs 4 trillion

Note: Includes banks and non-banks

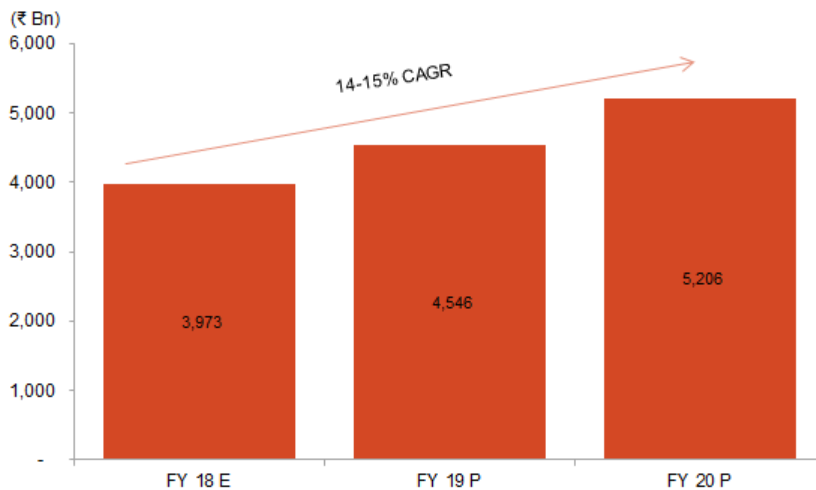

Source: CRISIL Research

With high competition, all time low yields, asset quality concerns and current liquidity issues, CRISIL Research believes the LAP market outstanding to grow at a modest 14-15% CAGR over the next 2 years and touch Rs 5.2 trillion by fiscal 2020.

Key factors contributing to high LAP growth in the medium term will be:

- Quick turnaround time, lower interest rate: LAP loan gets disbursed in approximately half the time taken for a secured micro, small and medium enterprise (MSME) loan. It is also offered at a lower interest rate compared with secured MSME loans, unsecured personal and business loans. Increasing customer awareness will help sustain strong growth.
- Greater transparency in the system: Demonetisation, GST, and governments strong push for digitisation have led to higher transparency in the system. This will keep pushing up loan amount eligibility of borrowers. Formalisation will also help many new borrowers to come under the ambit of formal lending channels.
- Rising penetration of formal channels: Increase in penetration and availability of formal lending channels in other than top 10 cities will take away market share from money lenders.
- Higher comfort for lenders: Lenders are comfortable disbursing LAP loans as it offers favourable risk return characteristics compared with MSME and unsecured loans. It also offers higher recovery in case of default (supported by the Securitisation and Reconstruction of Financial Assets and Enforcement of Securities Interest Act, 2002) and better asset quality is only partly offset by lower yields.

Loan against property (LAP): LAP: Key industry trends

Key trends in LAP market Outlook on key industry parameters (non-banks)

Sr No.	Parameter	Current (FY18)	Outlook (FY19-20)
1	Interest rate	10.5-12%	To increase
2	LTV	60-65%	To remain stable
3	Median ticket size	Rs 9 Mn	To decline
4	Surrogate assessment	~50%	To decrease
5	Balance transfers (as % of disbursement)	<35%	To decrease
6	DSA sourcing	55-60%	To decrease

Higher LTV allures borrowers to go with residential property

Financing can be extended to any type of property, but the perceived risk attached with each property is different, based on emotional attachment of the borrower with the property. Residential property is considered to be the safest. Hence, the interest rates charged on them is the lowest and loan-to-value (LTV) higher. Interest rates charged on plots or industrial property are high. Additionally, banks are usually reluctant to lend, based on plots or industrial property; even if they fund, the LTV will be low, rendering the role of HFCs and NBFCs pivotal.

Surrogates lending to decline

Due to the higher share of the informal self-employed segment (where formal income documents are either not available or do not show the true repayment capability of the borrower) in the LAP market, financiers resort to various surrogate methods for cash-flow appraisal. Cautionary approach by lenders will lower surrogate assessment in near term. Increase in availability of data with GST coming in and increasing formalisation in the system will lead to further decrease in surrogate assessment in long term.

Lenders reducing DSA sourcing

DSAs play a critical role in the LAP market, as they possess local knowledge and are able to offer a diverse range of products from various lenders. NBFCs and HFCs derive 60% of their business through DSAs and private banks 40-45%. DSAs remain critical in this segment, especially when it comes to sourcing of new customers. However, desire to reduce sourcing costs and risks suggests a trend among players towards sourcing customers directly instead of relying on DSAs.

Self-employed non-professionals account for a large part of LAP borrower base

Self-employed people account for almost 80-85% of LAP disbursements; of these, ~70-75% are self-employed non-professionals (SENP) and the rest self-employed professionals (SEP). The salaried class accounts for the remaining ~15%, primarily availing of LAPs to meet personal expenses related to marriage, education, healthcare and repayment of previous loans.

SEPs comprise doctors, chartered accountants and architects, who mainly need funds for expansion of their clinics and offices. SENPs, on the other hand, comprise small manufacturers and traders, who avail of LAP as a term loan to meet capacity expansion, debt repayment, business diversification or working capital needs.

While NBFCs/HFCs target riskier self-employed customers, banks focus more on salaried individuals and self-employed individuals with good credit profiles. For borrowers, who have taken several personal and business loans earlier at higher interest rates, LAPs offer an attractive option, helping them foreclose old loans and take a single loan (LAP) at comparatively lower interest rates.

Lower competition and higher opportunity prompts players to eye smaller cities

LAPs have been popular in top 10 metros, due to the high concentration of businesses. However, players have been expanding to other Tier I/II cities, which are highly under-banked and where competition is lower. The trend is expected to continue.

MSME finance: Non-LAP MSME secured loans

Non-LAP (loan against property) secured MSME (micro, small and medium enterprises) loans include both working capital products (like cash credit, overdraft facility and bill discounting) and other term loan products, including asset-backed or hypothecated loans. Hypothecated loans are term loans where the collateral offered are a combination of property, inventory, etc

While banks completely dominate working capital loans, non-banking financial companies (NBFCs) have managed to capture a share of asset-backed/hypothecated term loans over the past couple of years. CRISIL Research expects NBFCs' non-LAP secured MSME books to clock 21-23% compound annual growth rate (CAGR) over FY18-20. This growth will be driven by relatively higher flexibility provided by NBFCs in terms of repayment and collateral flexibility vis-a-vis banks, which demand relatively high liquid collateral and have stringent criteria and due to increase in penetration in the equipment/asset backed loans category.

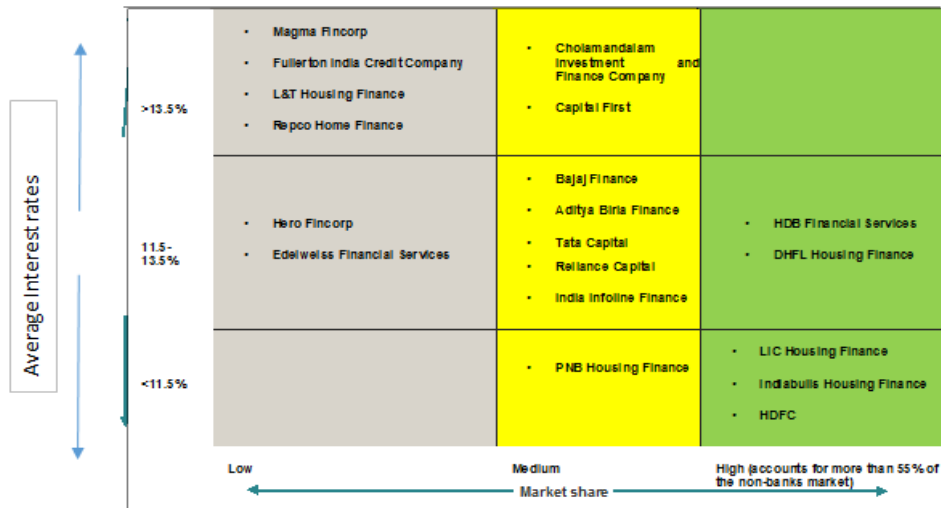

Yields of non-LAP secured MSME loans are higher than that of LAP-secured loans, and majorly depend on the type of collateral offered (in the case of hypothecated loans) or the type of asset against which the loan is financed (in the case of asset-backed loans). Many NBFCs offer big ticket, non-LAP secured loans at very attractive rates to rapidly grow their books. Many of these loans are also customised loans, given on a case by case basis, depending on the collateral availability and repayment capability of the respective MSME. Operational expenditure on these loans is higher compared with LAP on account of the greater time and expenses incurred in appraising the clients collateral. The asset quality in this segment is relatively inferior, as are recovery rates, vis-a-vis LAP loans, due to the former's illiquid collateral.

MSME finance: Key trends in MSME secured loans

Secured MSME: Competitive scenario

Average yields of MSME secured loans declined ~100 basis points in fiscal 2018 owing to increased competition and decrease in the cost of funds.

Player-wise market share and interest rate in secured MSME segment

MSME: Unsecured loans

Unsecured MSME (micro, small & medium enterprises) loans are given to self-employed borrowers without collateral. An unsecured small business loan is largely taken to tide over a liquidity crunch, take advantage of short-term opportunities, or for a small business expansion - mostly when the cash credit limit of the bank has been exhausted. Many lenders give these loans on top of other existing secured loans with them.

Unsecured loan outstanding doubles in 3 years to Rs 1.2 trillion in FY18; strong growth to continue

Competition in the secured loans market (especially retail loans) has driven non-banking financial companies (NBFCs) and some private banks to eye fresh opportunities to maximise profitability via unsecured small business loans. Unsecured business loan outstanding grew at a strong 26% CAGR over the past three years to Rs 1,200 billion in fiscal 2018. CRISIL Research expects unsecured business loans to continue to outpace credit growth over the next two years and reach Rs 1.8 trillion by fiscal 2020. The key growth drivers are:

- Lenders earn better risk-adjusted returns than other MSME products (unsecured loans offer more than twice post tax RoA compared with other MSME products).
- Borrowers can avail this product without any collateral. Further, stagnant property prices limit the ability of SMEs to offer higher collateral for secured loans which will further help drive unsecured growth.
- Low penetration and base coupled with increasing availability of customer data and faster disbursements driven by technology will support strong growth in the near term.

Unsecured MSME lending to continue to grow at a strong pace

Note: E: Estimated; including banks and NBFCs

Source: CRISIL Research

Growth will largely be volume-driven as, going by recent past experience, we expect the average ticket size (ATS) to remain at Rs 1.5-2.0 million. Further, most players are uncomfortable giving higher ticket size loans and want to restrict their exposure per client. As per industry sources, higher ticket size loans get distributed between two and three NBFCs/banks, as a result of which the ATS remains low. However, a few NBFCs disburse higher ticket size loans of more than Rs 10 million as they aggressively want to increase their market share. Many NBFCs only lend unsecured loans to other existing customers who have secured loans with them. Our interactions with leading players indicate that the next leg of growth will also be driven by the 10 metros.

NBFCs have aggressively focused on this segment in the past few years and their book has grown significantly faster than that of banks. However, with current tight liquidity scenario NBFCs growth is expected to witness slight moderation in fiscal 2019 but will again pick up in fiscal 2020 as the situation improves. NBFCs are expected to gain slight market share by the end of Mar-20.

Unsecured loan offers twice the post tax RoA than secured MSME products; strong underwriting practice is the key

Net interest income of unsecured SME loans is significantly higher than other SME products and ranges over 10-11% (for NBFCs). Conversely, operating cost of these loans is relatively higher given 60% of these loans are disbursed through direct selling agents (DSAs) and DSAs' commission in this segment is highest among all other retail loan segment - it ranges from 1.5% to 3% in some cases.

Delinquent loans are provisioned within a year and the credit cost for fiscal 2018 is estimated to be more than 3%. Post tax RoA of unsecured loans was 3-3.5% in fiscal 2018 and has been more or less stable historically. It is relatively easy to pass on the increase in cost of borrowing given the kind of loan segment and customer profile. Going forward, CRISIL Research expects RoA to remain more or less stable, as slight net interest margin (NIM) compression (with increase in competition amid already high existing rates) will offset lower operating cost (reducing DSA dependence). Credit cost (are expected to remain more or less stable over next two years).

Corporate Structure

Our Corporate Structure as on March 31, 2019 is as below:

KEY STRENGTHS

Established brand and parentage

We are part of the Edelweiss Group which is one of India's prominent financial services organization.

We are part of the Edelweiss Group which is one of India's prominent financial services organization.

Edelweiss Group enjoys a large client base of over 11,41,000 clients as on December 31, 2018 from retail and wholesale segments across its various businesses. Edelweiss has 476 offices being 468 domestic offices across ~200 cities in India and eight offices outside India in six international cities as on December 31, 2018. We believe that our relationship with the Edelweiss Group provides brand recall and we will continue to derive significant marketing and operational benefits.

We believe that the success of the Edelweiss Group as a provider of financial services is largely built upon the ability to nurture and maintain client relationships which helps our Company to get new business as well as continuation of existing business from the satisfied clients. We believe that the Edelweiss brand is well recognized and associated with trust, governance and compliance structure, high quality customer centric services, creative solutions to strategic and financial challenges and sound execution of clients' transactions. We believe that being

part of the Edelweiss group significantly enhances our ability to attract new clients. We believe that the brand value and scale of the business operations of the Edelweiss Group provides us with an advantage in an increasingly competitive market. We intend to continue to leverage the brand value of the Edelweiss Group to grow our business.

We draw upon a range of resources from the Edelweiss group such as information technology and infrastructure. We leverage Edelweiss groups experience in the various facets of the financial services sector which allows us to understand market trends and mechanics and helps us in designing our products to suit the requirements of our target customer base as well as to address opportunities that arise out of changes in market trends.

Our network of offices

We operate through a wide network of 119 branches (excluding registered office), as of March 31, 2019. The reach of our branches allows us to service our existing customers and attract new customers. We service multiple products through each of our offices, which reduces operating costs and improves total sales. Our spread out office network reduces our reliance on any one region in India and allows us to apply best practices developed in one region to other regions. Our geographic diversification also mitigates some of the regional, climatic and cyclical risks, such as heavy monsoons or droughts.

Liquid balance sheet with a track record of high growth and profitability

Our total revenue and total comprehensive income have grown by 35.25% and 41.02% to ₹ 30,417.99 million and ₹ 4,195.32 million, respectively, for nine months ended December 31, 2018 from ₹ 22,490.08 million and ₹ 2,975.01 million, respectively, for nine months ended December 31, 2017. Our equity has grown by 27.91% to ₹ 37,211.24 million as at December 31, 2018 from ₹ 29,092.47 million as at March 31, 2018.

Our total revenue and profit after tax (PAT) have grown by 22.64% and 18.38% to 30,600.27 million and ₹ 4,620.47 million, respectively, in Financial Year 2018 from ₹ 24,950.39 million and ₹ 3,903.18 million, respectively, in Financial Year 2017. Our net worth (i.e., the aggregate of our Company's share capital and reserves and surplus) has grown by 24.66% to ₹ 29,393.79 million (the Networth net of DTA is ₹ 28,289.60 million) in Financial Year 2018 from ₹ 23,573.30 million in Financial Year 2017.

We also believe that we benefit from a liquid balance sheet with a high net worth and a comfortable capital to risk weighted assets ratio (“CRAR”). While managing, our balance sheet our focus is on risk management and capital preservation which enables us to maintain sufficient liquidity to ensure smooth operations of our business. On account of our liquid balance sheet, we are able to deploy capital for starting and expanding into new businesses which are integral to our core strategy of risk-mitigation through diversification. We are also able to obtain easier access to market borrowings through our strong credit rating. A liquid balance sheet simultaneously permits us to redeploy capital towards business opportunities that appear at short notice.

Diversified portfolio of products with dedicated and experienced product management teams

We focus our product strategy on addressing evolving customer needs while making efforts to remain profitable. Our portfolio of products, which are customised to suit the needs of corporates, SME and individuals, primarily includes structured collateralised debt, wholesale mortgages, loans to SMEs, retail mortgages - loans against property, loans against securities and agricultural commodities financing. Our diverse sources of revenue reduces our dependence on any particular product. This enables us to spread and mitigate our risk exposure to a particular industry, business, geography or customer segment. By offering a wide range of products, we are able to attract more customers which in turn increases our scale of operations.

Each of our products is supported by a team of experienced and dedicated professionals. Our senior and middle management team include officials with significant experience in the financial services sector, in particular in the financing and lending industry. We believe that our team of personnel are well positioned to implement policies and processes to ensure healthy credit quality and high standards of work ethics.

Secured Loan Book and strong asset quality

Since inception, we have been providing secured finance which ensures lower NPAs and fewer recovery related problems. As at December 31, 2018, 89.26%, of our total Loan Book as per Ind AS and as at March 31, 2018, March 31, 2017, March 31, 2016, March 31, 2015, 92.32%, 82.02%, 96.60% and 94.51% respectively, of our

total Loan Book as per IGAAP was secured.

The structured collateralised credit and wholesale mortgages are secured against a pledge of marketable securities held by the corporates or their promoters and other collateral such as real estate. Generally, the disbursements are also secured by a guarantee. Retail mortgages - loans against property are secured against a collateral of residential or commercial property while loans against securities are offered against a collateral of securities. For SME financing, the loans are generally secured against the personal guarantee of the promoters of the enterprise or the personal guarantee of all the partners of the partnership firm or the personal guarantee of all property owners. For agricultural commodities, the financing is secured against the agricultural inventory stored in warehouses managed by our sister concerns. We believe that our credit appraisal mechanism, credit control processes, audit and risk management processes and policies help us in maintaining the quality of our loan book. Our collateral cover criterion is also conservative acting as a disincentive for the borrowers to default and also helps us in recovering our loans in case there is any default.

Our Stage 3 Assets as a percentage of Loan Book As per Ind AS was 1.71% as at December 31, 2018. Our Gross NPAs constituted 1.82%, 1.85% and 1.88% of our total Loan Book as per IGAAP in Financial Year 2018, 2017 and 2016, respectively. We maintain ECL Provision on our total Loan Book as per Ind AS on a conservative basis. Our Stage 3 provision to Stage 3 Assets ratio is 62.70 % as at December 31, 2018. Stage 3 Assets net of Stage 3 Provision as a percentage of Loan Book as per Ind AS was 0.64% as at December 31, 2018. Our Net NPAs constituted 0.75%, 0.64% and 0.48% of our Loan Book as per IGAAP in Financial Year 2018, 2017 and 2016 respectively.

We are adequately capitalised to fund our growth

We are subject to capital adequacy ratio (“CAR”) requirements which are prescribed by the RBI. We are currently required to maintain a minimum 15.00% as prescribed under the prudential norms of the RBI, based on our total capital to risk weighted assets as part of our governance policy. We generally maintain capital adequacy higher than the statutorily prescribed CAR. As at December 31, 2018, our capital adequacy ratio, which was computed on the basis of the applicable RBI requirements, was 18.63%, as compared to the minimum capital adequacy requirement of 15.00% as stipulated by the RBI.

Set forth below is our capital adequacy ratio for the last four Financial Years and nine months ended December 31, 2018.

Particulars as on	March 31, 2015	March 31, 2016	March 31, 2017	March 31, 2018	December 31, 2018
CAR prescribed by RBI	15.00%	15.00%	15.00%	15.00%	15.00%

Tier I	11.68%	11.34%	11.35%	11.82%	14.26%
Tier II	6.04%	5.22%	4.79%	5.27%	4.37%

Diversified funding profile and access to range of cost-effective funding sources

Our fund requirements are currently predominantly sourced through the credit facilities from banks and the issue of redeemable non-convertible debentures on a private placement basis as well as public issue. We have accessed funds from certain credit providers, including nationalised banks and private Indian banks. We believe that we have developed stable long-term relationships with our lenders and have established a track record of the timely servicing of our debts. We also access money market borrowings.

We believe that we have been able to achieve a relatively stable cost of funds primarily due to effective treasury management and diversified fund-raising programs.

Set out below is certain information regarding the portion that our different funding sources constitute of our total funding:

Source of funding	March 31, 2015	March 31, 2016	March 31, 2017	March 31, 2018	December 31, 2018

* demand loan from Edelweiss Rural & Corporate Services Limited (formerly known as Edelweiss Commodities Services Limited)

We have also diversified our sources of liabilities through public issues of non-convertible debentures in November 18, July 2018, January 2014, June 2014 and February 2015. Further, we also raised funds by way of a 'Rupee denominated bond' (Masala Bonds) offering (outside India) in October 2016. We have completed our maiden perpetual bonds issue of ₹3 billion during FY2018. Over the years, we have added a number of new sources of funding ranging from new banks, mutual funds, insurance companies, pension and provident funds, non-banking companies as our lenders leading to well diversified sources of funding.

Robust risk management systems and independent processes which are well defined

We believe our business processes ensure complete independence of functions and a segregation of responsibilities. We believe our credit appraisal and credit control processes, centralised operations unit, independent audit unit for checking compliance with the prescribed policies and approving loans at transaction level as well as our risk management processes and policies allow layers of multiple checks and verifications. These legal and technical verifications include collateral valuation, title search, document verification, fraud and KYC verifications, personal meetings with clients and audit before the disbursement of loans. Furthermore, our processes have been standardised with the objective of providing high quality of service and ensuring efficiency. This is achieved by facilitating the integration of our workforce, processes and technology. Our key business processes are regularly monitored by the head of our business or operations.

Our loan approval and administration procedures, collection and enforcement procedures are designed to minimise delinquencies and maximise recoveries. We believe that our procedures have ensured that the eventual write off (aggregate of bad-debts and advances written off and loss on sale of non performing assets) of loans due to non-recovery has remained low at 0.54% of our total Loan Book as per Ind AS in nine months ended December 31, 2018, and 1.25 %, 1.27% and 0.62% of our total Loan Book as per IGAAP as at Financial Years ended March 31, 2018, March 31, 2017 and March 31, 2016, respectively.

We believe that we have the necessary internal controls and risk management systems in our Company to assess and monitor risks across various business lines. The risk management systems function through an independent department concerning accounts and operations and a dedicated centralised risk management team. We seek to monitor and control risk exposure through a variety of separate but complementary financial, credit and operational reporting systems.

Equipped with advanced technology as a differentiator

We have adopted advanced technology platforms to automate our business operations which ranges from customer initiation for new business to customer servicing. We manage our processes electronically with our comprehensive electronic content management and workflow system using licensed software and service our

clients through an advanced multi-channel platform comprising internet and customer care interfaces. Our loan management package for retail loans includes “FinnOne” which enhances the speed of loan process by minimising manual intervention. We believe that this provides us with a competitive edge over other financing companies as the turnaround time for the loan process and sanctions are significantly reduced. We believe that our technology initiatives have increased operational efficiency and accuracy, generated significant cost savings and provided us with a platform to increase the scale of our business.

We believe our information technology has developed from computational intensive tasks and transactions to the current collaborative model, powering inter-organisational processes and relationships. Our specialised loan management software package includes the “FinnOne” system for loan against property, working capital loans and loans against commercial assets products. The “FinnOne” system has a loan origination system, loan management system, collection and other systems for the purposes of managing our portfolio and financial accounting. The application provides a seamless flow of the deal through the various stages of processing, which maintains records and audit trails as well as generates various reports.

Further, our continued focus on the effective use of technology is aimed at allowing employees across our office network to collect and feed data to a centralized management system, providing our senior management with prompt operational data. We believe that the accurate and timely collection of such data gives us the ability to operate our business in a centralized manner and develop better credit procedures and risk management, which helps us in gaining insights into emerging trends in our businesses / product lines.

Professional and experienced senior management team

Our Board consists of eight Directors with extensive experience in the financial services sector. Each of our senior management personnel has extensive experience, industry knowledge and expertise. We believe that our management promotes a result-oriented culture that rewards our employees on the basis of merit. In order to maintain our credit appraisal and risk management systems as well as to enforce our credit policies, we employ a number of senior managers who have extensive experience in the Indian banking and financial services sector and in specialised finance firms providing loans to retail customers. Consequently, we believe that our management team has been able to develop and execute our business strategies while quickly responding to the changes in our business environment. In addition, our management team has a track record of entering and developing new lines of business such as short term finance to agricultural commodities businesses, retail mortgages - loans against property and loans to SME. We believe that the industry knowledge of our management team and professionals, who are supported by a qualified pool of employees, provides us with a distinct competitive advantage and also benefits us with respect to the development of products which enable us to focus on geographical expansion, reduce cost and execute our business plans.

KEY STRATEGIES

Our key strategic priorities are as follows:

Retail Focus

We focus on high growth and dispersed risk business model-such as retail lending which offers immense opportunities in India due to low level formal penetration of retail credit and is highly dispersed. We intend to continue to grow our presence in high growth segments such as retail mortgages - loans against property, SME loans and loans against securities by utilising the extensive branch network of the Edelweiss Group. We expect our retail business to provide opportunities to achieve economies of scale and we intend to diversify our risk across geographies, industries and collaterals.

Minimise concentration risk by diversifying the portfolio of products and expanding our customer base

We intend to further improve the diversity of our product portfolio to cater to the various financial needs of our customers and increase the share of income derived from sale of financial products and services. In addition to our existing corporate and retail loan products, we intend to leverage our branch and office network to develop complementary business segments, target newer client segments, add newer geographies due to the diversity of our products and become the preferred provider of financial products - a one-stop shop for our customers' financial needs.

We expect that our diverse revenue stream will reduce our dependence on any particular product which will enable

us to spread and mitigate our risk exposure to any particular industry, business, geography or customer segment. Offering a wide range of products helps us to attract more customers and to increase our scale of operations. We intend to launch a direct marketing initiative to target our existing and former customers to cater to all of their financing requirements. This will generate new businesses and will help to diversify our loan book. We expect that complementary businesses will allow us to offer new products to our existing customers while attracting new customers as well. We expect that our knowledge of local markets will allow us to diversify into products desired by our customers, differentiating us from our competitors.

Optimising return while maintaining the quality of the Company's loan book

We have consciously chosen to focus on building the Secured Loan Book, which represented 89.26% of our total Loan Book as per Ind AS as at December 31, 2018 and 92.32%, 82.02%, 96.60% and 94.51%, of our total Loan Book as per IGAAP as at March 31, 2018, March 31, 2017, March 31, 2016 and March 31, 2015, respectively. We believe that the credit and risk management systems we have implemented will adequately enable us to optimise our product mix in our loan book. With this strategy, we believe that we are able to maintain our margins in the event the interest rate becomes volatile and keep our credit costs to the minimum in the event of downturn in the economy.

Improve the Company's credit ratings to optimise cost of funds

We fund our capital requirements through a variety of sources, including credit facilities from banks, issuance of non-convertible debentures, money market borrowings, foreign currency convertible bonds, commercial paper, CBLO, inter-corporate loans and inter corporate deposits. During the last three Financial Years, we have upgraded our long-term credit rating from “AA-” to “AA+”. For details of the Company's credit ratings as at March 31, 2019, please see section titled “*Our Business - Credit Rating*” on page 115.

We believe that we have been able to achieve relatively stable and competitive cost of funds from a range of sources despite the difficult conditions in the global and Indian economy resulting in reduced liquidity and increased interest rates, primarily due to our credit ratings and the goodwill associated with the Edelweiss brand name. Over the past three years, we have focused on improving our assets liability management by ensuring that we align our liabilities profile with our assets profile. As our assets profile moved towards a longer duration with the addition of retail mortgages - loans against property and SME finance, we also suitably modified our liability mix by targeting higher long term borrowings from banks instead of shorter term borrowing from debt markets or money markets. We have also increased long term market borrowing through the placements of non-convertible debentures and have diversified our sources of borrowing by obtaining credit facility from a number of banks. Based on our increasingly strong balance sheet, we believe that we will be able to continue improving our credit ratings and access newer sources of funds.

Continue to attract and retain talented employees and ensure a low attrition rate among senior management

As part of our business strategy, we are focused on attracting and retaining high quality talent. We recognise that the success of our business depends on our employees, in particular, as we continue to expand our operations. We have recruited and retained talented employees from a variety of backgrounds, including credit evaluation, risk management, treasury, technology and marketing. We expect to continue to attract talented employees through our retention initiatives and recruitment from local graduate colleges. Our retention initiatives include job rotation, secondments, quarterly reviews, stock options of our Promoter, performance based incentive, employee recognition programmes, training at our training facilities and on-the-job training. We invest a significant amount of time and resources for training our employees, which we believe fosters mutual trust, improves the quality of our customer service and places further emphasis on our continued retention.

Build on our scalable platform for our SME finance business

Our SME finance business follows a region-focused structure pursuant to which our regional business directors are responsible for business developments and the profitability of our business in relation to their respective regions. We have built an operating platform which we believe can provide operational efficiencies for our future growth. We intend to strategically leverage the platform in building our SME loan book. This would not only develop our loan book but also diversity our loan portfolio, geographically.

Achieve operations excellence by further strengthening the Company's operating processes and risk management systems

We focus on building a process driven organisation with an audit and compliance based culture. Improvement and competitiveness in our operations and risk management forms an integral part of our business. The objective of our risk management systems is to measure and monitor the various risks that we are subject to and to implement policies and procedures to address such risks. We intend to continually improve our operating processes and risk management systems that will enhance our ability to manage any inherent risks to our business.

Risk management forms an integral part of our business as it is exposed to various risks. The objective of our risk management system is to measure and monitor the various risks that we are subject to and to implement policies and procedures to address such risks. Furthermore, we intend to continue to train existing and new employees in appraisal skills, customer relations, communication skills to improve customer centricity and risk management procedures to enable replication of talent and facilitate smooth transition on employee attrition, and, update our employees with the latest developments to mitigate risks in relation to frauds and cheating.

OUR PRODUCTS

ECL launched its credit business in 2007. Thereafter we have successfully diversified into many different, though interdependent, lines of credit businesses, which enable us to capture opportunities across entire fixed income domain by harnessing synergies between the principal and agency sides of this business and providing alternative solutions to clients for meeting their debt requirements. Similarly, the diversification into retail finance groups large retail segments together with other similar lines of businesses. Our total Loan Book as per Ind AS as at December 31, 2018 was ₹ 228,059.22 million and our total Loan Book as per IGAAP as at March 31, 2018 and March 31, 2017 was ₹ 220,081.23 million and ₹ 170,816.84 million respectively.

The following chart illustrates the loan book attributable to each product line, as on December 31, 2018:

Structured Collateralised Credit

Our structured collateralised credit loans constituted 18.97% of our total Loan Book as per Ind AS at December 31, 2018 and 25.15% and 29.30% of our total Loan Book as per IGAAP as at March 31, 2018 and March 31, 2017, respectively. Structured collateralised credit loans are offered mostly to corporates against collateral such as liquid market securities, pledge of other securities, pledge of shares by promoters, immovable property etc. The loans include bridge financing or other short term loans to corporates. The funds raised are utilised for the working capital requirement of the corporates, expansion and diversification of business among other uses. The tenure of the loans is generally up to two years.

Wholesale Mortgages

Our wholesale mortgage finance loans constituted 37.78% of our total Loan Book as per Ind AS at December 31, 2018 and 35.46% and 30.63% of our total Loan Book as per IGAAP as at March 31, 2018 and March 31, 2017, respectively. Our wholesale mortgage financing enables developers to raise money for the development of real estate projects. Our wholesale mortgage financing is usually loaned against real estate collateral and cash flows from real estate projects to meet short term and medium-term requirements.

SME Finance and others

Our SME finance and other loans (“**SME Finance**”) constituted 11.67% of our total Loan Book as per Ind AS at December 31, 2018 and 7.70%, 6.17% of our total Loan Book as per IGAAP as at March 31, 2018 and March 31, 2017, respectively. SME Finance loans fund proprietorship firms, partnership firms, private limited companies, closely held public limited companies and self-employed professionals, primarily for the purposes of business expansion, meeting working capital requirements, financing the purchase of capital equipment, refinancing existing loans and purchasing commercial property. SME Finance is generally secured by the personal guarantee of promoters or partners or proprietors and the SME's property acts as a collateral.

Loans against Securities

Our Loans against Securities (“**LAS**”) constituted 17.16% of our total Loan Book as per Ind AS at September 30, 2018 and 21 % of our total Loan Book as per IGAAP as at March 31, 2018 respectively. LAS is a loan facility offered against liquid marketable security wherein investors borrow funds against their existing portfolio of investments. Other financial products under LAS include public issue financing, ESOP financing, loans against mutual fund units or bonds and other capital market instruments.

Public issue financing is a unique loan facility that is offered to our customers to leverage funds in public issues (such as IPOs and follow-on public offers (“**FPOs**”)). Loans are provided for subscription in the public issues of liquid marketable securities on a case by case basis.

ESOP financing is offered to employees of other corporates to exercise their options granted under ESOP schemes in their respective companies. The tenure of the loan ranges between one month to 12 months.

Loans against mutual fund units or bonds and other instruments are offered against units of various approved mutual fund unit schemes or bonds and other instruments.

Retail Mortgages - Loans against Property

Our retail mortgages - loans against property (“**LAP**”) constituted 12.57% of our total Loan Book as per Ind AS at December 31, 2018 and 6.67 % of our total Loan Book as per IGAAP as at March 31, 2018 respectively. LAP is a loan facility offered mostly to self-employed individuals requiring funds for business purposes against mortgage of residential or commercial property. As part of LAP, a lease rental discounting product is also offered when the lessee is a large corporate. The funds that are raised are utilised for meeting their business and investment needs.

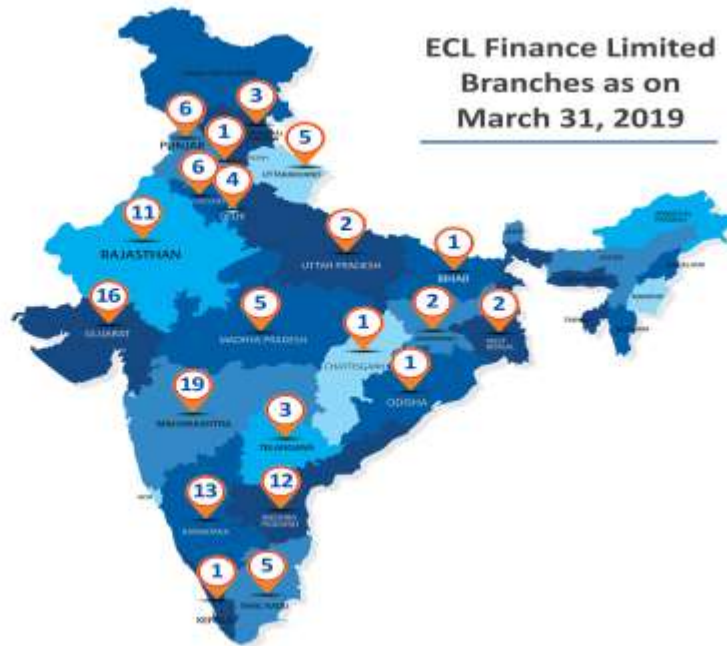

Agricultural Commodities Financing

Our agricultural commodities financing portfolio constituted 1.85% of our total Loan Book as per Ind AS at December 31, 2018 and 4.02 % of our total Loan Book as per IGAAP as at March 31, 2018 respectively. As a part of agricultural value chain services, we extend short term finance (of a tenure of three to nine months) against agricultural inventory stored in warehouses managed by our sister concerns. We fund goods stored in warehouses managed by our sister concerns only as a part of our risk management policy.

We believe that the provision of financing for agricultural commodities in India presents a significant opportunity for the agricultural industry and the credit industry. Currently only banks offer agricultural credit in the organised sector, with a large portion of the credit coming from the unorganised sector. We are making efforts to increase share of agricultural credit in the organised sector.

BRANCH NETWORK

As on March 31, 2019 we have a total of 119 branches, as follows.

Note: Map not to scale.

MARKETING

We source our potential customers through our experienced and well trained sourcing teams or through pre-approved channel partners. The channel partners undergo a detailed evaluation process covering their experience, past performance, market standing and distribution business model before being empanelled with us. Furthermore, there is also cross selling of loan products to our clients who have an existing relationship with other lines of business in the Edelweiss Group. We monitor the channel partners' performance periodically to ensure adherence to the processes for customer sourcing. In addition, we also advertise through television, print and road shows to increase the visibility of our brand. We have entered into direct selling arrangements with DSAs for the purpose of marketing and selling our products across India.

PROCESSES

Customer Evaluation, Credit Appraisal and Disbursement

Our Credit Policies

All loans are sanctioned under the credit risk policy which has been approved by our internal Risk Management Committee. We place emphasis on demonstrated past and future assessment of income, repayment capacity and credit history prior to approving any loan. We undertake update of credit policies periodically based on portfolio performance, product profitability as well as market and economic development.

Loan Origination

We source all potential customers through approved channel partners or through our experienced and well trained sourcing teams. The channel partners undergo a detailed evaluation process covering their experience, past performance, market standing and distribution business model before empanelment with us. Further, we monitor their performance periodically for adherence to processes prescribed for them for customer sourcing.

Loan Management Technology Platform

We use the FinnOne system for retail mortgages - loan against property, working capital loans and loans against commercial assets products. The FinnOne system has a loan origination system, loan management system,

collection and other modules to do the portfolio and financial accounting. The application provides a seamless flow of the deal through its various stages of processing and maintains all records and audit trails and generates various reports.

Evaluation

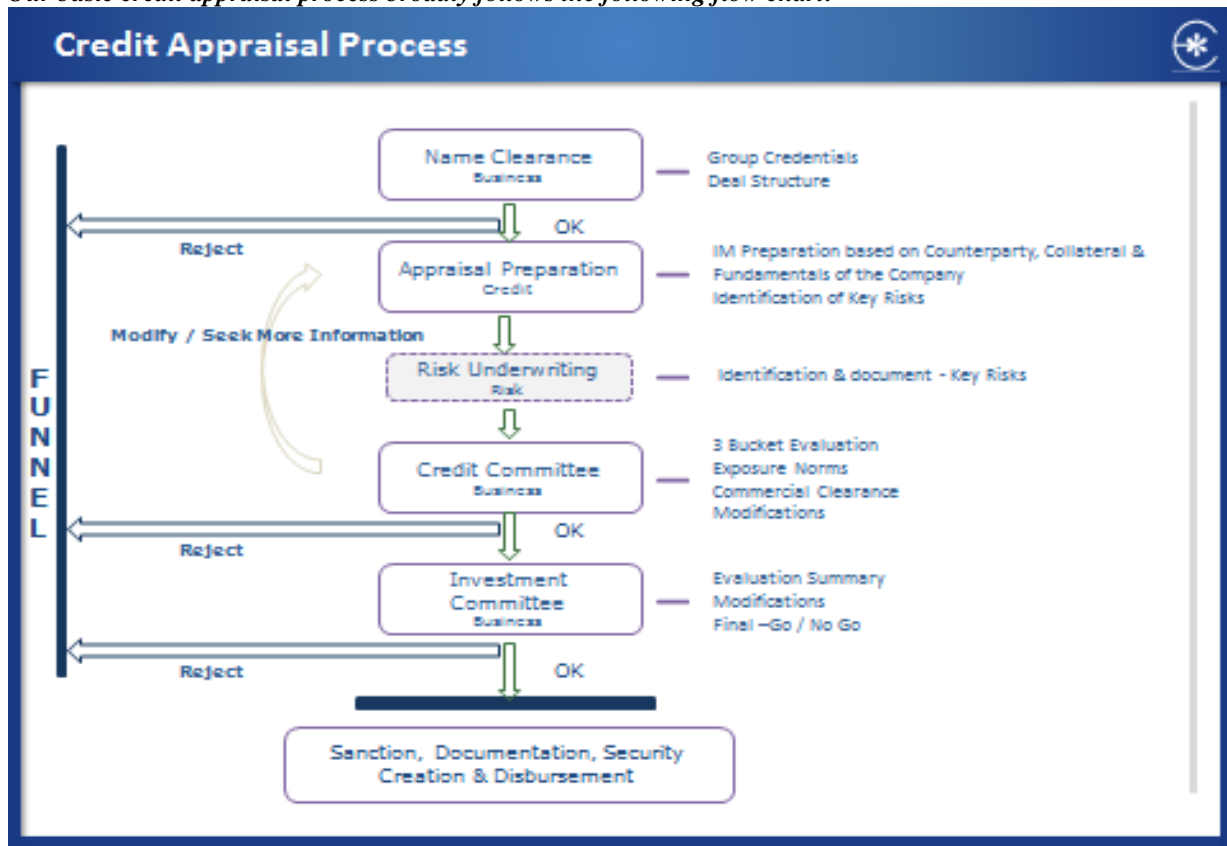

We have an internal and external credit appraisal system prior to loan sanction. We undertake various credit control checks and field investigations on a prospective customer which inter-alia includes an internal data de-duplication check, CIBIL database check, fraud verification, asset verification and valuation, trade credit reference checks and other legal and technical verification procedures. After having completed our internal verification procedures all documents submitted by the prospective customer are checked and verified. Thereafter, any discrepancies and/or gaps in such documentation are highlighted and sent to the prospective customer for corrections, explanations and re-submissions, as required.

All applications in the “FinnOne” system are evaluated based on various parameters. Based on the demographic, financial and business information provided, the “FinnOne” system automatically initiates internal and external checks which include de-duplication process within the existing database to find possible matches with the existing customer list, automated generation of credit bureau reports to investigate the customers’ past credit history with all lenders, verify customer contact details, provide a valuation as well as legal and technical evaluation of proposed collaterals by empanelled agencies. Similar due diligence is also carried out in respect of guarantors, if applicable. We conduct various diligence procedures in connection with the collateral/security for such loans which include review and verification of the relevant ownership documents and obtain title reports as applicable. Reports from these checks along with detailed analysis of financial statements, tax receipts, bank statements and other documents constitute the credit file for all customers. These files are reviewed by the credit managers using an automated credit evaluation tool. Based on the document review, the credit managers conduct personal discussions with the customers at their workplace. The discussion is intended to collate information concerning the business model of the customer, the customer’s positioning in the value chain, dependence of suppliers and/or customers as well as to ascertain any business risks such as export dependence and raw-material supplies, etc. which might adversely impact the cash flows and diminish the repayment capacity of the business. Further, additional business documents such as stock registers and books of accounts are reviewed during these visits.

Based on the information and an assessment of the customer’s business risks, debt servicing ability and collateral risks, the credit manager then submits a transaction proposal to the appropriate approving committee for a decision.

Credit Appraisal

Our basic credit appraisal process broadly follows the following flow chart:

Approval and Disbursement Process

After the credit history, credentials, information and documents have been submitted by the prospective customer and have been verified to our satisfaction, the applications are approved at the appropriate credit approval level. There are five progressive levels of approvals which a proposal can be submitted. These are based on loan product, loan amount and identified risks. All proposals require a minimum of two approvals.

After sanctioning a loan, we execute the agreements in relation to the loan and the creation of security, if any, with the customer. Margin money and other charges are collected prior to any loan disbursements. The disbursing officer retains evidence of the applicant's acceptance of the terms and conditions of the loan as part of the loan documentation.

Prior to the loan disbursement, our officer ensures that a KYC checklist is completed by the applicant. The officer verifies the information that has been provided and includes the records in the loans file. The officer also ensures that the contents of the loan documents are explained in detail to the customer either in English or in the local language of the customer and a statement to such effect is included as part of the loan documentation. The customer is provided with a copy of the loan documents which the customer then executes. Although our customers have the option of making payments by cash or cheque, we may require the applicant to submit post-dated cheques covering an initial period prior to any loan disbursement.

Loan Administration and Monitoring

The customer (and guarantor, if any) execute(s) the documents for the creation of security and the loan agreement which sets out the terms of the loan. A loan repayment schedule is attached as a schedule to the loan agreement, which generally sets out periodic repayment terms. Repayments are made in periodic instalments. Loans disbursed are recovered from the customer in accordance with the terms and conditions of the loan. We track the loan's repayment schedules of our customers on a monthly basis based on the outstanding tenure of the loans, the number of instalments and defaults committed, if any. This data is analysed based on the loans disbursed and location of the customer. We manage all recovery of amounts due on loans internally. Our officers on the ground

ensure that all stages of the collections process are implemented and executed.

We monitor the completeness of documentation and the creation of security through regular visits to the business outlets by our regional executives, head office executives and internal auditors. All customer accounts are reviewed at least once a year while reviews for larger exposures and reviews on delinquent customers are conducted more frequently. Our regional directors review collections regularly and personally contact customers that have defaulted on their loan payments.

Our regional directors are assisted by our officers who are also responsible for the collection of instalments from each customer that are serviced by them. We believe that our close monitoring of debt servicing enables us to maintain high recovery ratios and maintain satisfactory asset quality.

Portfolio Management, Collection and Recovery Processes

We manage the portfolio management and collection processes in-house. We have on-roll collection personnel across branches to ensure timely collection of dues. As part of our collection process, we have centralised tele-calling through which calls to all customers are made before the due-dates. In the event of non-payment, the central team initiates collection calling for dues. We utilise our in-field personnel for collection of payment.

Furthermore, for effective recovery management, all early delinquent customers are managed by a dedicated central team which undertakes methodical customer visits for the recovery of dues. In the event that our customers are unable to make payments and are re-designated to a higher delinquency level, a specified team of collection officers are deployed to manage delinquent accounts. In addition to making visits to our customers, our team utilises legal tools for the attachment of properties, re-payment of dues and legal/arbitration proceedings.

Working capital

We expect to meet our working capital needs and liquidity requirements for the next 12 months primarily from the cash flows from our business operations and borrowings, as determined by our management. In addition, we expect that we will be able to access domestic as well as international debt and equity capital markets without any material constraints in order to meet our liquidity requirements. For any period where liabilities exceed assets, we expect to be able to rely on the unutilised lines of credit that we maintain with certain banks to be sufficient to meet our cash outflow requirements.

Asset Quality

We maintain our asset quality by adhering to credit evaluation standards, limiting exposure and interacting with customers directly and regularly. We ensure that prudent LTV ratios are adhered to while lending. We ensure prompt collection and proper storage of post-disbursement documents. We periodically inspect, either by ourselves or by internal auditors, our customers and the assets financed on a random basis. Our employees conduct tele-verification of the customers' key details and close follow-up is undertaken to ensure timely collection and control overdues.

We believe we follow the necessary risk management policies to ensure that the asset quality of our credit book remains comfortable. Stage 3 Assets was ₹ 3,902.17 million and Stage 3 Assets as a percentage of Loan Book as per Ind AS was 1.71% as at December 31, 2018, and Gross NPA ratio were 1.82%, 1.85% and 1.88% of our total Loan Book as per IGAAP as at March 31, 2018, March 31, 2017 and March 31, 2016, respectively. OUR PROVISIONING POLICY

For the nine-month period ended December 31, 2018

The Company started recognising provisions based on expected credit loss model (“ECL”) on all loans, other debt financial assets measured at amortised cost together with undrawn loan commitment and financial guarantee contracts, in this section all referred to as “Financial instrument”. Equity instruments are not subject to impairment.

ECL is a probability-weighted estimate of credit losses. A credit loss is the difference between the cash flows that are due to an entity in accordance with the contract and the cash flows that the entity expects to receive discounted at the original effective interest rate. Because ECL consider the amount and timing of payments, a credit loss arises even if the entity expects to be paid in full but later than when contractually due.

Company categorises its financial assets as follows:

Stage 1 Assets includes financial instruments that have not had a significant increase in credit risk since initial recognition or that have low credit risk at the reporting date. For these assets, 12-month expected credit losses (resulting from default events possible within 12 months from reporting date) are recognised (“**Stage 1 Assets**”)

Stage 2 Assets includes financial instruments that have had a significant increase in credit risk since initial recognition For these assets lifetime ECL (resulting from default events possible within 12 months from reporting date) are recognised (“**Stage 2 Assets**”).

Stage 3 For Assets considered credit-impaired the Company recognises the lifetime expected credit losses for these loans. The method is similar to that for Stage 2 assets, with the PD set at 100%. (“**Stage 3 Assets**”).

The ongoing assessment of whether a significant increase in credit risk has occurred for working capital facilities is similar to other lending products. The interest rate used to discount the ECLs for working capital facilities is based on the average effective interest rate that is expected to be charged over the expected period of exposure to the facilities.

Company recognises an impairment gain or loss in profit or loss for all financial instruments with a corresponding adjustment to their carrying amount through a loss allowance account.

The expected credit losses on the loan commitment have been recognised together with the loss allowance for the financial asset.

The Company's product offering includes a working capital facility with a right to company to cancel and/or reduce the facilities with one day's notice. The Company does not limit its exposure to credit losses to the contractual notice period, but, instead calculates ECL over a period that reflects the Company's expectations of the customer behaviour, its likelihood of default and the Company's future risk mitigation procedures, which could include reducing or cancelling the facilities.

For the Financial Years 2018, 2017, 2016, 2015 and 2014

Provision for non-performing assets is based on the management's assessment of the degree of impairment of the loan asset and the level of provisioning required as per the prudential norms prescribed by RBI. Provisions against standard assets are made on the basis of prudential norms prescribed by RBI.

ASSIGNMENT OF RECEIVABLES

We are in the business of onward lending and assignment transactions are undertaken as part of our business. Assignment transaction ensures the (a) availability of funds which can be utilised again for onward lending, (b) income generation (generally, a portfolio is assigned at rates lower than the yield earned on the portfolio) and (c) release of capital.

FUNDING SOURCES

We raise funds from diversified sources and through a wide range of instruments in order to reduce our funding cost and to have a large lender base. This assists us to raise resources at competitive rates, protect interest margins and maintain a diversified funding portfolio that enable us to achieve funding stability and liquidity. Our sources of funding include credit facilities from banks, redeemable non-convertible debentures and money market borrowings. For details in relation to the bank borrowings, debentures or bonds and redeemable preference shares and other instruments issued by our Company and outstanding, please refer to the chapter titled "*Financial Indebtedness*" on page 152.

BORROWINGS

TREASURY OPERATIONS

Our treasury operations are mainly focused on meeting our funding requirements and managing short term surpluses. Our sources of funding comprise of credit facilities from term loans from banks, cash credits from banks, redeemable non-convertible debentures and money market borrowings. We believe that through our treasury operations we are able to maintain our ability to repay borrowings as they mature and obtain new loans at competitive rates. Our treasury department undertakes liquidity management by seeking to maintain an optimum level of liquidity and complying with the RBI requirements of asset liability management. The objective is to ensure smooth functioning of all our operations and at the same time avoid the holding of excessive cash. Our treasury maintains a balance between interest earning liquid assets and cash to optimise earnings. We actively manage our cash and funds flow using various cash management services provided by banks. As part of our treasury activities we also invest our temporary surplus funds with liquid debt based mutual funds. Our investments are made in accordance with the investment policy approved by the Board.

CAPITAL ADEQUACY

We are subject to capital adequacy ratio (“CAR”) requirements prescribed by RBI. We are currently required to maintain a minimum of 15% as prescribed under the prudential norms of RBI based on our total capital to risk weighted assets. As part of our governance policy, we maintain capital adequacy higher than statutorily prescribed CAR.

The following table sets out our capital adequacy ratios computed on the basis of applicable RBI requirements as of the dates indicated:

Particulars as on	March 31, 2013	March 31, 2014	March 31, 2015	March 31, 2016	March 31, 2017	March 31, 2018	December 31, 2018
CAR prescribed by RBI	15.00%	15.00%	15.00%	15.00%	15.00%	15.00%	15.00%
Total Capital Adequacy Ratio	18.40%	16.06%	17.72%	16.56%	16.14%	17.09%	18.63%
Out of which:							
Tier I	18.17%	15.56%	11.68%	11.34%	11.35%	11.82%	14.26%
Tier II	0.23%	0.50%	6.04%	5.22%	4.79%	5.27%	4.37%

RISK MANAGEMENT POLICY

We have a well-defined risk management policy framework for risk identification, assessment and control to effectively manage risks associated with the various business activities. The risk function is monitored primarily by the business risk group. The Edelweiss Group has also established a Global Risk Committee that is responsible for managing the risk arising out of various business activities at a central level.

We extend loans to our clients by way of corporate and SME loans, LAS, public issue funding, ESOP funding and retail mortgages - loans against property. Our risk management policy ensures that the margin requirements are conservative to be able to withstand market volatility and scenarios of sharply declining prices. As a result, we follow conservative lending norms. The Edelweiss Group centralises the risk monitoring systems to monitor our client's credit exposure which is in addition to the monitoring undertaken by the respective businesses.

For the financial year ended March 31, 2018, in financial years 2017, 2016 and 2015, we have low NPAs in our portfolio based on 90 Days Past Due Norm and provide for 0.40% of general loan loss provisions on outstanding standard asset category loans based on the current RBI guidelines. Our average loan-to-value ratio at the initiation of collateralised loans is usually approximately 45.00% to 50.00%. Typically, in the event the collateral cover falls below two times, a notification of top-up with liquidation is sent to our clients. Moreover, the Edelweiss Group's and our risk management policy framework ensures that there is adequate collateral cover in the Loan Book.

We have low Stage 3 Assets as at December 31, 2018 in our portfolio, under the Expected Credit Loss Model under IND AS we provide adequately on the Stage I Assets and Stage II Assets based on the product wise Probability of Default(s) and associated Loss Given Default(s) percentages based on the credit loss experiences in the past and the macroeconomic factors influencing the extant loan portfolio. Our average loan-to-value ratio at the initiation of collateralised loans is usually approximately 45.00% to 50.00%. Typically, in the event the collateral cover falls below two times, a notification of top-up with liquidation is sent to our clients. Moreover, the Edelweiss Group's and our risk management policy framework ensures that there is adequate collateral cover in the Loan Book.”

The risk management policy also identifies other risks such as counterparty and liquidity risks in light of security-based lending. We have a policy of funding against approved scrips with adequate coverage. Furthermore, we keep our sectoral exposure within prescribed limits as stipulated by the RBI, by avoiding a concentration in any particular sector.

ASSET AND LIABILITY MANAGEMENT (“ALCO”)

We require a sizeable working capital. As a result, our day-to-day liquidity management is a critical function. As our LAP and SME Finance book scales up, the asset side duration lengthens which requires greater attention to the management of liabilities. Our treasury and balance sheet management unit (“BMU”), which is at a centralised level, manages our liquidity and the balance sheet as well as ensures that maturing liabilities are repaid smoothly. The BMU also manages key components of balance sheet, monitors interest rate sensitivity in our portfolio and takes pre-emptive steps to mitigate any potential liquidity risks and interest rate risks.

We formed the Asset Liability Management Committee on 25 July 2007. The Asset Liability Management (the “ALM”) statement of our Company is prepared on a monthly basis to track the inflows and outflows of our Company. The ALM statement is placed before the ALCO periodically. Since we have a mixed lending portfolio comprising short term and long term loans, we make efforts to match the maturity of liabilities with the maturity of assets.

We structure the treasury assets to maintain sufficient liquidity, address the capital needs of the business and manage interest rate risks. We focus on enterprise-wide risk management which ensures optimum returns while preserving our capital. In addition to the Treasury and BMU, the ALM committee actively reviews any asset liability mismatch effectively by plugging possible mismatches.

CORPORATE SOCIAL RESPONSIBILITY

Our corporate social responsibilities are carried out through the EdelGive Foundation which is the philanthropic arm of the Edelweiss Group. The EdelGive Foundation undertakes CSR activities centrally through the Edelweiss

Group. The EdelGive Foundation's mission is to leverage its resources with a view to empowering social entrepreneurs and organisations towards achieving systemic change. Through the EdelGive Foundation, we and the Edelweiss Group financially support worthy non-profits and social entrepreneurs, plan, review and manage our portfolio of non-profits and social entrepreneurs. We also equip philanthropists with investment advice which are customised for the non-profit sector, analyse outcomes of philanthropic investments and monitor both individual programme milestones as well as their broader social impact

TECHNOLOGY

We believe in leveraging technology to provide us with a strategic competitive advantage, to improve productivity and performance, to enable new ways of managing and organising, to develop new businesses and to provide customers with a better experience. Over the years, the Edelweiss Group has constantly invested in building and upgrading its technological infrastructure. The Edelweiss Group has a 100-member technology team with the relevant BFSI domain expertise to provide contemporary and flexible technology solutions. We believe that we have leveraged technology effectively to enable growth, build risk management and provide enhanced customer experience for our credit business. The technology enterprise function is managed centrally for the Edelweiss Group and all the group companies, including us, share the services.

Our specialised software loan management packages used include the “FinnOne” system for retail mortgages - loans against property, working capital loans and loans against commercial assets products. The “FinnOne” system has a loan origination system, loan management system, collection and other systems for the purposes of managing our portfolio and financial accounting. The application provides a seamless flow of the deal through the various stages of processing, maintains records and audit trails as well as generates various reports.

COMPETITION

The key businesses that we are currently operating in are subject to highly competitive markets. Our competitors include public sector banks, private sector banks and foreign banks, housing finance companies, co-operative banks, regional rural banks and NBFCs.

INSURANCE COVERAGE

We are covered under various types of insurance covers which are taken at a centralised level covering all the subsidiaries in the Edelweiss Group. We believe that these insurance covers are appropriate and adequate for our operations. These include general insurance for burglary, electronic equipment, machinery breakdown, directors and officer’s liability and comprehensive general liability insurance

REAL ESTATE

Our registered office and corporate office is located at Edelweiss House, Off. C.S.T Road, Kalina, Mumbai 400098, Maharashtra, India. Further as of March 31, 2019, we operate through a wide network of 119 branches (excluding the aforesaid registered office). At present we do not own the premises of any of our branch offices. All such non-owned properties are leased or licensed to us.

INTELLECTUAL PROPERTY

We have applied for certain registrations in connection with the protection of our trademarks, which are currently pending. The registration of any intellectual property right is a time-consuming process, and there can be no assurance that any such registration will be granted. Unless our trademarks are registered, we may only get passing off relief, in case of infringement of our Trademarks, which could materially and adversely affect our brand image, goodwill and business. Please refer to the chapter titled “*Risk Factor*” on page 18 for further details.

EMPLOYEES

We believe that our human capital is one of our most important strengths and is the driver of growth, efficiency and productivity. As a result, we invest in developing our talent and leadership through various initiatives. We have launched several initiatives aimed at strengthening the ability of our managers to bring together people, strategies, and execution to drive business results. We also have a leadership programme with the objective of multiplying leadership capability, developing internal leaders and ensuring seamless execution of our growth

target in future. Approximately 6.00% of our group's employees are in the four-tiered Edelweiss leadership pool, which is centralised in the Edelweiss Group. They comprise of management committee members, senior leaders, business leaders and emerging leaders, each of whom undergo a structured engagement, communication and development programme during their membership period in the Edelweiss leadership pool. Annexure IV

1.2 Use of estimates

The preparation of the financial statements in conformity with the GAAP requires the management to make estimates and assumptions that affect the reported amount of assets, liabilities, disclosure of contingent liabilities on the date of the financial statements and reported amount of revenue and expenses during the reporting period. The estimates and accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as on the date of the financial statements. Actual results could differ from the estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

1.3 Current-non-current classification

(Financial Year 2013-2014, 2014-2015, 2015-2016, 2016-2017, 2017-2018)

All assets and liabilities are classified into current and non-current

Assets

An Asset is classified as current when it satisfies any of the following criteria:

- a. It is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle;
- b. It is held primary for the purpose of being traded;
- c. It is expected to be realized within 12 months after the reporting date; or
- d. It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current Assets include the current portion of non-current financial assets.

All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- a. It is expected to be settled in the company's normal operating cycle.
- b. It is held primarily for the purpose of being traded;
- c. It is due to be settled within 12 months after the reporting date; or the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of the liability that could, at the option of the counterparty, results in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities.

All other liabilities are classified as non-current

1.4 Revenue recognition

- a. Fee income including processing fees (other than loan against property) and other fees is accounted for on an accrual basis in accordance with the terms and contracts entered into between the Company and the counterparty.

ECL Finance Limited

Annexure IV

1.4 Revenue recognition (*continued*)

- b. In case of loans against property, processing fees collected are amortised over a pre-determined tenor arrived on an industry average or original contractual tenor, whichever is shorter. The unamortised balance is disclosed under “Other current liabilities” and “Other long term liabilities” based on amortisable tenor. In the event of a loan being foreclosed or written off, the unamortised portion of such processing fees is recognised as income at the time of such foreclosure or write off. (*Financial Year 2013-2014, 2014-2015, 2015-2016, 2016-2017*)

(*Financial Year 2017-18*)

In case of loans against property, processing fees collected are amortised over a period of 7 years or original contractual tenor, whichever is shorter. The unamortised balance is disclosed under “Other current liabilities” and “Other long term liabilities” based on amortisable tenor. In the event of a loan being foreclosed or written off, the unamortised portion of such processing fees is recognised as income at the time of such foreclosure or write off.

- c. Interest income is recognised on accrual basis. Interest income in case of lending business is recognised on accrual basis except in case of non-performing assets, wherein it is accounted on realisation, as per RBI guidelines. In case of commercial papers, deep discount bonds and certificate of deposits, the difference between the acquisition cost and redemption value are amortised on time basis and recognised as interest income.
- d. Interest Spread under par structure of securitization/direct assignment of loan receivables is recognized on realization over the tenure of securitized/ direct assigned loan.

Unrealised gain on securitisation comprises of future interest receivable under par structure of securitisation/assignment. (*Financial Year 2013-2014*)

Securitisation deferred consideration receivable comprises of company’s share of future interest strip receivable in case of a par structure securitised/assigned deals. (*Financial Year 2013-2014*)

The company follow the guidelines as notified by RBI in its circular “Revisions to the Guidelines on Securitisation Transaction” issued on 21 August 2012. (*Financial Year 2013-2014*)

- e. Income from treasury operations comprises of profit/loss on sale of securities and profit/loss on equity, commodity and currency interest rate derivative instruments.
- i) Profit/loss on sale of investments / securities is determined based on the weighted average cost of the investments / securities sold and recognised on trade date.
- ii) Realised profit/ loss on closed positions of derivative instruments is recognised on final settlement on squaring-up of the contracts. Outstanding derivative contracts in the nature of forwards / futures / options are measured at fair value as at the balance sheet date. Fair value is determined using quoted market prices in an actively traded market, for the instrument, wherever available, as the best evidence of fair value. In the absence of quoted market prices in an actively traded market, a valuation technique is used to determine the fair value. In most cases the valuation techniques use observable market data as input parameters in order to ensure reliability of the fair value measure.

Annexure IV

1.10 Fixed assets and depreciation / amortisation (*Continued*)

As per the requirement of Schedule II of the Companies Act, 2013, the Company has evaluated the useful lives of the respective fixed assets which are as per the provisions of Part C of the Schedule for calculating the depreciation. The estimated useful lives of the fixed assets are as follows:

Nature of assets	Estimated useful lives
Building (other than Factory Building)	60 years
Plant and Machinery	15 years
Furniture and fittings	10 years
Motor Vehicles	8 years
Office Equipment	5 years
Computers and data processing units - Servers and networks	6 years
Computers and data processing units - End user devices, such as desktops, laptops, etc.	3 years

Leasehold improvements are amortized on a straight-line basis over the estimated useful lives of the assets or the period of lease whichever is earlier.

Intangible fixed assets

Intangible fixed assets are recorded at the consideration paid for the acquisition of such assets and are carried at cost less accumulated amortization and impairment, if any.

Intangibles such as software are amortised over a period of 3 years based on its estimated useful life. (*Financial Year 2013-2014*)

Depreciation is charged at the minimum rates prescribed by the Schedule XIV of the Companies Act, 1956 as given below:

Class of asset	Rate of depreciation
Building	5.00%
Furniture and fixtures	18.10%
Office equipments	13.91%
Computers	40.00%
Vehicles	25.89%

Intangible assets such as software are amortised over a period of 3 years or its estimated useful life whichever is shorter.

All fixed assets individually costing less than Rs. 5,000 are fully depreciated in the year of installation.

1.11 Impairment of assets

(*Financial Year 2013-2014, 2014-2015, 2015-2016, 2016-2017, 2017-2018*)

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired based on internal/external factors. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of cash generating unit which the asset belongs to is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of the depreciable historical cost.

Annexure IV

1.12 Stock-in-trade

- a) The securities acquired with the intention of short-term holding and trading positions are considered as stock-in-trade and disclosed as current assets.
- b) The securities held as stock-in-trade are valued at lower of weighted average cost or market value. In case of units of mutual funds held as stock-in-trade, net asset value is considered as fair value.
- c) Debt instruments are valued at lower of cost or fair value. In case of debt instruments for which direct quotes are not available, fair value is the lowest of the quotes as on the valuation date as provided by market intermediaries.
- d) Commercial papers, certificate of deposits and treasury bills are valued at carrying cost.

1.13 Investments

Investments are classified into long term investments and current investments. Investments which are intended to be held for one year or more are classified as long term investments and investments which are intended to be held for less than one year are classified as current investments.

Long term investments are carried at cost less diminution in value which is other than temporary, determined separately for each investment.

Current investments are carried at lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each category of investment. In case of investments in mutual funds, the net asset value of units declared by the mutual fund is considered as the fair value.

1.14 Cash and cash equivalents

(Financial year 2017-18)

Cash and cash equivalents includes cash in hand, demand deposits with banks and other fixed deposits with bank with original maturities of three months or less.

1.15 Loan origination costs

(Financial Year 2014-2015, 2015-2016, 2016-2017, 2017-2018)

Loan origination costs relating to loan against property comprise of costs paid to third party vendors and intermediaries for loan acquisition, processing, field verification, legal evaluation, title search, fraud check, technical valuation, etc. Such origination costs, directly attributable to disbursed loans are amortised over a pre-determined tenor arrived on an industry average or original contractual tenor, whichever is shorter. The unamortised balance is disclosed as part of “Long-term loans and advances” and “Short-term loan and advances” based on amortisable tenor. Where the loan is foreclosed or written off, the unamortised portion of such loan origination costs are recognised as charge to the statement of profit and loss at the time of such foreclosure or write off.

1.16 Employee benefits

The accounting policy followed by the Company in respect of its employee benefit schemes in accordance with Accounting Standard 15 (Revised 2005), is set out below:

Provident fund and national pension scheme (Financial Year 2015-2016, 2016-2017, 2017-2018)

The Company contributes to a recognised provident fund and national pension scheme which is a defined contribution scheme. The contributions are accounted for on an accrual basis and recognised in the statement of profit and loss.

Provident fund (Financial Year 2013-2014, 2014-2015)

The Company contributes to a recognised provident fund which is a defined contribution scheme. The contributions are accounted for on an accrual basis and recognised in the statement of profit and loss.

Gratuity

The Company’s gratuity scheme is a defined benefit plan. The Company’s net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that the employees have earned in return for their service in the current and prior periods, that benefit is discounted to determine its present value, and the fair value of any plan assets, if any, is deducted.

The present value of the obligation under such benefit plan is determined based on independent actuarial valuation using the Projected Unit Credit Method. **(Financial Year 2017-18)** Changes in the present value of defined obligation resulting from plan amendments or curtailments are recognised immediately in statement of profit or loss as past service cost.

The obligation is measured at present values of estimated future cash flows. The discounted rates used for determining the present value are based on the market yields on Government Securities as at the balance sheet date.

Benefits in respect of gratuity are funded with an Insurance Company approved by Insurance Regulatory and Development Authority (IRDA).

Actuarial gains and losses arising from experience adjustments and change in actuarial assumptions are recognised in the statement of profit and loss in the period in which they arise.

Annexure IV

1.16 *Employee benefits(Conitnued)*

Compensated Absences

The eligible employees of the Company are permitted to carry forward certain number of their annual leave entitlement to subsequent years, subject to a ceiling. The Company recognises the charge in the statement of profit and loss and corresponding liability on such non-vesting accumulated leave entitlement based on a valuation by an independent actuary. (*Financial Year 2017-18*) The cost of providing annual leave benefits is determined using the projected unit credit method.

(*Financial Year 2014-2015, 2015-2016, 2016-2017, 2017-18*)

Deferred Bonus:

The Company has adopted a Deferred Bonus Plan under its Deferred Variable Compensation Plan. A pool of identified senior employees of the Company is entitled for benefits under this plan. Such deferred compensation will be paid in a phased manner over a future period of time . The measurement for the same has been based on actuarial assumptions and principles. These assumptions and principles are consistent with the requirements of Accounting Standard 15 (Revised 2005).

1.17 *Taxation*

Tax expense comprises current tax (i.e. amount of tax for the year determined in accordance with the Income Tax Act, 1961), deferred tax charge or credit (reflecting the tax effect of timing differences between accounting income and taxable income for the year).

Current tax

Provision for current tax is recognised based on estimated tax liability computed after adjusting for allowances, disallowances and exemptions in accordance with the Income Tax Act, 1961.

Deferred tax

The deferred tax charge or credit and the corresponding deferred tax liabilities and assets are recognized using the tax rates that have been enacted or substantially enacted at the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the asset can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realisation of the assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written-up to reflect the amount that is reasonable/virtually certain (as the case may be) to be realised.

(*Financials 2017-18*)

The deferred tax charge or credit and the corresponding deferred tax liabilities and assets are recognized using the tax rates that have been enacted or substantially enacted at the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the asset can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only to the extent there is a virtual certainty backed by convincing evidence that sufficient future taxable income will be available against which deferred tax assets can be realised. Deferred tax assets are reviewed as at each balance sheet date and written down or written-up to reflect the amount that is reasonable/virtually certain (as the case may be) to be realised.

Annexure IV

1.18 Operating leases

Lease payment for asset taken on operating lease are recognised as an expense in the statement of profit and loss on a straight- line basis over the lease term.

1.19 Earnings per share

(Financial Year 2014-2015, 2015-2016, 2016-2017, 2017-2018)

The Company reports basic and diluted earnings per share in accordance with Accounting Standard 20 – “Earnings Per Share” notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. Basic earnings per share is computed by dividing the net profit after tax attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding for the year.

Diluted earnings per share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per share is computed by dividing the net profit after tax attributable to the equity shareholders for the year by weighted average number of equity shares considered for deriving basic earning per share and weighted average number of equity shares that could have been issued upon conversion of all potential equity shares.

(Financial Year 2013-2014)

The Company reports basic and diluted earnings per share in accordance with Accounting Standard 20 - Earnings Per Share prescribed by the Companies (Accounting Standards) Rules, 2006. Basic earnings per share is computed by dividing the net profit after tax attributable to the equity shareholders by the weighted average number of equity shares outstanding for the year.

Diluted earnings per share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per share is computed using the weighted average number of equity shares and dilutive potential equity shares outstanding at year end.

1.20 Foreign Exchange transactions (Financial Year 2017-18)

Foreign currency transactions are recorded at the rates of exchange prevailing on the date of the transaction. Exchange differences, if any arising out of transactions settled during the year are recognised in the statement of profit and loss for the year.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the closing exchange rates on that date. The resultant exchange differences, if any, are recognised in the statement of profit and loss and related assets and liabilities are accordingly restated in the balance sheet.

Annexure IV

1.21 Provisions and contingencies

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an economic benefit will arise, the asset and related income are recognised in the period in which the change occurs.

29 Segment reporting

Primary Segment (Business segment)

The Company's business is organised and management reviews the performance based on the business segments as mentioned below:

Segment	Activities covered
Capital based business	Income from treasury operations, income from investments and dividend income.
Financing business	Wholesale and retail financing

Income for each segment has been specifically identified. Expenditure, assets and liabilities are either specifically identified with individual segments or have been allocated to segments on a systematic basis. Based on such allocations, segment disclosures relating to revenue, results, assets and liabilities have been prepared.

Secondary Segment

Since the business operations of the Company are primarily concentrated in India, the Company is considered to operate only in the domestic segment and therefore there is no reportable geographic segment.

The following table gives information as required under the Accounting Standard-17 on Segment Reporting

49 Derivatives (Continued)

C) Qualitative disclosure for derivatives

The Company undertakes transactions in derivative products in the role of a user with counter parties. The Company deals in the derivatives for balance sheet management i.e. for hedging fixed rate, floating rate or foreign currency assets/liabilities and for hedging the variable interest in case of benchmark linked debentures. All derivatives are marked to market on reporting dates and the resulting gain/loss is recorded in the statement of profit and loss.

Dealing in derivatives is carried out by specified groups of the treasury department of the Company based on the purpose of the transaction. Derivative transactions are entered into by the treasury front office. Mid office team conducts an independent check of the transactions entered into by the front office and also undertakes activities such as confirmation, settlement, risk monitoring and reporting.

The Company has a credit and market risk department that assesses counterparty risk and market risk limits, within the risk architecture and processes of the Company. The Company has in place a policy which covers various aspects that apply to the functioning of the derivative business. Limits are monitored on a daily basis by the mid-office.

1.2 Basis of preparation of consolidated financial statements (Continued)

- a) Section 26 of the Companies Act, 2013; and
- b) The SEBI (Issue and Listing of Debt Securities) Regulations, 2008 issued by the Securities and Exchange Board of India ("SEBI"), as amended from time to time read along with the SEBI circular CIR/IMD/DF/18/2013 dated October 29, 2013 (together referred to as the "SEBI Regulations").

1.3 Use of estimates

The preparation of the consolidated financial statements in conformity with the GAAP requires the management to make estimates and assumptions that affect the reported amount of assets, liabilities, disclosure of contingent liabilities on the date of the financial statements and reported amount of revenue and expenses during the reporting period. The estimates and accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as on the date of the financial statements. Actual results could differ from the estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

1.4 Current-non-current classification

All assets and liabilities are classified into current and non-current

Assets

An Asset is classified as current when it satisfies any of the following criteria:

- a. It is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle;
- b. It is held primary for the purpose of being traded;
- c. It is expected to be realized within 12 months after the reporting date; or
- d. It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current Assets include the current portion of non-current financial assets.

All other assets are classified as non-current.

1.4 Current-non-current classification (Continued)

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- a. It is expected to be settled in the company's normal operating cycle.
- b. It is held primarily for the purpose of being traded;
- c. It is due to be settled within 12 months after the reporting date; or the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities.

All other liabilities are classified as non-current

1.5 Revenue recognition

- a. Fee income including processing fees (other than loan against property) and other fees is accounted for on an accrual basis in accordance with the terms and contracts entered into between the Company and the counterparty.
- b. In case of loans against property, processing fees collected are amortised over a pre-determined tenor arrived on an industry average or original contractual tenor, whichever is shorter. The unamortised balance is disclosed under "Other current liabilities" and "Other long term liabilities" based on amortisable tenor. In the event of a loan being foreclosed or written off, the unamortised portion of such processing fees is recognised as income at the time of such foreclosure or write off.
- c. Interest income is recognised on accrual basis. Interest income in case of lending business is recognised on accrual basis except in case of non-performing assets, wherein it is accounted on realisation, as per RBI guidelines. In case of commercial papers, deep discount bonds and certificate of deposits, the difference between the acquisition cost and redemption value are amortised on time basis and recognised as interest income.
- d. Interest Spread under par structure of securitization/direct assignment of loan receivables is recognized on realization over the tenure of securitized/ direct assigned loan.
- e. Income from treasury operations comprises of profit/loss on sale of securities and profit/loss on equity, commodity, currency interest rate derivative instruments.
 - i) Profit/loss on sale of investments / securities is determined based on the weighted average cost of the investments / securities sold and recognised on trade date.
 - ii) Realised profit/ loss on closed positions of derivative instruments is recognised on final settlement on squaring-up of the contracts. Outstanding derivative contracts in the nature of forwards / futures / options are measured at fair value as at the balance sheet date. Fair value is determined using quoted market prices in an actively traded market, for the instrument, wherever available, as the best evidence of fair value. In the absence of quoted market prices in an actively traded market, a valuation technique is used to determine the fair value. In most cases the valuation techniques use observable market data as input parameters in order to ensure reliability of the fair value measure.

1.5 Revenue recognition (Continued)

- iii) In respect of interest rate derivatives, realised profit/loss on maturity/termination of contract is recognised as 'Profit/loss on interest rate derivatives' in the statement of profit and loss and the interest received during contract period is recognised as 'Interest income on derivative instruments' in statement of profit and loss. Positions open as on Balance sheet date are marked to market and profit / (loss) is recognised in the statement of profit and loss.
- iv) In respect of currency derivatives, realised profit/loss on maturity/termination of contract is recognised as 'Profit/loss on currency derivatives' in the statement of profit and loss. Positions open as on Balance sheet date are marked to market and profit / (loss) is recognised in the statement of profit and loss.

In accordance with 'Guidance Note on Accounting for Derivative Contracts' issued by the Institute of Chartered Accountants of India effective from 1 April 2016, the Company recognises all mark to market gains or losses on derivative contracts in the statement of profit and loss.

- f. Dividend income is recognised when the right to receive payment is established.
- g. Penal interest income on delayed EMI or Pre-EMI is recognised on receipt basis. *(Financial Year 2017-18)*

1.6 Borrowing Cost (Financial Year 2017-18)

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Interest cost in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan.

1.7 Cost of Benchmark linked debentures

The Company issues certain non-convertible debentures, the return of which is linked to performance of specified indices over the period of the debenture. Such debentures have a component of an embedded derivative which is fair valued at a reporting date. The resultant 'net unrealised loss or gain' on the fair valuation of these embedded derivatives is recognised in the statement of profit and loss. The debt component of such debentures is measured at amortised cost using yield to maturity basis.

1.8 Securitisation / Assignment

The Company enters into securitization/ Assignment transactions and assets are derecognized upon sale only if the Company surrenders control over the contractual rights that comprise in the financial assets.

The Company has adopted the accounting policy for securitization transactions, as notified by RBI in its circular "Revisions to the Guidelines on Securitisation Transactions" issued on August 21, 2012.

Unrealised gain on loan transfer transactions comprises of future interest receivable under par structure of securitisation.

1.8 Securitisation / Assignment(Continued)

Future interest receivable on loan transfer transaction comprises of Company's share of future interest strip receivables in case of a par structure securitised deals.

1.9 Provisioning on receivables from financing business

Provision for non-performing assets is based on the management's assessment of the degree of impairment of the loan asset subject to the minimum level of provisioning required as per the prudential norms prescribed by RBI.

Provisions against standard assets are made in accordance with the prudential norms laid down by RBI.

1.10 Fixed assets and depreciation / amortisation

Property, Plant and Equipment and Capital work in progress

Property, Plant and Equipments / Tangible fixed assets are stated at cost less accumulated depreciation and impairment, if any. The cost of fixed assets comprises purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Capital work in progress comprises the cost of fixed assets that are not ready for its intended use at the reporting date.

Depreciation is provided on a written down value basis from the date the asset is ready for its intended use or put to use whichever is earlier. In respect of assets sold, depreciation is provided upto the date of disposal.

As per the requirement of Schedule II of the Companies Act, 2013, the Company has evaluated the useful lives of the respective fixed assets which are as per the provisions of Part C of the Schedule for calculating the depreciation. The estimated useful lives of the fixed assets are as follows:

Nature of assets	Estimated useful lives
Building (other than Factory Building)	60 years
Plant and Machinery	15 years
Furniture and fittings	10 years
Motor Vehicles	8 years
Office Equipment	5 years
Computers and data processing units - Servers and networks	6 years
Computers and data processing units - End user devices, such as desktops, laptops, etc.	3 years

Leasehold improvements are amortized on a straight-line basis over the estimated useful lives of the assets or the period of lease whichever is earlier.

Intangible fixed assets

Intangible fixed assets are recorded at the consideration paid for the acquisition of such assets and are carried at cost less accumulated amortization and impairment,if any.

Intangibles such as software are amortised over a period of 3 years based on its estimated useful life.

1 Significant accounting policies (continued)

1.11 Impairment of assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired based on internal/external factors. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of cash generating unit which the asset belongs to is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of the depreciable historical cost.

1.12 Stock-in-trade

- a) The securities acquired with the intention of short-term holding and trading positions are considered as stock-in-trade and disclosed as current assets.
- b) The securities held as stock-in-trade are valued at lower of weighted average cost or market value. In case of units of mutual funds held as stock-in-trade, net asset value is considered as fair value.
- c) Debt instruments are valued at lower of cost or fair value. In case of debt instruments for which direct quotes are not available, fair value is the lowest of the quotes as on the valuation date as provided by market intermediaries.
- d) Commercial papers, certificate of deposits and treasury bills are valued at carrying cost.

1.13 Investments

Investments are classified into long term investments and current investments. Investments which are intended to be held for one year or more are classified as long term investments and investments which are intended to be held for less than one year are classified as current investments.

Long term investments are carried at cost less diminution in value which is other than temporary, determined separately for each investment.

Current investments are carried at lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each category of investment. In case of investments in mutual funds, the net asset value of units declared by the mutual fund is considered as the fair value.

1.14 Cash and cash equivalents

(Financial year 2017-18)

Cash and cash equivalents includes cash in hand, demand deposits with banks and other fixed deposits with bank with original maturities of three months or less.

1.15 Loan origination costs

Loan origination costs relating to loan against property comprise of costs paid to third party vendors and intermediaries for loan acquisition, processing, field verification, legal evaluation, title search, fraud check, technical valuation, etc. Such origination costs, directly attributable to disbursed loans are amortised over a pre-determined tenor arrived on an industry average or original contractual tenor, whichever is shorter. The unamortised balance is disclosed as part of “Long-term loans and advances” and “Short-term loan and advances” based on amortisable tenor. Where the loan is foreclosed or written off, the unamortised portion of such loan origination costs are recognised as charge to the statement of profit and loss at the time of such foreclosure or write off.

1.16 Employee benefits

The accounting policy followed by the Company in respect of its employee benefit schemes in accordance with Accounting Standard 15 (Revised 2005), is set out below:

Provident fund and national pension scheme

The Company contributes to a recognised provident fund and national pension scheme which is a defined contribution scheme. The contributions are accounted for on an accrual basis and recognised in the statement of profit and loss.

Gratuity

The Company’s gratuity scheme is a defined benefit plan. The Company’s net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that the employees have earned in return for their service in the current and prior periods, that benefit is discounted to determine its present value, and the fair value of any plan assets, if any, is deducted.

The present value of the obligation under such benefit plan is determined based on independent actuarial valuation using the Projected Unit Credit Method. Changes in the present value of defined obligation resulting from plan amendments or curtailments are recognised immediately in statement of profit or loss as past service cost.

The obligation is measured at present values of estimated future cash flows. The discounted rates used for determining the present value are based on the market yields on Government Securities as at the balance sheet date.

Benefits in respect of gratuity are funded with an Insurance Company approved by Insurance Regulatory and Development Authority (IRDA).

Actuarial gains and losses arising from experience adjustments and change in actuarial assumptions are recognised in the statement of profit and loss in the period in which they arise.

Compensated Absences

The eligible employees of the Company are permitted to carry forward certain number of their annual leave entitlement to subsequent years, subject to a ceiling. The Company recognises the charge in the statement of profit and loss and corresponding liability on such non-vesting accumulated leave entitlement based on a valuation by an independent actuary.

Deferred Bonus:

The Company has adopted a Deferred Bonus Plan under its Deferred Variable Compensation Plan. A pool of identified senior employees of the Company is entitled for benefits under this plan. Such deferred compensation will be paid in a phased manner over

future period of time . The measurement for the same has been based on actuarial assumptions and principles. These assumptions and principles are consistent with the requirements of Accounting Standard 15 (Revised 2005)

1.17 Taxation

Tax expense comprises current tax (i.e. amount of tax for the year determined in accordance with the Income Tax Act, 1961), deferred tax charge or credit (reflecting the tax effect of timing differences between accounting income and taxable income for the year).

Current tax

Provision for current tax is recognised based on estimated tax liability computed after adjusting for allowances, disallowances and exemptions in accordance with the Income Tax Act, 1961.

Deferred tax

The deferred tax charge or credit and the corresponding deferred tax liabilities and assets are recognized using the tax rates that have been enacted or substantially enacted at the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the asset can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only to the extent there is a virtual certainty backed by convincing evidence that sufficient future taxable income will be available against which deferred tax assets can be realised. Deferred tax assets are reviewed as at each balance sheet date and written down or written-up to reflect the amount that is reasonable/virtually certain (as the case may be) to be realised.

1.18 Operating leases

Lease payment for asset taken on operating lease are recognised as an expense in the statement of profit and loss on a straight- line basis over the lease term.

1.19 Earnings per share

The Company reports basic and diluted earnings per share in accordance with Accounting Standard 20 – “Earnings Per Share” notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. Basic earnings per share is computed by dividing the net profit after tax attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding for the year.

Diluted earnings per share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per share is computed by dividing the net profit after tax attributable to the equity shareholders for the year by weighted average number of equity shares considered for deriving basic earning per share and weighted average number of equity shares that could have been issued upon conversion of all potential equity shares.

1.20 Foreign Exchange transactions (Financial Year 2017-18)

Foreign currency transactions are recorded at the rates of exchange prevailing on the date of the transaction. Exchange differences, if any arising out of transactions settled during the year are recognised in the statement of profit and loss for the year.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the closing exchange rates on that date. The resultant exchange differences, if any, are recognised in the statement of profit and loss and related assets and liabilities are accordingly restated in the balance sheet.

1.21 Provisions and contingencies

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an economic benefit will arise, the asset and related income are recognised in the period in which the change occurs.

29 Segment reporting

Primary Segment (Business segment)

The Company's business is organised and management reviews the performance based on the business segments as mentioned below:

Segment	Activities covered
Capital based business	Income from treasury operations, income from investments and dividend income.
Financing business	Wholesale and retail financing

Income for each segment has been specifically identified. Expenditure, assets and liabilities are either specifically identified with individual segments or have been allocated to segments on a systematic basis. Based on such allocations, segment disclosures relating to revenue, results, assets and liabilities have been prepared.

Secondary Segment

Since the business operations of the Company are primarily concentrated in India, the Company is considered to operate only in the domestic segment and therefore there is no reportable geographic segment.

The following table gives information as required under the Accounting Standard-17 on Segment Reporting

Limited Review Report

Review Report to The Board of Directors ECL Finance Limited

1. We have reviewed the accompanying statement of unaudited Ind AS financial results of ECL Finance Limited (the "Company") for the six months ended September 30, 2018 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/IMD/DF1/9/2015 dated November 27, 2015 and the SEBI Circular No. CIR/IMD/DF1/69/2016 dated August 10, 2016 (collectively, the "Listing Regulations").
2. The preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS) 34 "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of Companies (Indian Accounting Standards) Rules, 2015, as amended, is the responsibility of the Company's management and has been approved by the Board of Directors of the Company. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 specified under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. The comparative financial information for the corresponding six months ended September 30, 2017 included in these Ind AS standalone financial results of the Company, are based on the previously issued standalone financial results prepared in accordance with recognition and measurement principles of Accounting Standard 25 "Interim Financial Reporting", as specified under section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India and reviewed by the predecessor auditor whose report for the corresponding six months ended September 30, 2017 dated November 2, 2017 expressed an unmodified conclusion on those standalone financial results, as adjusted for the differences in the accounting principles adopted by the Company on transition to the Ind AS, which have been certified by the management.

Limited Review Report

Review Report to
The Board of Directors
ECL Finance Limited
Mumbai

1. We have reviewed the accompanying interim condensed standalone Ind AS financial statements of ECL Finance Limited (the "Company"), which comprise the interim condensed standalone balance sheet as at December 31, 2018, and the related interim condensed standalone Statement of Profit and Loss, interim condensed standalone Statement of Comprehensive Income, interim condensed standalone Statement of Cash Flows and interim condensed standalone Statement of Changes in Equity for the period ended December 31, 2018, and a summary of select explanatory notes (together hereinafter referred to as the "Interim Condensed Standalone Ind AS Financial Statement"). As more fully described in Note 2, the Interim Condensed Standalone Ind AS Financial Statement have been prepared by the Company to include in offer document for the purpose of NCD issue.
2. The preparation of Interim Condensed Standalone Ind AS Financial Statements in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (Ind AS) 34, "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of Companies (Indian Accounting Standards) Rules, 2015, as amended, is the responsibility of the Company's management and have been approved by committee of Board of Directors. Our responsibility is to issue a report on the Interim Condensed Standalone Ind AS Financial Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Interim Standalone Condensed Ind AS Financial Statement has not been prepared in all material respects in accordance with recognition and measurement principles of Ind AS 34 prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other recognised accounting practices and policies.
5. We draw attention to Note 3 to the accompanying Interim Condensed Standalone IND AS Financial Statements which describes the possibility that these financial statements may require adjustments for matters described therein. Our conclusion is not modified in respect of this matter.
6. The comparative financial information for the corresponding nine months ended December 31, 2017 included in these Interim Condensed Standalone Ind AS Financial Statements of the Company, are based on the previously issued unaudited special purpose condensed interim

standalone financial statements prepared in accordance with recognition and measurement principles of Accounting Standard 25 "Interim Financial Reporting", as specified under section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India and reviewed by the predecessor auditor whose report for the nine months ended December 31, 2017 dated April 24, 2014 expressed an unmodified conclusion on those unaudited special purpose condensed interim standalone financial statements, as adjusted for the differences in the accounting principles adopted by the Company on transition to Ind AS, which have been reviewed by us.

The comparative financial information as at March 31, 2018 included in these Interim Condensed Standalone Ind AS Financial Statements of the Company, are based on the previously issued financial statements for the year ended and as at March 31, 2018 and audited by the predecessor auditor who expressed an unmodified opinion on those financial statements on May 2, 2018, as adjusted for the differences in the accounting principles adopted by the Company on transition to Ind AS, which have been reviewed by us.

7. This report on the Interim Condensed Standalone Ind AS Financial Statement has been issued solely for the information and use of the management of the entity in connection with inclusion of Interim Condensed Standalone Ind AS Financial Statement in offer documents for the purpose of NCD issue, and should not be used or referred to for any other purpose, or distributed to any other person, without our prior written consent.

2. Statement of compliance

These standalone financial statements comprise the Balance Sheet as at December 31, 2018, the standalone Statement of Profit and Loss, the standalone Statement of Cash Flows and the standalone Statement of changes in equity for the period ended December 31, 2018 and a summary of the significant accounting policies and other explanatory information (together hereinafter referred to as "Interim Condensed Standalone Ind AS Financial Statements").

These Interim Condensed Standalone Ind AS Financial Statements have been prepared using the recognition and measurement principles of Ind AS 34 "Interim Financial Reporting" solely for inclusion in the offer document, prepared by the Company in connection with its proposed Public issue of Non-Convertible Debentures (NCD). However, all disclosures required under Ind AS and relevant regulatory requirements have not been furnished in these Interim Condensed Standalone Ind AS Financial Statements. Only a complete set of financial statements with all disclosures can provide a fair presentation of a Company's state of affairs (financial position), profit (financial performance including other comprehensive income), cash flows and the changes in equity.

3. Basis of preparation

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) amendment Rules, 2016 and other relevant provisions of the Act with effect from April 1, 2018. Previous period figures have been restated to Ind AS In accordance with Ind AS 101 First-time Adoption of Indian Accounting Standards, the Company has presented a reconciliation from the presentation of financial statements under Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 ("Previous GAAP") to Ind AS of Shareholders' equity as at March 31, 2018, March 31, 2017 and December 31, 2017 of the Total comprehensive income for the year ended March 31, 2018 and for the Nine months ended December 31, 2017.

The Company's Interim Condensed Standalone Ind AS Financial Statements have been prepared on a historical cost basis, except for the following:

Notes to Condensed Standalone financial statements

- Certain financial assets and liabilities (including derivative instruments and assets held of trading) which are measured at fair value / amortised cost;
- Defined benefit plans-plan assets measured at fair value; and
- Share based payments

The financial statements are presented in Indian Rupees and all amounts disclosed in the financial statements and notes have been rounded off upto two decimal points to the nearest Million (as per the requirement of Schedule III), unless otherwise stated.

The Interim Condensed Standalone Ind AS Financial Statements do not include all the information and disclosures required in the annual financial statements, The Company will prepare and issue its first complete Ind AS financial statements as at and for the year ending March 31, 2019. Until the first complete Ind AS financial statements are issued, the balances in these Interim Condensed Standalone Ind AS Financial Statements are preliminary and may require adjustments if :-

- there are any new Ind AS standards issued through March 31, 2019;
- there are any amendments/modifications made to existing Ind AS standards or interpretations thereof through March 31, 2019 affecting the Ind AS balances in these financial statements;
- if the Company makes any changes in the elections and/or exemptions selected on adoption of Ind AS at its transition date of April 1, 2017; and
- if there are any guidelines issued by Reserve Bank of India or Ministry of Corporate Affairs in this regard.

3.1 Presentation of Financial statement

The Company presents its balance sheet in order of liquidity in compliance with the Division III of the Schedule III to the Companies Act, 2013.

Financial assets and financial liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognised amounts without t being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

- The normal course of business
- The event of default
- The event of insolvency or bankruptcy of the company and or its counterparties

Derivative assets and liabilities with master netting arrangements (e.g. ISDAs) are only presented net when they satisfy the eligibility of netting for all of the above criteria and not just in the event of default.

4. Significant accounting policies

4.1 Recognition of Interest income and Dividend income

4.1.1 Effective Interest Rate (EIR):

The Effective interest rate is the rate that exactly discounts estimated future cash flows through the expected life of the financial instrument or, when appropriate a shorter period to the carrying amount of financial instrument.

The EIR is calculated by taking into account any discount or premium on acquisition, fees and costs that are an integral part of the EIR. The Company recognises interest income using a rate of return that represents the best estimate of a constant rate of return over the expected life of the loan. Hence, it recognises the effect of potentially different interest rates charged at various stages, and other characteristics of the product life cycle including prepayments penalty interest and charges.

If expectations regarding the cash flows on the financial asset are revised for reasons other than credit risk. The adjustment is booked as a positive or negative adjustment to the carrying amount of the asset in the balance sheet with an increase or reduction in interest income. The adjustment is subsequently amortised through Interest income in the statement of profit and loss.

4.1.2 Interest Income:

The company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets

When a financial asset becomes credit-impaired and is, therefore, regarded as 'Stage 3', the Company calculates interest income by applying the EIR to the net amortised cost of the financial asset. If the financial assets cures and is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis.

For purchased or originated credit-impaired (POCI) financial assets (as set out in Note 4.6.4), the Group calculates interest income by calculating the credit-adjusted EIR and applying that rate to the amortised cost of the asset. The credit-adjusted EIR is the interest rate that, at original recognition, discounts the estimated future cash flows (including credit losses) to the amortised cost of the POCI assets.

Penal interest income on delayed EMI or pre EMI is recognised on receipt basis.

4.1.3 Dividend income

The Company recognised Dividend income when the Company's right to receive the payment has been established, it is probable that the economic benefits associated with

Notes to Condensed Standalone financial statements

the dividend will flow to the Company and the amount of the dividend can be measured reliably.

4.2 Financial Instruments:

4.2.1 Date of recognition

The Company recognised the Financial Assets and liabilities except loans and borrowings on the trade date, i.e. the date the Company becomes a party to the contractual provisions of the instrument, this includes regular way trades: purchases or sales of financial assets that require delivery of assets within the time frame generally established by regulation or convention in the market place. Loans are recognised when funds are transferred to the customers' account. The Company recognises borrowings when funds reach the Company.

4.2.2 Initial measurement of financial instruments

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

4.2.3 Classification & Measurement categories of financial assets and liabilities

The Company classifies all of its financial assets based on the business model for managing the assets and the asset's contractual terms, measured at either:

Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The changes in carrying value of financial assets is recognised in profit and loss account.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The changes in fair value of financial assets is recognised in Other Comprehensive Income

Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL. The Company measures all financial assets classified as FVTPL at fair value at each reporting ate. The changes in fair value of financial assets is recognised in Profit and loss account

4.3 Financial Assets and Liabilities

4.3.1 Financial assets held for trading

The Company classifies financial assets as held for trading when they have been purchased primarily for short-term profit making through trading activities or form part of a portfolio of financial instruments that are managed together, for which there evidence of a recent pattern of short-term profit is taking. Held-for-trading assets are recorded and measured in the balance sheet at fair value. Changes in fair value are recognised in net gain on fair value changes.

4.3.2 Derivative contracts

The Company enters into a variety of derivative financial instruments to manage its exposure to interest rate, market risk and foreign exchange rate risks.

Company has designed a risk strategy to cover the exposure on issuance of Market Linked Debentures, by entering into a derivative contracts either to minimize the loss or to earn a minimum committed income. Above strategy has been approved by the risk committee and ensures that risk is fully or partially covered.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in profit or loss.

4.3.3 Debt securities and other borrowed funds

The Company measures debt issued and other borrowed funds at Amorised cost at each reporting date. Amortised cost is calculated by taking into account any discount or premium on issue funds, and costs that are an integral part of the EIR.

The Company issues certain non-convertible debentures, the return of which is linked to performance of specified indices over the period of the debenture. Such debentures have a component of an embedded derivative which is fair valued at a reporting date. The resultant 'net unrealised loss or gain' on the fair valuation of these embedded derivatives is recognised in the statement of profit and loss. The debt component of such debentures is measured at amortised cost using yield to maturity basis.

Notes to Condensed Standalone financial statements

4.3.4 Financial Guarantee

Financial guarantees are contract that requires the Company to make specified payments to reimburse to holder for loss that it incurs because a specified debtor fails to make payment when it is due in accordance with the terms of a debt instrument.

Financial guarantee issued or commitments to provide a loan at below market interest rate are initially measured at fair value and the initial fair value is amortised over the life of the guarantee or the commitment. Subsequently they are measured at higher of this amortised amount and the amount of loss allowance.

4.3.5 Loan Commitment

Loan commitments are commitments under which, over the duration of the commitment, the Company is required to provide a loan with pre-specified terms to the customer. Undrawn loan commitments are in the scope of the ECL requirements,

4.4 Reclassification of Financial assets and liabilities

The Company does not reclassify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances in which the Company acquires, disposes of, or terminates a business line. The company didn't reclassify any of its financial assets or liabilities in current period and previous period.

4.5 Derecognition of financial Instruments

4.5.1 Derecognition of financial Asset:

A financial asset is derecognised when the rights to receive cash flows from the financial asset have expired. The Company also derecognises the financial asset if it has both transferred the financial asset and the transfer qualifies for derecognition.

The Company has transferred the financial asset if, and only if, either:

- the Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumed a contractual obligation to pay the cash flows in full without material delay to third party under pass through arrangement .

Pass-through arrangements are transactions whereby the Company retains the contractual rights to receive the cash flows of a financial asset (the 'original asset'), but assumes a contractual obligation to pay those cash flows to one or more entities (the 'eventual recipients'), when all of the following conditions are met:

Notes to Condensed Standalone financial statements

- The Company has no obligation to pay amounts to the eventual recipients unless it has collected equivalent amounts from the original asset, excluding short-term advances with the right to full recovery of the amount lent plus accrued interest at market rates
- The Company cannot sell or pledge the original asset other than as security to the eventual recipients

The Group has to remit any cash flows it collects on behalf of the eventual recipients without material delay. In addition, the Group is not entitled to reinvest such cash flows, except for investments in cash or cash equivalents including interest earned, during the period between the collection date and the date of required remittance to the eventual recipients.

A transfer only qualifies for derecognition if either:

- The Company has transferred substantially all the risks and rewards of the asset; or
- The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset

The Company considers control to be transferred if and only if, the transferee has the practical ability to sell the asset in its entirety to an unrelated third party and is able to exercise that ability unilaterally and without imposing additional restrictions on the transfer.

The Company derecognises a financial asset, when the terms and conditions have been renegotiated to the extent that, substantially, it becomes a new financial asset, with the difference recognised as a derecognition gain or loss, to the extent that an impairment loss has not already been recorded. The newly recognised financial assets are classified as Stage 1 for ECL measurement purposes, unless the new financial asset is deemed to be POCL.

If the modification does not result in cash flows that are substantially different, the modification does not result in derecognition. Based on the change in cash flows discounted at the original EIR, the Company records a modification gain or loss, to the extent that an impairment loss has not already been recorded.

4.5.2 Derecognition of financial liabilities:

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability. The difference between the

Notes to Condensed Standalone financial statements

carrying value of the original financial liability and the consideration paid is recognised in profit or loss.

4.6 Impairment of financial assets

The Company started recognising provisions based on expected credit loss model (“ECL”) on all loans, other debt financial assets measured at amortised cost together with undrawn loan commitment and financial guarantee contracts, in this section all referred to as “Financial instrument”. Equity instruments are not subject to impairment.

ECL is a probability-weighted estimate of credit losses. A credit loss is the difference between the cash flows that are due to an entity in accordance with the contract and the cash flows that the entity expects to receive discounted at the original effective interest rate. Because ECL consider the amount and timing of payments, a credit loss arises even if the entity expects to be paid in full but later than when contractually due.

Company categories its financial assets as follows:

Stage 1 Assets includes financial instruments that have not had a significant increase in credit risk since initial recognition or that have low credit risk at the reporting date. For these assets, 12-month expected credit losses (resulting from default events possible within 12 months from reporting date) are recognised.

Stage 2 Assets includes financial instruments that have had a significant increase in credit risk since initial recognition For these assets lifetime ECL (resulting from default events possible within 12 months from reporting date) are recognised.

Stage 3 For Assets considered credit-impaired the Company recognises the lifetime expected credit losses for these loans. The method is similar to that for Stage 2 assets, with the PD set at 100%.

The ongoing assessment of whether a significant increase in credit risk has occurred for working capital facilities is similar to other lending products. The interest rate used to discount the ECLs for working capital facilities is based on the average effective interest rate that is expected to be charged over the expected period of exposure to the facilities.

Company recognises an impairment gain or loss in profit or loss for all financial instruments with a corresponding adjustment to their carrying amount through a loss allowance account.

The expected credit losses on the loan commitment have been recognised together with the loss allowance for the financial asset.

The Company’s product offering includes a working capital facilities with a right to company to cancel and/or reduce the facilities with one day’s notice. The Company does not limit its exposure to credit losses to the contractual notice period, but, instead calculates ECL over a period that reflects the Company’s expectations of the customer behaviour, its likelihood of

Notes to Condensed Standalone financial statements

default and the Company's future risk mitigation procedures, which could include reducing or cancelling the facilities.

4.7 Collateral valuation:

To mitigate its credit risks on financial assets, the Company seeks to use collateral, where possible. The collateral comes in various forms, such as cash, securities, letters of credit /guarantees, real estate, receivables, inventories, other non-financial assets and credit enhancements such as netting agreements. Collateral, unless repossessed, is not recorded on the Company's balance sheet. However, the fair value of collateral affects the calculation of ECLs. It is generally assessed, at a minimum, at inception and re-assessed on a quarterly basis. However, some collateral, for example, securities relating to margin requirements, is valued daily.

To the extent possible, the company uses active market data for valuing financial assets held as collateral. Other financial assets which do not have readily determinable market values are valued using models. Non-financial collateral, such as real estate, is valued based on data provided by third parties such as mortgage brokers, or based on housing price indices.

4.8 Collateral repossessed:

The Company's policy is to determine whether a repossessed asset can be best used for its internal operations or should be sold. Assets determined to be useful for the internal operations are transferred to their relevant asset category at the lower of their repossessed value or the carrying value of the original secured asset. Assets for which selling is determined to be a better option are transferred to assets held for sale at their fair value (if financial assets) and fair value less cost to sell for non-financial assets at the repossession date in, line with the Company's policy.

In its normal course of business, the Company does not physically repossess properties or other assets in its retail portfolio, but engages external agents to recover funds, generally at auction, to settle outstanding debt. Any surplus funds are returned to the customers/obligors. As a result of this practice, the residential properties under legal repossession processes are not recorded on the balance sheet.

4.9 Write-Offs

Financial assets are written off either partially or in their entirety only when the Company has stopped pursuing the recovery. If the amount to be written off is greater than the accumulated loss allowance, the difference is first treated as an addition to the allowance that is then applied against the gross carrying amount. Any subsequent recoveries are credited to impairment on financial instruments in statement of profit and loss.

4.10 Determination of fair value

The Company measures financial instruments, such as, derivatives at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques, as summarised below:

- Level 1 financial instruments –Those where the inputs used in the valuation are unadjusted quoted prices from active markets for identical assets or liabilities that the Company has access to at the measurement date. The Company considers markets as active only if there are sufficient trading activities with regards to the volume and liquidity of the identical assets or liabilities and when there are binding and exercisable price quotes available on the balance sheet date.
- Level 2 financial instruments–Those where the inputs that are used for valuation and are significant, are derived from directly or indirectly observable market data available over the entire period of the instrument's life.
- Level 3 financial instruments –Those that include one or more unobservable input that is significant to the measurement as whole.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting

Notes to Condensed Standalone financial statements

period. The Company periodically reviews its valuation techniques including the adopted methodologies and model calibrations.

Therefore, the Company applies various techniques to estimate the credit risk associated with its financial instruments measured at fair value, which include a portfolio-based approach that estimates the expected net exposure per counterparty over the full lifetime of the individual assets, in order to reflect the credit risk of the individual counterparties for non-collateralised financial instruments.

The Company evaluates the levelling at each reporting period on an instrument-by-instrument basis and reclassifies instruments when necessary based on the facts at the end of the reporting period.

4.11 Operating leases

The determination of whether an arrangement is lease, or contains a lease, is based on the substance of the arrangement and requires an assessment of whether the fulfilment of the arrangement is dependent on the use of a specific asset or assets or whether the arrangement conveys a right to use the asset.

Lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term, unless the increase is in line with expected general inflation, in which case lease payments are recognised based on contractual terms. Contingent rental payable is recognised as an expense in the period in which they it is incurred.

4.12 Earnings per Share

Basic earnings per share is computed by dividing the net profit after tax attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding for the year.

Diluted earnings per share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per share is computed by dividing the net profit after tax attributable to the equity shareholders for the year by weighted average number of equity shares considered for deriving basic earnings per share and weighted average number of equity shares that could have been issued upon conversion of all potential equity shares.

4.13 Foreign currency transactions

The Interim Condensed Standalone Ind AS Financial Statements are presented in Indian Rupees which is also functional currency of the company. Transactions in currencies other than Indian Rupees (i.e. foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are

Notes to Condensed Standalone financial statements

retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated

Exchange differences on monetary items are recognised in profit or loss in the period in which they arise

4.14 Retirement and other employee benefit

4.14.1 Provident fund and national pension scheme

The Company contributes to a recognised provident fund and national pension scheme which is a defined contribution scheme. The contributions are accounted for on an accrual basis and recognised in the statement of profit and loss.

4.14.2 Gratuity

The Company's gratuity scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that the employees have earned in return for their service in the current and prior periods, that benefit is discounted to determine its present value, and the fair value of any plan assets, if any, is deducted. The present value of the obligation under such benefit plan is determined based on independent actuarial valuation using the Projected Unit Credit Method.

Re-measurement, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur.

Remeasurement are not reclassified to profit or loss in subsequent periods

4.14.3 Compensated Absences

The eligible employees of the Company are permitted to carry forward certain number of their annual leave entitlement to subsequent years, subject to a ceiling. The Company recognises the charge in the statement of profit and loss and corresponding liability on such non-vesting accumulated leave entitlement based on a valuation by an independent actuary. The cost of providing annual leave benefits is determined using the projected unit credit method.

4.14.4 Deferred Bonus:

The Company has adopted a Deferred Bonus Plan under its Deferred Variable Compensation Plan. A pool of identified senior employees of the Company is entitled for benefits under this plan. Such deferred compensation will be paid in a phased manner over a future period of time. The measurement for the same has been based on actuarial assumptions and principles.

Notes to Condensed Standalone financial statements

4.14.5 Share-based payment arrangements

Equity-settled share-based payments to employees and others providing similar services that are granted by the ultimate parent company are measured by reference to the fair value of the equity instruments at the grant date.

The fair value determined at the grant date of the equity-settled share-based payments is expensed over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in profit or loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the equity-settled employee benefits reserve.

4.15 Property, plant and equipment

Property plant and equipment is stated at cost excluding the costs of day-to-day servicing, less accumulated depreciation and accumulated impairment in value. Changes in the expected useful life are accounted for by changing the amortisation period or methodology, as appropriate, and treated as changes in accounting estimates.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are recognized in profit or loss during the reporting period, in which they are incurred.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives. Depreciation is provided on a written down value basis from the date the asset is ready for its intended use or put to use whichever is earlier. In respect of assets sold, depreciation is provided upto the date of disposal.

As per the requirement of Schedule II of the Companies Act, 2013, the Company has evaluated the useful lives of the respective fixed assets which are as per the provisions of Part C of the Schedule II for calculating the depreciation. The estimated useful lives of the fixed assets are as follows:

Estimated useful lives of the assets are as follows:

Nature of assets	Estimated useful lives
Building (other than Factory Building)	60 years

Notes to Condensed Standalone financial statements

Nature of assets	Estimated useful lives
Plant and Equipment	15 years
Furniture and fixtures	10 years
Vehicles	8 years
Office Equipment	5 years
Computers - Servers and networks	6 years
Computers - End user devices, such as desktops, laptops, etc.	3 years

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. The carrying amount of those components which have been separately recognised as assets is derecognised at the time of replacement thereof. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as of 1 April 2017 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

4.16 Intangible assets

Intangible assets are recorded at the consideration paid for the acquisition of such assets and are carried at cost less accumulated amortization and impairment, if any.

Intangibles such as software are amortised over a period of 3 years based on its estimated useful life. For transition to Ind AS, the Company has elected to continue with the carrying value of all of its intangible assets recognised as of 1 April 2017 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

4.17 Impairment of non-financial assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired based on internal/external factors. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of cash generating unit which the asset belongs to is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and

Notes to Condensed Standalone financial statements

loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the impairment is reversed subject to a maximum carrying value of the asset before impairment.

4.18 Provisions and other contingent liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Where the probability of outflow is considered to be remote, or probable, but a reliable estimate cannot be made, a contingent liability is disclosed. Given the subjectivity and uncertainty of determining the probability and amount of losses, the Company takes into account a number of factors including legal advice, the stage of the matter and historical evidence from similar incidents.

4.19 Income tax expenses

Income tax expense represents the sum of the tax currently payable and deferred tax.

4.19.1 Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

4.19.2 Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

4.19.3 Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

5. Significant accounting judgements, estimates and assumptions:

The preparation of these financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from those estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the standalone financial statements are included are given below:

5.1 Business model assessment

The Company determines the business model at a level that reflects how the financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortised cost that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held.

5.2 Fair value of financial instruments

The Fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Company uses its judgement to select a variety of methods and make assumptions based on market conditions existing at the end of each reporting period. Judgements and estimates include considerations of liquidity and model inputs related to items such as credit risk, funding value adjustments, correlation and volatility.

5.3 Effective Interest Rate (EIR) Method

The Company's EIR methodology, as explained in Note 2.2.1, recognises interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioral life of loans given / taken and recognises the effect of potentially different interest rates at various stages and other characteristics of the product life cycle including prepayments and penalty interest and charges.

Notes to Condensed Standalone financial statements

This estimation, by nature requires an element of judgement regarding the expected behavior and life cycle of the instrument, as well expected changes India's base rate and other fee income, expenses that are integral part of the instrument

5.4 Impairment of Financial assets:

The impairment provisions for the financial assets are based on assumptions about estimation of the amount and timing of future cash flows, collateral values, assessment of a significant increase in credit risk, probability of default (PD) and Loss given default (LGD) rates. The company uses judgements in making these assumptions and selecting the inputs for impairment calculations based on its past history, existing market conditions and forward looking estimates at the end of each period.

The company's expected credit loss (ECL) calculations are output of model with number of underlying assumptions regarding choice of variable inputs and their interdependencies Elements of the ECL models that are considered accounting judgements and estimates include:

1. The Company's internal credit grading model, which assigns PDs to the individual grades based on ageing
2. The Company's criteria for assessing if there has been a significant increase in credit risk and so allowances for financial assets should be measured on a LTECL basis and the qualitative assessment
3. The segmentation of financial assets when their ECL is assessed on a collective basis
4. Development of ECL models, including the various formulas and the choice of inputs Determination of associations between macroeconomic scenarios and, economic inputs, such as unemployment levels and collateral values, and the effect on PDs, EADs and LGDs
5. Selection of forward-looking macroeconomic scenarios and their probability weightings, to derive the economic inputs into the ECL models

It has been the Company's policy to regularly review its models in the context of actual loss experience and adjust when necessary.

5.5 Impairment of Non-Financial assets:

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exist, the company estimates the asset's recoverable amount. An asset's recoverable amount is higher of an asset's fair value less cost of disposal and its value in use. Where the carrying amount exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

5.6 Provisions and contingent liabilities:

The Company operates in a regulatory and legal environment that, by nature, has a heightened element of litigation risk inherent to its operations. As a result, it is involved in various litigation, arbitration and regulatory investigations and proceedings in the ordinary course of its business.

When the Company can reliably measure the outflow of economic benefits in relation to a specific case and considers such outflows to be probable, the Company records a provision against the case. Where the probability of outflow is considered to be remote, or probable, but a reliable estimate cannot be made, a contingent liability is disclosed.

Given the subjectivity and uncertainty of determining the probability and amount of losses, the Company takes into account a number of factors including legal advice, the stage of the matter and historical evidence from similar incidents. Significant judgement is required to conclude on these estimates.

5.7 Provisions for Income Taxes :

Significant judgments are involved in determining the provision for income taxes including judgment on whether tax positions are probable of being sustained in tax assessments. A tax assessment can involve complex issues, which can only be resolved over extended time periods.

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectation of future events that may have a financial impact on the company and that are believed to be reasonable under the circumstances.

5.8 Investment in Security Receipts (SRs) :

The Company holds security receipts ('SRs') issued by certain asset reconstruction trusts only as an investor interested in capital appreciation on the investment made. It neither has any power over these trusts nor has any significant influence regardless of percentage holding in these trusts. Since the Company doesn't have any power or significant influence over these trusts, these are not treated as subsidiaries or associates under Ind AS and hence, are not consolidated

6. Standards issued but not yet effective

Ind AS 116 Leases replaces Ind AS 17 Leases, including appendices thereto. Ind AS 116 is effective for annual periods beginning on or after 1 April 2019. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-balance sheet model similar to the accounting for finance leases under Ind AS 17. The standard includes two recognition exemptions for lessees – leases of 'low-value' assets (e.g., personal computers) and short-term leases (i.e., leases with a lease term of 12 months or less). At the commencement date of a lease, a lessee will recognise a liability to make lease payments (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right-of-use asset). Lessees will be required to separately recognise the interest expense on the lease

Notes to Condensed Standalone financial statements

liability and the depreciation expense on the right-of-use asset. As the Company does not have any material leases, therefore the adoption of this standard is not likely to have a material impact in its Financial Statements.

7. Accounts for the previous year March 31, 2018 were audited by previous auditors – Price Waterhouse & Co LLP.

8. Events after reporting date

Pursuant to Shareholders' Agreement dated March 5, 2019 with Edelweiss Financial Services Limited, Edelweiss Securities Limited, Edelweiss Rural & Corporate Services Limited (Formerly known as Edelweiss Commodities Services Limited) and Edel Finance Company Limited collectively referred to as the "Promoters") and CDPQ Private Equity Asia Pte Limited (as the "Investor"), a wholly owned subsidiary of Caisse de dépôt et placement du Québec (CDPQ), for an investment amounting to Rs 1800 Crores (approximately US\$ 250 millions) into the Company. The Planned investment would contribute towards establishing a large and diversified credit platform. This proposed investment will close after customary regulatory approvals

The company has also made an application under section 230 to 232 of the Companies Act, 2013 filed before the National Company Law Tribunal Mumbai Bench on March 26, 2019 in relation to the merger of Edelweiss Retail Finance Limited ("ERFL") with our Company.

11. Segment Reporting

Primary Segment (Business segment)

The Company's business is organised and management reviews the performance based on the business segments as mentioned below:

Segment	Activities covered
Capital based business	Income from treasury operations, income from investments and dividend
Financing business	Wholesale and retail financing

Income for each segment has been specifically identified. Expenditure, assets and liabilities are either specifically identified with individual segments or have been allocated to segments on a systematic basis. Based on such allocations, segment disclosures relating to revenue, results, assets and liabilities have been prepared.

Secondary Segment

Since the business operations of the Company are primarily concentrated in India, the Company is considered to operate only in the domestic segment and therefore there is no reportable geographic segment.

12. Fair Value measurement:

B. Financial assets and financial liabilities are measured at fair value using the below valuation techniques

Financial Assets/Financial Liabilities	Fair Value hierarchy	Valuation technique and key inputs	Significant Unobservable inputs	Relationship of unobservable input to fair value
Equity - Futures & Options	Level 1	Quoted bid prices in an active Market	NA	NA
Government Debt Securities & Treasury Bills	Level 1			
Units of Mutual Fund	Level 1			
Equity Shares	Level 1			
Preference Shares	Level 1			
Interest Rate Swaps	Level 2	Discounted Cash flow. Future cash flows are estimated based on forward interest rates (from observable yield curve at the end of the reporting period) and contract interest rates.	NA	NA
Corporate Debt Securities	Level 2	Discounted Cash flow. Future cash flows are estimated based on current risk free rate at the end of the reporting period adjusted for counterparty credit risk	NA	NA
Units of Trust Fund	Level 3	Discounted Cash flow. The present value of expected future economic benefits to be derived from the ownership of the underlying investments of the fund.	Expected future cash flows, risk-adjusted discount rate	A significant increase in the expected cash flows would result in a significant increase in the fair value. A slight decrease in the risk-adjusted discount rate would result in a significant increase in fair value.
Securitisation trust securities	Level 3	Discounted Cash flow. The present value of expected future economic benefits to be derived from the ownership of the underlying investments of the Trust.	Expected future cash flows, risk-adjusted discount rate

Reference notes to reconciliation of Equity and profit & Loss

1 Remeasurements of post-employment benefit obligations

Under Ind AS, remeasurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income. Under the previous GAAP, these remeasurements were forming part of the profit or loss for the year

2 Share Based Payment

Under the previous GAAP, the cost of ESOPs were recognised using the intrinsic value method. Under Ind AS, the cost of equity settled share-based plan is recognised based on the fair value of the options as at the grant date.

3 Trade receivables /Loans:

Under Previous GAAP the Company has created provision for impairment of receivables and Loans based on incurred losses where as under Ind AS, Impairment allowance has been determined based on Expected credit loss model (ECL).

4 EIR

Under previous GAAP, Loan Processing fees charged to customer was recognised upfront in Statement of profit and loss while under Ind AS, such fees are included in initial recognition amount of financial assets.

Under previous GAAP, transaction cost on borrowings were charged to Statement of profit and loss upfront while under Ind AS, such cost are included in initial recognition amount of financial liability and is amortised over the tenure of the borrowings.

5 Deferred Tax

Previous GAAP focuses on difference between the taxable profit and accounting profit where as Ind AS requires the company to follow balance sheet approach, which focuses on temporary difference between carrying amount of an asset and liabilities in balance sheet and its tax base.

6 Valuation of Investments/Stock in trade

Under Previous GAAP Investments in Shares, Debentures, Mutual fund units, Govt Securities and securities receipts were classified in Current Investment, Stock in trade and long term investment based on intent of holding period and realisability Long-term investments were carried at cost less provision for other than temporary decline in the value of such investments. Current investments and Stock in trade were carried at lower of cost and market value. Under Ind AS, these investments, other than investments in Preference shares, are measured at fair value. The investment in Preference shares is measured at amortised cost.

7 Reclassification of provisions for standard /non-performing assets (NPA)

Under Previous GAAP provision for NPAs and standard assets were presented under liabilities however under Ind AS those are netted off against the financial assets (Loans).

SUMMARY OF SIGNIFICANT DIFFERENCES BETWEEN INDIAN GAAP AND IND AS

Topic	Indian GAAP	Ind AS
Presentation of Financial Statements	<p><u>Other Comprehensive Income:</u></p> <p>There is no concept of ‘Other Comprehensive Income’ under Indian GAAP.</p>	<p><u>Other Comprehensive Income:</u></p> <p>Under Ind AS 1 there is a concept of Other Comprehensive Income (“OCI”). Other comprehensive income comprises items of income and expense (including reclassification adjustments) that are not recognised in profit or loss as required or permitted by other Ind AS. Such recognition of income and expenses in OCI is primarily governed by the income recognition norms and classification of financial instruments and assets as “Fair Value through OCI”.</p>
	<p><u>Extraordinary items:</u></p> <p>Under Indian GAAP, extraordinary items are disclosed separately in the statement of profit and loss and are included in the determination of net profit or loss for the period.</p> <p>Items of income or expense to be disclosed as extraordinary should be distinct from the ordinary activities and are determined by the nature of the event or transaction in relation to the business ordinarily carried out by an entity.</p>	<p><u>Extraordinary items:</u></p> <p>Under Ind AS, presentation of any items of income or expense as extraordinary is prohibited.</p>
	<p><u>Change in Accounting Policies:</u></p> <p>Indian GAAP requires changes in accounting policies to be presented in the financial statements on a prospective basis (unless transitional provisions, if any, of an accounting standard require otherwise) together with a disclosure of the impact of the same, if material.</p> <p>If a change in the accounting policy has no material effect on the financial statements for the current period, but is expected to have a material effect in the later periods, the same should be appropriately disclosed.</p>	<p><u>Change in Accounting Policies:</u></p> <p>Ind AS requires retrospective application of changes in accounting policies by adjusting the opening balance of each affected component of equity for the earliest prior period presented and the other comparative amounts for each period presented as if the new accounting policy had always been applied, unless transitional provisions of an accounting standard require otherwise.</p>
Deferred Taxes	Under Indian GAAP, the Company determines deferred tax to be recognised in the financial statements with reference to the income statement approach i.e. with reference to the timing differences between profit offered for income taxes and profit as per the financial statements.	As per Ind AS 12 Income Taxes, deferred tax is determined with reference to the balance sheet approach i.e. based on the differences between carrying value of the assets/ liabilities and their respective tax base. Using the balance sheet approach, there could be additional deferred tax charge/income on account of all Ind AS opening balance sheet adjustments.
Property, plant and equipment – reviewing, depreciation and residual value	Under Indian GAAP, the Company currently provides depreciation over the useful lives of the assets estimated by the Management.	Ind AS 16 mandates reviewing the method of depreciation, estimated useful life and estimated residual value of an asset at least once in a year. The effect of any change in the estimated useful and residual value shall be taken prospectively.

Topic	Indian GAAP	Ind AS
		Ind AS 101 allows current carrying value under Indian GAAP for items of property, plant and equipment to be carried forward as the cost under Ind AS.
Accounting for Employee benefits	Currently, under Indian GAAP the Company recognises all short term and long term employee benefits in the profit and loss account as the services are received. For long term employee benefit, the Company uses actuarial valuation to determine the liability.	Under Ind AS 19, the change in liability is split into changes arising out of service, interest cost and re-measurements and the change in asset is split between interest income and remeasurements. Changes due to service cost and net interest cost/ income need to be recognised in the income statement and the changes arising out of re-measurements comprising of actuarial gains and losses representing changes in the present value of the defined benefit obligation resulting from experience adjustment and effects of changes in actuarial assumptions are to be recognised directly in OCI and not reclassified to profit and loss in the subsequent period.
Provisions, contingent liabilities and contingent assets	Under Indian GAAP, provisions are recognised only under a legal obligation. Also, discounting of provisions to present value is not permitted	Under Ind AS, provisions are recognised for legal as well as constructive obligations. Ind AS requires discounting the provisions to present value, if the effect of time value of money is material.
Share based payments	Under Indian GAAP, company has an option to account for share based payments on the basis of intrinsic value or fair value. The company followed the intrinsic value method and gave a proforma disclosure for the fair valuation. The intrinsic value for the company was nil.	Under Ind AS, the share based payments have to be mandatorily accounted basis the fair value and the same has to be recorded in the Statement of Profit and Loss over the vesting period. The fair valuation of the unvested options as on the transition date have to be adjusted against retained earnings.
Presentation and classification of Financial Instruments and subsequent measurement	Currently, under Indian GAAP, the financial assets and financial liabilities are recognised at the transaction value. The Company classifies all its financial assets and liabilities as short term or long term. Long term investments are carried at cost less any diminution other than temporary in the value of such investments determined on a specific identification basis. Current investments are carried at lower of cost and fair value. Financial liabilities are carried at their transaction values. Disclosures under Indian GAAP are limited. Currently under Indian GAAP, loan processing fees and/or fees of similar nature are recognised upfront in the Statement of Profit and Loss.	Ind AS 109 requires all financial assets and financial liabilities to be recognised on initial recognition at fair value. Financial assets have to be either classified as measured at amortised cost or measured at fair value. Where assets are measured at fair value, gains and losses are either recognised entirely in profit or loss, (FVTPL), or recognised in other comprehensive income (FVOCI). Financial assets include equity and debts investments, interest free deposits, loans, trade receivables etc. Assets classified at amortised cost and FVOCI and the related revenue (including processing fees and fees of similar nature) net of related costs have to be measured using the Effective Interest Rate (EIR) method. Financial liabilities classified at amortised cost and the related costs have been measured using the Effective Interest Rate (EIR) method. Loan processing fees and/or fees of similar nature would be measured and recognised using the Effective Interest Rate (EIR) method over the period of loan.

Topic	Indian GAAP	Ind AS
		<p>There are two measurement categories for financial liabilities – FVTPL and amortised cost.</p> <p>Fair value adjustment on transition shall be adjusted against opening retained earnings on the date of transition. Disclosures under Ind AS are extensive.</p>
Financial Instruments - Impairment	<p>Under Indian GAAP, the Company assesses the provision for doubtful debts at each reporting period, which in practice, is based on relevant information like past experience, financial position of the debtor, cash flows of the debtor, guidelines issued by the regulator etc.</p>	<p>The impairment model in Ind AS is based on expected credit losses and it applies equally to debt instruments measured at amortised cost or FVOCI, financing receivables, lease receivables, trade receivables and certain written loan commitments and financial guarantee contracts.</p> <p>The expected credit loss provision is applied based on the staging of the assets i.e. Stage 1 Assets, Stage 2 Assets and Stage 3 Assets; as detailed in “Our provisioning policy”</p>
Financial Instruments - Disclosure	<p>Currently there are no detailed disclosure requirements for financial instruments. However, the ICAI has issued an Announcement in December 2005 requiring the following disclosures to be made in respect of derivative instruments in the financial statements:</p> <ul style="list-style-type: none"> • Category-wise quantitative data about derivative instruments that are outstanding at the balance sheet date; • The purpose, viz., hedging or speculation, for which such derivative instruments have been acquired; and <p>The foreign currency exposures that are not hedged by a derivative instrument or otherwise.</p>	<p>Requires disclosure of information about the nature and extent of risks arising from financial instruments:</p> <ul style="list-style-type: none"> • qualitative disclosures about exposures to each type of risk and how those risks are managed; and • quantitative disclosures about exposures to each type of risk, separately for credit risk, liquidity risk and market risk (including sensitivity analysis). <p>In addition, disclosures required on fair valuation of all financial assets and liabilities categorised by levels 1 to 3 based on the fair valuation hierarchy. Explanatory notes on valuation techniques, inputs, sensitivity of fair value to the unobservable inputs, etc. are also required.</p>
Segment Reporting	<p>Under Indian GAAP there is a requirement to identify two sets of segments (business and geographical), using a risks and rewards approach, with the entity’s system of internal financial reporting to key management personnel serving only as the starting point for the identification of such segments.</p>	<p>Operating segments are identified based on the financial information that is regularly reviewed by the chief operating decision maker in deciding how to allocate resources and in assessing performance.</p>

Restrictive Covenants

Many of our financing agreements include various restrictive conditions and covenants restricting certain corporate actions and our Company is required to take the prior approval of the lenders before carrying out such activities. For instance, our Company, inter-alia, is required to obtain the prior written consent in the following instances:

- to alter its capital structure, or issue any voting capital or effect any buyback of its securities;
- to enter into borrowing arrangements either on secured basis with any other bank, financial institution, company or otherwise;
- to create any charge, lien or encumbrance over its undertaking or any part thereof in favour of any financial institution, bank, company, firm or persons;
- to sell, assign, mortgage, alienate or otherwise dispose of any of the assets of the borrower charged to the consortium members;
- to enter into any contractual obligation of a long term nature affecting the borrower financially to a significant extent;
- to undertake any activity other than those indicated in the object clause of the Memorandum of Association of the borrower;
- to permit any transfer of the controlling interest or make any drastic change in the management setup of the borrower;
- to divert/utilize the loans to other sister/associate/group concerns or for purposes other than those for which the credit facilities have been sanctioned.
- to register, or allow the registration of, any transfer of any of its share capital;

- to formulate any scheme of amalgamation or reconstruction;
- to implement any scheme of expansion/diversification/modernization other than incurring routine capital expenditure; and/or
- to undertake guarantee obligations on behalf of any third party or any other company.

SPECIFIC TERMS FOR EACH SERIES OF NCDs

As specified in the relevant Tranche Prospectus.

Terms of payment

The entire amount of face value of NCDs applied for will be blocked in the relevant ASBA Account maintained with the SCSB. In the event of Allotment of a lesser number of NCDs than applied for, our Company shall unblock the additional amount blocked upon application in the ASBA Account, in accordance with the terms of this Draft Shelf Prospectus, the Shelf Prospectus and the respective Tranche Prospectus.

Applicants are advised to ensure that they have obtained the necessary statutory and/or regulatory permissions/consents/approvals in connection with applying for, subscribing to, or seeking Allotment of NCDs pursuant to the Issue.

The NCDs have not been and will not be registered, listed or otherwise qualified in any jurisdiction outside India and may not be offered or sold, and Applications may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction. In particular, the NCDs have not been and will not be registered under the U.S. Securities Act, 1933, as amended (the "Securities Act") or the securities laws of any state of the United States and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the Securities Act) except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. The Issuer has not registered and does not intend to register under the U.S. Investment Company Act, 1940 in reliance on section 3(c)(7) thereof. This Draft Shelf Prospectus may not be forwarded or distributed to any other person and may not be reproduced in any manner whatsoever, and in particular, may not be forwarded to any U.S. Person or to any U.S. address.

Applications may be made in single or joint names (not exceeding three). Applications should be made by Karta in case the Applicant is an HUF. If the Application is submitted in joint names, the Application Form should contain only the name of the first Applicant whose name should also appear as the first holder of the depository account) held in joint names. If the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in the depository account and signature of only this person would be required in the Application Form. This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form. Please ensure that such Applications contain the PAN of the HUF and not of the Karta. In the case of joint Applications, all payments will be made out in favour of the first Applicant. All communications will be addressed to the first named Applicant whose name appears in the Application Form and at the address mentioned therein.

For further details, see the section titled "*Issue Procedure*" on page 209.

Day Count Convention

Interest shall be computed on an actual/actual basis i.e. on the principal outstanding on the NCDs as per the SEBI Circular bearing no. CIR/IMD/DF-1/122/2016 dated November 11, 2016.

Effect of holidays on payments

If the date of payment of interest does not fall on a Working Day, then the interest payment will be made on succeeding Working Day, however the calculation for payment of interest will be only till the originally stipulated Interest Payment Date. The dates of the future interest payments would be as per the originally stipulated schedule. Payment of interest will be subject to the deduction of tax as per Income Tax Act or any statutory modification or re-enactment thereof for the time being in force. In case the Redemption Date (also being the last Interest Payment Date) does not fall on a Working Day, the payment will be made on the immediately preceding Working Day, along with coupon/interest accrued on the NCDs until but excluding the date of such payment.

The illustration for guidance in respect of the day count convention and effect of holidays on payments, as required by SEBI Circular No. CIR/IMD/DF/18/2013 October 29, 2013 and SEBI Circular No. CIR/IMD/DF-1/122/2016 dated November 11, 2016, as the case may be, will be disclosed in the respective Tranche Prospectus.

TERMS OF THE ISSUE

Authority for the Issue

This Issue has been authorized by the Board of Directors of our Company pursuant to a resolution passed at their meeting held on April 12, 2019. Further, the proposed borrowing is within the borrowing limits of INR 450,000 million under Section 180(1)(c) of the Companies Act, 2013 duly approved by the shareholders in the EGM held on November 12, 2018.

Principal Terms and Conditions of this Issue

The NCDs being offered as part of the Issue are subject to the provisions of the SEBI Debt Regulations, the Companies Act, the Memorandum and Articles of Association of our Company, the terms of the Draft Shelf Prospectus, the Shelf Prospectus, the Application Forms, the Abridged Prospectus, statutory advertisement and corrigendum if any, the terms and conditions of the Debenture Trust Agreement and the Debenture Trust Deed, other applicable statutory and/or regulatory requirements including those issued from time to time by SEBI/the Government of India/Stock Exchange, RBI and/or other statutory/regulatory authorities relating to the offer, issue and listing of securities and any other documents that may be executed in connection with the NCDs.

Ranking of NCDs

The NCDs would constitute secured obligations of the Company and shall rank *pari passu* inter se, and subject to any obligations under applicable statutory and/or regulatory requirements, shall also, with regard to the amount invested, be secured by way of exclusive charge in favour of the Debenture Trustee on specific present and/or future receivables/assets of our Company and/or *pari passu* charge on an identified immovable property of the Company, as may be decided mutually by our Company and the Debenture Trustee. Our Company will create appropriate security in favour of the Debenture Trustee for the NCD Holders on the assets equal to the value one time of the debentures outstanding plus interest accrued thereon, and subject to any obligations under applicable statutory and/or regulatory requirements. The claims of the NCD Holders shall be superior to the claims of any unsecured creditors, subject to applicable statutory and/or regulatory requirements. The NCDs proposed to be issued under the Issue and all earlier issues of debentures outstanding in the books of our Company having corresponding assets as security, shall rank *pari passu* without preference of one over the other except that priority for payment shall be as per applicable date of redemption.

Security

The principal amount of the NCDs to be issued in terms of this Draft Shelf Prospectus and Shelf Prospectus together with all interest due on the NCDs in respect thereof shall be secured by way of exclusive charge in favour of the Debenture Trustee on specific present and/or future receivables/assets and/or *pari passu* charge on an identified immovable property of the Company as may be decided mutually by our Company and the Debenture Trustee. Our Company will create appropriate security in favour of the Debenture Trustee for the NCD Holders on the assets adequate to ensure 100% asset cover for the NCDs (along with the interest due thereon). The Issuer undertakes that the necessary documents for the creation of the security, including the Debenture Trust Deed would be executed within the time frame prescribed as per applicable law and the same would be uploaded on the website of the Designated Stock Exchange, within five working days of execution of the same.

Debenture Trust Deed(s)

Our Company intends to enter into Debenture Trust Deeds with the Debenture Trustee for the benefit of the NCD Holders, the terms of which will *inter alia* govern the powers, authorities and obligations of the Debenture Trustee. Our Company proposes to complete the execution of the Debenture Trust Deeds before the Allotment of NCDs.

Under the terms of the Debenture Trust Deeds, our Company will covenant with Debenture Trustee that it will pay the NCDs Holders the principal amount on the NCDs on the relevant redemption date and also that it will pay the interest due on the NCDs at the rates specified in the respective Tranche Prospectus and Debenture Trust Deeds. The Debenture Trust Deed will also provide that the Company may withdraw any portion of the Security or replace with another assets of the same or higher value. However, in case of Debenture Trust Deed, the Company reserve the right to create *pari passu* charge on the said immovable property without seeking NOC from each NCDs Holders and the Debenture Trustee is empowered to issue NOC to create *pari passu* charge on the said immovable property for future issuances.

Debenture Redemption Reserve

Pursuant to Regulation 16 of the SEBI Debt Regulations and Section 71(4) of the Companies Act, 2013 which require that when debentures are issued by any company, the company shall create debenture redemption reserve out of the profits of the company available for payment of dividend. Rule 18(7)(b)(iii) of the Companies (Share

Capital and Debentures) Rules, 2014 states that for companies such as our Company, the adequacy of DRR shall be 25% of the value of outstanding debentures issued through a public issue as per the SEBI Debt Regulations. The Rules further mandate that every company required to maintain DRR shall deposit or invest, as the case may be, before the 30th day of April of each year a sum which shall not be less than 15% of the amount of its debentures maturing during the year ending on the 31st day of March of the next year in any one or more following methods: (a) in deposits with any scheduled bank, free from charge or lien; (b) in unencumbered securities of the central government or of any state government; (c) in unencumbered securities mentioned in clauses (a) to (d) and (ee) of Section 20 of the Indian Trusts Act, 1882; (d) in unencumbered bonds issued by any other company which is notified under clause (f) of Section 20 of the Indian Trusts Act, 1882. The above-mentioned amount deposited or invested, must not be utilized for any purpose other than for the repayment of debentures maturing during the year provided that the amount remaining deposited or invested must not at any time fall below 15% of the amount of debentures maturing during the year ending on the 31st day of March of that year.

Accordingly, our Company is required to create a DRR of 25% of the value of the outstanding NCDs issued *vide* the Issue. In addition, as per Rule 18 (7)(e) under Chapter IV of the Companies Act, 2013, the amount deposited or invested in the manner as provided in Rule 18(7)(c) as applicable to DRR shall not be utilised by our Company except for the redemption of the NCDs.

Face Value

The face value of each NCD shall be ₹1,000.

Trustees for the NCD Holders

We have appointed Beacon Trusteeship Limited to act as the Debenture Trustee for the NCD Holders in terms of Regulation 4(4) of the Debt Regulations and Section 71(5) of the Companies Act, 2013 and the rules prescribed thereunder. We and the Debenture Trustee will execute Debenture Trust Deeds, for *inter alia*, specifying the powers, authorities and obligations of the Debenture Trustee and us. The NCD Holder(s) shall, without further act or deed, be deemed to have irrevocably given their consent to the Debenture Trustee or any of its agents or authorized officials to do all such acts, deeds, matters and things in respect of or relating to the NCDs as the Debenture Trustee may in its absolute discretion deem necessary or require to be done in the interest of the NCD Holder(s). Any payment made by us to the Debenture Trustee on behalf of the NCD Holder(s) shall discharge us *pro tanto* to the NCD Holder(s).

The Debenture Trustee will protect the interest of the NCD Holders in the event of happening of an Event of Default in regard to timely payment of interest and repayment of principal and they will take necessary action at our cost.

We and the Debenture Trustee will execute a Debenture Trust Deed, *inter alia*, specifying the powers, authorities and obligations of the Debenture Trustee and us. The NCD Holder(s) shall, without further act or deed, be deemed to have irrevocably given their consent to the Debenture Trustee or any of its agents or authorised officials to do all such acts, deeds, matters and things in respect of or relating to the NCDs as the Debenture Trustee may in its absolute discretion deem necessary or require to be done in the interest of the NCD Holder(s). Any payment made by us to the Debenture Trustee on behalf of the NCD Holder(s) shall discharge us *pro tanto* to the NCD Holder(s).

The Debenture Trustee will protect the interest of the NCD Holders in the event of default by us in regard to timely payment of interest and repayment of principal and they will take necessary action at our cost.

Events of Default

Subject to the terms of the Debenture Trust Deed, the Debenture Trustee at its discretion may, or if so requested in writing by the holders of at least three-fourths of the outstanding amount of the NCDs or with the sanction of a special resolution, passed at a meeting of the NCD Holders, (subject to being indemnified and/or secured by the NCD Holders to its satisfaction), give notice to our Company specifying that the NCDs and/or any particular series of NCDs, in whole but not in part are and have become due and repayable on such date as may be specified in such notice *inter alia* if any of the events listed below occurs. The description below is indicative and a complete list of events of default and its consequences will be specified in the Debenture Trust Deeds.

Default is committed in payment of the principal amount of the NCDs on the due date(s); and default is committed in payment of any interest on the NCDs on the due date(s).

NCD Holder not a Shareholder

The NCD Holders will not be entitled to any of the rights and privileges available to the equity shareholders of our Company, except to the extent of the right to receive the annual reports of our Company and such other rights

as may be prescribed under the Companies Act, 2013 and the rules prescribed thereunder and the SEBI Listing Regulations.

Rights of NCD Holders

Some of the significant rights available to the NCD Holders are as follows:

1. The NCDs shall not, except as provided in the Companies Act, 2013, our Memorandum and Articles of Association and/or the Debenture Trust Deed, confer upon the holders thereof any rights or privileges available to our Company's members/shareholders including, without limitation, the right to attend and/or vote at any general meeting of our Company's members/shareholders. However, if any resolution affecting the rights attached to the NCDs is to be placed before the members/shareholders of our Company, the said resolution will first be placed before the concerned registered NCD Holders for their consideration. In terms of Section 136(1) of the Companies Act, 2013, holders of NCDs shall be entitled to a copy of the balance sheet and copy of trust deed on a specific request made to our Company.
2. Subject to applicable statutory/regulatory requirements and terms of the Debenture Trust Deed, including requirements of the RBI, the rights, privileges and conditions attached to the NCDs may be varied, modified and/or abrogated with the consent in writing of the holders of at least three-fourths of the outstanding amount of the NCDs or with the sanction of a special resolution passed at a meeting of the concerned NCD Holders, provided that nothing in such consent or resolution shall be operative against us, where such consent or resolution modifies or varies the terms and conditions governing the NCDs, if the same are not acceptable to us.
3. Subject to applicable statutory/regulatory requirements and terms of the Debenture Trust Deed, the registered NCD Holders or in case of joint-holders, the one whose name stands first in the Register of Debenture Holders shall be entitled to vote in respect of such NCDs, either in person or by proxy, at any meeting of the concerned NCD Holders and every such holder shall be entitled to one vote on a show of hands and on a poll, his/her voting rights on every resolution placed before such meeting of the NCD Holders shall be in proportion to the outstanding nominal value of NCDs held by him/her.
4. The NCDs are subject to the provisions of the SEBI Debt Regulations, the Companies Act, 2013, the Memorandum and Articles of Association of our Company, the terms of this Draft Shelf Prospectus, the Prospectus, the Application Forms, the Abridged Prospectus, Corrigendum if any, addendum if any, the terms and conditions of the Debenture Trust Deed, requirements of the RBI, other applicable statutory and/or regulatory requirements relating to the issue and listing, of securities and any other documents that may be executed in connection with the NCDs.
5. For the NCDs issued in dematerialized form, the Depositories shall also maintain the upto date record of holders of the NCDs in dematerialized Form. For NCDs in dematerialized form, all interest and principal sums becoming due and payable in respect of the NCDs will be paid to the person for the time being appearing in the register of beneficial owners of the Depository. In terms of Section 88(3) of the Companies Act, 2013, the register and index of beneficial of NCDs maintained by a Depository for any NCDs in dematerialized form under Section 11 of the Depositories Act shall be deemed to be a Register of NCD Holders for this purpose. The same shall be maintained at the registered office of our Company under Section 94 of the Companies Act, 2013 unless the same has been moved to another location after obtaining the consent of the NCD holders.
6. Subject to compliance with applicable statutory requirements, the NCDs can be rolled over only with the consent of the holders of at least 75% of the outstanding amount of the NCDs after providing at least 21 days prior notice for such roll over and in accordance with the SEBI Debt Regulations. Our Company shall redeem the NCDs, who have not given their positive consent to the roll-over.

The aforementioned rights of the NCD Holders are merely indicative. The final rights of the NCD Holders will be as per the terms of the Offer Document and the Debenture Trust Deed.

Nomination facility to NCD Holder

In accordance with Section 72 of the Companies Act 2013, Any NCD Holder may, at any time, nominate, any person as his nominee in whom the NCDs shall vest in the event of his death. On the receipt of the said nomination as per prescribed law a corresponding entry shall forthwith be made in the relevant register of securities holders, maintained under Section 88 of the Companies Act, 2013.

Where the NCDs are held by more than one person jointly, the joint holders may together nominate, in the prescribed manner, any person to whom all the rights in the NCDs shall vest in the event of death of all the joint

holders. Where the nomination is made in respect of the NCDs held by more than one person jointly, all joint holders shall together nominate as prescribed any person as nominee.

The request for nomination should be recorded by the Company within a period of two months from the date of receipt of the duly filled and signed nomination form. In the event of death of the NCD Holder or where the NCDs are held by more than one person jointly, in the event of death of all the joint holders, the person nominated as the nominee may upon the production of such evidence as may be required by the Board, elect, either:

- (a) to register himself as holder of the NCDs; or
- (b) to transfer the NCDs as the deceased holder could have done.

If the person being a nominee, so becoming entitled, elects to be registered as holder of the NCDs himself, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects, and such notice shall be accompanied with the death certificate of the deceased NCD Holder(s).

Notwithstanding anything contained in any other law for the time being in force or in any disposition, whether testamentary or otherwise, in respect of the NCDs, where a nomination made in the prescribed manner purports to confer on any person the right to vest the NCDs, the nominee shall, on the death of the holder of NCDs or, as the case may be, on the death of the joint holders, become entitled to all the rights in the NCDs, of the NCD Holder or, as the case may be, of all the joint holders, in relation to the said NCDs, to the exclusion of all other persons, unless the nomination is varied or cancelled in the prescribed manner.

All the limitations, restrictions and provisions of the Companies Act 2013 relating to the right to transfer and the registration of transfers of the NCDs shall be applicable to any such notice or transfer as aforesaid as if the death of the NCD Holder had not occurred and the notice or transfer were a transfer signed by that NCD Holder. Where the nominee is a minor, it shall be lawful for the NCD Holder, making the nomination to appoint, in the prescribed manner, any person to become entitled to the NCDs, in the event of the death of the nominee during his minority. Where the nominee is a minor, NCD Holder making the nomination, may appoint a person as specified under sub-rule (1) of Rule 19 of Companies (Share Capital and Debentures) Rules, 2014, who shall become entitled to the NCDs, in the event of death of the nominee during his minority.

A person, being a nominee, becoming entitled to NCDs by reason of the death of the NCD Holder shall be entitled to the same interests and other advantages to which he would have been entitled to if he were the registered NCD Holder except that he shall not, before being registered as a NCD Holder in respect of such NCDs, be entitled in respect of these NCDs to exercise any right conferred by subscription to the same in relation to meetings of the NCD Holders convened by the Company. Provided that the Board may, at any time, give notice requiring any such person to elect either to be registered himself or to transfer the NCDs, and if the notice is not complied with within ninety days, the Board may thereafter withhold payment of interests, bonuses or other moneys payable in respect of the said NCDs, until the requirements of the notice have been complied with.

A nomination may be cancelled or varied by nominating any other person in place of the present nominee, by the NCD Holder who has made the nomination, by giving a notice of such cancellation or variation in the prescribed manner as per applicable laws. The cancellation or variation shall take effect from the date on which the notice of such variation or cancellation is received.

Since the allotment of NCDs will be made only in dematerialized mode, there is no need to make a separate nomination with our Company. Nominations registered with the respective Depository Participant of the Applicant would prevail. If the investors require changing their nomination, they are requested to inform their respective Depository Participant.

Jurisdiction

Our Company has in the Debenture Trustee Agreement agreed, for the exclusive benefit of the Debenture Trustee and the Debenture holders, that the courts in Mumbai, Maharashtra are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Debenture Trust or the NCDs and that accordingly any suit, action or proceedings (together referred to as “**Proceedings**”) arising out of or in connection with the Debenture Trust Deed and the NCDs may be brought only in the courts in Mumbai, Maharashtra.

Application in the Issue

NCDs being issued through the Offer Document can be applied for, through a valid Application Form filled in by the applicant along with attachments, as applicable. Further, Applications in this Issue shall be made through the ASBA facility only.

Form of Allotment and Denomination of NCDs

As per the Debt Regulations, the trading of the NCDs on the Stock Exchange shall be in dematerialized form only in multiples of one (1) NCD (“**Market Lot**”). Allotment in the Issue to all Allottees, will be in electronic form i.e. in dematerialised form and in multiples of one NCD.

For details of allotment refer to chapter titled “Issue Procedure” under section titled “*Issue Related Information*” beginning on page 194.

Transfer/Transmission of NCD(s)

The NCDs shall be transferred subject to and in accordance with the rules/procedures as prescribed by NSDL/CDSL and the relevant DPs of the transfer or transferee and any other applicable laws and rules notified in respect thereof. The transferee(s) should ensure that the transfer formalities are completed prior to the Record Date. In the absence of the same, interest will be paid/redemption will be made to the person, whose name appears in the register of debenture holders maintained by the Depositories. In such cases, claims, if any, by the transferees would need to be settled with the transferor(s) and not with the Issuer or Registrar.

In the absence of the same, interest will be paid/redemption will be made to the person, whose name appears in the register of debenture holders maintained by the Depositories. In such cases, claims, if any, by the transferees would need to be settled with the transferor(s) and not with the Company or Registrar.

Title

The NCD Holder(s) for the time being appearing in the record of beneficial owners maintained by the Depository shall be treated for all purposes by our Company, the Debenture Trustee, the Depositories and all other persons dealing with such person as the holder thereof and its absolute owner for all purposes.

No transfer of title of a NCD will be valid unless and until entered on the Register of NCD Holders or the register and index of NCD Holders maintained by the Depository prior to the Record Date. In the absence of transfer being registered, interest and/or Maturity Amount, as the case may be, will be paid to the person, whose name appears first in the Register of NCD Holders maintained by the Depositories and/or our Company and/or the Registrar, as the case may be. In such cases, claims, if any, by the purchasers of the NCDs will need to be settled with the seller of the NCDs and not with our Company or the Registrar. The provisions relating to transfer and transmission and other related matters in respect of our Company’s shares contained in the Articles of Association of our Company and the Companies Act shall apply, mutatis mutandis (to the extent applicable) to the NCDs as well.

Succession

Where NCDs are held in joint names and one of the joint holders dies, the survivor(s) will be recognized as the NCD Holder(s). It will be sufficient for our Company to delete the name of the deceased NCD Holder after obtaining satisfactory evidence of his death. Provided, a third person may call on our Company to register his name as successor of the deceased NCD Holder after obtaining evidence such as probate of a will for the purpose of proving his title to the debentures. In the event of demise of the sole or first holder of the Debentures, our Company will recognise the executors or administrator of the deceased NCD Holders, or the holder of the succession certificate or other legal representative as having title to the Debentures only if such executor or administrator obtains and produces probate or letter of administration or is the holder of the succession certificate or other legal representation, as the case may be, from an appropriate court in India. The directors of our Company in their absolute discretion may, in any case, dispense with production of probate or letter of administration or succession certificate or other legal representation.

Where a non-resident Indian becomes entitled to the NCDs by way of succession, the following steps have to be complied with:

1. Documentary evidence to be submitted to the Legacy Cell of the RBI to the effect that the NCDs were acquired by the non-resident Indian as part of the legacy left by the deceased NCD Holder.
2. Proof that the non-resident Indian is an Indian national or is of Indian origin.
3. Such holding by a non-resident Indian will be on a non-repatriation basis.

Joint-holders

Where two or more persons are holders of any NCD(s), they shall be deemed to hold the same as joint holders with benefits of survivorship subject to other provisions contained in the Articles.

Record Date

15 (fifteen) number of Days prior to the relevant interest payment date, relevant Redemption Date for NCDs to be issued under the Prospectus. If the Record Date falls on a day that is not a Working Day, then immediate next Working Day will be deemed as Record Date.

Procedure for Redemption by NCD Holders

No action is required on the part of NCD Holder(s) at the time of redemption of NCDs.

Payment on Redemption

The manner of payment of redemption is set out below:

On the redemption date, redemption proceeds would be paid by cheque /pay order / electronic mode to those NCD Holders whose names appear on the list of beneficial owners given by the Depositories to us. These names would be as per the Depositories' records on the Record Date fixed for the purpose of redemption. These NCDs will be simultaneously extinguished to the extent of the amount redeemed through appropriate debit corporate action upon redemption of the corresponding value of the NCDs. It may be noted that in the entire process mentioned above, no action is required on the part of NCD Holders.

Our liability to NCD Holder(s) towards his/their rights including for payment or otherwise shall stand extinguished from the date of redemption in all events and when we dispatch the redemption amounts to the NCD Holder(s).

Further, we will not be liable to pay any interest, income or compensation of any kind from the date of redemption of the NCD(s).

Right to Reissue NCD(s)

Subject to the provisions of the Companies Act, 2013, where we have fully redeemed or repurchased any NCD(s), we shall have and shall be deemed always to have had the right to keep such NCDs in effect without extinguishment thereof, for the purpose of resale or reissue and in exercising such right, we shall have and be deemed always to have had the power to resell or reissue such NCDs either by reselling or reissuing the same NCDs or by issuing other NCDs in their place. The aforementioned right includes the right to reissue original NCDs.

Sharing of Information

We may, at our option, use on our own, as well as exchange, share or part with any financial or other information about the NCD Holders available with us, with our subsidiaries, if any and affiliates and other banks, financial institutions, credit bureaus, agencies, statutory bodies, as may be required and neither we or our affiliates nor their agents shall be liable for use of the aforesaid information.

Notices

All notices to the NCD Holder(s) required to be given by us or the Debenture Trustee will be sent by post/ courier or through email or other electronic media to the Registered Holders of the NCD(s) from time to time.

Future Borrowings

We will be entitled to borrow/raise loans or avail of financial assistance in whatever form as also to issue debentures/ NCDs/other securities in any manner having such ranking in priority, *pari passu* or otherwise, subject to applicable consents, approvals or permissions that may be required under any statutory/regulatory/contractual requirement, and change the capital structure including the issue of shares of any class, on such terms and conditions as we may think appropriate, without the consent of, or intimation to, the NCD Holders or the Debenture Trustee in this connection.

Pre-Issue Advertisement

Subject to Section 30 of the Companies Act, 2013, our Company will issue a statutory advertisement on or before the Issue Opening Date of respective Tranche Prospectus. This advertisement will contain the information as prescribed in Schedule IV of SEBI Debt Regulations in compliance with the Regulation 8(1) of SEBI Debt Regulations. Material updates, if any, between the date of filing of this Draft Shelf Prospectus with ROC and the date of release of the statutory advertisement, will be included in the statutory advertisement.

Impersonation

APPLICATIONS FOR ALLOTMENT OF NCDs

Submission of Applications

This section is for the information of the Applicants proposing to subscribe to the Issue. The Lead Managers and our Company are not liable for any amendments or modifications or changes in applicable laws or regulations, which may occur after the date of the Prospectus. Investors are advised to make their independent investigations and to ensure that the Application Form is correctly filled up.

Our Company, our directors, affiliates, associates and their respective directors and officers, Lead Managers and the Registrar to the Issue shall not take any responsibility for acts, mistakes, errors, omissions and commissions etc. in relation to Applications accepted by and/or uploaded by and/or accepted but not uploaded by Lead Brokers, Trading Members, Registered Brokers, CDPs, RTAs and SCSBs who are authorised to collect Application Forms from the Applicants in the Issue, or Applications accepted and uploaded without blocking funds in the ASBA Accounts by SCSBs. It shall be presumed that for Applications uploaded by SCSBs, the Application Amount payable on Application has been blocked in the relevant ASBA Account. The list of branches of the SCSBs at the Specified Locations named by the respective SCSBs to receive Application Forms from the Members of the Syndicate is available on the website of SEBI (<https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes>) and updated from time to time or any such other website as may be prescribed by SEBI from time to time. For more information on such branches collecting Application Forms from the Members of the Syndicate at Specified Locations, see the website of the SEBI <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes> as updated from time to time or any such other website as may be prescribed by SEBI from time to time. The list of Registered Brokers at the Broker Centres, CDPs at the Designated CDP Locations or the RTAs at the Designated RTA Locations, respective lists of which, including details such as address and telephone number, are available at the website of the Stock Exchange at www.bseindia.com. The list of branches of the SCSBs at the Broker Centres, named by the respective SCSBs to receive deposits of the Application Forms from the Registered Brokers will be available on the website of the SEBI (www.sebi.gov.in) and updated from time to time.

Applications can be submitted through either of the following modes:

- (a) Physically or electronically to the Designated Branches of the SCSB(s) with whom an Applicant's ASBA Account is maintained. In case of Application in physical mode, the Applicant shall submit the Application Form at the relevant Designated Branch of the SCSB(s). The Designated Branch shall verify if sufficient funds equal to the Application Amount are available in the ASBA Account and shall also verify that the signature on the Application Form matches with the Investor's bank records, as mentioned in the Application Form, prior to uploading such Application into the electronic system of the Stock Exchange. **If sufficient funds are not available in the ASBA Account, the respective Designated Branch shall reject such**

Application and shall not upload such Application in the electronic system of the Stock Exchange. If sufficient funds are available in the ASBA Account, the Designated Branch shall block an amount equivalent to the Application Amount and upload details of the Application in the electronic system of the Stock Exchange. The Designated Branch of the SCSBs shall stamp the Application Form and issue an acknowledgement as proof of having accepted the Application.

In case of Application being made in the electronic mode, the Applicant shall submit the Application either through the internet banking facility available with the SCSB, or such other electronically enabled mechanism for application and blocking funds in the ASBA Account held with SCSB, and accordingly registering such Application.

- (b) Physically through the Designated Intermediaries at the respective Bidding Centres. Kindly note that above Applications submitted to any of the Designated Intermediaries will not be accepted if the SCSB where the ASBA Account is maintained, as specified in the Application Form, has not named at least one branch at that Bidding Centre where the Application Form is submitted (a list of such branches is available at <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes>).

Upon receipt of the Application Form by the Designated Intermediaries, an acknowledgement shall be issued by the relevant Designated Intermediary, giving the counter foil of the Application Form to the Applicant as proof of having accepted the Application. Thereafter, the details of the Application shall be uploaded in the electronic system of the Stock Exchange and the Application Form shall be forwarded to the relevant branch of the SCSB, in the relevant Collection Centre, named by such SCSB to accept such Applications from the Designated Intermediaries (a list of such branches is available at <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes>). Upon receipt of the Application Form, the relevant branch of the SCSB shall perform verification procedures including verification of the Applicant's signature with his bank records and check if sufficient funds equal to the Application Amount are available in the ASBA Account, as mentioned in the Application Form. **If sufficient funds are not available in the ASBA Account, the relevant Application Form is liable to be rejected.** If sufficient funds are available in the ASBA Account, the relevant branch of the SCSB shall block an amount equivalent to the Application Amount mentioned in the Application Form. The Application Amount shall remain blocked in the ASBA Account until approval of the Basis of Allotment and consequent transfer of the amount against the Allotted NCDs to the Public Issue Account(s), or until withdrawal/ failure of this Issue or until withdrawal/ rejection of the Application Form, as the case may be.

Applicants must note that:

- (a) Physical Application Forms will be available with the Designated Branches of the SCSBs and with the Designated Intermediaries (other than Trading Members of the Stock Exchange) at the respective Collection Centers; and electronic Application Forms will be available on the websites of the SCSBs and the Stock Exchange at least one day prior to the Issue Opening Date. Physical Application Forms will also be provided to the Trading Members of the Stock Exchange at their request. The Application Forms would be serially numbered. Further, the SCSBs will ensure that the electronic version of the Prospectus is made available on their websites. The physical Application Form submitted to the Designated Intermediaries shall bear the stamp of the relevant Designated Intermediary. In the event the Application Form does not bear any stamp, the same shall be liable to be rejected.
- (b) The Designated Branches of the SCSBs shall accept Applications directly from Applicants only during the Issue Period. The SCSB shall not accept any Application directly from Applicants after the closing time of acceptance of Applications on the Issue Closing Date. However, the relevant branches of the SCSBs at Specified Locations can accept Application Forms from the Designated Intermediaries, after the closing time of acceptance of Applications on the Issue Closing Date, if the Applications have been uploaded. For further information on the Issue programme, please refer to "**Issue Structure**" on page 194.
- (c) Physical Application Forms directly submitted to SCSBs should bear the stamp of SCSBs, if not, the same are liable to be rejected.

Please note that Applicants can make an Application for Allotment of NCDs in the dematerialized form only.

Submission of Direct Online Applications

Please note that clarifications and/or confirmations regarding the implementation of the requisite infrastructure and facilities in relation to direct online applications and online payment facility have been sought from the Stock Exchange.

In the event the Direct Online Application facility is implemented by the Stock Exchange, relevant “know your customer” details of such Applicants will be validated online from the Depositories, on the basis of the DP ID and Client ID provided by them in the Application Form. On successful submission of a Direct Online Application, the Applicant will receive a system-generated unique application number (“UAN”) and an SMS or an e-mail confirmation on credit of the requisite Application Amount paid through the online payment facility with the Direct Online Application. On Allotment, the Registrar to the Issue shall credit NCDs to the beneficiary account of the Applicant and in case of refund, the refund amount shall be credited directly to the Applicant’s bank account. Applicants applying through the Direct Online Application facility must preserve their UAN and quote their UAN in: (a) any cancellation/withdrawal of their Application; (b) in queries in connection with Allotment of NCDs and/or refund(s); and/or (c) in all investor grievances/complaints in connection with the Issue.

As per the Debt Application Circular issued by SEBI, the availability of the Direct Online Applications facility is subject to the Stock Exchange putting in place the necessary systems and infrastructure, and accordingly the aforementioned disclosures are subject to any further clarifications, notification, modification deletion, direction, instructions and/or correspondence that may be issued by the Stock Exchange and/or SEBI.

INSTRUCTIONS FOR FILLING-UP THE APPLICATION FORM

General Instructions

A. General instructions for completing the Application Form

- Applications must be made in prescribed Application Form only;
- Application Forms must be completed in block letters in English, as per the instructions contained in this Draft Shelf Prospectus, the Prospectus the Abridged Prospectus and the Application Form.
- If the Application is submitted in joint names, the Application Form should contain only the name of the first Applicant whose name should also appear as the first holder of the depository account held in joint names.
- Applications must be for a minimum of [•] NCDs and in multiples of [•] NCD thereafter. For the purpose of fulfilling the requirement of minimum application size of [•] NCDs, an Applicant may choose to apply for [•] NCDs or more in a single Application Form.
- If the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in the depository account and signature of only this person would be required in the Application Form. This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form.
- Applications should be made by Karta in case of HUFs. Applicants are required to ensure that the PAN details of the HUF are mentioned and not those of the Karta.
- Thumb impressions and signatures other than in English/Hindi/Gujarati/Marathi or any other languages specified in the 8th Schedule of the Constitution needs to be attested by a Magistrate or Notary Public or a Special Executive Magistrate under his/her seal;
- The Designated Intermediaries or the Designated Branches of the SCSBs, as the case may be, will acknowledge the receipt of the Application Forms by stamping and returning to the Applicants the acknowledgement slip. This acknowledgement slip will serve as the duplicate of the Application Form for the records of the Applicant. Applicants must ensure that the requisite documents are attached to the Application Form prior to submission and receipt of acknowledgement from the relevant Designated Intermediaries or the Designated Branch of the SCSBs, as the case may be.
- Every Applicant should hold a valid PAN and mention the same in the Application Form.
- All Applicants are required to tick the relevant column of “Category of Investor” in the Application Form.
- Applicants should correctly mention the ASBA Account number and ensure that funds equal to the Application Amount are available in the ASBA Account before submitting the Application Form and also ensure that the signature in the Application Form matches with the signature in Applicant’s bank records, otherwise the Application is liable to be rejected
- Applicants must provide details of valid and active DP ID, Client ID and PAN clearly and without error. On the basis of such Applicant’s active DP ID, Client ID and PAN provided in the Application

Form, and as entered into the electronic Application system of Stock Exchange by SCSBs, the Designated Intermediaries, the Registrar will obtain from the Depository the Demographic Details. Invalid accounts, suspended accounts or where such account is classified as invalid or suspended may not be considered for Allotment of the NCDs. If the ASBA Account holder is different from the Applicant, the Application Form should be signed by the ASBA Account holder, in accordance with the instructions provided in the Application Form. Not more than five Applications can be made from one single ASBA Account;

- For Applicants, the Applications in physical mode should be submitted to the SCSBs or a Member of the Syndicate or to the Trading Members of the Stock Exchange on the prescribed Application Form. SCSBs may provide the electronic mode for making Application either through an internet enabled banking facility or such other secured, electronically enabled mechanism for Application and blocking funds in the ASBA Account;
- Application Forms should bear the stamp of the Member of the Syndicate, Trading Member of the Stock Exchange, Designated Intermediaries and/or Designated Branch of the SCSB. Application Forms which do not bear the stamp will be rejected.

The series, mode of allotment, PAN, demat account no. etc. should be captured by the relevant Designated Intermediaries in the data entries as such data entries will be considered for allotment.

Applicants should note that neither the Designated Intermediaries nor the SCSBs, as the case may be, will be liable for error in data entry due to incomplete or illegible Application Forms.

Our Company would allot the Series [•] NCDs, as specified in this Draft Shelf Prospectus to all valid Applications, wherein the applicants have not indicated their choice of the relevant series of NCDs.

B. Applicant's Beneficiary Account Details

Applicants must mention their DP ID and Client ID in the Application Form and ensure that the name provided in the Application Form is exactly the same as the name in which the beneficiary account is held. In case the Application Form is submitted in the first Applicant's name, it should be ensured that the beneficiary account is held in the same joint names and in the same sequence in which they appear in the Application Form. In case the DP ID, Client ID and PAN mentioned in the Application Form and entered into the electronic system of the Stock Exchange do not match with the DP ID, Client ID and PAN available in the Depository database or in case PAN is not available in the Depository database, the Application Form is liable to be rejected. Further, Application Forms submitted by Applicants whose beneficiary accounts are inactive, will be rejected. On the basis of the Demographic details as appearing on the records of the DP, the Registrar to the Issue will issue Allotment Advice to the Applicants. Hence, Applicants are advised to immediately update their Demographic Details as appearing on the records of the DP and ensure that they are true and correct, and carefully fill in their beneficiary account details in the Application Form. Failure to do so could result in delays in delivery of Allotment Advice at the Applicants' sole risk, and neither our Company, the Lead Managers, Trading Members of the Stock Exchange, Members of the Syndicate, Designated Intermediaries, Bankers to the Issue, SCSBs, Registrar to the Issue nor the Stock Exchange will bear any responsibility or liability for the same. In case of Applications made under power of attorney, our Company in its absolute discretion, reserves the right to permit the holder of power of attorney to request the Registrar that for the purpose of printing particulars on the Allotment Advice, the demographic details obtained from the Depository of the Applicant shall be used.

By signing the Application Form, the Applicant would have deemed to have authorized the Depositories to provide, upon request, to the Registrar to the Issue, the required Demographic Details as available on its records. The Demographic Details given by Applicant in the Application Form would not be used for any other purpose by the Registrar to the Issue except in relation to the Issue.

With effect from August 16, 2010, the beneficiary accounts of Applicants for whom PAN details have not been verified shall be suspended for credit and no credit of NCDs pursuant to the Issue will be made into the accounts of such Applicants. **Application Forms submitted by Applicants whose beneficiary accounts are inactive shall be rejected. Furthermore, in case no corresponding record is available with the Depositories, which matches the three parameters, namely, DP ID, Client ID and PAN, then such Application are liable to be rejected.**

C. Permanent Account Number (PAN)

The Applicant should mention his or her PAN allotted under the IT Act. For minor Applicants, applying through the guardian, it is mandatory to mention the PAN of the minor Applicant. However, Applications on behalf of the central or state government officials and the officials appointed by the courts in terms of a SEBI circular dated

June 30, 2008 and Applicants residing in the state of Sikkim who in terms of a SEBI circular dated July 20, 2006 may be exempt from specifying their PAN for transacting in the securities market. In accordance with Circular No. MRD/DOP/Cir-05/2007 dated April 27, 2007 issued by SEBI, the PAN would be the sole identification number for the participants transacting in the securities market, irrespective of the amount of transaction. **Any Application Form, without the PAN is liable to be rejected, irrespective of the amount of transaction. It is to be specifically noted that the Applicants should not submit the general index register number i.e. GIR number instead of the PAN as the Application is liable to be rejected on this ground.**

However, the exemption for the central or state government and the officials appointed by the courts and for investors residing in the State of Sikkim is subject to the Depository Participants' verifying the veracity of such claims by collecting sufficient documentary evidence in support of their claims. At the time of ascertaining the validity of these Applications, the Registrar to the Issue will check under the Depository records for the appropriate description under the PAN field i.e. either Sikkim category or exempt category.

D. Joint Applications

Applications made in joint names (not exceeding three). In the case of joint Applications, all payments will be made out in favour of the first Applicant. All communications will be addressed to first named in the Application whose name appears in the Application Form and at the address mentioned therein. If the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in the depository account and signature of only this person would be required in the Application Form. This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form.

E. Additional/ Multiple Applications

An Applicant is allowed to make one or more Applications for the NCDs, subject to a minimum application size of ₹ [•] and in multiples of [•] thereafter as specified in the Prospectus. **Any Application for an amount below the aforesaid minimum application size will be deemed as an invalid application and shall be rejected.** Any Application made by any person in his individual capacity and an Application made by such person in his capacity as a karta of a HUF and/or as Applicant (second or third Applicant), shall not be deemed to be a multiple Application. For the purposes of allotment of NCDs under the Issue, Applications shall be grouped based on the PAN, i.e. Applications under the same PAN shall be grouped together and treated as one Application. Two or more Applications will be deemed to be multiple Applications if the sole or first Applicant is one and the same. For the sake of clarity, two or more applications shall be deemed to be a multiple Application for the aforesaid purpose if the PAN number of the sole or the first Applicant is one and the same.

Do's and Don'ts

Applicants are advised to take note of the following while filling and submitting the Application Form:

Do's

1. Check if you are eligible to apply as per the terms of this Draft Shelf Prospectus, Prospectus and applicable law;
2. Read all the instructions carefully and complete the Application Form in the prescribed form;
3. Ensure that you have obtained all necessary approvals from the relevant statutory and/or regulatory authorities to apply for, subscribe to and/or seek Allotment of NCDs pursuant to the Issue;
4. Ensure that the DP ID and Client ID and PAN mentioned in the Application Form, which shall be entered into the electronic system of the Stock Exchange are correct and match with the DP ID, Client ID and PAN available in the Depository database. Ensure that the DP ID and Client ID are correct and beneficiary account is activated. The requirement for providing Depository Participant details shall be mandatory for all Applicants;
5. Ensure that you have mentioned the correct ASBA Account number in the Application Form;
6. Ensure that the Application Form is signed by the ASBA Account holder in case the Applicant is not the ASBA account holder;
7. Ensure that you have funds equal to the Application Amount in the ASBA Account before submitting the Application Form to the respective Designated Branch of the SCSB, or to the Designated Intermediaries, as the case may be;
8. Ensure that the Application Forms are submitted at the Designated Branches of SCSBs or the Bidding Centres

provided in the Application Forms, bearing the stamp of the relevant Designated Intermediaries/Designated branch of the SCSB as the case may be;

9. Before submitting the Application Form with the Designated Intermediaries ensure that the SCSB, whose name has been filled in the Application Form, has named a branch in that relevant Bidding Centre;
10. Ensure that you have been given an acknowledgement as proof of having accepted the Application Form;
11. In case of any revision of Application in connection with any of the fields which are not allowed to be modified on the electronic application platform of the Stock Exchange as per the procedures and requirements prescribed by each relevant Stock Exchange, ensure that you have first withdrawn your original Application and submit a fresh Application. For instance, as per the notice No: 20120831-22 dated August 31, 2012 issued by the BSE, fields namely, quantity, series, application no., sub-category codes will not be allowed for modification during the Issue. In such a case the date of the fresh Application will be considered for date priority for allotment purposes;
12. Ensure that signatures other than in the languages specified in the 8th Schedule to the Constitution of India is attested by a Magistrate or a Notary Public or a Special Executive Magistrate under official seal;
13. Ensure that you mention your PAN in the Application Form. In case of joint Applicants, the PAN of all the Applicants should be provided, and for HUFs, PAN of the HUF should be provided. Any Application Form without the PAN is liable to be rejected. Applicants should not submit the GIR Number instead of the PAN as the Application is liable to be rejected on this ground;
14. In case of an HUF applying through its Karta, the Applicant is required to specify the name of an Applicant in the Application Form as 'XYZ Hindu Undivided Family applying through PQR', where PQR is the name of the Karta. However, the PAN number of the HUF should be mentioned in the Application Form and not that of the Karta;
15. Ensure that the Applications are submitted to the Designated Intermediaries, or Designated Branches of the SCSBs, as the case may be, before the closure of application hours on the Issue Closing Date. For further information on the Issue programme, please refer to "*Issue Structure*" on page 194.
16. **Permanent Account Number:** Except for Application (i) on behalf of the central or state government and officials appointed by the courts, and (ii) (subject to SEBI circular dated April 3, 2008) from the residents of the state of Sikkim, each of the Applicants should provide their PAN. Application Forms in which the PAN is not provided will be rejected. The exemption for the central or state government and officials appointed by the courts and for investors residing in the state of Sikkim is subject to (a) the demographic details received from the respective depositories confirming the exemption granted to the beneficiary owner by a suitable description in the PAN field and the beneficiary account remaining in "active status"; and (b) in the case of residents of Sikkim, the address as per the demographic details evidencing the same;
17. Ensure that if the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in the depository account and signature of only this person would be required in the Application Form. This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form;
18. All Applicants are requested to tick the relevant column "Category of Investor" in the Application Form.

In terms of SEBI Circular no. CIR/CFD/DIL/1/2013 dated January 2, 2013, SCSBs making applications on their own account using ASBA facility, should have a separate account in their own name with any other SEBI registered SCSB. Further, such account shall be used solely for the purpose of making application in public issues and clear demarcated funds should be available in such account.

SEBI Circular No. CIR/DDHS/P/121/2018 dated August 16, 2018 stipulating the time between closure of the Issue and listing at 6 (six) Working Days. In order to enable compliance with the above timelines, investors are advised to use ASBA facility only to make payment.

TERMS OF PAYMENT

The Application Forms will be uploaded onto the electronic system of the Stock Exchange and deposited with the relevant branch of the SCSB at the Specified City named by such SCSB to accept such Applications from the Designated Intermediaries, (a list of such branches is available at <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes>). The relevant branch of the SCSB shall perform verification procedures and block an amount in the ASBA Account equal to the Application Amount specified in the Application.

The entire Application Amount for the NCDs is payable on Application only. The relevant SCSB shall block an amount equivalent to the entire Application Amount in the ASBA Account at the time of upload of the Application Form. In case of Allotment of lesser number of NCDs than the number applied, the Registrar to the Issue shall instruct the SCSBs to unblock the excess amount in the ASBA Account. For Applications submitted directly to the SCSBs, the relevant SCSB shall block an amount in the ASBA Account equal to the Application Amount specified in the Application, before entering the Application into the electronic system of the Stock Exchange. SCSBs may provide the electronic mode of application either through an internet enabled application and banking facility or such other secured, electronically enabled mechanism for application and blocking of funds in the ASBA Account. **Applicants should ensure that they have funds equal to the Application Amount in the ASBA Account before submitting the Application to the Designated Intermediaries, or to the Designated Branches of the SCSBs. An Application where the corresponding ASBA Account does not have sufficient funds equal to the Application Amount at the time of blocking the ASBA Account is liable to be rejected.**

The Application Amount shall remain blocked in the ASBA Account until approval of the Basis of Allotment and consequent transfer of the amount against the Allotted NCDs to the Public Issue Account(s), or until withdrawal/

failure of the Issue or until withdrawal/ rejection of the Application Form, as the case may be. Once the Basis of Allotment is approved and upon receipt of intimation from the Registrar, the controlling branch of the SCSB shall, on the Designated Date, transfer such blocked amount from the ASBA Account to the Public Issue Account. The balance amount remaining after the finalisation of the Basis of Allotment shall be unblocked by the SCSBs on the basis of the instructions issued in this regard by the Registrar to the respective SCSB within 6 (six) Working Days of the Issue Closing Date. The Application Amount shall remain blocked in the ASBA Account until transfer of the Application Amount to the Public Issue Account, or until withdrawal/ failure of the Issue or until rejection of the Application, as the case may be.

Payment mechanism for Direct Online Applicants

OTHER INFORMATION

Withdrawal of Applications during the Issue Period

Applicants can withdraw their Applications during the Issue Period by submitting a request for the same to the Designated Intermediaries or the Designated Branch, as the case may be, through whom the Application had been placed. In case of Applications submitted to the Designated Intermediaries upon receipt of the request for withdrawal from the Applicant, the relevant Designated Intermediaries shall do the requisite, including deletion of details of the withdrawn Application Form from the electronic system of the Stock Exchange and intimating the Designated Branch of the SCSB to unblock of the funds blocked in the ASBA Account at the time of making the Application. In case of Applications submitted directly to the Designated Branch of the SCSB, upon receipt of the request for withdraw from the Applicant, the relevant Designated Branch shall do the requisite, including deletion of details of the withdrawn Application Form from the electronic system of the Stock Exchange and unblocking of the funds in the ASBA Account directly.

Early Closure

Our Company, in consultation with the Lead Managers reserves the right to close the Issue at any time prior to the Closing Date of respective Tranche Prospectus, subject to receipt of minimum subscription for NCDs aggregating to 75% of the Base Issue Size. Our Company shall allot NCDs with respect to the Applications received at the time of such early closure in accordance with the Basis of Allotment as described hereinabove and subject to applicable statutory and/or regulatory requirements.

If our Company does not receive the minimum subscription of 75% of Base Issue Size prior to the Issue Closing Date the entire Application Amount shall be unblocked in the relevant ASBA Account(s) of the Applicants within 6 working days from the Issue Closing Date of respective Tranche Prospectus, provided wherein, the Application Amount has been transferred to the Public Issue Account from the respective ASBA Accounts, such Application Amount shall be refunded from the Refund Account to the relevant ASBA Account(s) of the Applicants within 15 (fifteen) days from the Issue Closing Date, failing which the Company will become liable to refund the Application Amount along with interest at the rate 15 (fifteen) percent per annum for the delayed period.

Revision of Applications

As per the notice No: 20120831-22 dated August 31, 2012 issued by the BSE, cancellation of one or more orders within an Application is permitted during the Issue Period as long as the total order quantity does not fall under

the minimum quantity required for a single Application. Please note that in case of cancellation of one or more orders within an Application, leading to total order quantity falling under the minimum quantity required for a single Application will be liable for rejection by the Registrar.

Applicants may revise/ modify their Application details during the Issue Period, as allowed/permitted by the Stock Exchange, by submitting a written request to the Designated Intermediaries/the Designated branch of the SCSBs, as the case may be. However, for the purpose of Allotment, the date of original upload of the Application will be considered in case of such revision/modification. In case of any revision of Application in connection with any of the fields which are not allowed to be modified on the electronic Application platform of the Stock Exchange as per the procedures and requirements prescribed by the Stock Exchange, Applicants should ensure that they first withdraw their original Application and submit a fresh Application. In such a case the date of the new Application will be considered for date priority for Allotment purposes.

Revision of Applications is not permitted after the expiry of the time for acceptance of Application Forms on Issue Closing Date. However, in order that the data so captured is accurate, the Designated Intermediaries and/or the Designated Branches of the SCSBs will be given up to one Working Day after the Issue Closing Date to modify/ verify certain selected fields uploaded in the online system during the Issue Period, after which the data will be sent to the Registrar for reconciliation with the data available with the NSDL and CDSL.

Depository Arrangements

We have made depository arrangements with NSDL and CDSL. Please note that Tripartite Agreements have been executed between our Company, the Registrar and both the depositories.

As per the provisions of the Depositories Act, the NCDs issued by us can be held in a dematerialized form.

In this context:

- (i) Agreement dated March 22, 2010 between us, the Registrar to the Issue and NSDL, and March 22, 2010 between us, the Registrar to the Issue and CDSL, respectively for offering depository option to the investors.
- (ii) An Applicant must have at least one beneficiary account with any of the Depository Participants (DPs) of NSDL or CDSL prior to making the Application.
- (iii) The Applicant must necessarily provide the DP ID and Client ID details in the Application Form.
- (iv) NCDs Allotted to an Applicant in the electronic form will be credited directly to the Applicant's respective beneficiary account(s) with the DP.
- (v) Non-transferable Allotment Advice/ refund orders will be directly sent to the Applicant by the Registrar to this Issue.
- (vi) It may be noted that NCDs in electronic form can be traded only on the Stock Exchange having electronic connectivity with NSDL or CDSL. The Stock Exchange has connectivity with NSDL and CDSL.
- (vii) Interest or other benefits with respect to the NCDs held in dematerialized form would be paid to those NCD Holders whose names appear on the list of beneficial owners given by the Depositories to us as on Record Date. In case of those NCDs for which the beneficial owner is not identified by the Depository as on the Record Date/ book closure date, we would keep in abeyance the payment of interest or other benefits, till such time that the beneficial owner is identified by the Depository and conveyed to us, whereupon the interest or benefits will be paid to the beneficiaries, as identified, within a period of 30 days.
- (viii) The trading of the NCDs on the floor of the Stock Exchange shall be in dematerialized form only.

Please also refer to "*Instructions for filling up the Application Form*" on page 217.

Please note that the NCDs shall cease to trade from the Record Date (for payment of the principal amount and the applicable premium and interest for such NCDs) prior to redemption of the NCDs.

PLEASE NOTE THAT TRADING OF NCDs ON THE FLOOR OF THE STOCK EXCHANGE SHALL BE IN DEMATERIALIZED FORM ONLY IN MULTIPLE OF ONE NCD.

Allottees will have the option to re-materialize the NCDs Allotted under the Issue as per the provisions of the Companies Act, 2013 and the Depositories Act.

Communications

All future communications in connection with Applications made in this Issue (except the Applications made through the Trading Members of the Stock Exchange) should be addressed to the Registrar to the Issue with a copy to the relevant SCSB, quoting the full name of the sole or first Applicant, Application Form number, Applicant's DP ID and Client ID, Applicant's PAN, number of NCDs applied for, date of the Application Form, name and address of the Designated Intermediaries, or Designated Branch, as the case may be, where the Application was submitted and, ASBA Account number in which the amount equivalent to the Application Amount was blocked. SECTION VII - LEGAL AND OTHER INFORMATION

OUTSTANDING LITIGATIONS AND DEFAULTS

Except as described below, there are no outstanding litigations including, suits, criminal or civil prosecutions and taxation related proceedings against our Company and its Board of Directors that may have an adverse effect on our business. Further, there are no defaults, non-payment of statutory dues including, institutional / bank dues and dues payable to holders of any debentures, bonds and fixed deposits that would have a material adverse effect on our business other than unclaimed liabilities against our Company as of the date of this Draft Shelf Prospectus.

The Debentures Committee in its meeting held on April 18, 2019 has adopted a materiality threshold of 5% of the standalone net worth of the Company for disclosure of litigation involving our Company, the Directors, Promoter and Group Companies which may have an adverse impact on the position of our Company.

For the purposes of disclosure, all other pending litigation involving our Company, Promoter, group companies or any other person other than criminal proceedings, statutory or regulatory actions, would be considered 'material' if the monetary amount of claim is more than 5 % of the standalone net worth of the Company for the Fiscal 2018.

Save as disclosed herein below, there are no: -

- *litigation or legal action pending or taken by any Ministry or Department of the Government or a statutory authority against the Promoter of our Company during the last five years immediately preceding the year of the issue of this Draft Shelf Prospectus and any direction issued by such Ministry or Department or statutory authority;*
- *pending litigation involving our Company, our Promoters, our Directors, Subsidiaries, group companies or any other person, whose outcome could have material adverse effect on the position of the issuer;*
- *material fraud committed against our Company in the last five years;*
- *inquiry, inspections or investigations initiated or conducted under the Companies Act or any previous companies law in the last five years immediately preceding the year of issue of the Draft Shelf Prospectus in the case of our Company and all of our Subsidiaries;*
- *pending proceedings initiated against our Company for economic offences; and*
- *default and non-payment of statutory dues etc.*
- *Further from time-to-time, we have been and continue to be involved in legal proceedings filed by and/or against us, arising in the ordinary course of our business. These legal proceedings are mostly civil in nature. We believe that the number of proceedings in which we are / were involved is not unusual for a company of our size doing business in India.*

I. Litigation involving our Company

Except as disclosed below, there are no other important legal proceedings involving our Company.

(a) Civil proceedings

- *Against our Company*
 1. The State Bank of India and others (“Appellants”) has filed an O.S.A. No. 43/13 (“Appeal”) dated September 25, 2013 before the High Court of Karnataka, Bangalore against United Breweries (Holdings) Ltd (“UBHL”), the Company and others, for a direction to UBHL for the deposit of the entire sale proceeds of the 13,612,591 shares of United Spirits Limited (“USL”), the release of the said amounts to the Appellants and an interim order restraining UBHL from paying any part of the sale proceeds to the pledge holders. The Appellants filed an appeal against the order dated May 24, 2013 in company application numbers 437,441,440, 439 and 438 of 2013 in company petition number 122, 121, 248, 185 and 57 of 2012 pursuant to which the single judge in the appeal partly allowed the applications filed by UBHL and permitted the Appellants to sell

13,612,591 equity shares of USL held by them to Relay BV and Diageo plc and others and to use the sale proceeds to make payment to UBHL's secured creditors. The said shares were pledged with various lenders including the Company. The Appellants also made the Company and other lenders of UBHL as parties in the Appeal and claimed that these pledges of shares, which were created in favour of the Company, as invalid on the ground that these pledges were created in breach of certain warranties contained in the guarantee agreement executed by UBHL in favour of and the benefit of the Appellants. Pursuant to the judgment dated December 20, 2013, the appellate court (Company Court) set aside the Company Court's order dated May 24, 2013 of the Company Court and held that the sale of shares was void.

Relay BV and Diageo plc and others filed a petition for special leave appeal (civil) numbers 967, 2955, 4826, 4827, 4828 and 4829 of 2014 against the Appellants to seek leave to appeal against the judgment dated December 20, 2013. The Appellants filed special leave petition (civil) numbers 6270, 13589 and 1501 of 2014, against UBHL and others, including the Company, in the Supreme Court praying to set aside the judgment dated December 20, 2013 of the Appellate Court. The matter was last listed on 9 April 2018 for consideration of impleadment applications filed by various parties in connected civil appeals. The Supreme Court was pleased to allow the impleadment applications. The Supreme Court also observed that in view of winding up order having been passed, United Breweries (Holdings) Limited shall sue and be sued in the name of Official Liquidator and accordingly the Supreme Court directed notice be issued to official liquidator. The matter is currently pending.

2. In the matter of Reliance Project Venture & Management Pvt. Ltd. ("RPVMPL") ("Appellant") v. ECL Finance & Ors. the Appellant had earlier moved to the Bombay High Court, single judge bench inter alia for restraining ECL Finance from selling the pledge share of R Power and of RCOM, to pay damages of Rs. 2,734.41 crore and declare the sale of pledge shares illegal. Aggrieved by a non-favourable order from the single judge bench, the Appellant has moved to the divisional bench for seeking the aforesaid reliefs. The matter is currently pending.
3. Sunil Kumar Aggarwal ("Plaintiff"), a minority shareholder in Rudra Buildwell Homes Private Limited ("Project Company"), on whose land the Company holds a mortgage over certain lands, has filed a suit for declaration of his alleged rights before the Patiala House Court. Prayer has been made for injunction restraining the Company from creating any charge or encumbrance over the assets of the Project Company, and for declaration that a prior charge exists in favour of the Plaintiff. Further, the Plaintiff has filed a suit for enforcement of rights under a conciliation agreement executed between the Plaintiff and the Project Company before the Delhi High Court. The matter is currently pending.

- *By our Company*

1. The Company had subscribed to non-convertible debentures amounting to Rs 87 crores issued by Kamla Landmarc Property Leasing and Finance Private Limited ("Kamla"), which was secured by a charge on receivables from Godrej Central Project and a mortgage over the land forming part of project Kamla Aquina developed by Rajiv Construction Company and other Properties. However, there was a default by Kamla pursuant to which the Debenture Trustee on behalf of the Company has filed a suit for enforcement filed before the High Court of Bombay. The matter is pending.

- (b) *Criminal proceedings*

- *Against our Company*

1. The Directorate of Enforcement ("Complainant") has filed an original complaint dated September 03, 2016 (O.C.No-639/2016) with the Adjudicating Authority under the Section 5 (5) of the Prevention of Money Laundering Act of 2002 (ECIR/07/MBZO/2016) against M/s. Kingfisher Airlines Ltd, Mr. Vijay Mallya, and others for acquisition of property using proceeds of crime in terms of Section 2 (1) (u) of Prevention of Money Laundering Act of 2002. The Company is also arrayed as defendant in the proceedings as the Complainant has sought for attachment of certain shares of Mr. Vijay Mallya and his associates which are pledged with the Company as security for various loans availed by them. The adjudicating authority has confirmed the provisional

1. Our Company has filed criminal complaints dated December 4, 2010 and December 10, 2010 against Mr. Prakash Patel, Mr. Kalpesh Padhya, Mr. Vyomesh Trivedi and Mr. Gaurav Davda (together referred to as “Accused”) before the Joint Commissioner of Police, Economic Offences Wing, Crime Branch, Mumbai (“EOW”) under Sections 403, 406, 420, 120 - B, 34 and other applicable provisions of Indian Penal Code, 1860 for criminal breach of trust and cheating in relation to a loan, resulting in a loss of INR 82.9 million to our Company. During investigation, one more person, Mr. Mukesh Kanani was impleaded as an Accused. Subsequently, a first information report dated November 3, 2011 was registered against the Accused including Mr. Mukesh Kanani for an offence under section 420 and Section 34 of Indian Penal Code, 1860. Thereafter, on August 28, 2014 EOW filed a case before the Additional Chief Metropolitan Magistrate’s 19th Court at Esplanade Court Mumbai against the Accused for committing the alleged offence under Section 420 and Section 34 of the Indian Penal Code, 1860. The matter is currently pending.
2. Our Company has filed a criminal complaint before the BKC police station, Bandra against Mr. Mahesh Chavan, proprietor of Global Overseas, Mr. Kaushal *alias* Renu Menon, Ms. Deepali, Sandeep Kelkar and Mr. Rohit Paranjpe, Deodhar Gholat (“Accused”) for committing an act of cheating with respect to purchase of a car, being C – 220 CDI, Grand Edition, manufactured by Mercedes Benz, for our company’s employee Mr. Ram Yadav. Statements of Ram Yadav and Neelu Chandni recorded by police on January 21, 2015. Subsequently, first information report (“FIR”) number 236/14 dated December 2, 2014 was filed with the BKC Police station for procurement of documents. Police case number PW/329/2015 was filed on January 27, 2015 before the 9th Metropolitan Magistrate Court at Bandra (“Court”). 3. ECLF, pursuant to the requirements under an RBI circular (No. RBI/2015-16/75DBS.CO.CFMC.BC. No. 1/23.04.001/2015-16) dated July 1, 2015, reported an instance of suspected fraud by its customer Shridhar Udhavrao Kolpe and Saraswati Bhimrao Shinde (“Borrowers”) under the requisite form to RBI on July 7, 2016. The Borrowers were given a loan of INR 5.83 million by ECLF against their property. ECLF upon its internal investigation found that the Borrowers have (a) obtained loan from another financial institution post the disbursement of loan from ECLF and (b) sold the property (mortgaged to ECLF) without consent/no objection certificate from ECLF. Therefore, it was suspected that the Borrowers have created multiple property documents (forged documents) in connection with the property which was mortgaged with ECLF and taken loan from other financial institutions. Subsequently, ECLF filed a complaint

dated August 12, 2016 against the Borrowers before the Senior Police Inspector, Shivaji Nagar Police Station, Pune requesting them to take cognizance of the offences punishable under Sections 420, 465, 467, 468, 471, 34 read with 120B of the Indian Penal Code, 1860 and relevant provisions of the Maharashtra Control of Organised Crime Act, 1999 allegedly violated by the Borrowers. Further, ECLF submitted certain documents to the Senior Police Inspector, Economic Offences Wing, Pune in relation to the loan sanctioned to the Borrowers, pursuant to a notice dated March 14, 2017 issued to ECLF. ECLF filed its statement before the Economic Offences Wing, Pune on 10 May 2017. The matter is currently pending.

Edelweiss Rural & Corporate Services Limited (formerly known as Edelweiss Commodities Services Limited)

1. Nathella Sampath Jewellery Private Limited (“NSJPL”) filed an arbitration application dated December 1, 2014 (“Application”) before the High Court of Bombay to constitute an arbitration tribunal (“Tribunal”) in relation to a dispute arising out of an agreement dated December 1, 2008 entered into between ECAL Advisors Limited (now known as Edelweiss Rural & Corporate Services Limited (“ERCSL”) and NSJPL for purchase of bullion on fixed or unfixed price basis (“Agreement”). As per the terms of the Agreement, if NSJPL chose to purchase bullion on unfixed price basis, it would be required to pay ERCSL, deposit margin money (“Margin”) and the price of the bullion would be fixed within 15 calendar days of making payment of the Margin. Also, NSJPL would be liable to replenish the shortfall in the Margin for all open positions. ERCSL *vide* its letter dated September 5, 2013 intimated NSJPL the amount due by NSJPL upon fixation of an unfixed open bullion position. However, NSJPL withheld certain payments for losses caused to it allegedly on account of the positions wrongly being kept open by ERCSL despite non-payment of shortfall in Margin. Since the parties failed to resolve the dispute amicably, ERCSL served notices of pending dues to NSJPL dated October 11, 2013 and March 25, 2014, demanding a total outstanding amount of Rs 59.02 million and also filed a winding-up petition dated November 12, 2014 against NSJPL before the High Court of Madras. Upon the constitution of the Tribunal pursuant to the Application, ERCSL filed a claim dated March 10, 2016 against NSJPL for an outstanding amount of ₹ 59.02 million along with interest at a rate of 18% per annum from September 6, 2013 till actual payment. ERCSL also moved an Application under Section 16 of Arbitration and Conciliation Act, 1996 for determination of the Tribunal’s jurisdiction in deciding Nathella’s claim for illegality of transaction.

Subsequently, NSJPL filed a counter claim against ERCSL for either a sum of ₹ 244.61 million along with an interest of 18% from March 16, 2016 till actual payment or a sum of Rs 47.00 million along with interest of 18% from September 1, 2013 till actual payment and direction to ERCSL to render true and correct account of transactions during the entire currency of the Agreement. On October 24, 2016, an application on maintainability of NSJPL’s claim as a preliminary objection was rejected. ERCSL filed an Evidence Affidavit thereafter and the cross-

examination of ERCSL's witness Rakesh Udyawar commenced from September 08, 2017 and was thereafter adjourned from time-to-time to November 23, 2017, November 30, 2017, as part heard and concluded on January 18, 2018. NSJPL is required to file an affidavit of evidence in lieu of examination in chief on or before March 01, 2018, which NSJPL complied with. On April 25, 2018 the cross examination of NSJPL's witness concluded. In the meantime, NSJPL has filed a Company Petition No. CA/129/IB/2018 before the National Company Law Tribunal ("NCLT"), Chennai Bench for initiation of corporate insolvency resolution process, which has been admitted by the NCLT on April 23, 2018. In view of the above, the Learned Arbitrator has cancelled the hearings and directed resuming the hearings after the conclusion of the corporate insolvency resolution process. ERCSL thereafter, moved an arbitration petition under Section 29A of the Arbitration and Conciliation Act, 1996 seeking a further extension of time for a period of six months to complete the arbitration proceedings and pass a final award, which proceedings were restrained on account of order under Section 14 of the Insolvency and Bankruptcy Code, 2016. By an order dated March 05, 2019 the Hon'ble Bombay High extended the time to complete the arbitration proceedings and pass a final award within a period of six months. Arbitration proceedings are likely to commence from June 15, 2019. The matter is currently pending.

2. Edelweiss Rural & Corporate Services Limited ("ERCSL") (*formerly known as Edelweiss Commodities Services Limited*) received a notice dated April 03, 2019 ("Notice") issued under Section 41 read with Section 36(2) of the Competition Act, 2002 ("the Act") from the office of the Director General, Competition Commission of India, New Delhi along with copy of Commission Order dated November 9, 2018 under Section 26(1) of the Act ("the Order") to conduct an investigation against 11 trading organizations which included ERCSL for allegedly being part of a cartel involved in increasing the prices of pulses in India. Through the Notice, ERCSL has been inter-alia directed to furnish various information and documents (which include details of pulses business of ERCSL such as procurement, processing, export, stocking, local sale, etc.) for the period starting from the assessment year 2010-2011 to the assessment year 2017-2018. by April 15, 2019. ERCSL is in process of furnishing the said information and documents in compliance with the said Notice. The matter is currently pending.
3. Trading client of EBL filed a criminal complaint before Vidhayak Puri Police Station, Jaipur against ex-employee Bhanwar Lal Teli alleging unauthorized trading in his account by the employee thereby causing loss of Rs. 14 lacs. EBL provided all the required details through Jaipur branch office. The matter is currently pending.
2. Srimati Iti of Agra (“Complainant”), a client of Edelweiss Financial Advisors Limited (“EFAL”) (now amalgamated with EBL) filed a first information report (No. 592 of 2012) (“FIR”) before Hari Parvat, Janpad Police Station, Agra (“Police Station”) against Saurabh Jain, Richa Jain and Mahendra Jain (collectively, the “Accused”), under Sections 420, 467, 468, 471 read with Section 120B of the IPC and Sections 66, 66C and 66D of the Information Technology Act, 2000 for alleged unauthorised trading by modifying her trading account and password. Pursuant to notices dated October 8, 2012 and December 12, 2012, the investigation officer sought KYC documents, trade details, trading account password, user IP details and other documentation from the date of opening trading account by the Complainant from EFAL. The station in-charge of the Police Station issued notices under Section 160 of the Cr. P.C. addressed to Sunil Mitra, Sanjiv Misra and Himanshu Kaji, respectively, directors of Edelweiss Financial Services Limited for inquiry in respect of the FIR (“Notices”). EBL *vide* its letter dated July 15, 2016 replied to the Notices, *inter alia*, stating that addresses were neither the directors nor were they holding any official position in respect of any of the contracting entities in which the Complainant had opened her trading account.

On October 10, 2018 Sunil Mitra and Himanshu Kaji have been served with the summons dated September 09, 2018 issued pursuant to the order dated April 23, 2018 by the Ld. Chief Judicial Magistrate, Agra based on the supplementary / additional charge-sheet dated December 07, 2017 filed by SHO, Hari Parvat PS, Agra in Case No. 16324/2018 under Sections 420, 406, 120 of IPC read with Sections 66, 66C & 66D of IT Act to appear before Court.

Sanjiv Misra has not been served with any summons, however from bare perusal of the charge sheet and subsequent orders passed by the Ld. Magistrate, Agra; it can be inferred that the process has already been issued against Sanjiv Misra as well. Sunil Mitra, Sanjiv Misra and Himanshu Kaji have therefore, filed a joint Criminal Misc. Application No. (L) 245 of 2018 challenging against the said summoning order before the High Court at Allahabad under Section 482 of the Code of Criminal Procedure to quash and set aside the charge sheet, summoning orders and issuance of process from amongst the grounds including on the ground of vicarious liabilities cannot be extended in criminal jurisprudence without substantiating the role of the officials in alleged offences. On December 4, 2018, the Allahabad High Court stayed further proceedings in the Agra Court against Mr. Sunil Mitra, Mr. Himanshu Kaji and Mr. Sanjiv Misra in Criminal Miscellaneous Application under Section 482 of Code of Criminal Procedure No. 43606 of 2018. The matter is before the Magistrate, at Agra and is currently pending.

Edelweiss Rural & Corporate Services Limited (formerly known as Edelweiss Commodities Services Limited)

1. The Deputy Controller of Rationing, Civil Supply Department of Maharashtra (“Authority”) issued show cause notices to ERCSL for violation of applicable stock limits on imported pulses under the Essential Commodities Act, 1955 (“Act”) resulting in seizure of the stock stored at various warehouses by the Authority and registration of first information reports (“FIRs”) under the Act. ERCSL argued that the stock limits were not applicable to ERCSL as the stock was imported. Pursuant to the directions issued by the Authority, the seized stock was released, subject to certain conditions. ERCSL, upon fulfilment of the specified conditions and execution of the undertakings, lifted and sold the released stock in open market and subsequently informed the Authority. The matter is currently pending.

Additionally, ERCSL received a notice from Office of the Deputy Commissioner of Police, Cyber Crime Cell / Economic Offences Wing (“Police”) dated August 16, 2016 (No. 439/SO/DCP/CCC/EOW/NEW DELHI) in relation to a complaint (No. C-786) received by the Police regarding cartelisation and nexus of importers-traders causing artificial scarcity of pulses and exploiting the price supply gap and operation of an illegal ‘satta market’. The matter is currently pending.

ERCSL also received a notice dated August 26, 2016 (F. no. T-3/165/B/2016) from the Directorate of Enforcement demanding certain documents in relation to an enquiry for violation of the provisions of the Foreign Exchange Management Act, 1999 relating to the import of pulses. The matter is currently pending.

The station in-charge of the Police Station issued notices under Section 160 of the Cr. P.C. addressed to Sunil Mitra, Sanjiv Misra and Himanshu Kaji, respectively, directors of Edelweiss Financial Services Limited for inquiry in respect of the FIR (“Notices”). EBL vide its letter dated July 15, 2016 replied to the Notices, inter alia, stating that addresses were neither the directors nor were they holding any official position in respect of any of the contracting entities in which the Complainant had opened her trading account.

On October 10, 2018 Sunil Mitra and Himanshu Kaji have been served with the summons dated September 09, 2018 issued pursuant to the order dated April 23, 2018 by the Ld. Chief Judicial Magistrate, Agra based on the supplementary / additional charge-sheet dated December 07, 2017 filed by SHO, Hari Parvat PS, Agra in Case No. 16324/2018 under Sections 420, 406, 120 of IPC read with Sections 66, 66C & 66D of IT Act to appear before Court.

Sanjiv Misra has not been served with any summons, however from bare perusal of the charge sheet and subsequent orders passed by the Ld. Magistrate, Agra; it can be inferred that the process has already been issued against Sanjiv Misra as well. Sunil Mitra, Sanjiv Misra and Himanshu Kaji have therefore, filed a joint Criminal Misc. Application No. (L) 245 of 2018 challenging against the said summoning order before the High Court at Allahabad under Section 482 of the Code of Criminal Procedure to quash and set aside the charge sheet, summoning orders and issuance of process from amongst the grounds including on the ground of vicarious liabilities cannot be extended in criminal jurisprudence without substantiating the role of the officials in alleged offences. On December 4, 2018, the Allahabad High Court stayed further proceedings in the Agra Court against Mr. Sunil Mitra, Mr. Himanshu Kaji and Mr. Sanjiv Misra in Criminal Miscellaneous Application under Section 482 of Code of Criminal Procedure No. 43606 of 2018. The matter is before the Magistrate, at Agra and is currently pending.

KEY REGULATIONS AND POLICIES

The regulations summarised below are not exhaustive and are only intended to provide general information to investors and are neither designed nor intended to be a substitute for any professional legal advice. Taxation statutes such as the IT Act, Central Sales Tax Act, 1956 and applicable local sales tax statutes, labour regulations such as the Employees State Insurance Act, 1948 and the Employees Provident Fund and Miscellaneous Provisions Act, 1952, and other miscellaneous regulations such as the Trade Marks Act, 1999 and applicable Shops and Establishments statutes apply to us as they do to any other Indian company and therefore have not been detailed below. For purposes of this section, references to any legislation, act, regulation, rule, guideline, policy, circular, notification or clarification are to such legislation, act, regulation, rule, guideline, policy, circular, notification or clarification as amended from time to time.

The following description is a summary of certain sector specific laws and regulations and policies as prescribed by the Government of India and other regulatory bodies, which are applicable to the Company. The information detailed in this chapter has been obtained from publications available in the public domain. The regulations set out below may not be exhaustive, and are only intended to provide general information to the investors and are neither designed nor intended to substitute for professional legal advice. The statements below are based on the current provisions of the Indian law, and the judicial and administrative interpretations thereof, which are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions.

In addition to the regulations and policies specified herein below, taxation laws, labour law, intellectual property law, environmental law and other miscellaneous laws apply to the Company as they do to any other Indian company.

The major regulations governing our Company are detailed below:

We are a non-deposit taking (which does not accept public deposits), systemically important, NBFC. As such, our business activities are regulated by RBI Regulations applicable to non-public deposit accepting NBFCs (“**NBFC-ND**”).

As at 1 September 2016, the RBI issued an *updated Master Direction - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016, (as updated from time to time)* applicable to all NBFC-NDSI’s.

Regulations governing NBFCs

As per the RBI Act, a financial institution has been defined as a company which includes a non-banking institution carrying on as its business or part of its business the financing activities, whether by way of making loans or advances or otherwise, of any activity, other than its own and it is engaged in the activities of loans and advances, acquisition of shares/stock/bonds/debentures/securities issued by the Government of India or other local authorities or other marketable securities of like nature, leasing, hire-purchase, insurance business, chit business but does not include any institution whose principal business is that of carrying out any agricultural or industrial activities or the sale/purchase/construction of immovable property.

As per prescribed law any company that carries on the business of a non-banking financial institution as its ‘principal business’ is to be treated as an NBFC. The term ‘principal business’ has not been defined in any statute, however, RBI has clarified through a press release (Ref. No. 1998-99/1269) issued in 1999, that in order to identify a particular company as an NBFC, it will consider both the assets and the income pattern as evidenced from the last audited balance sheet of the company to decide a company’s principal business. The company will be treated as an NBFC if its financial assets are more than 50 per cent of its total assets (netted off by intangible assets) and income from financial assets should be more than 50 per cent of the gross income. Both these tests are required to be satisfied in order to determine the principal business of a company.

Every NBFC is required to submit to the RBI a certificate, from its statutory auditor within one month from the date of finalisation of the balance sheet and in any case, not later than 30 December of that year, stating that it is engaged in the business of non-banking financial institution requiring it to hold a certificate of registration.

NBFCs are primarily governed by the RBI Act, the Master Direction – Non-Banking Financial Company – Non-

Systematically Important Non-Deposit taking Company (Reserve Bank) Directions, 2016, Peer to Peer Lending Platform (Reserve Bank) Directions, 2017 (“**Peer to Peer Regulations**”), Reserve Bank Commercial Paper Directions, 2017 (“**Commercial Papers Directions**”) and the Non-Banking Financial Companies Acceptance of Public Deposits (Reserve Bank) Directions, 2016. In addition to these regulations, NBFCs are also governed by various circulars, notifications, guidelines and directions issued by the RBI from time to time.

Although by definition, NBFCs are permitted to operate in similar sphere of activities as banks, there are a few important and key differences. The most important distinctions are:

- An NBFC cannot accept deposits repayable on demand – in other words, NBFCs can only accept fixed term deposits. Thus, NBFCs are not permitted to issue negotiable instruments, such as cheques which are payable on demand; and
- NBFCs are not allowed to deal in foreign exchange, even if they specifically apply to the RBI for approval in this regard.

Section 45-IA of the RBI Act makes it mandatory for every NBFC to get itself registered with the Reserve Bank in order to be able to commence any of the aforementioned activities.

Further, an NBFC may be registered as a deposit accepting NBFC (“**NBFC-D**”) or as a non-deposit accepting NBFC (“**NBFC-ND**”). NBFCs registered with RBI are further classified as:

- Asset finance companies;
- Investment companies;
- Systemically Important Core Investment Company;
- Loan companies and/or
- Infrastructure finance companies.
- Infrastructure debt fund - NBFCs;
- NBFC - micro finance institutions;
- NBFC –Factors;
- Mortgage guarantee companies;
- NBFC- non-operative financial holding company; and
- Non-Banking Financial Company-Peer to Peer Lending Platform.

The Company has been classified as an NBFC-ND-SI.

Systemically Important NBFC-NDs

As per the NBFC Master Directions, the revised the threshold for defining systemic significance for NBFCs-ND in the light of the overall increase in the growth of the NBFC sector. NBFCs-ND-SI will henceforth be those NBFCs-ND which have asset size of ₹ 5,000 million and above as per the last audited balance sheet. Moreover, as per this amendment, all NBFCs-ND with assets of ₹ 5,000 million and above, irrespective of whether they have accessed public funds or not, shall comply with prudential regulations as applicable to NBFCs-ND-SI. NBFCs-ND-SI is required to comply with conduct of business regulations if customer interface exists.

All systemically important NBFCs are required to maintain a minimum Capital to Risk-Weighted Assets Ratio of 15 per cent.

Rating of NBFCs

Pursuant to the RBI circular DNBS (PD) CC. No.134/03.10.001/2008-2009 dated 04 February 2009, all NBFCs with an asset size of ₹1,000 million are required to, as per RBI instructions to, furnish information about downgrading or upgrading of the assigned rating of any financial product issued by them within 15 days of a change in rating.

Prudential Norms

The RBI Master Circular on Non-Banking Financial Company – Systemically Important Non-Deposit taking Company (Reserve Bank) Directions, 2016 (“**ND-SI-Directions**”), amongst other requirements prescribe guidelines on NBFC-ND regarding income recognition, asset classification, provisioning requirements, constitution of audit committee, capital adequacy requirements, concentration of credit/investment and norms relating to infrastructure loans. The ND-SI-Directions state that the credit/ investment norms shall not apply to a systemically important non-banking financial company not accessing public funds in India, either directly or indirectly, and not issuing guarantees.

Corporate governance norms

As per the ND-SI-Directions, all NBFC-ND-SI are required to adhere to certain corporate governance norms, including constitution of an audit committee, a nomination committee, an asset liability management committee and risk management committee. NBFCs are required to furnish to the RBI a quarterly statement on change of directors, and a certificate from the managing director of the NBFC that fit and proper criteria in selection of the directors has been followed. Further, all applicable NBFCs shall have to frame their internal guidelines on corporate governance with the approval of its board of directors, enhancing the scope of the guidelines without sacrificing the spirit underlying the above guidelines and it shall be published on the company's web-site, if any, for the information of various stakeholders constitution of a nomination committee, a risk management committee and certain other norms in connection with disclosure, transparency and connected lending has also been prescribed in the RBI Master Circular. Further, RBI *vide* notification dated 10 November 2014 has mandated the Audit Committee to ensure that an information systems audit of the internal systems and processes is conducted at least once in two years to assess operational risks faced by the company. RBI has also mandated the NBFCs to have a policy to ascertain the ‘fit and proper criteria’ at the time of appointment of directors and on a continuing basis.

Provisioning Requirements

An NBFC-ND, after taking into account the time lag between an account becoming non-performing, its recognition, the realisation of the security and erosion overtime in the value of the security charged, shall make provisions against sub-standard assets, doubtful assets and loss assets in the manner provided for in the Prudential Norms Directions.

In the interests of counter cyclicalities and so as to ensure that NBFCs create a financial buffer to protect them from the effect of economic downturns, RBI *vide* their circular no. DNBS.PD.CC. No.207/ 03.02.002 /2010-11 dated 17 January 2011, introduced provisioning for Standard Assets by all NBFCs. NBFCs are required to make a general provision at 0.25 per cent of the outstanding standard assets. RBI *vide* their circular no. DNBR (PD) CC No. 037/03.01.001/2014-15 dated 11 June 2015 raised the provision for standard assets to 0.40 per cent to be met by March 2018. The provisions on standard assets are not reckoned for arriving at Net NPAs. The provisions towards Standard Assets are not needed to be netted from gross advances but shown separately as ‘Contingent Provisions against Standard Assets’ in the balance sheet. NBFCs are allowed to include the ‘*General Provisions on Standard Assets*’ in Tier II capital which together with other ‘general provisions/ loss reserves’ will be admitted as Tier II capital only up to a maximum of 1.25 per cent of the total risk-weighted assets.

Capital Adequacy Norms

Every systemically important NBFC-ND is required to maintain, with effect from 01 April 2007, a minimum capital ratio consisting of Tier I and Tier II capital of not less than 15 per cent of its aggregate risk weighted assets on balance sheet and of risk adjusted value of off-balance sheet items is required to be maintained. Also, the total of the Tier II capital of a NBFC-MFI shall not exceed 100 per cent of the Tier I capital.

Tier-I Capital, has been defined in the ND-SI Directions as, owned funds as reduced by investment in shares of other NBFCs and in shares, debentures, bonds, outstanding loans and advances including hire purchase and lease finance made to and deposits with subsidiaries and companies in the same group exceeding, in aggregate, 10 per cent of the owned fund and perpetual debt instruments issued by a systemically important NBFC-ND in each year to the extent it does not exceed 15 per cent of the aggregate Tier I capital of such company as on 31 March of the previous accounting year.

Owned Funds, has been defined in the ND-SI Directions as, paid-up equity capital, preference shares which are compulsorily convertible into equity, free reserves, balance in share premium account; capital reserve representing surplus arising out of sale proceeds of asset, excluding reserves created by revaluation of assets; less accumulated loss balance, book value of intangible assets and deferred revenue expenditure, if any.

Tier - II Capital has been defined in the ND-SI Directions, includes the following (a) preference shares other than those which are compulsorily convertible into equity; (b) revaluation reserves at discounted rate of 55 per cent; (c) general provisions (including that for standard assets) and loss reserves to the extent these are not attributable to actual diminution in value or identifiable potential loss in any specific asset and are available to meet unexpected losses, to the extent of one-and-one-fourth per cent of risk weighted assets; (d) hybrid debt capital instruments; and (e) subordinated debt to the extent the aggregate does not exceed Tier - I capital; and (f) perpetual debt instrument issued by a systemically important NBFC-ND, which is in excess of what qualifies for Tier I Capital to the extent that the aggregate Tier-II capital does not exceed 15 per cent of the Tier -I capital.

Hybrid debt means, capital instrument, which possess certain characteristics of equity as well as debt.

Subordinated debt means a fully paid up capital instrument, which is unsecured and is subordinated to the claims of other creditors and is free from restrictive clauses and is not redeemable at the instance of the holder or without the consent of the supervisory authority of the NBFC. The book value of such instrument is subjected to discounting as prescribed.

Exposure Norms

In order to ensure better risk management and avoidance of concentration of credit risks, the RBI has, in terms of the Master Direction, prescribed credit exposure limits for financial institutions in respect of their lending to single/ group borrowers. Credit exposure to a single borrower shall not exceed 15 per cent of the owned funds of the systemically important NBFC-ND, while the credit exposure to a single group of borrowers shall not exceed 25 per cent of the owned funds of the systemically important NBFC-ND. Further, the systemically important NBFC-ND may not invest in the shares of another company exceeding 15 per cent of its owned funds, and in the shares of a single group of companies exceeding 25 per cent of its owned funds. However, this prescribed ceiling shall not be applicable on a NBFC-ND-SI for investments in the equity capital of an insurance company to the extent specifically permitted by the RBI. Any NBFC-ND-SI not accessing public funds, either directly or indirectly may make an application to the RBI for modifications in the prescribed ceilings Any systemically important NBFC-ND classified as asset finance company by RBI, may in exceptional circumstances, exceed the above ceilings by 5 per cent of its owned fund, with the approval of its Board of Directors. The loans and investments of the systemically important NBFC-ND taken together may not exceed 25 per cent of its owned funds to or in single party and 40 per cent of its owned funds to or in single group of parties. A systemically important ND-NBFC may, make an application to the RBI for modification in the prescribed ceilings. Further, NBFC ND SI may exceed the concentration of credit/investment norms, by 5 per cent for any single party and by 10 per cent for a single group of parties, if the additional exposure is on account of infrastructure loan and/or investment.

Asset Classification

The Prudential Norms Directions require that every NBFC shall, after taking into account the degree of well-defined credit weaknesses and extent of dependence on collateral security for realisation, classify its lease/hire purchase assets, loans and advances and any other forms of credit into the following classes:

- Standard assets;
- Sub-standard Assets;
- Doubtful Assets; and
- Loss assets

Further, such class of assets would not be entitled to be upgraded merely as a result of rescheduling, unless it satisfies the conditions required for such upgradation. At present every NBFC is required to make a provision for standard assets at 0.40 per cent.

Other stipulations

All NBFCs are required to frame a policy for demand and call loan that includes provisions on the cut-off date for recalling the loans, the rate of interest, periodicity of such interest and periodical reviews of such performance.

The prudential norms also specifically prohibit NBFCs from lending against its own shares.

Net Owned Fund

Section 45-IA of the RBI Act provides that to carry on the business of a NBFC, an entity would have to register as an NBFC with the RBI and would be required to have a minimum net owned fund of ₹20 million. For this purpose, the RBI Act has defined “net owned fund” to mean:

Net Owned Fund - The aggregate of the paid-up equity capital and free reserves as disclosed in the latest balance sheet of the company, after deducting (i) accumulated balance of losses, (ii) deferred revenue expenditure, (iii) deferred tax asset (net); and (iv) other intangible assets; and further reduced by the amounts representing,

- (i) investment by such companies in shares of (i) its subsidiaries, (ii) companies in the same group, (iii) other NBFCs; and
- (ii) the book value of debentures, bonds, outstanding loans and advances (including hire purchase and lease finance) made to, and deposits with (i) subsidiaries of such companies; and (ii) companies in the same group, to the extent such amount exceeds 10 per cent of (a) above.

Further, in accordance with RBI Notification No DNBR.007/CGM (CDS) 2015 dated 27 March 2015 which provides that a non banking financial company holding a certificate of registration issued by the RBI and having net owned fund of less than ₹20 million may continue to carry on the business of non banking financial institution, if such company achieves net owned fund of:

- (i) ₹ 10 million before April 1, 2016; and
- (ii) ₹ 20 million before April 1, 2017

Reserve Fund

In addition to the above, Section 45-IC of the RBI Act requires NBFCs to create a reserve fund and transfer therein a sum of not less than 20 per cent% of its net profits earned annually before declaration of dividend. Such a fund is to be created by every NBFC irrespective of whether it is a ND NBFC or not. Such sum cannot be appropriated by the NBFC except for the purpose as may be specified by the RBI from time to time and every such appropriation is required to be reported to the RBI within 21 days from the date of such appropriation.

Maintenance of liquid assets

The RBI through notification dated January 31, 1998, as amended has prescribed that every NBFC shall invest and continue to invest in unencumbered approved securities valued at a price not exceeding the current market price of such securities an amount which shall, at the close of business on any day be not less than 10% in approved securities and the remaining in unencumbered term deposits in any scheduled commercial bank; the aggregate of which shall not be less than 15% of the public deposit outstanding at the last working day of the second preceding quarter.

NBFCs such as the Company, which do not accept public deposits, are subject to lesser degree of regulation as compared to a NBFC-D and are governed by the RBI’s Non- Deposit Accepting Companies Directions.

An NBFC-ND is required to inform the RBI of any change in the address, telephone no’s, etc. of its Registered Office, names and addresses of its directors/auditors, names and designations of its principal officers, the specimen signatures of its authorised signatories, within one month from the occurrence of such an event. Further, an NBFC-ND would need to ensure that its registration with the RBI remains current.

All NBFCs (whether accepting public deposits or not) having an asset base of ₹1,000 million or more or holding public deposits of ₹ 2,000 million or more (irrespective of asset size) as per their last audited balance sheet are required to comply with the RBI Guidelines for an Asset-Liability Management System.

Similarly, all NBFCs are required to comply with “Know Your Customer Guidelines - Anti Money Laundering Standards” issued by the RBI, with suitable modifications depending upon the activity undertaken by the NBFC concerned.

RBI, vide circular bearing reference number RBI/2018-19/130 DNBR (PD) CC.No.097/03.10.001/2018-19 dated February 22, 2019, has harmonised different categories of NBFCs into fewer ones, based on the principle of regulation by activity rather than regulation by entity. Accordingly, RBI has merged the three categories of NBFCs viz. Asset Finance Companies (AFC), Loan Companies (LCs) and Investment Companies (ICs) into a new category called NBFC - Investment and Credit Company (NBFC-ICC). Further differential regulations relating to bank’s exposure to the three categories of NBFCs viz., AFCs, LCs and ICs were harmonised. Further, a deposit taking NBFC-ICC shall invest in unquoted shares of another company which is not a subsidiary company or a company in the same group of the NBFC, an amount not exceeding twenty per cent of its owned fund.

Reserve Bank of India (Know Your Customer (KYC)) Master Directions, 2016 dated February 25, 2016, as amended (“RBI KYC Directions”)

The RBI KYC Directions are applicable to every entity regulated by the RBI, specifically, scheduled commercial banks, regional rural banks, local area banks, primary (urban) co-operative banks, state and central co-operative banks, all India financial institutions, NBFCs, miscellaneous non-banking companies and residuary non-banking companies, amongst others. In terms of the RBI KYC Directions, every entity regulated thereunder is required to formulate a KYC policy which is duly approved by the board of directors of such entity or a duly constituted committee thereof. The KYC policy formulated in terms of the RBI KYC Directions is required to include four key elements, being customer acceptance policy, risk management, customer identification procedures and monitoring of transactions. It is advised that all NBFC’S adopt the same with suitable modifications depending upon the activity undertaken by them and ensure that a proper policy framework of anti-money laundering measures is put in place. The RBI KYC Directions provide for a simplified procedure for opening accounts by NBFCs. It also provides for an enhanced and simplified due diligence procedure. It has prescribed detailed instructions in relation to, inter alia, the due diligence of customers, record management, and reporting requirements to Financial Intelligence Unit – India. The RBI KYC Directions have also issued instructions on sharing of information while ensuring secrecy and confidentiality of information held by Banks and NBFCs. The regulated entities must also adhere to the reporting requirements under Foreign Account Tax Compliance Act and Common Reporting Standards. The RBI KYC Directions also require the regulated entities to ensure compliance with the requirements/obligations under international agreements. The regulated entities must also pay adequate attention to any money-laundering and financing of terrorism threats that may arise from new or developing technologies, and ensure that appropriate KYC procedures issued from time to time are duly applied before introducing new products/services/technologies. The RBI KYC Directions were updated on 20 April 2018 to enhance the disclosure requirements under the Prevention of Money-Laundering Act, 2002 and in accordance with the Prevention of Money-Laundering Rules vide Gazette Notification GSR 538 (E) dated June 1, 2017 and the final judgment of the Supreme Court in the case of Justice K.S. Puttaswamy (Retd.) & Another v. Union of India (Writ Petition (Civil) 494/2012). The Directions were updated to accommodate authentication as per the AADHAR (Targeted Delivery of Financial and Other Subsidies, Benefits and Services) Act, 2016 and use of an Indian resident’s Aadhar number as a document for the purposes of fulfilling KYC requirement.

Accounting Standards & Accounting policies

Subject to the changes in Indian Accounting Standards (“IAS”) and regulatory environment applicable to a NBFC we may change our accounting policies in the future and it might not always be possible to determine the effect on the statement of profit and loss of these changes in each of the accounting years preceding the change. In such cases profit/loss for the preceding years might not be strictly comparable with the profit/loss for the period for which such accounting policy changes are being made. The Ministry of Corporate Affairs has amended the existing IAS *vide* Companies (Indian Accounting Standards) (Amendment) Rules, 2017 on 17 March 2017 and the same shall be applicable to the Company from 01 April 2018.

Master Direction dated 29 September 2016 on Monitoring of Frauds in NBFCs (Reserve Bank) Directions, 2016

All NBFC-ND-SIs shall put in place a reporting system for frauds and fix staff accountability in respect of delays in reporting of fraud cases to the RBI. An NBFC-ND-SI is required to report all cases of fraud of ₹1 lac and above, and if the fraud is of ₹ 10 million or above, the report should be sent in the prescribed format within three weeks from the date of detection thereof. The NBFC-ND-SI shall also report cases of fraud by unscrupulous borrowers

and cases of attempted fraud.

Reporting by Statutory Auditor

The statutory auditor of the NBFC-ND is required to submit to the Board of Directors of the company along with the statutory audit report, a special report certifying that the Directors have passed the requisite resolution mentioned above, not accepted any public deposits during the year and has complied with the prudential norms relating to income recognition, accounting standards, asset classification and provisioning for bad and doubtful debts as applicable to it. In the event of non-compliance, the statutory auditors are required to directly report the same to the RBI.

Master Direction – Non-Banking Financial Companies Auditor’s Report (Reserve Bank) Directions, 2016

In addition to the report made by the auditor under Section 143 of the Companies Act, 2013 on the accounts of an NBFC-ND-SI, the auditor shall make a separate report to the Board of Directors of the company on *inter alia* examination of validity of certificate of registration obtained from the RBI, whether the NBFC is entitled to continue to hold such certificate of registration in terms of its Principal Business Criteria (financial asset / income pattern) as on 31 March of the applicable year, whether the NBFC is meeting the required net owned fund requirement, whether the board of directors has passed a resolution for non-acceptance of public deposits, whether the company has accepted any public deposits during the applicable year, whether the company has complied with the prudential norms relating to income recognition, accounting standards, asset classification and provisioning for bad and doubtful debts as applicable to it, whether the capital adequacy ratio as disclosed in the return submitted to the Bank in form NBS- 7, has been correctly arrived at and whether such ratio is in compliance with the minimum CRAR prescribed by the Bank, whether the company has furnished to the Bank the annual statement of capital funds, risk assets/exposures and risk asset ratio (NBS-7) within the stipulated period, and whether the non-banking financial company has been correctly classified as NBFC Micro Finance Institutions (MFI).

Master Direction- Non-Banking Financial Company Returns (Reserve Bank) Directions, 2016

All NBFCs are required to put in place a reporting system for filing various returns with the RBI. An NBFC-ND-SI is required to file on a quarterly basis a return on important financial parameters, including components of assets and liabilities, profit and loss account, exposure to sensitive sectors etc., NBS-7 on prudential norms on a quarterly basis, multiple returns on asset-liability management to address concerns regarding *inter alia* asset liability mismatches and interest rate risk, quarterly report on branch information, and Central Repository of Information on Large Credits (“**CRILC**”) on a quarterly basis as well as all Special Mention Accounts-2 (“**SMA-2**”) status on a weekly basis to facilitate early recognition of financial distress, prompt steps for resolution and fair recovery for lenders.

Master Direction on Information Technology Framework for the NBFC Sector, 2017

All systematically important NBFCs must implement the security enhancement requirements under the Master Direction with respect to enhancing security of its Information Technology/Information Security Framework (“**IT**”) business continuity planning, disaster recovery and management. NBFCs must constitute a IT Strategy Committee and IT Steering Committee and formulate an IT and Information Security Policy in furtherance of the same. Further, a Cyber Crisis Management Plan must be formulated to address cyber intrusions and attacks. It has to be implemented by applicable NBFCs by June 2018.

Directions on Managing Risks and Code of Conduct in Outsourcing of Financial Services by NBFCs, 2017

With a view to put in place necessary safeguards applicable to outsourcing of activities by NBFCs, the RBI has issued directions on managing risks and code of conduct in outsourcing of financial services by NBFCs (“**Risk Management Directions**”). The Risk Management Directions specify that core management functions like internal auditing, compliance functions, decision making functions such as compliance with KYC norms shall not be outsourced by NBFCs. Further, the Risk Management Directions specify that outsourcing of functions shall not limit its obligations to its customers.

Financing of NBFCs by bank

The RBI has issued guidelines *vide* a circular dated bearing number DBOD No. FSD. BC.46/24.01.028/2006-07 dated 12 December 2006 relating to the financial regulation of systemically important NBFC-NDs and the relationship of banks with such institutions. In particular, these guidelines prohibit banks from lending to NBFCs

for the financing of certain activities, such as (i) bill discounting or rediscounting, except where such discounting arises from the sale of commercial vehicles and two wheelers or three wheelers, subject to certain conditions; (ii) unsecured loans or corporate deposits by NBFCs to any company; (iii) investments by NBFCs both of current and long term nature, in any company; (iv) all types of loans and advances by NBFCs to their subsidiaries, group companies/entities; and (v) further lending to individuals for the purpose of subscribing to an initial public offer.

Norms for excessive interest rates

In addition, the RBI has introduced *vide* a circular bearing reference number RBI/ 2006-07/ 414 dated 24 May 2007 whereby RBI has requested all NBFCs to put in place appropriate internal principles and procedures in determining interest rates and processing and other charges. In addition to the aforesaid instruction, the RBI has issued a Master Circular on Fair Practices Code dated 01 July 2015 for regulating the rates of interest charged by the NBFCs. These circulars stipulate that the board of each NBFC is required to adopt an interest rate model taking into account the various relevant factors including cost of funds, margin and risk premium. The rate of interest and the approach for gradation of risk and the rationale for charging different rates of interest for different categories of borrowers are required to be disclosed to the borrowers in the application form and expressly communicated in the sanction letter. Further, this is also required to be made available on the NBFCs website or published in newspapers and is required to be updated in the event of any change therein. Further, the rate of interest would have to be an annualised rate so that the borrower is aware of the exact rates that would be charged to the account.

Supervisory Framework

In order to ensure adherence to the regulatory framework by systemically important ND-NBFCs, the RBI has directed such NBFCs to put in place a system for submission of an annual statement of capital funds, and risk asset ratio etc. as at the end of March every year, in a prescribed format. This return is to be submitted electronically within a period of three months from the close of every financial year. Further, a NBFC is required to submit a certificate from its statutory auditor that it is engaged in the business of non-banking financial institution with requirement to hold a certificate of registration under the RBI Act. This certificate is required to be submitted within one month of the date of finalisation of the balance sheet and in any other case not later than 30 December of that particular year. Further, in addition to the auditor's report under Section 143 of the Companies Act, 2013 the auditors are also required to make a separate report to the Board of Directors on certain matters, including correctness of the capital adequacy ratio as disclosed in the return NBS-7 to be filed with the RBI and its compliance with the minimum CRAR, as may be prescribed by the RBI. Where the statement regarding any of the items referred relating to the above, is unfavorable or qualified, or in the opinion of the auditor the company has not complied with the regulations issued by RBI, it shall be the obligation of the auditor to make a report containing the details of such unfavourable or qualified statements and/or about the non-compliance, as the case may be, in respect of the company to the concerned Regional Office of the Department of Non-Banking Supervision of the Bank under whose jurisdiction the registered office of the company is located.

Asset Liability Management

The RBI has prescribed the Guidelines for Asset Liability Management (“**ALM**”) System in relation to NBFCs (“**ALM Guidelines**”) that are applicable to all NBFCs through a Master Circular on Miscellaneous Instructions to All Non-Banking Financial Companies dated 01 July 2015. As per this Master Circular, the NBFCs (engaged in and classified as equipment leasing, hire purchase finance, loan, investment and residuary non-banking companies) meeting certain criteria, including, an asset base of ₹10,000 lacs, irrespective of whether they are accepting / holding public deposits or not, or holding public deposits of ₹2,000 lacs or more (irrespective of the asset size) as per their audited balance sheet as of 31 March 2001, are required to put in place an ALM system. The ALM Guidelines mainly address liquidity and interest rate risks. In case of structural liquidity, the negative gap (i.e. where outflows exceed inflows) in the 1 to 30/31 days' time-bucket should not exceed the prudential limit of 15 per cent of cash outflows of each time-bucket and the cumulative gap of up to one year should not exceed 15 per cent of the cumulative cash outflows of up to one year. In case these limits are exceeded, the measures proposed for bringing the gaps within the limit should be shown by a footnote in the relevant statement.

Foreign Investment Regulations

Foreign investment in Indian securities is regulated through the Consolidated Foreign Direct Investment (“**FDI**”) Policy and Foreign Exchange Management Act, 1999 (“**FEMA**”). The government bodies responsible for granting foreign investment approvals are the concerned ministries/ departments of the Government of India and

the RBI. The Union Cabinet has approved phasing out the Foreign Investment Promotion Board, as provided in the press release dated 24 May 2017. Accordingly, pursuant to the office memorandum dated 05 June 2017, issued by the Department of Economic Affairs, Ministry of Finance, approval of foreign investment under the FDI policy has been entrusted to concerned ministries/departments. Subsequently, the Department of Industrial Policy & Promotion (“**DIPP**”) issued the Standard Operating Procedure (SOP) for Processing FDI Proposals on 29 June 2017 (the “**SOP**”). The SOP provides a list of the competent authorities for granting approval for foreign investment for sectors/activities requiring Government approval. For sectors or activities that are currently under automatic route but which required Government approval earlier as per the extant policy during the relevant period, the concerned administrative ministry/department shall act as the competent authority (the “**Competent Authority**”) for the grant of post facto approval of foreign investment. In circumstances where there is a doubt as to which department shall act as the Competent Authority, the DIPP shall identify the Competent Authority. The DIPP has from time to time made policy pronouncements on FDI through press notes and press releases which are notified by RBI as amendment to FEMA. In case of any conflict FEMA prevails.

The Consolidated FDI Policy consolidates the policy framework in place as on 27 August 2017. Further, on 04 January 2018 the RBI released the Master Direction on Foreign Investment in India. Under the approval route, prior approval from the relevant ministry and competent authorities, as per the procedure established under the Standard Operating Procedure for Processing FDI Proposals (“**SOP**”) dated 29 June 2017 or RBI is required. FDI for the items/activities that cannot be brought in under the automatic route may be brought in through the approval route. Approvals are accorded on the recommendation of the FIPB, which is chaired by the Secretary, DIPP, with the Union Finance Secretary, Commerce Secretary and other key Secretaries of the Government of India as its members.

As per the sector specific guidelines of the Government of India, 100 per cent FDI/ Non-Resident Indian (“**NRI**”) investments are allowed under the automatic route in certain NBFC activities subject to compliance with guidelines of the RBI in this regard.

The Recovery of Debts due to Banks and Financial Institutions Act, 1993

The Recovery of Debts due to Banks and Financial Institutions Act, 1993 (the “**DRT Act**”) provides for establishment of the Debts Recovery Tribunals (the “**DRTs**”) for expeditious adjudication and recovery of debts due to banks and public financial institutions or to a consortium of banks and public financial institutions. Under the DRT Act, the procedures for recovery of debt have been simplified and time frames have been fixed for speedy disposal of cases. The DRT Act lays down the rules for establishment of DRTs, procedure for making application to the DRTs, powers of the DRTs and modes of recovery of debts determined by DRTs. These include attachment and sale of movable and immovable property of the defendant, arrest of the defendant and his detention in prison and appointment of receiver for management of the movable or immovable properties of the defendant.

The DRT Act also provides that a bank or public financial institution having a claim to recover its debt, may join an ongoing proceeding filed by some other bank or public financial institution, against its debtor, at any stage of the proceedings before the final order is passed, by making an application to the DRT.

Anti-Money Laundering

The RBI has issued a Master Circular dated 01 July 2015 to ensure that a proper policy frame work for the Prevention of Money Laundering Act, 2002 (“**PMLA**”) is put into place. The PMLA seeks to prevent money laundering and provides for confiscation of property derived from, or involved in money laundering and for other matters connected therewith or incidental thereto. It extends to all banking companies, financial institutions, including NBFCs and intermediaries. Pursuant to the provisions of PMLA and the RBI guidelines, all NBFCs are advised to appoint a principal officer for internal reporting of suspicious transactions and cash transactions and to maintain a system of proper record (i) for all cash transactions of value of more than ₹10 lacs; (ii) all series of cash transactions integrally connected to each other which have been valued below ₹10 lacs where such series of transactions have taken place within one month and the aggregate value of such transaction exceeds ₹10 lacs. Further, all NBFCs are required to take appropriate steps to evolve a system for proper maintenance and preservation of account information in a manner that allows data to be retrieved easily and quickly whenever required or when requested by the competent authorities. Further, NBFCs are also required to maintain for at least ten years from the date of transaction between the NBFCs and the client, all necessary records of transactions, both domestic or international, which will permit reconstruction of individual transactions (including the amounts and types of currency involved if any) so as to provide, if necessary, evidence for prosecution of persons involved in criminal activity.

Additionally, NBFCs should ensure that records pertaining to the identification of their customers and their address are obtained while opening the account and during the course of business relationship, and that the same are properly preserved for at least ten years after the business relationship is ended. The identification records and transaction data is to be made available to the competent authorities upon request.

RBI Notification dated 03 December 2015 titled “Anti-Money Laundering (AML)/ Combating of Financing of Terrorism (CFT) – Standards” states that all regulated entities (including NBFCs) are to comply with the updated FATF Public Statement and document ‘Improving Global AML/CFT Compliance: on-going process’ as on 23 October 2015.

The Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (“SARFAESI Act”)

The SARFAESI Act regulates the securitization and reconstruction of financial assets of banks and financial institutions. The RBI has issued guidelines to banks and financial institutions on the process to be followed for sales of financial assets to asset reconstruction companies. These guidelines provide that a bank or a financial institution or an NBFC may sell financial assets to an asset reconstruction company provided the asset is a Non - Performing Asset (“NPA”). Securitisation Companies and Reconstruction Companies (“SCs/RCs”) are required to obtain, for the purpose of enforcement of security interest, the consent of secured creditors holding not less than 60 per cent of the amount outstanding to a borrower as against 75 per cent. While taking recourse to the sale of secured assets in terms of Section 13(4) of the SARFAESI Act, a SC/RC may itself acquire the secured assets, either for its own use or for resale, only if the sale is conducted through a public auction.

As per the SARFAESI Amendment Act of 2004, the constitutional validity of which was upheld in a recent Supreme Court ruling, non-performing assets have been defined as an asset or account of a borrower, which has been classified by a bank or financial institution as sub-standard, doubtful or loss asset in accordance with directions or guidelines issued by the RBI. In case the bank or financial institution is regulated by a statutory body/authority, NPAs must be classified by such bank in accordance with guidelines issued by such regulatory authority. The RBI has issued guidelines on classification of assets as NPAs. Further, these assets are to be sold on a “without recourse” basis only.

The SARFAESI Act provides for the acquisition of financial assets by Securitization Company or Reconstruction Company from any bank or financial institution on such terms and conditions as may be agreed upon between them. A securitization company or reconstruction company having regard to the guidelines framed by the RBI may, for the purposes of asset reconstruction, provide for measures such as the proper management of the business of the borrower by change in or takeover of the management of the business of the borrower, the sale or lease of a part or whole of the business of the borrower and certain other measures such as rescheduling of payment of debts payable by the borrower; enforcement of security.

Additionally, under the provisions of the SARFAESI Act, any securitisation company or reconstruction company may act as an agent for any bank or financial institution for the purpose of recovering its dues from the borrower on payment of such fee or charges as may be mutually agreed between the parties.

Various provisions of the SARFAESI Act have been amended by the Enforcement of Security Interest and Recovery of Debt Laws and Miscellaneous Provisions (Amendment) Act, 2016 as also the Insolvency and Bankruptcy Code, 2016 (which amended S.13 of SARFAESI). As per this amendment, the Adjudicating Authority under the Insolvency and Bankruptcy Code, 2016 shall by order declare moratorium for prohibiting *inter alia* any action to foreclose, recover or enforce any security interest created by the corporate debtor in respect of its property including any action under the SARFAESI Act

Insolvency and Bankruptcy Code, 2016

The Insolvency and Bankruptcy Code, 2016 (Bankruptcy Code) was notified on August 5, 2016. The Bankruptcy Code offers a uniform and comprehensive insolvency legislation encompassing all companies, partnerships and individuals (other than financial firms). It allows creditors to assess the viability of a debtor as a business decision, and agree upon a plan for its revival or a speedy liquidation. The Bankruptcy Code creates a new institutional framework, consisting of a regulator, insolvency professionals, information utilities and adjudicatory mechanisms, which will facilitate a formal and time-bound insolvency resolution and liquidation process.

Companies Act, 2013

The Companies Act, 2013 (“**Companies Act**”) has been notified by the Government of India on 30 August 2013 (the “**Notification**”). Under the Notification, Section 1 of the Companies Act has come into effect and the remaining provisions of the Companies Act have and shall come into force on such dates as the Central Government has notified and shall notify. Section 1 of the Companies Act deals with the commencement and application of the Companies Act and among others sets out the types of companies to which the Companies Act applies. Further the Ministry of Corporate Affairs has by their notifications dated 12 September 2013 and 26 March 2014 notified certain sections of the Companies Act, which have come into force from 12 September 2013 and 01 April 2014.

The Companies Act provides for, among other things, changes to the regulatory framework governing the issue of capital by companies, corporate governance, audit procedures, corporate social responsibility, requirements for independent directors, director’s liability, class action suits, and the inclusion of women directors on the boards of companies. The Companies Act is complemented by a set of rules that set out the procedure for compliance with the substantive provisions of the Companies Act. As mentioned above, certain provisions of the Companies Act, 2013 have already come into force and the rest shall follow in due course.

Under the Companies Act every company having net worth of ₹ 5,000 million or more, or turnover of ₹ 10,000 million or more or a net profit of ₹ 50 million or more during the immediately preceding financial year shall formulate a corporate social responsibility policy. Further, the board of every such company shall ensure that the company spends, in every financial year, at least two per cent of the average net profits of the company made during the three immediately preceding financial years in pursuance of its corporate social responsibility policy.

Shops and Establishments legislations in various states

The provisions of various Shops and Establishments legislations, as applicable, regulate the conditions of work and employment in shops and commercial establishments and generally prescribe obligations in respect of *inter-alia* registration, opening and closing hours, daily and weekly working hours, holidays, leave, health, termination of services and safety measures and wages for overtime work.

Labour Laws

India has stringent labour related legislations. The Company is required to comply with certain labour laws, which include the Employees’ Provident Funds and Miscellaneous Provisions Act 1952, the Minimum Wages Act, 1948, the Payment of Bonus Act, 1965, Workmen Compensation Act, 1923, the Payment of Gratuity Act, 1972 and the Payment of Wages Act, 1936, amongst others.

Intellectual Property

Intellectual Property in India enjoys protection under both common law and statute. Under statute, India provides for patent protection under the Patents Act, 1970, copyright protection under the Copyright Act, 1957 and trademark protection under the Trade Marks Act, 1999. The above enactments provide for protection of intellectual property by imposing civil and criminal liability for infringement.

Debenture Redemption Reserve (“DRR”)

Section 71(4) of the Companies Act, 2013 mandates that where debentures are issued by any company, the company shall create a debenture redemption reserve out of the profits of the company available for payment of dividend. Rule 18 (7) of the Companies (Share Capital and Debentures) Rules, 2014, as amended by Companies (Share Capital and Debentures) Third Amendment Rules, 2016, dated July 19, 2016, further states that ‘the adequacy’ of DRR for NBFCs registered with the RBI under Section 45-IA of the RBI (Amendment) Act, 1997 shall be 25% of the value of outstanding debentures issued through a public issue as per the SEBI Debt Regulations. Accordingly, our Company is required to create a DRR of 25% of the value of the NCDs, outstanding as on date, issued through the Issue. In addition, as per Rule 18 (7)(e) under Chapter IV of the Companies Act, 2013, the amounts credited to DRR shall not be utilised by our Company except for the redemption of the NCDs. The Rules further mandate that every company required to maintain DRR shall deposit or invest, as the case may be, before the 30th day of April of each year a sum which shall not be less than 15% of the amount of its debentures maturing during the year ending on the 31st day of March of the next year in any one or more following methods: (a) in deposits with any scheduled bank, free from charge or lien; (b) in unencumbered securities of the Central Government or of any State Government; (c) in unencumbered securities mentioned in clauses (a) to (d) and (ee) of Section 20 of the Indian Trusts Act, 1882; (d) in unencumbered bonds issued by any other company which is notified under clause (f) of Section 20 of the Indian Trusts Act, 1882. The abovementioned amount deposited or invested, must not be utilized for any purpose other than for the repayment of debentures maturing during the year provided that the amount remaining deposited or invested must not at any time fall below 15% of the amount of

debentures maturing during year ending on 31st day of March of that year.

Subject to the provisions of the Act and these Articles, the shares in the capital of the Company shall be under the control of the Board who may issue, allot or otherwise dispose of the same or any of them to such persons, in such proportion and on such terms and conditions and either at par or at a premium and at such time as they may from time to time think fit.
4. Subject to the provisions of the Act and these Articles, the Board may issue and allot shares in the capital of the Company on payment or part payment for any property or assets of any kind, whatsoever, sold or transferred, goods or machinery supplied or for services rendered to the Company in the conduct of its business and any shares which may be so allotted may be issued either as fully paid-up or partly paid-up otherwise than for cash.

5. The Company may issue the following kinds of shares in accordance with these Articles, the Act and other applicable laws:
 - (a) Equity Share Capital:
 - (i) With voting right; and/or
 - (ii) With differential rights as to dividend, voting or otherwise in accordance with the Act; and
 - (b) Preference Share Capital.
6. A Person subscribing to the securities of the Company shall have the option either to receive certificates for such securities or hold such securities in a dematerialised state with a depository. Where a person opts to hold any securities with the depository, the Company shall intimate such depository the details of the securities to enable the depository to enter in its records the name of such person as the beneficial owner of such securities.
7.
 - (1) The Company may exercise the powers of paying commission conferred by the Act to any person in connection with the subscription to its securities, provided that the rate per cent or the amount of the commission paid or agreed to be paid shall be disclosed in the manner required by the Act.
 - (2) The rate or amount of the commission shall not exceed the rate or amount prescribed in the Act.
8.
 - (1) If at any time the share capital of the Company is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class) may, subject to the provisions of the Act, and whether or not the Company is being wound up, be varied with the consent in writing of the holders of the issued shares of that class, or with the sanction of a resolution passed at a separate meeting of the holders of the shares of that class as prescribed by the Act.
 - (2) The provisions of this Article shall *mutatis mutandis* apply to other securities including debentures of the Company.
 - (3) To every such separate meeting, the provisions of these Articles relating to general meetings shall *mutatis mutandis* apply.
9. The rights conferred upon the holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of shares of that class, be deemed to be varied by the creation or issue of further shares ranking *pari passu* therewith.
10. Subject to the provisions of the Act, the Board shall have the power to issue preference shares of one or more classes which are liable to be redeemed, or converted in to equity shares or other securities, on such terms and conditions and in such manner as determined by the Board in accordance with the Act.
11. A further issue of securities may be made in any manner and on such terms, whatsoever, as the Board may determine including by way of preferential offer or private placement, subject to and in accordance with the Act.

LIEN

12.
 - (1) The Company shall have a first and paramount lien—
 - (a) on every share (not being a fully paid share), for all monies (whether presently payable or not) called, or payable at a fixed time, in respect of that share; and
 - (b) on all shares (not being fully paid shares) standing registered in the name of a person, for all monies presently payable by him or his estate to the Company: Provided that the Board may at any time declare any share to be wholly or in part exempt from the provisions of this clause.

- (2) The Company's lien, if any, on a share shall extend to all dividends or interest, as the case may be, payable and bonuses declared from time to time in respect of such shares for any money owing to the Company.
13. The Company may sell, in such manner as the Board thinks fit, any shares on which the Company has a lien:
- Provided that no sale shall be made—
- (a) unless a sum in respect of which the lien exists is presently payable; or
- (b) until the expiration of fourteen days after a notice in writing stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share or the person entitled thereto by reason of his death or insolvency or otherwise.
- 14.
- (1) To give effect to any such sale, the Board may authorise a person to transfer the shares sold to the purchaser thereof.
- (2) The purchaser shall be registered as the holder of the shares comprised in any such transfer.
- (3) The receipt of the Company for the consideration (if any) given for the share on the sale thereof shall (subject, if necessary, to execution of an instrument of transfer or a transfer by relevant system, as the case may be) constitute a good title to the share and the purchaser shall be registered as the holder of the share.
- (4) The purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings with reference to the sale.
- 15.
- (1) The proceeds of the sale shall be received by the Company and applied in the payment of such part of the amount in respect of which the lien exists as is presently payable.
- (2) The residue, if any, shall, subject to a like lien for sums not presently payable as existed upon the shares before the sale, be paid to the person entitled to the shares at the date of the sale.
16. In exercising its lien, the Company shall be entitled to treat the registered holder of any share as the absolute owner thereof and accordingly shall not (except as ordered by a court of competent jurisdiction or unless required by any statute) be bound to recognise any equitable or other claim to, or interest in, such share on the part of any other person, whether a creditor of the registered holder or otherwise. The Company's lien shall prevail notwithstanding that it has received notice of any such claim.
17. The provisions of these Articles relating to lien shall *mutatis mutandis* apply to any other securities including debentures of the Company.

ALTERATION OF CAPITAL

18. Subject to the provisions of the Act, the Company may, by an ordinary resolution:
- (a) increase the share capital by such sum, to be divided into shares of such amount, as it may think expedient;
- (b) consolidate and divide all or any of its share capital into shares of larger amount than its existing shares; provided that any consolidation and division which results in changes in the voting percentage of members shall require applicable approvals under the Act;
- (c) convert all or any of its fully paid-up shares into stock, and reconvert that stock into fully paid-up shares of any denomination;

- (d) sub-divide its existing shares or any of them into shares of smaller amount than is fixed by the Memorandum;
- (e) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person.

19. Where shares are converted into stock-

- (a) the holders of stock may transfer the same or any part thereof in the same manner as, and subject to the same Articles under which, the shares from which the stock arose might before the conversion have been transferred, or as near thereto as circumstances admit:

Provided that the Board may, from time to time, fix the minimum amount of stock transferable, so, however, that such minimum shall not exceed the nominal amount of the shares from which the stock arose.

- (b) the holders of stock shall, according to the amount of stock held by them, have the same rights, privileges and advantages as regards dividends, voting at meetings of the Company, and other matters, as if they held the shares from which the stock arose; but no such privilege or advantage (except participation in the dividends and profits of the Company and in the assets on winding up) shall be conferred by an amount of stock which would not, if existing in shares, have conferred that privilege or advantage.
- (c) such of these Articles of the Company as are applicable to paid-up shares shall apply to stock and the words “share” and “shareholder”/”member” in those Regulations shall include “stock” and “stock-holder” respectively.

20. The Company may, by a resolution, or as may be prescribed by the Act, reduce in any manner and in accordance with the provisions of the Act:

- (a) its share capital; and/or
- (b) any capital redemption reserve account; and/or
- (c) any security premium account; and/or
- (d) any other reserve in the nature of share capital.

CAPITALISATION OF PROFITS

21.

- (1) The Company by an ordinary resolution may, upon the recommendation of the Board, resolve—
 - (a) that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the Company’s Reserve Account(s), or to the credit of the profit and loss account, or otherwise available for distribution; and
 - (b) that such sum be accordingly set free for distribution in the manner specified in clause (2) below amongst the members who would have been entitled thereto, if distributed by way of dividend and in the same proportions.
- (2) The sum aforesaid shall not be paid in cash but shall be applied, subject to the provision contained in clause (3) hereunder, either in or towards—
 - (a) paying up any amounts for the time being unpaid on any shares held by such members respectively;

- (b) paying up in full, unissued shares or other securities of the Company to be allotted and distributed, credited as fully paid-up, to and amongst such members in the proportions aforesaid;
 - (c) partly in the way specified in sub-clause (a) and partly in that specified in sub-clause (b);
 - (3) The Securities Premium Account and a Capital Redemption Reserve Account may, for the purposes of this Article, be applied in the paying up of un-issued shares to be issued to the members of the Company as fully paid bonus shares;
 - (4) The Board shall give effect to the resolution passed by the Company in pursuance of this Article.
- 22.
- (1) Whenever such a resolution as aforesaid shall have been passed, the Board shall—
 - (a) make all appropriations and applications of the amount resolved to be capitalised thereby, and all allotments and issues of fully paid shares or other securities if any; and
 - (b) generally do all acts and things required to give effect thereto.
 - (2) The Board shall have power—
 - (a) to make such provisions, by the issue of fractional certificates/coupons or by payment in cash or otherwise as it thinks fit, for the case of shares or other securities becoming distributable in fractions; and
 - (b) to authorise any person to enter, on behalf of all the members entitled thereto, into an agreement with the Company providing for the allotment to them respectively, credited as fully paid-up, of any further shares or other securities to which they may be entitled upon such capitalisation, or as the case may require, for the payment by the Company on their behalf, by the application thereto of their respective proportions of profits resolved to be capitalised, of the amount or any part of the amounts remaining unpaid on their existing shares;
 - (3) Any agreement made under such authority shall be effective and binding on such members.

BUY-BACK OF SHARES

23. Notwithstanding anything contained in these Articles but subject to all applicable provisions of the Act or any other law for the time being in force, the Company may purchase its own shares or other specified securities as per the Act.

GENERAL MEETINGS

24. All general meetings other than Annual General Meeting shall be called Extraordinary General Meeting.
25. The Board may, whenever it thinks fit, call an Extraordinary General Meeting.
26. If at any time the Directors capable of acting who are sufficient in number to form a quorum are not within India, any Director or any two members of the Company may call an Extraordinary General Meeting in the same manner, as nearly as possible, as that in which such a meeting may be called by the Board.

PROCEEDINGS AT GENERAL MEETINGS

- 27.
- (1) No business shall be transacted at any general meeting unless a quorum of members is present at the time when the meeting proceeds to business.

- (2) The quorum for the general meetings shall be as provided in the Act.
28. No business shall be discussed or transacted at any general meeting except the election of Chairperson, whilst the chair is vacant.
29. The Chairperson, if any, of the Board shall preside as a Chairperson at every general meeting of the Company.
30. If there is no such Chairperson, or if he is not present within fifteen minutes after the time appointed for holding the meeting, or is unwilling to act as Chairperson of the meeting, the Directors present shall elect one of their members to be Chairperson of the meeting.
31. If at any meeting no Director is willing to act as Chairperson or if no Director is present within fifteen minutes after the time appointed for holding the meeting, the members present shall choose one of their members to be Chairperson of the meeting.
32. On any business at any general meeting, in case of an equality of votes, whether on a show of hands or electronically or on a poll, the Chairperson shall have a second or casting vote.

ADJOURNMENT OF GENERAL MEETING

33.
 - (1) The Chairperson may, suo moto, or with the consent of the meeting at which the quorum is present and, if so directed by the meeting, adjourn the meeting from time to time and from place to place.
 - (2) No business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.
 - (3) When a meeting is adjourned for thirty days or more, notice of the adjourned meeting shall be given as in the case of an original meeting.
 - (4) Save as aforesaid, and as provided in the Act, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.

If any member be a minor, the vote in respect of his share(s) shall be by his guardian or any one of his guardians.

38. Any business other than that upon which a poll has been demanded may be proceeded with, pending the taking of the poll.
39. No member shall be entitled to vote at any general meeting unless all calls or other sums presently payable by him in respect of shares in the Company have been paid or in regard to which the Company has exercised the right of lien.
40. No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the Chairperson of the meeting, whose decision shall be final and conclusive.

PROXY

41.
 - (1) Any member entitled to attend and vote at a general meeting may do so either personally or through his constituted attorney or through another person as a proxy on his behalf, subject to the provisions of the Act.
 - (2) The instrument appointing a proxy and the power-of-attorney or other authority, if any, under which it is signed or a notarised copy of that power or authority, shall be deposited at the registered office of the company not less than 48 hours before the time for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote, or, in the case of a poll, not less than 24 hours before the time appointed for the taking of the poll; and in default the instrument of proxy shall not be treated as valid.
42. An instrument appointing a proxy shall be in the form as prescribed in the Act.
43. A vote given in accordance with the terms of an instrument of proxy shall be valid, notwithstanding the previous death or insanity of the principal or the revocation of the proxy or of the authority under which the proxy was executed, or the transfer of the shares in respect of which the proxy is given:

Provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the Company at its office before the commencement of the meeting or adjourned meeting at which the proxy is used.

Subject to the provisions of the Act and these Articles (including provisions contained in Part B), the shares in the capital of the Company shall be under the control of the Board who may issue, allot or otherwise dispose of the same or any of them to such persons, in such proportion and on such terms and conditions and either at par or at a premium and at such time as they may from time to time think fit.
- 75. Subject to the provisions of the Act and these Articles (including provisions contained in Part B), the Board may issue and allot shares in the capital of the Company on payment or part payment for any property or assets of any kind, whatsoever, sold or transferred, goods or machinery supplied or for services rendered to the Company in the conduct of its business and any shares which may be so allotted may be issued either as fully paid-up or partly paid-up otherwise than for cash.
- 76. The Company may issue the following kinds of shares in accordance with these Articles , the Act and other applicable laws:
 - (c) Equity Share Capital:
 - (iii) With voting right; and/or
 - (iv) With differential rights as to dividend, voting or otherwise in accordance with the Act; and
 - (d) Preference Share Capital.
- 77. A Person subscribing to the securities of the Company shall have the option either to receive certificates for such securities or hold such securities in a dematerialised state with a depository. Where a person opts to hold any securities with the depository, the Company shall intimate such depository the details of the securities to enable the depository to enter in its records the name of such person as the beneficial owner of such securities.
- 78.
 - (3) The Company may exercise the powers of paying commission conferred by the Act to any person in connection with the subscription to its securities, provided that the rate per cent or the amount of the commission paid or agreed to be paid shall be disclosed in the manner required by the Act.
 - (4) The rate or amount of the commission shall not exceed the rate or amount prescribed in the Act.

- 79.
- (4) Subject to the provisions contained in Part B of these Articles, if at any time the share capital of the Company is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class) may, subject to the provisions of the Act, and whether or not the Company is being wound up, be varied with the consent in writing of the holders of the issued shares of that class, or with the sanction of a resolution passed at a separate meeting of the holders of the shares of that class as prescribed by the Act.
 - (5) The provisions of this Article shall *mutatis mutandis* apply to other securities including debentures of the Company.
 - (6) To every such separate meeting, the provisions of these Articles relating to general meetings shall *mutatis mutandis* apply.
80. The rights conferred upon the holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of shares of that class, be deemed to be varied by the creation or issue of further shares ranking *pari passu* therewith.
81. Subject to the provisions of the Act and Part B of these Articles, the Board shall have the power to issue preference shares of one or more classes which are liable to be redeemed, or converted in to equity shares or other securities, on such terms and conditions and in such manner as determined by the Board in accordance with the Act.
82. Subject to Part B of these Articles, any further issue of securities may be made in any manner and on such terms, whatsoever, as the Board may determine including by way of preferential offer or private placement, subject to and in accordance with the Act.

LIEN

- 83.
- (3) The Company shall have a first and paramount lien—
 - (c) on every share (not being a fully paid share), for all monies (whether presently payable or not) called, or payable at a fixed time, in respect of that share; and
 - (d) on all shares (not being fully paid shares) standing registered in the name of a person, for all monies presently payable by him or his estate to the Company: Provided that the Board may at any time declare any share to be wholly or in part exempt from the provisions of this Article.
 - (4) The Company's lien, if any, on a share shall extend to all dividends or interest, as the case may be, payable and bonuses declared from time to time in respect of such shares for any money owing to the Company.
84. The Company may sell, in such manner as the Board thinks fit, any shares on which the Company has a lien:
- Provided that no sale shall be made—
- (c) unless a sum in respect of which the lien exists is presently payable; or
 - (d) until the expiration of fourteen days after a notice in writing stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share or the person entitled thereto by reason of his death or insolvency or otherwise.
- 85.
- (5) To give effect to any such sale, the Board may authorise a person to transfer the shares sold to the purchaser thereof.
 - (6) The purchaser shall be registered as the holder of the shares comprised in any such transfer.

- (7) The receipt of the Company for the consideration (if any) given for the share on the sale thereof shall (subject, if necessary, to execution of an instrument of transfer or a transfer by relevant system, as the case may be) constitute a good title to the share and the purchaser shall be registered as the holder of the share.
 - (8) The purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings with reference to the sale.
- 86.
- (3) The proceeds of the sale shall be received by the Company and applied in the payment of such part of the amount in respect of which the lien exists as is presently payable.
 - (4) The residue, if any, shall, subject to a like lien for sums not presently payable as existed upon the shares before the sale, be paid to the person entitled to the shares at the date of the sale.
87. In exercising its lien, the Company shall be entitled to treat the registered holder of any share as the absolute owner thereof and accordingly shall not (except as ordered by a court of competent jurisdiction or unless required by any statute) be bound to recognise any equitable or other claim to, or interest in, such share on the part of any other person, whether a creditor of the registered holder or otherwise. The Company's lien shall prevail notwithstanding that it has received notice of any such claim.
88. The provisions of these Articles (including provisions contained in Part B) relating to lien shall *mutatis mutandis* apply to any other securities including debentures of the Company.

ALTERATION OF CAPITAL

89. Subject to the provisions of the Act and the provisions contained in Part B of these Articles, the Company may, by an ordinary resolution:-
- (f) increase the share capital by such sum, to be divided into shares of such amount, as it may think expedient;
 - (g) consolidate and divide all or any of its share capital into shares of larger amount than its existing shares; provided that any consolidation and division which results in changes in the voting percentage of members shall require applicable approvals under the Act;
 - (h) convert all or any of its fully paid-up shares into stock, and reconvert that stock into fully paid-up shares of any denomination;
 - (i) sub-divide its existing shares or any of them into shares of smaller amount than is fixed by the Memorandum;
 - (j) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person.
90. Where shares are converted into stock,—
- (d) the holders of stock may transfer the same or any part thereof in the same manner as, and subject to the same Articles under which, the shares from which the stock arose might before the conversion have been transferred, or as near thereto as circumstances admit:

Provided that the Board may, from time to time, fix the minimum amount of stock transferable, so, however, that such minimum shall not exceed the nominal amount of the shares from which the stock arose.
 - (e) the holders of stock shall, according to the amount of stock held by them, have the same rights, privileges and advantages as regards dividends, voting at meetings of the Company, and other

matters, as if they held the shares from which the stock arose; but no such privilege or advantage (except participation in the dividends and profits of the Company and in the assets on winding up) shall be conferred by an amount of stock which would not, if existing in shares, have conferred that privilege or advantage.

- (f) such of these Articles of the Company as are applicable to paid-up shares shall apply to stock and the words “share” and “shareholder”/”member” in those Regulations shall include “stock” and “stock-holder” respectively.

91. Subject to the provisions contained in Part B of these Articles, the Company may, by a resolution, or as may be prescribed by the Act, reduce in any manner and in accordance with the provisions of the Act:-

- (e) its share capital; and/or
- (f) any capital redemption reserve account; and/or
- (g) any security premium account; and/or
- (h) any other reserve in the nature of share capital.

CAPITALISATION OF PROFITS

92.

- (5) Subject to the provisions contained in Part B of these Articles, the Company by an ordinary resolution may, upon the recommendation of the Board, resolve—
 - (c) that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the Company’s Reserve Account(s), or to the credit of the profit and loss account, or otherwise available for distribution; and
 - (d) that such sum be accordingly set free for distribution in the manner specified in clause (2) below amongst the members who would have been entitled thereto, if distributed by way of dividend and in the same proportions.
- (6) The sum aforesaid shall not be paid in cash but shall be applied, subject to the provision contained in clause (3) hereunder, either in or towards—
 - (d) paying up any amounts for the time being unpaid on any shares held by such members respectively;
 - (e) paying up in full, unissued shares or other securities of the Company to be allotted and distributed, credited as fully paid-up, to and amongst such members in the proportions aforesaid;
 - (f) partly in the way specified in sub-clause (a) and partly in that specified in sub-clause (b);
- (7) The Securities Premium Account and a Capital Redemption Reserve Account may, for the purposes of this Article, be applied in the paying up of un-issued shares to be issued to the members of the Company as fully paid bonus shares;
- (8) Subject to the provisions contained in Part B of these Articles, the Board shall give effect to the resolution passed by the Company in pursuance of this Article.

93.

- (4) Whenever such a resolution as aforesaid shall have been passed, the Board shall—
 - (a) make all appropriations and applications of the amount resolved to be capitalised thereby, and all allotments and issues of fully paid shares or other securities if any; and
 - (b) generally do all acts and things required to give effect thereto.
- (5) The Board shall have power—

- (c) to make such provisions, by the issue of fractional certificates/coupons or by payment in cash or otherwise as it thinks fit, for the case of shares or other securities becoming distributable in fractions; and
 - (d) to authorise any person to enter, on behalf of all the members entitled thereto, into an agreement with the Company providing for the allotment to them respectively, credited as fully paid-up, of any further shares or other securities to which they may be entitled upon such capitalisation, or as the case may require, for the payment by the Company on their behalf, by the application thereto of their respective proportions of profits resolved to be capitalised, of the amount or any part of the amounts remaining unpaid on their existing shares;
- (6) Any agreement made under such authority shall be effective and binding on such members.

BUY-BACK OF SHARES

94. Subject to the provisions contained in Part B of these Articles and all applicable provisions of the Act or any other law for the time being in force, the Company may purchase its own shares or other specified securities as per the Act.

- (a) So long as the Investor continues to hold at least the Threshold Shareholding on a Fully Diluted Basis, the Investor shall be entitled to appoint 1 (one) member on each of the other committees of the Board (including but not limited to the nomination and remuneration committee, audit committee, asset liability management committee) and the committees of the Company as mandatorily required to be constituted under Applicable Law. It is hereby clarified that committees which are not committees of the Board of Directors, the Investor shall have the right to appoint 1 (one) Investor Nominee Director as its representative on such committees provided however the Investor shall have the right to appoint an individual other than an Investor Nominee Director as its representative on the asset liability management committee of the Company.
- (b) All provisions contained in Article 3 and Article 4 relating to the Board and its meetings, including provisions on notice, agenda, quorum, proceedings and voting shall *mutatis- mutandis* apply to all committees/sub-committees of the Board and of the Company (including the committees specified in Article 4.1 and Article 4.2(a) above) established from time to time and on which the Investor has nominated its representative(s).
- (c) The Board and the Company shall constitute and maintain all committees required to be constituted under Applicable Law in compliance thereof. In addition, the Board and the Company shall be empowered to constitute and maintain any other committees as it deems fit.
- (d) On and with effect from the Effective Date, the nomination and remuneration committee shall have such terms of reference and mandate as may be agreed by the Investor, the Promoter 1 and the Company. Any change in the terms of reference of the nomination and remuneration committee shall be subject to prior written consent of the Investor unless such change is required under Applicable Law.

5. GENERAL MEETINGS

- 5.1. The Company shall hold not less than one general meeting of the Shareholders ("**Shareholders' Meeting**") in any given calendar year.
- 5.2. Notwithstanding anything contained in the Act, the Board shall, either by itself or at the requisition made by the Shareholders or by their respective Nominee Director(s) ("**Requisition**"), call an extra-ordinary general meeting of the Shareholders in accordance with this Article 5.2. The Requisition shall set out the matter consideration for which the Shareholders' Meeting is to be called. Within 10 (ten) days from the date of the receipt of the Requisition by the Board, the Board shall proceed to call a meeting for consideration of that matter on a day not later than 35 (thirty-five) days from the date of the receipt of the Requisition. It is clarified that any Shareholders' Meeting convened by the Board pursuant to a Requisition under this Article 5.2 shall be called and be held in the same manner in which any other meeting is called and held by the Board and shall be in compliance with the provisions of this Article 5 and the Act.
- 5.3. Notwithstanding anything contained in the Act, no Shareholders' Meeting shall be held unless at least 21 (twenty one) days' written notice of that meeting has been given to each Shareholder, *provided that* subject to the Applicable Law, where, the Shareholders' Meeting is required to make a decision in circumstances in which the foregoing notice requirements cannot be observed, such notice requirements may be waived or reduced, with the prior written consent of the Investor and the Promoters. The notice shall be accompanied by an explanatory statement containing all relevant material relating to the agenda for the Shareholders' Meeting with all necessary information and copies of all supporting documents to enable the Shareholders to make a fully informed decision on the issue in question at such Shareholders' Meeting.
- 5.4. The quorum for the Shareholders' Meeting shall be in accordance with the Act; *provided however that*, if in a meeting business concerning any Investor Reserved Matter is proposed to be discussed or dealt with, presence of at least 1 (one) representative of the Investor shall be required to constitute a valid quorum at any Shareholders' Meeting subject to Article 7. If within 30 minutes from the time scheduled for a Shareholders' Meeting, such meeting is held to be inquorate or if at any time during the meeting the requisite quorum is no longer present, such meeting shall be reconvened at the same time and at the same place 5 (five) Business Days later ("**Adjourned Meeting**"). If the quorum requirements as set out in this Article 5.4 are not met at such Adjourned Meeting, then the members present at such Adjourned Meeting (subject to meeting the statutory quorum requirements under the Act) shall constitute a quorum, provided that no action or resolution on any Reserved Matter shall be taken in such meeting other than in accordance with Article 7.
- 5.5. Subject to Article 5.6 below, a resolution passed at the Shareholders Meeting, whether considered at a Shareholders Meeting or through postal ballot, shall be adopted in accordance with the voting majority specified in the Act; *provided however that*, any decision on any matter that is a Reserved Matter shall not be taken other than in accordance with Article 7.
- 5.6. The Investor shall be entitled to voting rights on a Fully Diluted Basis in each Shareholders' Meeting of the Company. Until the conversion of the Investor CCDs, each Promoter shall vote in accordance with the instructions of the Investor at a Shareholders' Meeting, in respect of such number of Equity Shares held by each of them such that the Investor's voting rights on a Fully Diluted Basis are given effect to.

6. BUSINESS PLAN AND ANNUAL BUDGET

The Business Plan outlines the manner in which the Company and its Subsidiaries shall conduct the Business. The Annual Budget shall be prepared, approved, adopted and/or revised/modified in accordance with the SHA at all times. The Company shall endeavour on a best efforts basis to operate the Business in accordance with the Business Plan, the Annual Budget of the relevant Financial Year, the provisions of this Part and the Applicable Law. The Company and the Promoters shall endeavour on a best efforts basis to cause each of Company's Subsidiaries to operate their respective business in accordance with the Business Plan, the Annual Budget of the relevant Financial Year, the provisions of this Part and the Applicable Law.

7. RESERVED MATTERS

7.1. Notwithstanding anything contained in this Part, as long as the Investor holds at least the Threshold Shareholding on a Fully Diluted Basis, the Company, its Board, or its committees or any Shareholders, Directors, employees of the Company shall not take any action or decision or make any determination or pass any resolution (whether at a Shareholders' Meeting, Board meeting, meeting of the committees of the Board, resolution by circulation or otherwise) unless:

- (i) in respect of the Board Reserved Matters: (A) the Investor Nominee Director(s) present at the Scheduled Board Meeting (or the Postponed Board Meeting) vote in favour of such Board Reserved Matter, (B) an Investor Nominee Director has notified the Company of his /her consent to the Board Reserved Matter prior to the Scheduled Board Meeting or Postponed Board Meeting; or (C) if such matter has been referred by an Investor Nominee Director to the Investor pursuant to a Notice for Shareholders Consideration either prior to the Scheduled Board Meeting or the Postponed Board Meeting, as the case may be, and is subsequently approved by the Investor in accordance with Article 7.1(ii) below, *provided however*, if the Investor Nominee Directors are not present in the Scheduled Board Meeting (and in the Postponed Board Meeting), and a Notice for Shareholders Consideration has not been issued by the Investor Nominee Director(s) any time prior to the date of the Postponed Board Meeting then the Directors present at such Postponed Board Meeting may decide on the Board Reserved Matter; and
- (ii) in respect of the Investor Reserved Matters (including the Board Reserved Matters that have been referred to the Investor by the Investor Nominee Director), the Investor has provided its written consent either prior to the Shareholders Meeting or at the Shareholders Meeting, *provided however*, if the Investor has not notified the Company of its dissent on an Investor Reserved Matter (including a Board Reserved Matter that has been referred to the Investor by the Investor Nominee Director) anytime prior to the Adjourned Meeting, and is not present in the Shareholders Meeting or the Adjourned Meeting, then the Shareholders present and voting in the Adjourned Meeting may decide on the Investor Reserved Matter.

Provided further that, (A) if the Investor's shareholding in the Company falls to below such percentage of the Share Capital as mentioned in the SHA on a Fully Diluted Basis, then neither the consent of the Investor nor the specific consent of any Investor Nominee Director shall be required for any decision of the Company or its Subsidiaries on any Identified Reserved Matter; and (B) if the Investor's shareholding in the Company falls below such percentage of the Share Capital as mentioned in the SHA on a Fully Diluted Basis, then the Investor Nominee Director's right to issue a Notice for Shareholders Consideration and to refer the Board Reserved Matter to the Shareholders shall fall away, in which case, the Investor Nominee Director shall be entitled to exercise its reserved matter right under this Article 7 on the Board Reserved Matters either in the Board Meeting or by giving prior notice of his /her consent or dissent to the Company, so long as the Investor continues to hold the Threshold Shareholding on a Fully Diluted Basis.

7.2. Any decision made, action taken or resolution passed in violation of this Article 7 shall be void and shall not be valid or binding on the Company. In the event a decision is made or a resolution is passed contrary to the provisions of this Article 7, the Company shall not, and the Promoters shall procure that the Company shall not, give effect to, or not take any action pursuant to, such decision or resolution unless the Investor's prior written consent is obtained.

7.3. As long as the Investor holds at least the Threshold Shareholding on a Fully Diluted Basis, the Subsidiaries of the Company shall not take any decision or perform any action or make any determination or pass any resolution (whether at a shareholders' meeting, board meeting, meeting of committees of the board, resolution by circulation or otherwise) in respect of any of the Reserved Matters as set out in SCHEDULE 1 (List of Reserved Matters) other than in accordance with this Article 7. The processes set out in Articles (i) and (ii) of Clause 7.1 shall apply *mutatis mutandis* to the exercise of the Reserved Matters in the Subsidiaries of the Company and the manner of exercise of such right by the Investor and the obligations of the Company and the Promoters to give effect to such right of the Investor shall be as set out in the SHA.

8. TRANSFERS

8.1. **General**

No Shareholder shall Transfer the Equity Securities held by it in the Company other than in accordance with the provisions of this Part. If any Transfer of Equity Securities of the Company is made in violation of the provisions of this Part, such Transfer shall be null and void and shall not be binding on the Company and Parties hereto.

8.2. **Restriction on Transfer by Promoters and Permitted Transfers**

- (a) Notwithstanding anything contained in this Part, as long as the Investor holds at least the Threshold Shareholding on a Fully Diluted Basis: (A) the Promoter 1 shall continue to remain in Control of the Company, and (B) the Promoters shall not Transfer any of their Equity Securities in the Company to any Person without the prior written consent of the Investor ("**Promoter Lock-In**"); *provided that*, subject to Article 8.2(b), Article 8.2(c) and Article 8.5 below, the prior written consent of the Investor shall not be required for any Transfer of Equity Securities by:
- (i) the Promoters to any Person up to the thresholds and other terms and conditions prescribed under the SHA pertaining to liquidity transfers.
 - (ii) a Promoter to a direct or indirect wholly owned Subsidiary of Promoter 1 ("**Permitted Transferees**"). Notwithstanding anything to the contrary contained herein, a Transfer of Equity Securities held by a Promoter to a Permitted Transferee shall not be subject to the provisions contained in Article 8.4 and Article 8.5.

Any Person who acquires Equity Securities in the Company from Promoters pursuant to a Liquidity Transfer shall not under any agreement with the Company and/or the Promoters or otherwise acquire any veto /consent /affirmative vote right on any action by the Company. Notwithstanding any Liquidity Transfer by the Promoters, Promoter 1 shall continue to remain in Control of the Company as long as the Investor holds at least the Threshold Shareholding on a Fully Diluted Basis.

- (b) The Promoter 1 shall ensure that each of the Permitted Transferees shall continue to be Permitted Transferees at all times. If a Permitted Transferee ceases to be a Permitted Transferee, then the Promoters shall cause such Permitted Transferee to promptly transfer all its Equity Securities back to Promoter 1 or to another Permitted Transferee.
- (c) Notwithstanding the above: (i) any Transfer by the Promoters to the Permitted Transferees shall be subject to such Permitted Transferees executing the Deed of Adherence and undertaking thereunder to observe and discharge all the terms and conditions of this Part in all respects which are applicable to them as Promoters as if they had been originally named as Promoters in this Part and the term 'Promoters' shall be construed accordingly; and (ii) in the event of any Transfer by the Promoters to the Permitted Transferees, Promoter 1 shall continue to be bound by the terms of this Part and shall ensure and procure compliance by the Permitted Transferee of the terms hereof.
- (d) The Promoters shall not take any action that has the purpose or effect of evading the restrictions on Transfer of Equity Securities of the Company contained in this Part, whether by way of direct or indirect Transfer or issuance of Equity Securities, in itself and/or any of the Permitted Transferees or any other similar action. Any attempt to Transfer, directly or indirectly, any Equity Securities of the Company in breach of this Part shall be null and void.

8.3. **Permitted Transfer by the Investor**

Subject to Article 8.4, Article 8.6 and Clause 10.2A of the SHA, the Investor Securities held by the Investor shall at all times be freely Transferable to any Person.

8.4. **Right of First Offer**

- (a) Subject to restrictions on Transfer of Equity Securities in Article 8.2, Article 8.3 and other provisions in this Part, if the Promoters (anytime during the Relevant Period or anytime prior to the Relevant Period if the Transfer is proposed to be made under Article 8.2 (a) (i) above) or the Investor (anytime during the Applicable Period) (Investor or the Promoters, as the case may be, hereinafter referred to as the "**Selling Shareholder**"), proposes to Transfer all or part of the Equity Securities held by such Selling Shareholder ("**Sale Securities**") to any Person ("**Proposed Transferee**"), then the other Shareholders i.e. (i) the Investor (if the Selling Shareholder(s) is a Promoter(s)); and (ii) the Promoters (if the Selling Shareholder is the Investor), as the case may be (a "**ROFO Right Holder**") shall have a right of first offer to purchase all and not less than all of the Sale Securities offered by the Selling Shareholder ("**Right of First Offer**"). It is clarified that: (i) the Investor may exercise this Right of First Offer either by itself or through any of the direct or indirect wholly owned subsidiaries of Caisse de dépôt et placement du Québec; and (ii) the Promoters may exercise this Right of First Offer either through: (i) Promoter 1 or the direct or indirect wholly owned Subsidiary of Promoter 1; or (ii) an Affiliate of Promoter 1 in the event the Investor is proposing to transfer all of the Investor Securities then held by it.
- (b) The process to be followed for the exercise of the Right of First Offer is set out below:
- (i) The Selling Shareholder shall give a written notice ("**ROFO Notice**") to the ROFO Right Holder. The ROFO Notice shall state the number of Sale Securities proposed to be Transferred by the Selling Shareholder.
- (ii) The ROFO Right Holder shall have the right, but not the obligation, to make an offer to the Selling Shareholder for acquiring all (and not less than all) of the Sale Securities by serving a written notice ("**ROFO Indication of Interest**") to the Selling Shareholder within 30 (thirty) days from the date of receipt of the ROFO Notice ("**ROFO Period**") which notice shall contain:
- (A) the per Sale Security price ("**ROFO Price**") at which the ROFO Right Holder offers to acquire all (but not less than all) Sale Securities; and
- (B) the name and identity of the proposed transferee of Sale Securities subject to compliance with Article 8.4(a) above;
- (iii) Upon the receipt of the ROFO Indication of Interest, the Selling Shareholder may, at its sole discretion, elect to either: (A) accept the ROFO Price specified in the ROFO Indication of Interest, or (B) decline the ROFO Price.
- (iv) If the Selling Shareholder accepts the ROFO Price, the Selling Shareholder shall convey such acceptance within 30 (thirty) days from the date of receipt of the ROFO Indication of Interest ("**ROFO Acceptance Period**") by giving a notice to this effect to the ROFO Right Holder ("**ROFO Acceptance Notice**"). Upon receipt of the ROFO Acceptance Notice by the ROFO Right Holder, the ROFO Right Holder shall be under an obligation to acquire all and not less than of the Sale Securities at the ROFO Price and the Selling Shareholder shall be under an obligation to sell such Sale Securities to the ROFO Right Holder.
- (v) The ROFO Right Holder and the Selling Shareholder shall complete the sale and acquisition of the Sale Securities at the ROFO Price set out under the ROFO Indication of Interest within a period of 45 (forty five) days (excluding any time taken to obtain any Approval required from Governmental Authorities under Applicable Law) from the date of the ROFO Acceptance Notice ("**ROFO Completion Period**"). The transfer of the Sale Securities to the ROFO Right Holder and the payment of the aggregate consideration calculated at the ROFO Price set out under the ROFO Indication of Interest for the Sale Securities shall occur simultaneously. For the avoidance of doubt, it is clarified that the consideration payable by the ROFO Right Holder to the Selling

Shareholder shall be paid to the Selling Shareholder solely and fully in cash (without any deferment or contingencies);

- (vi) If the Selling Shareholder elects to decline the offer set out under ROFO Indication of Interest, the Selling Shareholder may, sell the Sale Securities to a Proposed Transferee at a price not less than the ROFO Price, subject to such Proposed Transferee executing a Deed of Adherence; provided that if the Selling Shareholder is a Promoter, then such Selling Shareholder shall have duly informed the Proposed Transferee of the Tag Along Right of the Investor under Article 8.5 below. If completion and sale of such Sale Securities to a Proposed Transferee does not take place within 180 (one hundred and eighty) days (excluding any time taken to obtain any Approval required from Governmental Authorities under Applicable Law) from the date of the ROFO Notice, the Selling Shareholder shall again be required to offer such Sale Securities to the ROFO Right Holder in accordance with this Article 8.4.
- (vii) If: (A) no ROFO Indication of Interest is received within the ROFO Period, or (B) if the sale of Sale Securities to the ROFO Right Holder is not completed within the ROFO Completion Period in accordance with Article 8.4(b)(v) above, the Selling Shareholder may, sell the Sale Securities to a Proposed Transferee without any restriction on price and terms of Transfer, within a period of 180 days (one hundred and eighty) (excluding any time taken to obtain any Approval required from Governmental Authorities under Applicable Law) from the date of the ROFO Notice ("**ROFO Transfer Period**"), subject to such Proposed Transferee executing a Deed of Adherence; provided that if the Selling Shareholder is a Promoter, then such Selling Shareholder shall have duly informed the Proposed Transferee of the Tag Along Right of the Investor under Article 8.5 below. If sale of such Sale Securities does not take place within the ROFO Transfer Period, the Selling Shareholder shall again offer such Sale Securities to the ROFO Right Holder afresh in accordance with this Article 8.4.
- (viii) It is clarified that the provisions of Article 8.4 shall not apply to the exercise of exit options by the Investor as per and in accordance with Article 11, Article 12 and Article 13 of this Part.
- (c) Notwithstanding anything contained herein, it is hereby clarified that the provisions of this Article 8.4 not apply to any Transfer of Investor Securities by the Investor to its Affiliates.
- (d) Notwithstanding anything contained herein, it is hereby clarified that the provisions of this Article 8.4 shall apply to any Transfer by the Promoters to a Liquidity Transferee pursuant to a Liquidity Transfer (including any such Transfer made prior to the Relevant Period).
- (e) The Investor's Right of First Offer on a transfer by the Promoters under this Article 8.4 shall cease to be in effect in the event the Investor's shareholding in the Company on a Fully Diluted Basis falls below the Threshold Shareholding.

8.5. **Tag Along Right of the Investor**

- (a) Notwithstanding anything to the contrary in this Article 8, in the event:
 - (i) a Promoter elects to sell and Transfer its Equity Securities to a third party, subject to restrictions contained in Article 8.2 above; and/ or
 - (ii) in case of a Right of First Offer under Article 8.4 above, the Selling Shareholder is a Promoter and has elected to exercise its rights under Article 8.4(b)(vi) and Article 8.4(b)(vii) above, subject to restrictions contained in Article 8.2 above;

(such Promoter hereinafter referred to as the "**Selling Promoter**")

then as long as the Investor holds any Equity Security in the Company, the Investor shall have a right, but not an obligation, to require the Selling Promoter to cause the Proposed Transferee

to purchase the Tag Along Securities, at the same price and on the same terms and conditions as have been offered by the Proposed Transferee to the Selling Promoter ("**Tag Along Right**").

For the purposes of this Article 8.5, "**Tag Along Securities**" means such number of Investor Securities which is obtained by multiplying the aggregate number of Investor Securities on a Fully Diluted Basis by a fraction: (i) the numerator of which is the number of Sale Securities proposed to be Transferred by the Selling Promoter on a Fully Diluted Basis; and (ii) the denominator of which is the total number of Equity Securities held by the Selling Promoter in the Company on a Fully Diluted Basis; *provided however*, if, the Investor' shareholding on a Fully Diluted Basis at the time of exercise of the Tag-Along Right is less than the Threshold Shareholding on a Fully Diluted Basis, or if following the proposed Transfer by the Investor of the maximum number of Tag Along Securities the Investor is permitted to tag-along under this Article 8.5(a)), the Equity Securities held by the Investor would account for less than the Threshold Shareholding on a Fully Diluted Basis, then the maximum number of Tag Along Securities shall be:

- i. all of the Investor Securities, if the Selling Promoter (along with the other Promoters, if any) is proposing to sell such percentage or more of the Share Capital on a Fully Diluted Basis, as mentioned in the SHA;
 - ii. such percentage of of the Investor Securities, as mentioned in the SHA, if the Selling Promoter (along with the other Promoters, if any) is proposing to sell less than such percentage of the Share Capital on a Fully Diluted Basis, as mentioned in the SHA, *provided further that* in such event, the Investor shall be entitled to require the Selling Promoter to cause the sale of all of the remaining Investor Securities in any subsequent transfer by the Selling Promoter (or any other Promoters) in accordance with the provisions of this Article 8.5
- (b) The Selling Promoter proposing to Transfer any of its Equity Securities in the Company shall first give a written notice (hereinafter referred to as "**Tag Notice**") to the Investor, which shall include:
- (A) the number of Equity Securities of the Company proposed to be Transferred (hereinafter referred to as the ("**Promoter Sale Securities**")) by the Selling Promoter and the number and class of Equity Securities in the Company that the Selling Promoter owns at that time;
 - (B) the name and address of the Proposed Transferee;
 - (C) the proposed price, including the proposed amount and form of consideration and terms and conditions offered by such Proposed Transferee;
 - (D) the proposed date of consummation of the proposed Transfer;
 - (E) a representation that the Proposed Transferee has been informed of the Tag Along Right provided for in this Part and has agreed to purchase all the Equity Securities required to be purchased in accordance with the terms of this Article 8.5; and
 - (F) a representation that no consideration, tangible or intangible, is being provided, directly or indirectly, to the Selling Promoter(s) that will not be reflected in the price paid to the Investor on exercise of the Tag Along Right hereunder. The total value of consideration for the proposed Transfer is referred to herein as the "**Tag Along Price**". The Tag Notice shall be accompanied by a true and complete copy of all documents constituting the agreement between the Selling Promoter and the Proposed Transferee regarding the proposed Transfer.
- (c) Upon the receipt of the Tag Notice, the Investor may elect to exercise its Tag-Along Right by providing a written notice ("**Tag Along Notice**") to the Selling Promoter specifying the number of Equity Securities the Investor proposes to transfer (which number shall not be more than the

number of Tag Along Securities) ("**Tagged Securities**"). Such Tag Along Notice shall be given within a period of 30 (thirty) days from the receipt of the Tag Notice by the Investor ("**Tag Exercise Period**").

- (d) Upon receipt of the Tag Along Notice, the Selling Promoter shall make all necessary arrangements (including obtaining all Approvals as may be required under Applicable Law) to ensure that the Tagged Securities offered by the Investor are included in the purchase by the Proposed Transferee, on the same price and same terms and conditions as applicable to the transfer of Promoter Sale Securities by the Selling Promoter; provided that, notwithstanding anything contained herein, with respect to the consideration payable by the Proposed Transferee for the purchase of the Tagged Securities, the Investor shall be entitled at its option to receive the cash equivalent of any non-cash consideration payable by the Proposed Transferee to the Selling Promoter in relation to the transfer of the Promoter Sale Securities.
- (e) The Transfer of the Tagged Securities by the Investor shall be concluded simultaneously with the Transfer of the Promoter Sale Securities to the Proposed Transferee and shall take place within 90 (ninety) days (excluding any time taken to obtain any Approval required from Governmental Authorities under Applicable Law) from the date of issue of the Tag Along Notice ("**Tag Closing Period**"). At such closing, the Selling Promoter and the Investor shall Transfer the Promoter Sale Securities and the Tagged Securities, respectively, to the Proposed Transferee, and the Proposed Transferee shall (simultaneously with the Transfer of the Promoter Sale Securities and the Tagged Securities) deliver at such closing, payment in full of the price for Promoter Sale Securities and the Tagged Securities to Selling Promoter and the Investor, respectively. For the avoidance of doubt, it is hereby clarified that the consideration payable by the Proposed Transferee to the Investor for the purchase of the Tagged Securities shall be paid to the Investor solely and fully in cash (without any deferment or contingencies). The Investor and the Selling Promoters shall bear the stamp duty leviable on the sale of their respective Equity Securities in proportion to the number of Equity Securities being transferred by them to the Proposed Transferee.
- (f) Where the Investor has delivered the Tag Along Notice and the Proposed Transferee fails to purchase the Tagged Securities from the Investor within the Tag Closing Period, the Selling Promoter shall not transfer the Promoter Sale Securities to the Proposed Transferee, and if such transfer is purported to be made, such transfer shall be void and the Company shall not register any such transfer of Equity Securities.
- (g) If the Proposed Transferee is unwilling to acquire all of the Tagged Securities and the Promoter Sale Securities, the Selling Promoter shall not transfer the Promoter Sale Securities to the Proposed Transferee and if transfer is purported to be made, such transfer shall be void and shall not be binding on the Company and shall be in breach of the terms of this Part.
- (h) In case the Investor exercises its Tag Along Right under this Article 8.5 (a) the Investor shall not be required to give any representations and warranties, guarantees, indemnities for such Transfer (other than representations and warranties relating to: (i) title to the Equity Securities; (ii) the legal standing of the Investor; (iii) authority and capacity to undertake sale of the Investor Securities; and (iv) withholding tax in connection with the sale of the Investor Securities, if applicable ("**Identified Matters**")) or be subject to any restrictive covenants in respect of the Transfer of the Tagged Securities; and (b) the Investor shall be entitled to immediately receive the entire consideration for the Transfer of the Tagged Securities in cash. Notwithstanding the above, the liability of the Investor in respect of the representations and warranties relating to the Identified Matters shall, under no circumstances, exceed the total cash

consideration received by the Investor for the Transfer of the Tagged Securities.

- (i) If the Selling Promoter Transfers hereunder any series, class or type of Equity Securities then held by it, and the Investor does not hold any of such series, class or type of Equity Securities, then the Proposed Transferee shall acquire whatever series, class or type of Equity Security that are held by the Investor along with the Equity Securities being transferred by the Selling Promoter; *provided that*, to the extent such a difference in class or type exists, the consideration payable to the Investor for the Tagged Securities shall be calculated as if the Tagged Securities held by the Investor which will be subject to transfer under this Article 8.5 had been converted into Equity Shares on the date immediately prior to the date of the Tag Along Notice at the conversion price calculated in accordance with the terms thereof (to the extent not already in the form of Equity Shares).
- (j) In the event, the Investor fails to deliver a Tag Along Notice to the Selling Promoter within the Tag Exercise Period under Article 8.5(c) above, or conveys its decision of not exercising its Tag Along Right to the Selling Promoter within the Tag Exercise Period, the Selling Promoter may, subject to the Proposed Transferee executing a Deed of Adherence, Transfer the Promoter Sale Securities to such Proposed Transferee at Tag Along Price and on terms specified in the Tag Notice within 90 (ninety) days (excluding any time taken to obtain any Approval required from Governmental Authorities under Applicable Law) following the expiry of the Tag Exercise Period, failing which the right of the Selling Promoter to transfer the Promoter Sale Securities to the Proposed Transferee shall lapse and the provisions of Article 8.5 shall again become applicable.
- (k) For the avoidance of doubt, it is hereby clarified that Investor's Right of First Offer on any transfer by the Promoters under Article 8.4 above and Tag Along Right under Article 8.5 above is without prejudice to Promoter Lock-In under Article 8.2(a) above (subject to the carve-outs to Promoter Lock-In contained in Article 8.2(a)).
- (l) Notwithstanding anything contained herein, it is hereby clarified that the provisions of this Article 8.5 shall not apply to any Transfer by the Promoters to a Liquidity Transferee under Article 8.2(a) (i) and/or a Permitted Transferee.

8.6. **Deed of Adherence**

- (a) It shall be a condition of any Transfer of Equity Securities by the Shareholders (other than the Investor) to a third party transferee (other than a transferee under Article 8.2 (a) (i)), if not already a Party, that such third party transferee to whom Equity Securities are proposed to be Transferred by the Shareholders, prior to the Equity Securities being transferred in its name, agrees and undertakes to be bound by the terms and conditions of this Part and executes the Deed of Adherence; and
- (b) If the Investor is proposing to transfer all and not less than all of the Investor Securities held by it in Company to a third party transferee, it shall be a condition of such transfer, that such third party transferee to whom Equity Securities are proposed to be Transferred by the Shareholders, prior to the Equity Securities being transferred in its name, agrees and undertakes to be bound by the terms and conditions of this Part and executes the Deed of Adherence; and
- (c) The Company shall not issue any Equity Securities of the Company to any Person (other than to a Party) unless such Person executes Deed of Adherence confirming that it shall be bound by the terms and conditions as mentioned in the SHA.

- (d) Subject to Clause 20.1 of the SHA, in the event any of the Promoters transfer their Equity Securities to a Permitted Transferee in accordance with this Article 8, the rights and obligations relating to such Equity Securities and as provided under this Part shall automatically stand assigned to such Permitted Transferee pursuant to such Permitted Transferee executing the Deed of Adherence and shall not require Investor's prior consent.

9. FURTHER ISSUANCE

- 9.1. Subject to the rights of the Promoters and the Investor ("**Relevant Shareholders**") contained in this Article 9, and without prejudice to the rights of the Investor under Article 7, the Company may raise funds by way of a fresh issue of Equity Securities ("**New Securities**") from any Person ("**Future Investor**") at any time during the term of this Part ("**Fresh Issue**"). The Investor on one hand, and the Promoters collectively on the other hand shall have the right to subscribe to the New Securities in proportion to their respective Inter-Se Shareholding ("**Inter-Se Share**") in priority to any other Person in the manner set forth in this Article 9 and in accordance with Applicable Law, on the same terms and conditions (including price) as the Fresh Issue ("**Pre-emption Right**").
- 9.2. In the event the Company proposes to undertake a Fresh Issue, the Company shall deliver a written notice to each of the Relevant Shareholders ("**Fresh Issue Notice**") which shall state (a) the number of New Securities proposed to be issued; (b) the terms of such Fresh Issue; (c) the price per New Security ("**Proposed Price**"); (d) the proposed use of funds raised pursuant to the Fresh Issue; (e) details of all Approvals required to give effect to the Fresh Issue; and (f) the date of the Fresh Issue. The Fresh Issue Notice shall also be accompanied by a copy of the valuation report obtained by the Company under Applicable Law (including the Income Tax Act, 1961) in connection with the Fresh Issue.
- 9.3. Each Relevant Shareholder may within 30 (thirty) days of receipt of the Fresh Issue Notice ("**Acceptance Period**") respond to the Company with a letter indicating its willingness to subscribe to part or all of its Inter-Se Share of the New Securities on a Fully Diluted Basis ("**Acceptance Letter**"). Each Relevant Shareholder may also notify the Company in the Acceptance Letter(s) that it is willing to subscribe to a specified number of the New Securities in excess of its Inter-Se Share ("**Additional Securities**").
- 9.4. If all the Relevant Shareholders: (a) decline the offer set out in the Fresh Issue Notice; or (b) fail to deliver any Acceptance Letter within the Acceptance Period, the Company may within 180 (one hundred and eighty) days of the expiry of the Acceptance Period, complete the issuance and allotment of New Securities to the Future Investor on the same terms as are set out in the Fresh Issue Notice.
- 9.5. If any of the Relevant Shareholders (each a "**Participating Shareholder**") sends the Acceptance Letter(s) within the Acceptance Period, the Company shall notify each Participating Shareholder in writing within 5 (five) days from the expiry of the Acceptance Period ("**Company Notification**") of the number of New Securities to be subscribed to by such Participating Shareholder and the consideration payable in respect of such New Securities. If a Relevant Shareholder has indicated that it is willing to buy Additional Securities, the Company shall give such Relevant Shareholder written notice of the total number of New Securities not subscribed to by the other Relevant Shareholders ("**Unpurchased Securities**").
- 9.6. The date of subscription of the New Securities and Additional Securities (if any) set out in the Company Notification shall not be earlier than 15th (fifteenth) Business Day and not later than 90 (ninety) days from the date of issue of the Company Notification ("**Subscription Date**").

(excluding any time taken to obtain any Approval required from Governmental Authorities under Applicable Law). If the Company fails to issue and allot New Securities and Additional Securities (if any) to the Participating Shareholder within the aforesaid time period, then unless otherwise agreed by the Investor, the provisions of Article 9 shall again become applicable and the Company shall have to again follow the procedure provided herein.

- 9.7. The terms of subscription to the New Securities and the Additional Securities (if any) under the Company Notification shall be on the same terms and conditions as mentioned in the Fresh Issue Notice.
- 9.8. On the Subscription Date:
- (a) the Participating Shareholder shall pay the relevant consideration to the Company as set out under the Company Notification. If any Participating Shareholder has indicated that it is willing to buy Additional Securities, such Participating Shareholder shall also subscribe for the lower of the number of Additional Securities and the number of Unpurchased Securities;
 - (b) the Company shall record particulars of such issuance in its statutory registers in accordance with the Act, and issue and allot the Equity Securities to each of the Participating Shareholders.
- 9.9. With respect to the remaining New Securities (which are not subscribed to by any of the Relevant Shareholders), the Company may issue and allot such remaining New Securities (or such portion of remaining New Securities) to the Future Investor within 180 (one hundred and eighty) days from the date of expiry of the Acceptance Period (excluding any time taken to obtain any Approval required from Governmental Authorities under Applicable Law), failing which the right of the Company to issue and allot such remaining New Securities (or such portion of remaining New Securities) to the Future Investor shall lapse and the provisions of Article 9 shall again become applicable.
- 9.10. The Company shall render all such assistance as may be required to consummate the transactions contemplated in this Article 9.
- 9.11. For the purposes of this Article 9, the term "New Securities" shall not include such securities as mentioned in the relevant clause of the SHA.
- 9.12. Notwithstanding anything contained herein, it is clarified that: (i) the Investor shall have the right to exercise its Pre-emption Right either by itself, or through any direct or indirect wholly owned subsidiaries of Caisse de dépôt et placement du Québec; and (ii) the Promoters shall have the right to exercise their Pre-emption Right either through Promoter 1 or through any of the wholly owned Subsidiaries of Promoter 1.

10. ANTI-DILUTION RIGHT

- 10.1. At any time after the Effective Date and until the date of conversion of the Investor CCDs into Equity Shares in accordance with the terms thereof, if the Company proposes to issue any Equity Shares or Equity Securities convertible into Equity Shares ("**Dilution Instruments**") at a price lower than then applicable Conversion Price of the Investor CCDs (each an "**Adjustment Event**"), then the Investor, shall be entitled to an anti-dilution protection in relation to the Investor Securities in accordance with this Article 10 ("**Anti-Dilution Right**").
- 10.2. For the purposes of giving effect to the Anti-Dilution Right of the Investor upon occurrence of an Adjustment Event, the Company shall, in accordance with Applicable Law, ensure that the

Conversion Price of the Investor Securities shall be adjusted such that the price of the Equity Shares issuable to the Investor pursuant to conversion of Investor Securities is equal to the price at which the Dilution Instruments are proposed to be issued by the Company.

- 10.3. The Parties shall make reasonable efforts to obtain all Approvals as may be required to comply with the requirements of Applicable Law for implementing the Anti-Dilution Right of the Investor.
- 10.4. The provisions of this Article 10 shall not apply to such matters as enlisted in the SHA.
- 10.5. Subject to Article 7 read with **SCHEDULE 1** of this Part, the Company shall not issue new Equity Securities to any Person at a price lower than the highest of the three fair market valuation of the Equity Shares determined in accordance with the SSA for the purposes of issuance of the Investor CCDs.
- 10.6. The rights of the Investor under this Article 10 shall fall-away in the event the Investor ceases to hold at least the Threshold Shareholding on a Fully Diluted Basis. For the purposes of calculating the Threshold Shareholding under this Article, the shareholding of the Investor shall be the shareholding of the Investor on a Fully Diluted Basis immediately prior to the Adjustment Event.

11. **EXIT**

- 11.1. Unless otherwise agreed by the Investor, the Company and the Promoters shall provide an exit to the Investor on or before the Exit Date, by way of: (i) a QIPO (in accordance with Article 12.1 below); or (ii) a Trade Sale to a third party (in accordance with Article 12.2 below); or (iii) such other mechanism as may be agreed in the SHA ("**Exit Mechanisms**").
- 11.2. If an exit to the Investor has not been provided and completed by the Exit Trigger Date in accordance with Article 12, then within thirty (30) days from the Exit Trigger Date, the Parties shall jointly assess various options and potential next steps towards providing an exit to the Investor (including by way of Exit Mechanisms) which enables the Investor to sell all of the Investor Securities then held by it on terms and conditions acceptable to it ("**Exit**"). If pursuant to the same, an Exit has not been provided to the Investor within 12 (Twelve) months from the Exit Trigger Date, then the Parties shall again evaluate the market conditions and Exit options available (including potential next steps) within 30 days from the completion of 12 months from the Exit Trigger Date. The Company and the Promoters shall provide the Investor with such information as may be reasonably necessary or otherwise requested by the Investor to enable the Investor to make a well-informed assessment of the Exit options.
- 11.3. If an Exit to the Investor in accordance with Article 12 below has not been provided and completed on or before the Exit Date, then the Investor may, at its sole option (and without prejudice to its other rights herein) exercise its Exit Default Rights as provided in Article 13 below.

12. **EXIT MECHANISMS**

12.1. **QIPO**

Subject to Article 11, the Company and Promoters shall provide an exit to the Investor by way of a QIPO in accordance with the terms set out in the SHA. The terms of the QIPO, rights of the Investor and the obligations of the Company and the Promoters in relation to the QIPO shall

be as set out in the SHA.

The Investor shall not be considered a promoter or part of the promoter group of the Company and the restrictions applicable to 'promoters' under Applicable Law (including SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 and the Act) shall not be applicable to the Investor. The Investor shall not be required to offer or make available any Equity Securities held by it for the purposes of any lock-in as applicable to 'promoters' under the Applicable Law. The Company and the Promoters shall take all necessary steps to ensure that the Investor shall not be considered as promoters of the Company in relation to the QIPO. If any Equity Securities are to be made subject to any promoter/ sponsor lock-in under Applicable Law for the purposes of a QIPO, then the Promoters shall offer the Equity Securities held by them towards such lock-in.

The Company and the Promoters shall do all acts and deeds and shall provide complete assistance and undertake all obligations and actions (including obtaining all Approvals) as may be necessary to cause and facilitate the completion of the QIPO in compliance with Applicable Law. The Company shall keep the Investor fully informed promptly of all activities undertaken in connection with the QIPO.

12.2. Trade Sale

- (a) Subject to Article 11, the Company and the Promoters may provide an exit to the Investor by way of a Trade Sale of the Equity Securities of the Company in accordance with the terms set out in the SHA. The terms of the Trade Sale, rights of the Investor and the obligations of the Company and the Promoters in relation to the Trade Sale shall be as set out in the SHA.
- (b) If the Promoters and the Company propose to undertake a Trade Sale in accordance with and subject to the provisions of this Part, they shall deliver a notice to the Investor ("**Trade Sale Notice**") setting out: (i) the exact nature of the transaction proposed, including the details of the Promoters' shareholding proposed to be sold in the Trade Sale, if any; (ii) identity of the purchaser; (iii) terms of the Trade Sale (including the price) at which the Trade Sale is proposed to be undertaken; (iv) time for completion of the Trade Sale as best estimated by the Company; (v) such other material terms of the Trade Sale as the Investor may request from time to time ("**Trade Sale Offer**"); and (vi) a representation that no consideration, tangible or intangible, is being provided, directly or indirectly, to the Promoters that will not be reflected in the price paid to the Investor pursuant to the Trade Sale. It is clarified that the sale of Investor Securities in the Trade Sale shall be on the same price and same terms and conditions as the sale of Equity Securities by the Promoters in the Trade Sale, if any, except as provided in Article 12.2 (g) and Article 12.2 (h) below; provided that, notwithstanding anything contained herein, with respect to the consideration payable to the Investor for the sale of the Investor Securities, the Investor shall be entitled at its option to receive the cash equivalent of any non-cash consideration payable by the proposed Transferee to the Promoters in relation to the transfer of the Promoters' Equity Securities.
- (c) Within 30 (thirty) days from the date of the receipt of the Trade Sale Notice, the Investor may, at its sole discretion, by giving a notice to the Company and the Promoters ("**Trade Sale Response Notice**") elect to either: (A) accept the Trade Sale Offer, or (B) decline the Trade Sale Offer if the same is not acceptable to the Investor. It is clarified that any rejection of the Trade Sale Offer by the Investor shall not discharge the Company and Promoters of their obligation to provide an Exit to the Investor in accordance with this Article 12.
- (d) If the Investor accepts the Trade Sale Offer in accordance with Article 12.2(c) above,

the Company and the Promoters shall make all necessary arrangements (including obtaining all Approvals as may be required under Applicable Law) to ensure that the Trade Sale (on the terms and conditions set out in the Trade Sale Notice) is consummated within a period of 120 (One Hundred and Twenty) days from the date of the Trade Sale Response Notice, excluding any time taken to obtain any Approval from Governmental Authorities required under Applicable Law).

- (e) The Company and the Promoters shall do all acts and deeds and shall provide complete assistance and undertake all obligations and actions (including obtaining all Approvals) as may be necessary to cause and facilitate the Trade Sale.
- (f) All representations, warranties, covenants, guarantees and indemnities (including with respect to the Business and operations of the Company) as required by the third-party purchaser pursuant to the Trade Sale shall be provided by the Promoters and the Company. The Company and the Promoters shall assist such third-party purchaser (and its authorised representatives) in relation to any due diligence exercise as required by the latter and to discuss the Business, actions, annual budgets and finances with the management (including the Directors and the key managerial personnel) of the Company and/or its Subsidiaries.
- (g) The Investor shall not be required to provide any representations and warranties, covenants, guarantees or indemnities in relation to the Trade Sale (except representations and warranties relating to: (i) title to the Shares held by them; (ii) authority and capacity to undertake sale of the Investor Securities; (iii) the legal standing of the Investor; (iv) withholding tax in connection with the sale of the Investor Securities, if applicable ("**Trade Sale Identified Matters**") or be subject to any restrictive covenants pursuant to such Trade Sale, provided that the Investor shall not be required to provide any indemnity or guarantee or similar undertakings whatsoever. Notwithstanding the above, the liability of the Investor in respect of the representations and warranties relating to the Trade Sale Identified Matters shall, under no circumstances, exceed the total cash consideration received by the Investor for the Transfer of the Equity Securities in the Trade Sale.
- (h) All advisors/consultants to the Trade Sale shall be appointed only with Investor's consent.
- (i) The costs and expenses of the Trade Sale (including the costs and expenses relating to the appointment of the advisors/consultants to the Trade Sale and stamp duties) shall be borne by the Company.

12.3. **Other Option**

Pursuant to Article 11, an exit to the Investor may be provided in accordance with any other mechanism as may be agreed in the SHA.

13. **EXIT DEFAULT RIGHTS**

If an Exit to the Investor in accordance with Article 12 has not been successfully completed on or before the Exit Date, then the Investor, shall be entitled to exercise all or any of its rights provided in this Article 13 ("**Exit Default Rights**") in the manner provided below.

13.1. **Investor Initiated QIPO**

- (a) As long as the Investor holds at least the Threshold Shareholding on a Fully Diluted Basis, the Investor shall have the right (but not the obligation), by delivering a written notice to the Company and the Promoters ("**Investor Initiated QIPO Notice**"), to require the Company and the Promoters to conduct a QIPO and consequently list the Shares on a Recognized Stock Exchange ("**Investor Initiated QIPO**"). Upon receipt of the Investor Initiated QIPO Notice, the Company and the Promoters shall ensure, to the fullest extent of all rights and powers available to them, including by exercise of their voting rights in relation to the Equity Securities held by them, the successful completion of the Investor Initiated QIPO within a period of 9 (nine) months (or such other period as may be agreed by the Investor) from the date of the Investor Initiated QIPO Notice.
- (b) Other terms and conditions of the Investor Initiated QIPO including the manner and procedure required to be followed and the obligations of the Company and the Promoters and the rights of the Investor in relation thereto shall be as per the relevant provisions of the SHA.
- (c) The Investor shall be entitled to withdraw the Investor Initiated QIPO and/or require the Company to stop, at any time, the process of Investor Initiated QIPO as contemplated in this Part.

13.2. **Drag Along Right of the Investor**

- (a) The Investor shall have the right (but not the obligation) to sell all of the Investor Securities to any purchaser or group of purchasers ("**Potential Buyer**"). In the event of such sale, as long as the Investor holds at least the Threshold Shareholding on a Fully Diluted Basis, the Investor shall have the right to require the Promoters ("**Dragged Shareholders**") to Transfer to the Potential Buyer all or part of the Equity Securities held by the Dragged Shareholders ("**Dragged Securities**") as may be required by the Investor (over and above the Investor Securities) in accordance with this Article 13.2 ("**Drag Along Right**").
- (b) If the Investor proposes to Transfer the Investor Securities to the Potential Buyer and wishes to exercise its Drag Along Right in connection thereto, the Investor shall give a written notice ("**Exit Default Notice**") to the Dragged Shareholders of its intention to exercise the Drag Along Right.
- (c) Within 30 (thirty) days from the date of the Exit Default Notice, the Dragged Shareholders shall, by giving a notice to the Investor ("**Exit Default Response Notice**") elect to either:
 - (A) make an offer to the Investor for acquiring all (and not less than all) of the Investor Securities ("**Exit Default ROFO Right**") in which case the Exit Default Response Notice shall contain the per Investor Security price ("**Exit Default ROFO Price**") at which the Promoters offer to acquire all (but not less than all) Investor Securities; or
 - (B) agree to Transfer the Equity Securities held by them to the Proposed Transferee pursuant to Investor's exercise of its Drag Along Right in accordance with Article 13.2(f) below.
- (d) If the Promoters have elected to exercise their Exit Default ROFO Right in accordance with Article 13.2(c) above in the Exit Default Response Notice, then the Investor may, at its sole discretion, by giving a notice to the Promoters within 30 (thirty) days from the date of the receipt of the Exit Default Response Notice ("**Election Notice**"), elect

to either:

- (A) accept the Exit Default ROFO Price specified in the Exit Default Response Notice and Transfer the Investor Securities to the Promoters in accordance with Article 13.2(e) below, or
- (B) decline the Exit Default ROFO Price and decide to exercise its Drag Along Right instead in accordance with Article 13.2(f) below.

(e) Exit Default ROFO Right

If the Investor accepts the Exit Default ROFO Price in the Election Notice, the Promoters shall purchase the Investor Securities on the Exit Default ROFO Price within a period of 30 (thirty) days (excluding any time taken to obtain any Approval required from Governmental Authorities under Applicable Law) from the date of the Election Notice ("**Exit ROFO Completion Period**"). The transfer of the Investor Securities to the Promoters and the payment of the aggregate cash consideration calculated at the Exit Default ROFO Price for the Investor Securities shall occur simultaneously. It is hereby clarified that the Promoters may exercise their Exit Default ROFO Right either by itself or through any of their Affiliates.

(f) Drag Along Right

- (i) In the event that
 - (A) the Draggged Shareholders have failed to provide the Exit Default Response Notice within 30 (thirty) days of the Exit Default Notice; or
 - (B) the Investor has rejected the Exit Default ROFO Price in the Election Notice and has elected to exercise its Drag Along Right; or
 - (C) if the Promoters have failed to purchase the Investor Securities from the Investor within the Drag ROFO Completion Period in accordance with Article 13.2(e) above;

then the Investor may by giving a notice to the Promoters ("**Drag Notice**") require the Promoters to Transfer all or a part of their Equity Securities to the Proposed Transferee. The Drag Notice shall contain such details and matters as mentioned in the relevant provisions of the SHA. In case of exercise of Drag Along Right pursuant to Article 13.2(f)(i)(B) above, the per Draggged Security price payable to the Draggged Shareholders shall be more than the Exit Default ROFO Price.

- (ii) The Draggged Shareholders shall within 45 (forty) days from the date of receipt of the Drag Notice (excluding any time taken to obtain any Approvals required from the Governmental Authorities), Transfer the Draggged Securities to the Proposed Buyer free of any Encumbrances, on the same terms and conditions set out in the Drag Notice, *provided that* such terms and conditions (including price) shall not be any less favourable than the terms and conditions (including price) offered to the Investor by the Potential Buyer for Transfer of the Investor Securities to the Potential Buyer, except as mentioned in Article 13.2(f)(iii); and
- (iii) All costs and expenses (including costs in relation to the appointment of a merchant banker, investment banker and other advisors and payment of stamp duty) in relation to Transfer of the Investor Securities and the Draggged

Securities pursuant to this Article 13.2 shall be payable by the Company. Representations, warranties, guarantees, covenants and indemnities (including with respect to the Business and operations of the Company and its Subsidiaries) as required by the Potential Buyer shall be provided by the Company and the Promoters. If Investor so requests, the Company shall assist the Potential Buyer and its authorised representatives in relation to any due diligence exercise as required by the Potential Buyer and to discuss the Business, actions, annual budgets and finances with the management of the Company. The Investor shall not be required to provide any representations and warranties, covenants, guarantees or indemnities (except representations and warranties relating to: (i) title to the Shares held by them; (ii) authority and capacity to undertake sale of the Investor Securities; and (iii) the legal standing of the Investor and (iv) withholding tax in connection with the sale of the Investor Securities, if applicable ("**Drag Sale Identified Matters**")), provided that the Investor shall not be required to provide any indemnity or guarantee or similar undertakings whatsoever. Notwithstanding the above, the liability of the Investor in respect of the representations and warranties relating to the Drag Sale Identified Matters shall, under no circumstances, exceed the total cash consideration received by the Investor for the Transfer of the Equity Securities to the Potential Buyer.

The Draggged Shareholders and the Company shall take all necessary actions (including such action as may be reasonably requested of them by the Investor) to cause the consummation of such transaction mentioned in Article 13.2, including: (i) obtaining all Approvals required for such transaction; (ii) exercising the voting rights attached to their Equity Securities in favour of such transaction; (iii) not exercising any approval or voting rights in connection therewith in a manner contrary to the closing of the transaction; (iv) appointing such Person as their attorney-in-fact as is determined by the Investor, to do the same on their behalf; and (v) not taking any actions that may cause the valuation of the Company to suffer due to the exercise of the Drag Along Right by the Investor.

13.3. **Other default Option**

Pursuant to Article 13 above, an exit to the Investor may be provided in accordance with any other mechanism agreed in the SHA.

13.4. **Call Right and Put Right**

- (a) If the Investor's shareholding in the Company falls below the Threshold Shareholding on a Fully Diluted Basis, then on and with effect from the date of the expiry of 108 (one hundred and eight) months from the Effective Date:
 - (i) the Promoters shall have the right to issue a notice ("**Promoter Call Notice**") to the Investor requiring the Investor to sell to the Promoters ("**Promoter Call Right**"), all of the Investor Securities held by the Investor at the then Fair Market Valuation (as defined below) ("**Call Price**") determined in accordance with Article 13.4 (b) below. Upon the issuance of the Promoter Call Notice, the Investor shall be bound to sell all of the Investor Securities to the Promoters at the Call Price, within 45 (forty five) days of the date of the Promoter Call Notice; and/or
 - (ii) the Investor shall have the right to issue a notice ("**Investor Put Notice**") to any (or all of) the Promoters requiring such Promoter(s) to purchase from the

Investor ("**Investor Put Right**"), all of the Investor Securities held by the Investor at the then Fair Market Valuation ("**Put Price**") determined in accordance with Article 13.4(b) below. Upon the issuance of the Investor Put Notice, the Promoter(s) shall be bound to purchase the Investor Securities held by the Investor at Put Price, within 45 (forty five) days of the date of the Investor Put Notice.

- (b) Within 10 (ten) days from date of receipt of the Promoter Call Notice or Investor Put Notice, as the case may be, the Company and the Investor shall jointly appoint a valuer, from one of the Big Fours to determine the fair market valuation of the Investor Securities to be transferred ("**Fair Market Valuation**"), pursuant to the Promoter Call Right or the Investor Put Right as applicable.
- (c) Within 30 (thirty) days from the date of appointment of the valuer, the valuer shall deliver a valuation report determining the Fair Market Valuation to the Investor and the Promoters.
- (d) It is hereby clarified that upon the issuance of the Promoter Call Notice by the Promoters or the Investor Put Notice by the Investor, the Promoters and the Investor, shall be bound to acquire or sell, as the case may be, all the Investor Securities held by the Investor, within 45 (forty-five) days of the date of the Promoter Call Notice or the Investor Put Notice, as the case may be.
- (e) The Company, the Investor and each of the Promoters shall take, or cause to be taken, such actions, and do, perform, execute and deliver, or cause to be done, performed, executed and delivered, all acts, deeds and documents necessary (including obtaining relevant Approvals), as may be necessary to enable the Promoters and/or the Investor to exercise the Promoter Call Right or the Investor Put Right, as the case maybe.

14. **INFORMATION AND INSPECTION RIGHTS**

The Investor shall have certain information rights, inspection rights and consultation rights in accordance with the SHA.

15. **FALL AWAY OF RIGHTS**

Notwithstanding anything contained herein,

- (a) in the event the Investor ceases to hold at least such percentage of the Share Capital of the Company as mentioned in the SHA, on a Fully Diluted Basis, the rights of the Investor under these Articles as they correspond to **Part A** of **SCHEDULE 6** of the SHA shall terminate or shall be amended.
- (b) in the event the Investor ceases to hold at least the Thresholding Shareholding, the rights of the Investor under these Articles as they correspond to **Part B** of **SCHEDULE 6** of the SHA shall terminate.

16. For the avoidance of doubt, it is hereby clarified that the rights of the Investor and the obligations of the Company and the Promoters as provided under these Articles shall terminate as and when the corresponding rights and obligations under the SHA terminate in accordance with the provisions thereof.

17. **DISPUTE RESOLUTION**

Any and all disputes and claims arising out of or relating to or in connection with Part B of these Articles or the breach, termination or invalidity thereof shall be resolved in the manner and in accordance with the terms and conditions contained in the SHA.

Disclaimer

CARE's ratings are opinions on credit quality and are not recommendations to sanction, renew, disburse or recall the concerned bank facilities or to buy, sell or hold any security. CARE has based its ratings/outlooks on information obtained from sources believed by it to be accurate and reliable. CARE does not, however, guarantee the accuracy, adequacy or completeness of any information and is not responsible for any errors or omissions or for the results obtained from the use of such information. Most entities whose bank facilities/instruments are rated by CARE have paid a credit rating fee, based on the amount and type of bank facilities/instruments.

In case of partnership/proprietary concerns, the rating/outlook assigned by CARE is based on the capital deployed by the partners/proprietor and the financial strength of the firm at present. The rating/outlook may undergo change in case of withdrawal of capital or the unsecured loans brought in by the partners/proprietor in addition to the financial performance and other relevant factors.

Details of instruments/facilities in Annexure-1

Detailed Rationale & Key Rating Drivers

The rating of ECL Finance derives strength from ECL Finance being part of Edelweiss Group which has a diversified business profile (consolidated basis), experienced management team, adequate capitalization, good asset quality and comfortable liquidity profile. The ratings are, however, constrained by dependence on revenue from the capital market related activities which has inherent volatility and is declining due to diversification of revenue streams, client concentration risk in its wholesale credit book, and risk associated with relatively new businesses. The performance of the group's new businesses, asset quality, profitability and gearing levels are the key rating sensitivities

Outlook: Positive

The outlook has been revised from 'Stable' to 'Positive' on expectation of continued improvement in granularity of the credit book while maintaining profitability and asset quality. The outlook may be revised to 'Stable' if the credit book granularity does not improve as anticipated or there is significant moderation in profitability and asset quality. CARE will take a review of the outlook based on detailed review of FY19 results.

Detailed description of the key rating drivers

Key Rating Strengths

Diversified business profile of the group

Edelweiss Financial Services Ltd (EFSL) on a consolidated basis, is a diversified financial services company with presence in various business segments related to credit in retail credit including mortgage finance (housing loans, loans against property) and SME credit, corporate credit and distressed assets credit including asset reconstruction. Its Franchise & Advisory businesses include wealth management, asset management, and capital market businesses which include equity and commodities broking (both institutional and retail) and investment banking. Its insurance business includes both life and general insurance businesses. The share of the group's credit business in total income has increased over the past few years from 41% in FY15 to 45% in FY18. Investment banking / advisory, broking and trading accounted for 20%, 4%, and 7% respectively in FY18. The share of retail book has been steadily increasing from 28% as on March 2015 to 39% as on March 2018. The share of retail book is expected to further increase given the group's objective of diversifying the credit book.

Experienced management team

EFSL has a strong management team with a rich experience in the financial sector. The senior management team of Edelweiss has been quite stable over the last few years and most of the senior management has been with Edelweiss for a long period.

Adequate capitalization levels

In FY18, EFSL raised Rs. 1,528 crore via Qualified Institutional Placement (QIP). As a result, the consolidated tangible net-worth including minority interest of the group increased to Rs. 7,409 crore (Rs.6,320 crore- excluding minority interest) as on March 31, 2018 as compared to Rs. 4,960 crore (Rs.4,002 crore- excluding minority interest) as on March 31, 2017. However, gearing levels remain relatively high. The groups' debt levels have increased significantly from Rs.13,017 crore as on March 31, 2014 to Rs.47,323 crore as on March 31, 2018 on account of significant growth in its credit book. As a result, gearing levels (total borrowings / tangible net-worth including minority interest) rose from 4.11 times as on March 31, 2014 to 6.39 times as on March 31, 2018. As per EFSL's management, gearing (excluding liquid balance sheet management unit assets) was 4.94 times as on March 31, 2018 (3.06 times as on March 31, 2014). The gearing level (total borrowings/tangible net-worth) stood at 6.68 times as on December 31, 2018.

¹ Complete definitions of the ratings assigned are available at www.careratings.com and in other CARE publications.

On a standalone basis, as on March 31, 2018, ECL Finance reported CAR of 17.09% (16.14% as on March 31, 2017) and Tier 1 CAR of 11.82% (11.35% as on March 31, 2017). The overall gearing was 7.80 times as on March 31, 2018 (7.87 times as on March 31, 2017).

Good asset quality

EFSL's asset quality remains comfortable. As on March 31, 2018, Gross NPA ratio was 1.75% (on 90+DPD) as compared to 1.59% as on March 31, 2017 (on 120+DPD). Net NPA ratio was 0.70% as on March 31, 2018 (FY17: 0.60%) while Net NPA to Net-worth ratio was 3.94% (FY17:3.43%). On a consolidated basis, the group had written off Rs.427 crore of loans in FY18 (Rs.245 crore in FY17). As on December 31 2018, the Gross NPA ratio was 1.84% and Net NPA ratio was 0.78%. ECL Finance reported Gross NPA of 1.82% (on 90+DPD) as on March 31, 2018 as compared to 1.85% (on 120+dpd) as on March 31, 2017. As on March 31, 2018, the Company reported Net NPA of 0.75 % (0.64% as on March 31, 2017). The Net NPA to Net worth ratio was 5.77% as on March 31, 2018.

Comfortable liquidity profile

EFSL maintains investments in government securities to provide overnight liquidity cushion. As on March 31, 2018, 5% of EFSL's total assets were in government securities (Balance sheet Management Unit [BMU] related assets) which ensures a matched ALM profile.

As on December 31, 2018, liquidity position of EFSL was comfortable with positive cumulative mismatches in all the time brackets. EFSL had a liquidity cushion of Rs.7100 crore consisting of mutual funds of Rs.4800 crore, FD & Bank balance of Rs.700 crore, and undrawn bank lines of Rs.1600 crore. It also had other liquid assets of Rs.6900 crore which consists of LAS book and liquid assets which can be converted to cash within 30-45 days. As on March 15, 2019, EFSL had a liquidity cushion of Rs.5300 crore.

Key Rating Weakness

Substantial proportion of revenue from the capital markets related activities

A significant proportion of EFSL's revenue is related to the capital markets led activities, which include equity broking, investment banking, capital market related loan portfolio, asset management. However with increase in size of the credit business, dependency on capital markets has been declining over past few years.

Client concentration risk in its wholesale credit book

Wholesale credit book (real estate lending and structured credit) comprised of 47% of total credit book as on March 31, 2018. The wholesale credit book is characterized by concentration risk given the high ticket size of loans. As on March 31, 2018, top 10 exposures accounted for 53% (77% as on March 31, 2017) of Tangible Net-worth. In FY18, top ten exposures account for 17% of wholesale credit book. The client concentration is expected to moderate with the group planning to lend more to real estate developers through its asset management fund. As per EFSL's management, loans in the wholesale credit book have an asset cover of over 2 times.

Risk associated with relatively new businesses

The Edelweiss group has recently forayed into new businesses, including expanding insurance (both life and general), distress assets. The insurance business is characterized by high competition and the group's ability to successfully establish a position in these segments is yet to be seen. Furthermore, the group has acquired a large portfolio of distressed assets in the past few years and the resolution in such cases needs to be seen. The introduction of Insolvency and Bankruptcy Code (IBC) is expected to expedite the resolution of distressed assets in the economy. However, the group has demonstrated a track record of setting up other new businesses since 2010, such as retail finance, retail broking, mutual fund and agri services & credit etc. and scaling up them in due course.

Liquidity Profile: As on December 31, 2018, liquidity position of EFSL was comfortable with positive cumulative mismatches in all the time brackets. EFSL had a liquidity cushion of Rs.7100 crore consisting of mutual funds of Rs.4800 crore, FD & Bank balance of Rs.700 crore, and undrawn bank lines of Rs.1600 crore. It also had other liquid assets of Rs.6900 crore which consists of LAS book and liquid assets which can be converted to cash within 30-45 days. As on March 15, 2019, EFSL had a liquidity cushion of Rs.5300 crore

Analytical approach:

Edelweiss Financial Services Ltd (EFSL – rated 'CARE AA; Positive' and 'CARE A1+'), the flagship company of the Edelweiss group, owns 100% in most of its subsidiaries and the management/line functions for these businesses is common with significant operational and financial integration among them. Accordingly, CARE has considered a consolidated view of EFSL for arriving at the rating. The list of the subsidiaries considered for consolidation is as per Annexure III.

Dear Mr. Nilesh Sampat,

Re: CRISIL Rating on the Rs 2000 Crore Retail Bond[®] of ECL Finance Limited

We refer to your request for a rating for the captioned debt instrument.

CRISIL has, after due consideration, assigned its "CRISIL AA/Stable" (pronounced as CRISIL double A rating with Stable outlook) rating to the captioned debt instrument. Instruments with this rating are considered to have high degree of safety regarding timely servicing of financial obligations. Such instruments carry very low credit risk.

For the purpose of issuance of the captioned debt instrument, this letter is valid for 180 calendar days from the date of the letter. In the event of your company not placing the above instrument within this period, or in the event of any change in the size/structure of your proposed issue, the rating shall have to be reviewed and a letter of revalidation shall have to be issued to you. Once the instrument is issued, the above rating is valid throughout the life of the captioned debt instrument.

As per our Rating Agreement, CRISIL would disseminate the rating along with outlook through its publications and other media, and keep the rating along with outlook under surveillance for the life of the instrument. CRISIL reserves the right to withdraw or revise the ratings assigned to the captioned instrument at any time, on the basis of new information, or unavailability of information or other circumstances, which CRISIL believes, may have an impact on the rating.

As per the latest SEBI circular (reference number: CIR/MD/DF/17/2013; dated October 22, 2013) on centralized database for corporate bonds/debentures, you are required to provide international securities identification number (ISIN; along with the reference number and the date of the rating letter) of all bond/debenture issuances made against this rating letter to us. The circular also requires you to share this information with us within 2 days after the allotment of the ISIN. We request you to mail us all the necessary and relevant information at debtissue@crisil.com. This will enable CRISIL to verify and confirm to the depositories, including NSDL and CDSL, the ISIN details of debt rated by us, as required by SEBI. Feel free to contact us for any clarifications you may have at debtissue@crisil.com

Should you require any clarifications, please feel free to get in touch with us.

With warm regards,

Yours sincerely,

Detailed Rationale

CRISIL has assigned its 'CRISIL AA/Stable' rating to Rs 2,000 crore retail bond of ECL Finance Ltd (ECLF; part of the Edelweiss group), while reaffirming the outstanding ratings at 'CRISIL AA/CRISIL PP-MLD AA/Stable/CRISIL PP-MLD A1+r/CRISIL A1+'. CRISIL has withdrawn its rating on Non-Convertible Debentures of Rs 150 crore and Long-Term Principal-Protected Market-Linked Debentures of Rs 29.35 crore (see Annexure 'Details of Rating Withdrawn' for details) in line with its withdrawal policy. CRISIL has received independent confirmation that these instruments have been fully redeemed.

The ratings continue to reflect the group's diversified business and earnings profile with presence across credit, capital market, and insurance segments, and its demonstrated ability to build significant presence in multiple lines of business. The ratings also factor in an established market position in capital market-related segments resulting in a regular stream of fee-based income.

These rating strengths are partially offset by vulnerability of asset quality to concentration in the wholesale lending segment, particularly in the current challenging environment, for some business lines like the real estate developer segment. Furthermore, the gearing and profitability ratios are weaker than those of its peers.

Analytical Approach

For arriving at the ratings, CRISIL has combined the business and financial risk profiles of all entities in the Edelweiss group, including ECLF. This is because they have significant operational, financial and managerial integration and also operate under the common Edelweiss brand.

Please refer Annexure - List of Entities Consolidated, which captures the list of entities considered and their analytical treatment of consolidation.

Key Rating Drivers & Detailed Description

Strengths

* **Diversified business profile:** The group has been diversifying within each of its key businesses, as well as entering new

businesses, over the past few years. It now has a presence in retail and wholesale lending, securities broking, wealth management, asset management, insurance, stressed-asset management, and alternate assets. Many of these have now attained sizeable scale and are expected to lend greater stability to earnings. Within capital markets, retail broking volumes now constitute around half of the overall broking volumes. In terms of new business lines, the life insurance business has grown significantly and is expected to break even over the next 2-3 years. In the lending business (book size of Rs 35,555 crore as on December 31, 2018, excluding the capital deployed in distressed assets credit), the group will continue to focus on increasing the granularity of the loan book. As a part of this strategy, it will focus on growing the retail book (comprising of mortgage, small and medium enterprise [SME], and retail loans against shares [LAS]) from ~50% as on December 31, 2018 (45 % as on March 31, 2018) to 60% by March 2020. Even within wholesale lending, the focus will be on a new segment of mid-market corporate lending with lower ticket size of Rs 50-100 crore as against large ticket size in the existing structured collateralised credit. However, given the current evolving liquidity situation since September 2018 for non-banks and the slowdown seen in the sector, the group has reduced its disbursements in the wholesale segment. The group had also adopted a cautious approach for the retail segment in Q3FY19 though the current rate of disbursements in this segment has gradually picked up.

* **Demonstrated ability to build significant competitive positions across businesses:** While the group remains a large player in the traditional broking business, it has one of the largest wholesale lending book among non-banks; this portfolio stood at Rs 17,798 crore as on December 31, 2018 (Rs 19,525 crore as on March 31, 2018, excluding capital deployed in distressed assets credit). In the distressed assets segment, Edelweiss Asset Reconstruction Company remains the largest asset reconstruction company (ARC) in India with total securities receipts managed at around Rs 45,000 crore as on December 31, 2018 (Rs 43,598 crore as on March 31, 2018). In the commodities business, the group has exited its agricultural commodities and precious metals trading businesses and is focusing on the agricultural credit and value chain services business.

* **Established position in capital market businesses:** The earnings and accretion to capital are expected to result in a regular stream of fee-based income over the medium term, given the established market position in capital market related businesses. Profit from the fee-based capital markets and asset management businesses increased in fiscal 2018 compared with fiscal 2017, and is expected to witness healthy growth over the medium term. The group has an established franchise in institutional broking and investment banking, and an expanding presence in retail broking, wealth management, and asset management. It is also one of the largest Indian institutional brokerage houses, with over 300 foreign and domestic institutional clients. The retail broking franchise is also expanding, with more than 5.55 lakh unique clients as on December 31, 2018. The group operates across the corporate finance and advisory domains-equity markets, private equity, mergers and acquisitions, advisory structured financial syndication, and debt issues. The wealth business and alternate assets business have also witnessed significant growth. Assets under advice in the global wealth management business were Rs 1,00,300 crore, and the assets under management in the asset management business were Rs 36,400 crore, as on December 31, 2018.

Weaknesses

* **Asset quality exposed to risks related to concentration in wholesale lending:** Asset quality will remain vulnerable to the concentration risks inherent in the wholesale loan book, despite the strong focus on collateral. As on December 31, 2018, wholesale lending constituted almost 50% of the total loan portfolio (excluding distressed assets credit), with the 10 largest loans constituting 17% of the wholesale portfolio. A sizeable proportion of this book is currently under moratorium with bullet or staggered repayments. On account of this, while reported non-performing assets (NPAs) in the segment are expected to remain low, the ability to refinance/exit some of these exposures will remain key a monitorable, considering the current challenging environment in certain business lines like the real estate developer segment.

Also, around 60% of the wholesale portfolio comprises real estate loans; this segment is vulnerable to cyclical downturns. Further, given the current evolving liquidity situation since September 2018 for non-banks, asset quality on the group's exposures to loans against property (LAP) and loans to micro, small and medium enterprises (24% of the loan book as on December 31, 2018, excluding capital deployed in distressed assets credit), would also be a key monitorable. This stems from sensitivity of borrowers of such loans to an environment of prolonged liquidity tightness.

Nevertheless, the group had an adequate networth to cover for asset-side risks at 32 times as on December 31, 2018; the level of gross NPAs was also comfortable, at 1.84% with net NPAs at 0.78%, as on December 31, 2018. The networth is expected to improve further considering the recent announcement of capital infusion of Rs 1,800 crore by Caisse de depot et placement du Quebec (CDPQ) in ECL Finance Ltd.

Any sharp deterioration in asset quality, specifically in the wholesale lending book, will also impact profitability and capital, and remains a key rating monitorable.

* **High gearing:** The gearing remains higher than that of peers. As on December 31, 2018, the gearing was 5.8 times, while the net gearing excluding the liquid assets of the balance sheet management unit (BMU) was 4.2 times. The group raised around Rs 1,528 crore through a qualified institutional placement issue in fiscal 2018; this led to a decline in gearing. In March 2019, CDPQ has agreed to invest around Rs 1,800 crore in the form of compulsory convertible debentures (CCD) in ECL Finance Ltd which should further reduce the leverage ratio in the near term. Gearing, thereafter, is expected to gradually increase to 5-6 times over the medium term.

* **Lower profitability than peers:** Profitability ratios are lower than those of other large financial sector groups; return on assets (annualised) was 1.6% and return on equity (annualised) 12.9% for the nine months ended fiscal 2019. While profitability has been improving over the past few fiscals, it remains lower than that of peers as a significant portion, over 25%, of the capital (equity plus borrowings) is employed in businesses or investments that are either low-yielding or loss-making at this point. The group has a large balance sheet management portfolio under its Balance Sheet Management Unit (BMU), which is used for managing liquidity. This

comprises largely of government securities, fixed deposits, liquid mutual fund units and corporate bonds, which have a low return on capital employed. Furthermore, the life and general insurance businesses continue to be loss-making. The general insurance business was started in February 2018, after requisite approvals were received from the Insurance Regulatory and Development Authority of India. This business is also expected to reduce consolidated profitability in the initial years of operations, given its long gestation period. Expected improvement in profitability of the insurance business and reduction in the share of funds allocated to BMU will benefit profitability only over the long term. In the near term, profitability could come under pressure owing to increase in borrowing costs coupled with limited ability to pass these on to borrowers and higher liquidity cushion maintained in low yielding liquid assets.

Liquidity

Liquidity is adequate. As a policy, the group maintains liquidity cushion of 9-10% of the balance sheet size. Even in the current market conditions, there was a cushion of around Rs 4,646 crore in the form of liquid investments (around Rs 2,346 crore) and unutilised bank lines (around Rs 2,300 crore) as on April 12, 2019. This excludes an amount of Rs.500 crore temporarily deployed in an episodic opportunity. Apart from this, the group has a treasury book, which can be dipped into if needed. As of April 12, 2019, the overall liquidity was adequate to meet debt repayment of around Rs 3,500 crore due over the three months ending June 30, 2019. Further, assets and liabilities continue to be well-matched as can be seen from the trend in cumulative mismatches in three-month and one-year buckets.

Outlook: Stable

CRISIL believes the Edelweiss group will continue to benefit over the medium term from the diversified business and earnings profiles, the ability to build a significant market presence in chosen lines of business, and an established position in capital-market-related businesses. The outlook might be revised to 'Positive' in case of improvement in the capital position, along with significant reduction in the gearing, and continued increase in granularity of the overall credit book. The outlook may be revised to 'Negative' in case of asset quality challenges in the lending business or a more-than-expected increase in the gearing. It might also be revised to 'Negative' in case there is unrelated diversification by the group.

About the Company and Group

ECLF is a non-deposit-taking, systematically important, non-banking financial company (NBFC-ND-SI) registered with the Reserve Bank of India, and is currently a wholly owned subsidiary of Edelweiss Financial Services Ltd (EFSL, the parent and holding company for all group companies). The company is the flagship lending arm of the Edelweiss group. In March 2019, CDPQ had agreed to invest around Rs 1,800 crore in the form of CCD in ECLF which upon conversion will lead to a dilution of the stake of Edelweiss group in ECLF.

The group comprised of 57 subsidiaries and 4 associate companies as on March 31, 2018. However, as a part of reorganisation of the group structure, the number of subsidiaries was reduced to 52 as of December 31, 2018, and there are plans to further bring it down in fiscal 2020 to around 35 (subject to requisite approvals). The group had 476 offices (including 8 international offices in 6 locations) in around 200 cities as on December 31, 2018. Its main business lines are credit, franchise businesses, and insurance. These businesses entail loans to corporates and individuals, mortgage finance, including loans against property and small-ticket housing loans, SME finance, agri credit including commodity sourcing and distribution, institutional and retail equity broking, corporate finance and advisory, wealth management, third-party financial products distribution, alternative and domestic asset management, and life and general insurance. In addition, the BMU focuses on liquidity and asset-liability management.

For fiscal 2018, profit after tax (PAT) of the group was Rs 890 crore on total income of Rs 8,619 crore against PAT of Rs 609 crore on total income of Rs 6,619 crore in fiscal 2017. The net worth of the group increased to Rs 7,762 crore as on March 31, 2018 (audited), from Rs 5,288 crore as on March 31, 2017.

For the nine months ended fiscal 2019, PAT after minority interest was Rs 793 crore on total income of Rs 7,939 crore, against PAT of Rs 623 crore on total income of Rs 6,334 crore in the corresponding period in the previous fiscal as per IndAS.

About CRISIL Ratings

CRISIL Ratings is part of CRISIL Limited ("CRISIL"). We pioneered the concept of credit rating in India in 1987. CRISIL is registered in India as a credit rating agency with the Securities and Exchange Board of India ("SEBI"). With a tradition of independence, analytical rigour and innovation, CRISIL sets the standards in the credit rating business. We rate the entire range of debt instruments, such as, bank loans, certificates of deposit, commercial paper, non-convertible / convertible / partially convertible bonds and debentures, perpetual bonds, bank hybrid capital instruments, asset-backed and mortgage-backed securities, partial guarantees and other structured debt instruments. We have rated over 24,500 large and mid-scale corporates and financial institutions. CRISIL has also instituted several innovations in India in the rating business, including rating municipal bonds, partially guaranteed instruments and microfinance institutions. We also pioneered a globally unique rating service for Micro, Small and Medium Enterprises (MSMEs) and significantly extended the accessibility to rating services to a wider market. Over 1,10,000 MSMEs have been rated by us.

Rating Rationale

CRISIL uses the prefix 'PP-MLD' for the ratings of principal-protected market-linked debentures (PPMLD) with effect from November 1, 2011 to comply with the SEBI circular, "Guidelines for Issue and Listing of Structured Products/Market Linked Debentures". The revision in rating symbols for PPMLDs should not be construed as a change in the rating of the subject instrument. For details on CRISIL's use of 'PP-MLD' please refer to the notes to Rating scale for Debt Instruments and Structured Finance Instruments at the following link: www.crisil.com/infocentre/crisil-rating-scale.html
